Dear Ms. Espinel,

ASMP and the Copyright Alliance have informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator.

Artists in twenty first century America are exposed to copyright infringement and unauthorized use of their work on a grand scale. I am an artist myself and also work with artists. I have witnessed first hand the loss of income from the theft of intellectual property.

Please do all that you can to protect our rights. Our ability to make a living is on the line.

Thank You,

Garry McElwee
