*The Copyright Alliance has informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator...*

To whom it may concern, my name is Tim Nauman. I am a photographer and videographer. Retaining copyright and enforcing copyright violation are very important to me. In the new digital age we as creators are rapidly being challenged to retain the rights to our work. AND, get paid for them! Intellectual property rights serves to protect the artist and need to be promoted and upheld! I thank you in advance for your future help on this issue
