The Honorable Rep. Jim Jordan  
United States House of Representatives  
WASHINGTON, D.C. 20510

Dear Representative Jordan:

Americans for Limited Government supports the Republican Study Committee's cut, cap and balance budget proposal's goal of balancing the budget in five years. This aggressive, realistic approach to our nation's fiscal crisis is a meaningful attempt to rein in the spiral of debt which threatens America's economic stability.

Sincerely,

A handwritten signature in black ink, appearing to read "William A. Wilson". The signature is fluid and cursive, with a long horizontal stroke at the end.

William Wilson  
President  
Americans for Limited Government
