## Cancellation of Coast Guard Policy Letters and Guidance Documents

The Coast Guard has undertaken a review of all previously issued NVICs, Policy Letters and Guidance Letters related to the Mariner Credentialing Program to determine their current applicability. **Effective June 30, 2010**, the Coast Guard canceled numerous Policy Letters and Guidance Documents that have been either superseded by regulation, time or other policy documents. A list of the policy letter and guidance documents that were canceled, along with a list of the current references for each, can be found at:
