REPORT

Review No. 11-9366

The Board of the Office of Congressional Ethics, by a vote of no less than four members, on October 28, 2011, adopted the following report and ordered it to be transmitted to the Committee on Ethics of the United States House of Representatives.

SUBJECT: Representative Vern Buchanan

NATURE OF THE ALLEGED VIOLATION: During the period from 2007 to 2010, certain companies and organizations filed annual reports with the Florida Department of State that list Representative Buchanan as an officer or director. Representative Buchanan filed financial disclosure statements during this time that do not include the positions that he held with these companies and organizations. Also, his financial disclosure statements report an amount of unearned income that he received from certain companies that is inconsistent with the amount he reports on his federal income tax returns.

If Representative Buchanan failed to include positions he held with companies and organizations in his financial disclosure statements or failed to report unearned income, he may have violated House Rule 26 and the Ethics in Government Act.

RECOMMENDATION: The Board of the Office of Congressional Ethics recommends that the Committee on Ethics further review the above allegations because there is substantial reason to believe that Representative Buchanan failed to disclose reportable positions and unearned income on his financial disclosure statements for calendar years 2007, 2008, 2009, and 2010.

FINDINGS OF FACT AND CITATIONS TO LAW

Review No. 11-9366

On October 28, 2011, the Board of the Office of Congressional Ethics (the “Board”) adopted the following findings of fact and accompanying citations to law, regulations, rules, and standards of conduct (*in italics*).

The Board notes that these findings do not constitute a determination that a violation actually occurred.

I. INTRODUCTION

1. Publicly available records filed with the Florida Department of State indicate that Representative Vern Buchanan served as an officer or director of certain companies and organizations from 2007 to 2010.
2. Financial disclosure statements that Representative Buchanan filed from 2008 to 2011 (covering calendar years 2007 to 2010) do not include the positions that he held with these companies. In total, Representative Buchanan failed to disclose a total of seventeen reportable positions.
3. The financial disclosure statements report amounts of unearned income that he received from certain companies and organizations that are inconsistent with the amount he reports on his federal income tax returns.

A. Summary of Allegations

4. The Board finds that there is substantial reason to believe that Representative Buchanan violated House Rule 26 and the Ethics in Government Act when he failed to report on his financial disclosure statements for calendar years 2007, 2008, 2009, and 2010: (1) reportable positions he held with certain companies and organizations; and (2) unearned income he received from certain companies.
5. The Board recommends that the Committee on Ethics further review the above allegations. The Board notes that the omissions from Representative Buchanan’s financial disclosure statements do not appear to implicate any other ethics rules (*e.g.*, outside earned income limit) and that Representative Buchanan amended the disclosure

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

statements to correct what he described as inadvertent mistakes. Pursuant to its stated Policy Regarding Amendments to Financial Disclosure Statements, the Committee on Ethics has reserved to itself the discretion to determine whether an amendment is filed with the presumption of good faith. In view of the Committee on Ethics' policy, the Board recommends further review regarding whether Representative Buchanan's amended financial disclosure statements resolved any potential violation that may have occurred.

B. Jurisdictional Statement

6. The allegations that are the subject of this review concern Representative Vern Buchanan, a Member of the United States House of Representatives for the 13th District of Florida. The Resolution the United States House of Representatives adopted creating the Office of Congressional Ethics ("OCE") directs that, "[n]o review shall be undertaken . . . by the board of any alleged violation that occurred before the date of adoption of this resolution."¹ The House adopted this Resolution on March 11, 2008. Because the conduct under review occurred after March 11, 2008, the OCE has jurisdiction in this matter.

C. Procedural History

7. The OCE received a written request for a preliminary review in this matter signed by at least two members of the Board on June 22, 2011. The preliminary review commenced on June 23, 2011.² The preliminary review was scheduled to end on July 22, 2011.
8. At least three members of the Board voted to initiate a second-phase review in this matter on July 22, 2011. The second-phase review commenced on July 23, 2011.³ The second-phase review was scheduled to end on September 5, 2011.
9. The Board voted to extend second-phase review for an additional period of fourteen days on August 30, 2011. The second-phase review ended on September 19, 2011.
10. Pursuant to Rule 9(B) of the OCE Rules for the Conduct of Investigations, Representative Buchanan submitted a written statement to the Board on October 25, 2011.

¹ H. Res. 895, 110th Cong. §1(e), as amended (the "Resolution").

² A preliminary review is "requested" in writing by members of the Board of the OCE. The request for a preliminary review is "received" by the OCE on a date certain. According to the Resolution, the timeframe for conducting a preliminary review is thirty days from the date of receipt of the Board's request.

³ According to the Resolution, the Board must vote on whether to conduct a second-phase review in a matter before the expiration of the thirty-day preliminary review. If the Board votes for a second-phase, the second-phase begins when the preliminary review ends. The second-phase review does not begin on the date of the Board vote.

Subject to the Nondisclosure Provisions of H. Res. 895 of the 110th Congress as Amended

11. The Board voted to refer the matter to the Committee on Ethics and adopted these findings on October 28, 2011.
12. This report and findings were transmitted to the Committee on Ethics on November 8, 2011.

D. Summary of Investigative Activity

13. The OCE requested and received documentary and, in some cases, testimonial information from the following sources:

- (1) Representative Buchanan;
- (2) Boca Creek Development Company, LLC;
- (3) Bowling Green Dealership, LLC;
- (4) Country Club Shores, LLC;

II. REPRESENTATIVE BUCHANAN'S FINANCIAL DISCLOSURE STATEMENTS

A. Law, Regulations, Rules, and Standards of Conduct

House Rule 26

14. *Under House Rule 26, "the provisions of title I of the Ethics in Government Act of 1978 shall be considered Rules of the House as they pertain to Members, Delegates, the Resident Commissioner, officers, and employees of the House."*

Ethics in Government Act

15. *Pursuant to 5 U.S.C. app. 4 § 101(d), "[a]ny individual who is an officer or employee described in subsection (f) during any calendar year and performs the duties of his position or office for a period in excess of sixty days in that calendar year shall file on or before May 15 of the succeeding year a report containing the information described in section 102(a)."*
16. *"Each report filed pursuant to section 101 (d) and (e) shall include a full and complete statement with respect to . . . [t]he identity of all positions held on or before the date of filing during the current calendar year (and, for the first report filed by an individual,*

during the two-year period preceding such calendar year) as an officer, director, trustee, partner, proprietor, representative, employee, or consultant of any corporation, company, firm, partnership, or other business enterprise, any nonprofit organization, any labor organization, or any educational or other institution other than the United States. This subparagraph shall not require the reporting of positions held in any religious, social, fraternal, or political entity and positions solely of an honorary nature.”⁴

17. *“Each report filed pursuant to section 101 (d) and (e) shall include a full and complete statement with respect to . . . [t]he source and type of income which consists of dividends, rents, interest, and capital gains, received during the preceding calendar year which exceeds \$200 in amount or value”⁵*

Policy Regarding Amendments to Financial Disclosure Statements

18. *“[T]he Committee will adopt a two-pronged test for determining whether an amendment is considered to be filed with a presumption of good faith: First, whether it is submitted within the appropriate amendment period (close-of-year); and second, a ‘circumstance’ text [sic] addressing why the amendment is justified.”⁶*

B. Representative Buchanan’s General Process for Completing His Financial Disclosure Statements

19. Representative Buchanan described to the OCE the process he uses to complete his annual financial disclosures.⁷ He stated that the process for preparing his financial disclosure statements begins approximately sixty days prior to the annual May 15th filing deadline. His goal is to submit the complete package by May 1st of each year.⁸
20. Each year, he has several certified public accountants (“CPAs”) gather the required information and prepare a draft of the financial disclosure statement. This draft is completed approximately two weeks prior to the filing deadline.⁹
21. Representative Buchanan told the OCE that his CPAs know about 98% of the information needed to complete the disclosure statements. He only answers a few questions during the annual process.¹⁰

36. Representative Buchanan's financial disclosure statements filed with the Clerk of the House for calendar years 2009 and 2010 do not list Bowling Green Dealership, LLC on Schedule VIII as an entity with which he holds a reportable position.³³
37. When asked about the discrepancy on his financial disclosure statements, Representative Buchanan told the OCE that the company's annual reports filed with the Florida Department of State in 2009 and 2010 should not have been filed at all because the assets of the company were sold in 2008.³⁴ He stated that Bowling Green Dealership, LLC should have been dissolved at that time.³⁵
38. Another discrepancy involving Bowling Green Dealership, LLC relates to the income that Representative Buchanan received from the company. Based on his federal income tax returns, Representative Buchanan received interest income from the company totaling \$2,373 in 2007 and \$2,992 in 2008.³⁶
39. Schedule III of Representative Buchanan's financial disclosure statements for calendar years 2007 and 2008 indicate that the amount of interest income he received each year from Bowling Green Dealership, LLC was "zero."³⁷

The amended disclosures for 2009 and 2010 list Representative Buchanan as a managing member of Bowling Green Dealership, LLC.³⁹ The amended disclosures for calendar years 2007 and 2008 indicate that Representative Buchanan received zero interest income from Bowling Green Dealership, LLC, but note that "Bowling Green, LLC produced interest income during the period, but when applied against net loss, the net total was still a loss."⁴⁰

67. Following his interview with the OCE in this Review, Representative Buchanan filed amended financial disclosure statements for calendar years 2007, 2008, 2009, and 2010. The amended disclosures list Representative Buchanan as the “President, Director” of the Family Foundation.⁷⁰
68. Pursuant to the Committee on Ethics’ Policy Regarding Amendments to Financial Disclosure Statements, the Committee on Ethics may analyze whether Representative Buchanan’s amendments were filed with a presumption of good faith under a two-prong test.⁷¹

III. CONCLUSION

69. From 2008 to 2011, Representative Buchanan filed financial disclosure statements that did not include positions that he held with companies and organizations and income that he received. In total, Representative Buchanan failed to disclose a total of seventeen reportable positions. During the interview with the OCE, Representative Buchanan conceded that he did not disclose the positions.
70. Based on the above findings, the OCE Board recommends that the Committee on Ethics further review the above allegation because there is substantial reason to believe that Representative Buchanan violated House rules, standards of conduct, and federal law. Although Representative Buchanan filed amended financial disclosure statements as a result of this Review, further review is necessary to permit the Committee on Ethics to apply its Policy Regarding Amendments to Financial Disclosure Statements and determine whether the amendments were filed with a presumption of good faith.

IV. INFORMATION THE OCE WAS UNABLE TO OBTAIN AND RECOMMENDATIONS FOR THE ISSUANCE OF SUBPOENAS

71. The OCE included with its Request for Information to all witnesses a “Request for Information Certification” document that asked witnesses to “certify that I have provided the Office of Congressional Ethics all information requested in the Request for Information . . . and if I have not provided a requested document or certain information, then I have identified the document or information that was not available or withheld and why it was not available or withheld.” The certification is given subject to 18 U.S.C. § 1001 (commonly known as the False Statements Act).

**Policy Regarding Amendments to
Financial Disclosure Statements**

MEMORANDUM OF APRIL 23, 1986

TO: All Members, Officers, and Employees of the U.S. House of
Representatives

FROM: Committee on Standards of Official Conduct
Julian C. Dixon, Chairman
John T. Myers, Ranking Minority Member

The purpose of this letter is to inform all Members, officers, and employees who are required to file Financial Disclosure (FD) Statements pursuant to the Ethics in Government Act (EIGA) of 1978, 5 U.S.C. app. 4, § 101 et seq.,¹ whose filings are under the jurisdiction of this Committee, of a revision to the Committee's policy regarding the submission of amendments to earlier filed disclosure statements. The new policy, discussed below, will be implemented immediately and all future statements as well as the amendments thereto will be handled in accordance therewith.

To date, it has been the general policy of this Committee to accept amended FD Statements from all filers and consider such amendments to have been timely filed without regard to the duration of time between the date of the original filing and the amendment submitted thereto. Over time, this practice has resulted in the Committee having received a significant number of amendments to disclosure statements under circumstances not necessarily reflecting adequate justification or explanation that the amendment was necessary to clarify previously disclosed information or that a disclosure was omitted due either to unavailability of information or inadvertence. Moreover, and particularly in the case of an individual whose conduct (having EIGA implications) is under review, the Committee has been faced with the somewhat inconsistent tasks of identifying the deficiencies in earlier FD Statements while simultaneously accepting amendments to such statements that may well have been intended to have a mitigating or even exculpatory effect. Quite clearly, both time and experience have established the need to make some adjustments to the financial disclosure process in order to alleviate such perceived problems and create a more logical and predictable environment for filers to meet their statutory obligation under EIGA and the parallel responsibility of this Committee to implement that law. It is in this context that a new policy for accepting and considering amended disclosure statements is being implemented.

¹ Title I of EIGA was recodified following enactment of the Ethics Reform Act of 1989, P.L. 101-194, 103 Stat. 1716. Legislative branch disclosure requirements were previously found at 2 U.S.C. § 701 et seq. The 1989 statute combined separate provisions applicable to all three branches into the one title now found at Appendix 4 of title 5, United States Code.

To begin, effective immediately, an amendment to an earlier FD Statement will be considered timely filed if it is submitted by no later than the close of the year in which the original filing so affected was proffered. There will be, however, a further caveat to this “close-of-year” approach. Specifically, an amendment will not be considered to be timely if the submission thereof is clearly intended to “paper over” an earlier mis/non filing or there is no showing that such amendment was occasioned by either the prior unavailability of information or the inadvertent omission thereof. Thus, for example, so long as a filer wishes to amend within the appropriate period of prescribed “timeliness” and such amendments are not submitted as a result of, or in connection with, action by this Committee that may have the effect of discrediting the quality of the initial filing(s), then such amendments will be deemed to be presumptively good faith revisions to the filings. In essence, the amendment, per se, should be submitted only as a result of the need to clarify an earlier filing or to disclose information not known (or inadvertently omitted) at the time the original FD was submitted. In sum, the Committee will adopt a two-pronged test for determining whether an amendment is considered to be filed with a presumption of good faith: First, whether it is submitted within the appropriate amendment period (close-of-year); and second, a “circumstance” text addressing why the amendment is justified. In this latter regard, filers will be expected to submit with the amendment a brief statement on why the earlier FD is being revised. Thus, amendments meeting the two-pronged test will be accorded a rebuttable presumption of good faith and this Committee will have the burden to overcome such a presumption. Conversely, any amendment not satisfying both of the above-stated criteria will not be accorded the rebuttable presumption of good faith. In such a case, the burden will be on the filer to establish such a presumption.

The Committee is well aware that disclosure statements filed in years past may be in need of revision. To this end, the Committee has determined that a grace period ending at the close of calendar year 1986 will be granted during which time all filers may amend any previously submitted FD Statements. Again, while an amendment may be timely from the standpoint of when it is submitted – i.e., within the current year – information regarding the need for and, hence, appropriateness of the amendment will also be considered vis-à-vis the rebuttable presumption of good faith.

In sum, the effect of the new policy is to establish a practice of receiving and anticipating that FD Statements and amendment thereto will be submitted within the same calendar year and that departures based on either timeliness or circumstances can be readily identified for scrutiny and possible Committee action. As noted, implementation of the new policy will affect not only statements filed this year but also all statements filed in prior years in light of the grace period being adopted.

Should you have a question regarding this matter, please feel free to contact the Committee staff at 225-7103.

OFFICE OF CONGRESSIONAL ETHICS
UNITED STATES HOUSE OF REPRESENTATIVES

MEMORANDUM OF INTERVIEW

IN RE: Representative Vern Buchanan
REVIEW #(s): No. 11-9366
DATE: September 9, 2011
LOCATION: Representative Vern Buchanan's Office
221 Cannon House Office Building
TIME: 9:00 AM to 10:00 AM (approximate)
PARTICIPANTS: Kedric Payne
Scott Gast
Dave Karveles, Chief of Staff
Christopher DeLacy, Holland & Knight

SUMMARY: Representative Vern Buchanan represents Florida's 13th congressional district. OCE requested an interview with the witness and he consented to an interview. The witness made the following statements in response to our questioning:

1. The witness was given an 18 U.S.C. § 1001 warning and consented to an interview. The witness signed a written acknowledgement of the warning, which will be placed in the case file in this review.
2. The witness began by explaining that in the past four to five years, he has worked to consolidate the entities with which he is involved. He currently has 40 to 50 entities with which he is involved, from multiple states and jurisdictions.
3. The process of preparing the witness' financial disclosure forms begins approximately 60 days prior to the filing deadline, with the goal of submitting a complete package by May 1st.
4. The witness has a team of CPAs gather the required information and prepare a draft of his financial disclosure report approximately two weeks prior to the filing deadline.
5. The witness stated that his team knows about 98% of the information needed to complete the disclosure form, and that he only answers a few questions during this process.
6. The witness said that he looks through the draft "a little bit," but because of the voluminous amount of information involved, acknowledged that he must rely somewhat on his staff to "handle all the details."
7. The draft financial disclosure report is shared with the Committee on Ethics, and the witness and his team work with Committee staff to address any issues with the report prior to its official filing.

Subject to the Nondisclosure Provisions of H. Res. 895 as Amended

8. The team of people involved in gathering the required information is lead by Toni Poor, a CPA involved in the witness' corporate interests, and includes Bob Wellen, a CPA involved with the witness' personal finances; Ira Silvers, a CPA involved in the witness' automotive business interests; and Scott Gurr and Tom [last name unknown], who work with the witness' family office.
9. The witness explained that the Regent Court Association is a small, non-profit homeowners association that includes his home on Longboat Key in Florida. The Association includes eight lots, one of which is the witness' home.
10. The witness purchased the land in 1995, built a home on the land, and moved into the home in 1997. The witness currently lives in this home.
11. The witness said that, looking back at his homeowners documents, he understands that each homeowner in the Association was automatically made a director of the Association.
12. The witness believes that each of the Association members pays about \$10-15,000 per year into the Association for maintenance and upkeep of common areas.
13. The witness has no duties with respect to Regent Court. He estimated that, in the past five years, he has been to one Association meeting.
14. The witness receives no compensation from the Association.
15. The witness explained that his position as a director of the Association was not disclosed on his financial disclosure reports because he did not know that he was a director, and because Ms. Poor and others did not know about this position.
16. The Buchanan Family Foundation is a private family foundation run by the witness' wife, with minimal involvement of his two sons. The Foundation makes charitable donations to various non-profit organizations, primarily for underprivileged youth. The Foundation was created approximately four to five years ago.
17. The witness is the President of the Foundation.
18. The witness has not been to any Foundation meetings. He said that he may occasionally make a suggestion or offer an opinion about a potential charitable effort.
19. The witness (and his wife) received no compensation from the Foundation.
20. The witness explained that his position as president of the Foundation was not disclosed on his financial disclosure reports because "our people missed it."
21. Country Club Shores I & II own a 2,000 square foot home on Longboat Key, across from the witness' home, which the witness purchased to use as a rental property.
22. The witness explained that, in the last three years, there has been little to no market for rental properties, so the property has not been rented out much. The witness' son has been living in the property for the past eight to nine months.

CONFIDENTIAL

Subject to the Nondisclosure Provisions of H. Res. 895 as Amended

23. The witness says his duties with respect to the Country Club Shores entities are “really nothing.” When the LLCs were created, someone needed to serve as the managing member.
24. The witness said that no one is involved in attempting to rent the property, although his son is involved in the real estate business.
25. While the witness indicated that there may have been rental income in the past, he believes that there has not been any income in the last year or so.
26. The witness did not know why his 2007 financial disclosure report included rental income from Country Club Shores, but his income tax returns did not. He stated that since the initiation of the OCE investigation, he has been looking into the issues raised.
27. The witness explained that his positions as managing member of the entities were not disclosed on his financial disclosure reports because of an “oversight.”
28. Boca Creek Development Company is an entity that purchased between 100 to 300 acres of land southwest of Sarasota, Florida. The witness is one of 4 or 5 investors in the land; the witness owns a minority stake of about 16-20% of the Company.
29. The witness explained that the land was originally purchased to develop, but the real estate market crashed shortly after the purchase. The land has not been developed and is currently owned as a “raw piece of land.”
30. The witness has no duties as managing member of the Company; “this is just a pure investment.” He has not attended any Company meetings, but John Tosh, a corporate attorney working for the witness, sits in on meetings on his behalf.
31. When asked about income from this Company reported on K-1 forms for the years 2007 to 2010, the witness said he had no knowledge of receiving income from this Company. He stated that he did not know how he could have received interest income from a piece of undeveloped land.
32. The witness explained that his position as managing member of the Company was not disclosed on his financial disclosure reports because of an “oversight.” He indicated that he will be amending his financial disclosure reports to correct this.
33. Bowling Green Dealership, Inc. was a Mercedes/BMW store based in Kentucky.
34. The witness sold the assets of this dealership approximately three years ago, but the shell entity that had held these assets had not yet been dissolved by the time of the OCE investigation.
35. The dealership was listed as a holding of 1099 Management¹, which the witness explained was a holding company for his corporate offices. He believes various dealerships would have paid money into 1099 Management to pay for corporate costs.

¹ The witness explained that the name “1099 Management” may have come from the date the entity was created, i.e., October 1999.

CONFIDENTIAL

Subject to the Nondisclosure Provisions of H. Res. 895 as Amended

36. The witness did not know why his 2007 and 2008 financial disclosure reports listed the dealership, but his 2009 and 2010 reports did not. He explained that, ideally, a filing should have been made with the state to wind down this entity.
37. The witness did not know why the dealership was not listed as a holding of 1099 Management on his financial disclosure reports.
38. The witness said that interest income from the dealership in 2007 and 2008 was not included on his financial disclosure reports because of a “technical discrepancy.”
39. The witness indicated that amended disclosure reports will likely be filed with the Ethics Committee this week.

This memorandum was prepared on September 9, 2011 after the interview was conducted on that same day. I certify that this memorandum contains all pertinent matter discussed with the witness on September 9, 2011.

For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA, indicate where you have the power to select the specific investment(s), provide information on each asset in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that's not publicly traded, in Block A, state the name of the business, the nature of the business, and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your spouse's child; parent, or sibling; any deposits totaling \$5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

If you so choose, you may indicate that an asset or income source is that of your spouse (S), or dependent child (DC), or is jointly held (JT), in the optional column on the far left.

For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments), provide information on each asset in the account that exceeds the reporting threshold, and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the name of the business, the nature of the business, and its geographic location. For additional information, see the instruction booklet for the reporting year.

Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your spouse's child, parent, or sibling; any deposits totaling \$5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.

Check all columns that apply. Check "None" if asset did not generate any income during the calendar year.

Amount of Income

For retirement plans or accounts that do not allow you to choose specific investments, you may write "N/A" for income. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, even if reinvested, should be listed as income. Check
