Subject: ASMP and the Copyright Alliance: Request for your support
Date: Tuesday, March 23, 2010 8:26:58 PM

ASMP and the Copyright Alliance have informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator. I have been operating a commercial photography studio in Honolulu for almost 30 years. My employees and my family rely on my ability to run a productive and efficient business operation.

Today's technology and ease of intellectual property abuse has already had an adverse effect on my businesses ability to support my employees and family.

Please help all of America's creator to maintain and protect our intellectual creative rights.

We need your help on this critically important matter.

Sincerely,

Ric
