---

ASMP and the copyright alliance have informed me of this welcome invitation from the Obama admin to share my thoughts.

Bullets points below:

- 1) Intellectual property is how livelihood
- 2) Our rights must be protected
- 3) If our copyrights and intellectual rights are pirated, the american people will see a slow down in creativity and job loss
- 4) I make my living from my creativity

I am a professional photographer and appreciate this forum

Regards,

Fletcher Jay
