

CONCEPTUAL ADJACENCIES AND RELATIONSHIPS

Spatial Organization and Relationship Diagrams

Space Types and Organization

The facility program is comprised of these six major space types:

- general learning settings [blue]
- exploratory (specialized) learning Spaces [red]
- common shared spaces [orange]
- student support spaces [yellow]
- building services [purple]
- outdoor spaces [green]

The colors shown in brackets in the list above are keyed to the spaces described in the education facilities specifications.
