Dear Ms. Espinel,

ASMP and the Copyright Alliance have informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator. I am a freelance photographer based in Philadelphia and I can not stress how important it is to protect the ownership of my photography.. It is my sole basis of income and without it i would be penniless.

Please protect my photographs

Sincerely, Sabina louise pierce- [www.sabinalouispierce.com](http://www.sabinalouispierce.com)
