§ 3991. Computation of retired pay

(a) COMPUTATION.—

(1) FORMULA.—The monthly retired pay of a member entitled to such pay under this subtitle is computed by multiplying—

(A) the member's retired pay base (as computed under section 1406(c) or 1407 of this title), by

(B) the retired pay multiplier prescribed in section 1409 of this title for the number of years credited to the member under section 1405 of this title.

The Secretary's determination as to extraordinary heroism is conclusive for all purposes.

found best qualified on examination for admission and not otherwise nominated.

If it is determined that, upon the admission of a new class to the Academy, the number of cadets at the Academy will be below the authorized number, the Secretary of the Army may fill the vacancies by nominating additional cadets from qualified candidates designated as alternates and from other qualified candidates who competed for nomination and are recommended and found qualified by the Academic Board. At least three-fourths of those nominated under this section shall be selected from qualified alternates nominated by the persons named in clauses (2) through (8) of section 4342(a) of this title, and the remainder from qualified candidates holding competitive nominations under any other provision of law. An appointment under this section is an additional appointment and is not in place of an appointment otherwise authorized by law.

thorized strength of the Corps of the Cadets of the Academy under section 4342 of this title.

(2) The Secretary of the Army, upon approval by the Secretary of Defense, shall determine the countries from which persons may be selected for appointment under this section and the number of persons that may be selected from each country. The Secretary of the Army may establish entrance qualifications and methods of competition for selection among individual applicants under this section and shall select those persons who will be permitted to receive instruction at the Academy under this section.

(3) In selecting persons to receive instruction under this section from among applicants from the countries approved under paragraph (2), the Secretary of the Army shall give a priority to persons who have a national service obligation to their countries upon graduation from the Academy.

(b)(1) A person receiving instruction under this section is entitled to the pay, allowances, and emoluments of a cadet appointed from the United States, and from the same appropriations.

(2) Each foreign country from which a cadet is permitted to receive instruction at the Academy under this section shall reimburse the United States for the cost of providing such instruction, including the cost of pay, allowances, and emoluments provided under paragraph (1). The Secretary of the Army shall prescribe the rates for reimbursement under this paragraph, except that the reimbursement rates may not be less than the cost to the United States of providing such instruction, including pay, allowances, and emoluments, to a cadet appointed from the United States.

(3) The Secretary of Defense may waive, in whole or in part, the requirement for reimbursement of the cost of instruction for a cadet under paragraph (2). In the case of a partial waiver, the Secretary shall establish the amount waived.

(c)(1) Except as the Secretary of the Army determines, a person receiving instruction under this section is subject to the same regulations governing admission, attendance, discipline, resignation, discharge, dismissal, and graduation as a cadet at the Academy appointed from the United States. The Secretary may prescribe regulations with respect to access to classified information by a person receiving instruction under this section that differ from the regulations that apply to a cadet at the Academy appointed from the United States.

(2) A person receiving instruction under this section is not entitled to an appointment in an armed force of the United States by reason of graduation from the Academy.

(d) A person receiving instruction under this section is not subject to section 4346(d) of this title.

(b) **LIMITATIONS ON NUMBER AND DURATION OF EXCHANGES.**—An exchange agreement under this section between the Secretary and a foreign country shall provide for the exchange of students on a one-for-one basis each fiscal year. (2) The Secretary may provide a student from a foreign country under the exchange program, during the period of the exchange, with subsistence, transportation within the continental United States, clothing, health care, and other services to the same extent that the foreign country provides comparable support and services to the exchanged cadet in that foreign country.

(3) The Academy shall bear all costs of the exchange program from funds appropriated for the Academy and such additional funds as may be available to the Academy from a source other than appropriated funds to support cultural immersion, regional awareness, or foreign language training activities in connection with the exchange program.

(4) Expenditures in support of the exchange program from funds appropriated for the Academy may not exceed \$1,000,000 during any fiscal year.

(a) **ATTENDANCE AUTHORIZED.**—The Secretary of the Army may authorize the Academy to permit students, officers, and other representatives of a foreign country to attend the Academy for periods of not more than two weeks if the Secretary determines that the attendance of such persons contributes significantly to the develop-

(b) COSTS AND EXPENSES.—The Secretary may pay the travel, subsistence, and similar personal expenses of persons incurred to attend the Academy under subsection (a).

(c) EFFECT OF ATTENDANCE.—Persons attending the Academy under subsection (a) are not considered to be students enrolled at the Academy and are in addition to persons receiving instruction at the Academy under section 4344 or 4345 of this title.

(c) A candidate designated as a principal or an alternate for appointment as a cadet shall appear for physical examination at a time and place designated by the Secretary.

(d) To be admitted to the Academy, an appointee must take and subscribe to the following oath—

§ 4347. Cadets; nominees: effect of redistricting of States

If as a result of redistricting a State the domicile of a cadet, or a nominee, nominated by a Representative falls within a congressional district other than that from which he was nominated, he is charged to the district in which his domicile so falls. For this purpose, the number of cadets otherwise authorized for that district is increased to include him. However, the number as so in-

creased is reduced by one if he fails to become a cadet or when he is finally separated from the Academy.

(A) will accept an appointment, if tendered, as a commissioned officer of the Regular Army or the Regular Air Force; and

(B) will serve on active duty for at least five years immediately after such appointment.

(3) That if an appointment described in paragraph (2) is not tendered or if the cadet is permitted to resign as a regular officer before completion of the commissioned service obligation of the cadet, the cadet—

(A) will accept an appointment as a commissioned officer as a Reserve for service in the Army Reserve or the Air Force Reserve; and

(B) will remain in that reserve component until completion of the commissioned service obligation of the cadet.

(4) That if an appointment described in paragraph (2) or (3) is tendered and the cadet participates in a program under section 2121 of this title, the cadet will fulfill any unserved obligation incurred under this section on active duty, regardless of the type of appointment held, upon completion of, and in addition to, any service obligation incurred under section 2123 of this title for participation in such program.

(b)(1) The Secretary of the Army may transfer to the Army Reserve, and may order to active duty for such period of time as the Secretary prescribes (but not to exceed four years), a cadet who breaches an agreement under subsection (a). The period of time for which a cadet is ordered to active duty under this paragraph may be determined without regard to section 651(a) of this title.

(2) A cadet who is transferred to the Army Reserve under paragraph (1) shall be transferred in an appropriate enlisted grade or rating, as determined by the Secretary.

(3) For the purposes of paragraph (1), a cadet shall be considered to have breached an agreement under subsection (a) if the cadet is separated from the Academy under circumstances which the Secretary determines constitute a breach of the cadet's agreement to complete the course of instruction at the Academy and accept an appointment as a commissioned officer upon graduation from the Academy.

(c) The Secretary of the Army shall prescribe regulations to carry out this section. Those regulations shall include—

(1) standards for determining what constitutes, for the purpose of subsection (b), a breach of an agreement under subsection (a);

(2) procedures for determining whether such a breach has occurred; and

(3) standards for determining the period of time for which a person may be ordered to serve on active duty under subsection (b).

(d) In this section, the term “commissioned service obligation”, with respect to an officer who is a graduate of the Academy, means the period beginning on the date of the officer’s appointment as a commissioned officer and ending on the sixth anniversary of such appointment or, at the discretion of the Secretary of Defense, any later date up to the eighth anniversary of such appointment.

(e)(1) This section does not apply to a cadet who is not a citizen or national of the United States.

(2) In the case of a cadet who is a minor and who has parents or a guardian, the cadet may sign the agreement required by subsection (a) only with the consent of a parent or guardian.

(f) A cadet or former cadet who does not fulfill the terms of the agreement as specified under subsection (a), or the alternative obligation imposed under subsection (b), shall be subject to the repayment provisions of section 303a(e) of title 37.

That amount shall be deducted from his pay. If a cadet is discharged before graduation while owing the United States for pay advanced for the purchase of required clothing and equipment, he shall turn in so much of his clothing and equipment of a distinctive military nature as is necessary to repay the amount advanced. If the value of the clothing and equipment turned in does not cover the amount owed, the indebtedness shall be canceled.

(b) Under such regulations as the Secretary may prescribe, uniforms and equipment shall be furnished to a cadet at the Academy upon his request.

(b) Any cadet who fails to pass a required examination because he is deficient in any one subject of instruction is entitled to a reexamination of equal scope and difficulty in that subject, if he applies in writing to the Academic Board within 10 days after he is officially notified of his failure. The reexamination shall be held within 60 days after the date of his application. If the cadet passes the reexamination and is otherwise qualified, he shall be readmitted to the Academy. If he fails, he may not have another examination.

(c) The failure of a member of a graduating class to complete the course with his class does not delay the admission of his successor.

(Aug. 10, 1956, ch. 1041, 70A Stat. 244.)

§ 4352. Cadets: hazing

(b) The Secretary of the Army may authorize any denomination, sect, or religious body to erect a building for religious worship on the West Point Military Reservation, if its erection will not interfere with the use of the reservation for military purposes and will be without expense to the United States. Each other officer is considered to have for this purpose as much total commissioned service as the years of active commissioned service of any regular officer on the active-duty list of the Navy not restricted in the performance of duty, or any regular officer on the active-duty list of the Marine Corps not restricted in the performance of duty, as appropriate, who has served continuously since original appointment as an ensign on the active-duty list of the Navy or as a second lieutenant on the active-duty list of the Marine Corps, has not lost numbers or precedence, and is, or has been after September 6, 1947, junior to that other officer. However, the total commissioned service that the other officer is considered to have may not be less than the actual number of years he has served as a commissioned officer in a grade above chief warrant officer, W-5.

Subject to that limitation, midshipmen are selected as follows:

(1) 65 selected in order of merit as established by competitive examination from the children of members of the armed

forces who were killed in action or died of, or have a service-connected disability rated at not less than 100 per centum resulting from, wounds or injuries received or diseases contracted in, or preexisting injury or disease aggravated by, active service, children of members who are in a "missing status" as defined in section 551(2) of title 37, and children of civilian employees who are in "missing status" as defined in section 5561(5) of title 5. The determination of the Department of Veterans Affairs as to service connection of the cause of death or disability, and the percentage at which the disability is rated, is binding upon the Secretary of the Navy.

(2) Five nominated at large by the Vice President or, if there is no Vice President, by the President pro tempore of the Senate.

(3) Ten from each State, five of whom are nominated by each Senator from that State.

(4) Five nominated by each Representative in Congress.

(5) Five from the District of Columbia, nominated by the Delegate to the House of Representatives from the District of Columbia.

(6) Three from the Virgin Islands, nominated by the Delegate in Congress from the Virgin Islands.

(7) Six from Puerto Rico, five of whom are nominated by the Resident Commissioner from Puerto Rico and one who is a native of Puerto Rico nominated by the Governor of Puerto Rico.

(8) Three from Guam, nominated by the Delegate in Congress from Guam.

(9) Two from American Samoa, nominated by the Delegate in Congress from American Samoa.

(10) Two from the Commonwealth of the Northern Mariana Islands, nominated by the Delegate in Congress from the commonwealth.

Each Senator, Representative, and Delegate in Congress, including the Resident Commissioner from Puerto Rico, is entitled to nominate 10 persons for each vacancy that is available under this section. Nominees may be submitted without ranking or with a principal candidate and 9 ranked or unranked alternates. Qualified nominees not selected for appointment under this subsection shall be considered qualified alternates for the purposes of selection under other provisions of this chapter.

(b) In addition there may be appointed each year at the Academy midshipmen as follows:

(1) one hundred selected by the President from the children of members of an armed force who—

(A) are on active duty (other than for training) and who have served continuously on active duty for at least eight years;

(B) are, or who died while they were, retired with pay or granted retired or retainer pay;

(C) are serving as members of reserve components and are credited with at least eight years of service computed under section 12733 of this title; or

(D) would be, or who died while they would have been, entitled to retired pay under chapter 1223 of this title except for not having attained 60 years of age; however, a person who is eligible for selection under clause (1) of subsection (a) may not be selected under this clause.

(2) 85 nominated by the Secretary of the Navy from enlisted members of the Regular Navy and the Regular Marine Corps.

(3) 85 nominated by the Secretary of the Navy from enlisted members of the Navy Reserve and the Marine Corps Reserve.

(4) 20 nominated by the Secretary of the Navy, under regulations prescribed by him, from the honor graduates of schools designated as honor schools by the Department of the Army, the Department of the Navy, or the Department of the Air Force, and from members of the Naval Reserve Officer's Training corps.

(5) 150 selected by the Secretary of the Navy in order of merit (prescribed pursuant to section 6956 of this title) from qualified alternates nominated by persons named in clauses (3) and (4) of subsection (a).

(c) The President may also appoint as midshipmen at the Academy children of persons who have been awarded the medal of honor for acts performed while in the armed forces.

(d) The Superintendent of the Naval Academy may nominate for appointment each year 50 persons from the country at large. Persons nominated under this paragraph may not displace any appointment authorized under clauses (2) through (9) of subsection (a) and may not cause the total strength of midshipmen at the Naval Academy to exceed the authorized number.

(e) The Secretary of the Navy may limit the number of midshipmen appointed under subsection (b)(5). When he does so, if the total number of midshipmen, upon admission of a new class at the Academy, will be more than 3,737, no appointments may be made under subsection (b)(2) or (3) of this section or section 6956 of this title.

(f) The Superintendent of the Naval Academy shall furnish to any Member of Congress, upon the written request of such Member, the name of the Congressman or other nominating authority responsible for the nomination of any named or identified person for appointment to the Academy.

(g) For purposes of the limitation in subsection (a) establishing the aggregate authorized strength of the Brigade of Midshipmen, the Secretary of the Navy may for any year permit a variance in that limitation by not more than one percent. In applying that limitation, and any such variance, the last day of an academic year shall be considered to be graduation day.

(h)(1) Beginning with the 2003–2004 academic year, the Secretary of the Navy may prescribe annual increases in the midshipmen strength limit in effect under subsection (a). For any academic year, any such increase shall be by no more than 100 midshipmen or such lesser number as applies under paragraph (3) for that year. Such annual increases may be prescribed until the midshipmen strength limit is 4,400.

(2) Any increase in the midshipmen strength limit under paragraph (1) with respect to an academic year shall be prescribed not later than the date on which the budget of the President is submitted to Congress under section 1105 of title 31 for the fiscal year beginning in the same year as the year in which that academic year begins. Whenever the Secretary prescribes such an increase, the Secretary shall submit to Congress a notice in writing of the increase. The notice shall state the amount of the increase in the midshipmen strength limit and the new midshipmen strength limit, as so increased, and the amount of the increase in Senior Navy Reserve Officers' Training Corps enrollment under each of sections 2104 and 2107 of this title.

(3) The amount of an increase under paragraph (1) in the midshipmen strength limit for an academic year may not exceed the increase (if any) for the preceding academic year in the total number of midshipmen enrolled in the Navy Senior Reserve Officers' Training Corps program under chapter 103 of this title who have entered into an agreement under section 2104 or 2107 of this title.

(4) In this subsection, the term "midshipmen strength limit" means the authorized maximum strength of the Brigade of Midshipmen.

§ 6955. Midshipmen: allotment upon redistricting of Congressional Districts

If as a result of redistricting a State the domicile of a midshipman, or a nominee, nominated by a Representative falls within a congressional district other than that from which he was nominated, he is charged to the district in which his domicile so falls. For this purpose, the number of midshipmen otherwise authorized for that district is increased to include him. However, the number as so increased is reduced by one if he fails to become a midshipman or when he is finally separated from the Naval Academy.

(Aug. 10, 1956, ch. 1041, 70A Stat. 430.)

§ 6956. Midshipmen: nomination and selection to fill vacancies

(a) If the annual quota of midshipmen from—

(1) enlisted members of the Regular Navy and the Regular Marine Corps;

(2) enlisted members of the Navy Reserve and the Marine Corps Reserve; or

(3) at large by the President;

is not filled, the Secretary may fill the vacancies by nominating for appointment other candidates from any of these sources who were found best qualified on examination for admission and not otherwise nominated.

(b) If it is determined that, upon the admission of a new class to the Academy, the number of midshipmen at the Academy will be below the authorized number, the Secretary may fill the vacancies by nominating additional midshipmen from qualified candidates designated as alternates and from other qualified candidates who competed for nomination and are recommended and found qualified by the Academic Board. At least three-fourths of those nominated under this subsection shall be from qualified alternates under clauses (2) through (8) of section 6954(a) of this title, and the remainder shall be from qualified candidates who competed for appointment under any other provision of law. An appointment of a nominee under this subsection is an additional appointment and is not in place of an appointment otherwise authorized by law.

(c) The failure of a member of a graduating class to complete the course with his class does not delay the appointment of his successor.

§ 6957. Selection of persons from foreign countries

(a)(1) The Secretary of the Navy may permit not more than 60 persons at any one time from foreign countries to receive instruction at the Academy. Such persons shall be in addition to the authorized strength of the midshipmen under section 6954 of this title.

(2) The Secretary of the Navy, upon approval by the Secretary of Defense, shall determine the countries from which persons may be selected for appointment under this section and the number of persons that may be selected from each country. The Secretary of the Navy may establish entrance qualifications and methods of competition for selection among individual applicants under this section and shall select those persons who will be permitted to receive instruction at the Academy under this section.

(3) In selecting persons to receive instruction under this section from among applicants from the countries approved under paragraph (2), the Secretary of the Navy shall give a priority to persons who have a national service obligation to their countries upon graduation from the Academy.

(b)(1) A person receiving instruction under this section is entitled to the pay, allowances, and emoluments of a midshipman appointed from the United States, and from the same appropriations.

(2) Each foreign country from which a midshipman is permitted to receive instruction at the Academy under this section shall reimburse the United States for the cost of providing such instruction, including the cost of pay, allowances, and emoluments provided under paragraph (1). The Secretary of the Navy shall prescribe the rates for reimbursement under this paragraph, except that the reimbursement rates may not be less than the cost to the United States of providing such instruction, including pay, allowances, and emoluments, to a midshipman appointed from the United States.

(3) The Secretary of Defense may waive, in whole or in part, the requirement for reimbursement of the cost of instruction for a midshipman under paragraph (2). In the case of a partial waiver, the Secretary shall establish the amount waived.

(c)(1) Except as the Secretary of the Navy determines, a person receiving instruction under this section is subject to the same regulations governing admission, attendance, discipline, resignation, discharge, dismissal, and graduation as a midshipman at the Academy appointed from the United States. The Secretary may prescribe regulations with respect to access to classified information by a person receiving instruction under this section that differ from the regulations that apply to a midshipman at the Academy appointed from the United States.

(2) A person receiving instruction under this section is not entitled to an appointment in an armed force of the United States by reason of graduation from the Academy.

(d) A person receiving instruction under this section is not subject to section 6958(d) of this title.

§ 6957a. Exchange program with foreign military academies

(a) EXCHANGE PROGRAM AUTHORIZED.—The Secretary of the Navy may permit a student enrolled at a military academy of a foreign country to receive instruction at the Naval Academy in exchange for a midshipman receiving instruction at that foreign military academy pursuant to an exchange agreement entered into between the Secretary and appropriate officials of the foreign country. Students receiving instruction at the Academy under the exchange program shall be in addition to persons receiving instruction at the Academy under section 6957 of this title.

(b) LIMITATIONS ON NUMBER AND DURATION OF EXCHANGES.—An exchange agreement under this section between the Secretary and a foreign country shall provide for the exchange of students on a one-for-one basis each fiscal year. Not more than 100 midshipmen and a comparable number of students from all foreign military academies participating in the exchange program may be exchanged during any fiscal year. The duration of an exchange may not exceed the equivalent of one academic semester at the Naval Academy.

(c) COSTS AND EXPENSES.—(1) A student from a military academy of a foreign country is not entitled to the pay, allowances, and

emoluments of a midshipman by reason of attendance at the Naval Academy under the exchange program, and the Department of Defense may not incur any cost of international travel required for transportation of such a student to and from the sponsoring foreign country.

(2) The Secretary may provide a student from a foreign country under the exchange program, during the period of the exchange, with subsistence, transportation within the continental United States, clothing, health care, and other services to the same extent that the foreign country provides comparable support and services to the exchanged midshipman in that foreign country.

(3) The Naval Academy shall bear all costs of the exchange program from funds appropriated for the Academy and such additional funds as may be available to the Academy from a source other than appropriated funds to support cultural immersion, regional awareness, or foreign language training activities in connection with the exchange program.

(4) Expenditures in support of the exchange program from funds appropriated for the Naval Academy may not exceed \$1,000,000 during any fiscal year.

(d) APPLICATION OF OTHER LAWS.—Subsections (c) and (d) of section 6957 of this title shall apply with respect to a student enrolled at a military academy of a foreign country while attending the Naval Academy under the exchange program.

(e) REGULATIONS.—The Secretary shall prescribe regulations to implement this section. Such regulations may include qualification criteria and methods of selection for students of foreign military academies to participate in the exchange program.

§ 6957b. Foreign and cultural exchange activities

(a) ATTENDANCE AUTHORIZED.—The Secretary of the Navy may authorize the Naval Academy to permit students, officers, and other representatives of a foreign country to attend the Naval Academy for periods of not more than two weeks if the Secretary determines that the attendance of such persons contributes significantly to the development of foreign language, cross cultural interactions and understanding, and cultural immersion of midshipmen.

(b) COSTS AND EXPENSES.—The Secretary may pay the travel, subsistence, and similar personal expenses of persons incurred to attend the Naval Academy under subsection (a).

(c) EFFECT OF ATTENDANCE.—Persons attending the Naval Academy under subsection (a) are not considered to be students enrolled at the Naval Academy and are in addition to persons receiving instruction at the Naval Academy under section 6957 or 6957a of this title.

(d) SOURCE OF FUNDS; LIMITATION.—(1) The Naval Academy shall bear the costs of the attendance of persons under subsection (a) from funds appropriated for the Naval Academy and from such additional funds as may be available to the Naval Academy from a source, other than appropriated funds, to support cultural immer-

sion, regional awareness, or foreign language training activities in connection with their attendance.

(2) Expenditures from appropriated funds in support of activities under this section may not exceed \$40,000 during any fiscal year.

(Added Pub. L. 110-417, [div. A], title V, Sec. 541(b)(1), Oct. 14, 2008, 122 Stat. 4455.)

§ 6958. Midshipmen: qualifications for admission

(a) Each candidate for admission to the Naval Academy—

(1) must be at least 17 years of age and must not have passed his twenty-third birthday on July 1 of the calendar year in which he enters the Academy; and

(2) shall be examined according to such regulations as the Secretary of the Navy prescribes, and if rejected at one examination may not be examined again for admission to the same class unless recommended by the Academic Board.

(b) Each candidate for admission nominated under clauses (3) through (9) of section 6954(a) of this title must be domiciled in the State, or in the congressional district, from which he is nominated, or in the District of Columbia, Puerto Rico, American Samoa, Guam, or the Virgin Islands, if nominated from one of those places.

(c) Each candidate nominated under clause (2) or (3) of section 6954(b) of this title—

(1) must be a citizen of the United States;

(2) must have passed the required physical examination;

and

(3) shall be appointed in the order of merit from candidates who have, in competition with each other, passed the required mental examination.

(d) To be admitted to the Naval Academy, an appointee must take and subscribe to an oath prescribed by the Secretary of the Navy. If a candidate for admission refuses to take and subscribe to the prescribed oath, the candidate's appointment is terminated.

§ 6959. Midshipmen: agreement for length of service

(a) Each midshipman shall sign an agreement with respect to the midshipman's length of service in the armed forces. The agreement shall provide that the midshipman agrees to the following:

(1) That the midshipman will complete the course of instruction at the Naval Academy.

(2) That upon graduation from the Naval Academy the midshipman—

(A) will accept an appointment, if tendered, as a commissioned officer of the Regular Navy, the Regular Marine Corps, or the Regular Air Force; and

(B) will serve on active duty for at least five years immediately after such appointment.

(3) That if an appointment described in paragraph (2) is not tendered or if the midshipman is permitted to resign as a

regular officer before completion of the commissioned service obligation of the midshipman, the midshipman—

(A) will accept an appointment as a commissioned officer in the Navy Reserve or the Marine Corps Reserve or as a Reserve in the Air Force for service in the Air Force Reserve; and

(B) will remain in that reserve component until completion of the commissioned service obligation of the midshipman.

(4) That if an appointment described in paragraph (2) or (3) is tendered and the midshipman participates in a program under section 2121 of this title, the midshipman will fulfill any unserved obligation incurred under this section on active duty, regardless of the type of appointment held, upon completion of, and in addition to, any service obligation incurred under section 2123 of this title for participation in such program.

(b)(1) The Secretary of the Navy may transfer to the Navy Reserve or the Marine Corps Reserve, and may order to active duty for such period of time as the Secretary prescribes (but not to exceed four years), a midshipman who breaches an agreement under subsection (a). The period of time for which a midshipman is ordered to active duty under this paragraph may be determined without regard to section 651(a) of this title.

(2) A midshipman who is transferred to the Navy Reserve or Marine Corps Reserve under paragraph (1) shall be transferred in an appropriate enlisted grade or rating, as determined by the Secretary.

(3) For the purposes of paragraph (1), a midshipman shall be considered to have breached an agreement under subsection (a) if the midshipman is separated from the Naval Academy under circumstances which the Secretary determines constitute a breach by the midshipman of the midshipman's agreement to complete the course of instruction at the Naval Academy and accept an appointment as a commissioned officer upon graduation from the Naval Academy.

(c) The Secretary of the Navy shall prescribe regulations to carry out this section. Those regulations shall include—

(1) standards for determining what constitutes, for the purpose of subsection (b), a breach of an agreement under subsection (a);

(2) procedures for determining whether such a breach has occurred; and

(3) standards for determining the period of time for which a person may be ordered to serve on active duty under subsection (b).

(d) In this section, "commissioned service obligation", with respect to an officer who is a graduate of the Academy, means the period beginning on the date of the officer's appointment as a commissioned officer and ending on the sixth anniversary of such appointment or, at the discretion of the Secretary of Defense, any later date up to the eighth anniversary of such appointment.

(e)(1) This section does not apply to a midshipman who is not a citizen or national of the United States.

(2) In the case of a midshipman who is a minor and who has parents or a guardian, the midshipman may sign the agreement required by subsection (a) only with the consent of a parent or guardian.

(f) A midshipman or former midshipman who does not fulfill the terms of the agreement as specified under subsection (a), or the alternative obligation imposed under subsection (b), shall be subject to the repayment provisions of section 303a(e) of title 37.

§ 6960. Midshipmen: clothing and equipment; uniform allowance

The Secretary of the Navy may prescribe the amount to be credited to a midshipman, upon original admission to the Naval Academy, for the cost of his initial issue of clothing and equipment. That amount shall be deducted from his pay. If a midshipman is discharged before graduation while owing the United States for pay advanced for the purchase of required clothing and equipment, he shall turn in as much of his clothing and equipment of a distinctively military nature as is necessary to repay the amount advanced. (Aug. 10, 1956, ch. 1041, 70A Stat. 438; Pub. L. 85–861, Sec. 1(149), Sept. 2, 1958, 72 Stat. 1513; Pub. L. 101–189, div. A, title XVI, Sec. 1622(e)(8), Nov. 29, 1989, 103 Stat. 1605; Pub. L. 108–375, div. A, title V, Sec. 557(b)(4), Oct. 28, 2004, 118 Stat. 1916.)

§ 7082. Deferred annuity policy required

§ 7083. Annuity premium to be paid by monthly installments; government reimbursement

§ 7084. Age of retirement

A civilian member may be retired at any time after his sixty-fifth birthday, and shall be retired by June 30 following that birthday. However, in any special case the Secretary of the Navy may defer the retirement of a member until a date not later than the member's seventieth birthday.

The retirement annuity payable to a retired civilian member under a policy required by section 7082 of this title is counted as part of the retirement annuity provided in this section. Any difference between the amount received by the retired civilian member under his annuity policy and the total annual amount to which he is entitled under this section shall be paid to him by the Secretary of the Navy from appropriations made for this purpose.

(b) The amount that the Secretary shall pay annually under this section is the difference between the total amount to which the retired member is entitled under subsection (a) and the immediate life annuity to which he is entitled at the time of his disability retirement under the annuity policy required by section 7082 of this title.

(c) Each civilian member retired under this section, unless the disability for which he was retired is permanent in character, shall be examined by a board of medical officers designated by the Superintendent of the Naval Academy or of the Postgraduate School, as appropriate, one year after his retirement and annually thereafter, until he becomes 65 years of age.

(d) Payments by the Secretary under this section shall be terminated if the retired civilian member is found to be sufficiently recovered for useful and efficient service in his former position and is offered reemployment in that position by the Superintendent.

(e) If a civilian member retired under this section is later reemployed by the United States, the payments by the Secretary shall be terminated.

(f) Each civilian member retired under this section who is re-employed as a civilian member of the teaching staff of the Naval Academy or the Naval Postgraduate School shall, upon his later retirement, be paid annually by the Secretary the difference between the total annual amount computed under section 7085 of this title and the immediate life annuity which the total premiums paid on his annuity contracts would buy.

(Aug. 10, 1956, ch. 1041, 70A Stat. 439; Pub. L. 89-718, Sec. 40, Nov. 2, 1966, 80 Stat. 1120.)

(1) an amount equal to his reduced annuity; or

(2) an amount equal to 50 percent of his reduced annuity.

The annuities payable to principal and beneficiary, under either election, shall be in amounts that have, on the date of the retirement of the civilian member, a combined actuarial value equal to the actuarial value of the annuity payable by the Secretary under section 7085 or 7086 of this title, as determined under actuarial tables prepared by the Director of the Office of Personnel Management.

(b) If the civilian member elects to take a reduced annuity under this section, he shall, at the time of his retirement, designate the beneficiary in writing and file the designation with the Secretary.

(c) The annuity payable under this section to the beneficiary of a deceased civilian member shall be terminated upon the death of the beneficiary.

- (2) The strategic sealift force of the Navy.
- (3) Other auxiliary support vessels for the Department of Defense.

(b) CONTRACTS REQUIRED TO BE AUTHORIZED BY LAW.—A contract may be entered into under subsection (a) with respect to a specific vessel only if the Secretary is specifically authorized by law to enter into such a contract with respect to that vessel. As part of a request to Congress for enactment of any such authorization by law, the Secretary of the Navy shall provide to Congress the Secretary's findings under subsection (g).

(c) TERM OF CONTRACT.—In this section, the term "long-term lease" means a lease, bareboat charter, or conditional sale agree-

ment with respect to a vessel the term of which (including any option period) is for a period of 20 years or more.

(d) **OPTION TO BUY.**—A contract entered into under subsection (a) may include options for the United States to purchase one or more of the vessels covered by the contract at any time during, or at the end of, the contract period (including any option period) upon payment of an amount equal to the lesser of (1) the unamortized portion of the cost of the vessel plus amounts incurred in connection with the termination of the financing arrangements associated with the vessel, or (2) the fair market value of the vessel.

(e) **DOMESTIC CONSTRUCTION.**—The Secretary shall require in any contract entered into under this section that each vessel to which the contract applies—

Any such contract shall be for a term as determined by the Secretary.

(2) The Secretary may provide a crew for any such vessel using civil service mariners only after an evaluation taking into account—

(A) the fully burdened cost of a civil service crew over the expected useful life of the vessel;

(B) the effect on the private sector manpower pool; and

(C) the operational requirements of the Department of the Navy.

(g) **CONTINGENT WAIVER OF OTHER PROVISIONS OF LAW.**—(1) The Secretary may waive the applicability of subsections (e)(2) and (f) of section 2401 of this title to a contract authorized by law as provided in subsection (b) if the Secretary makes the following findings with respect to that contract:

(A) The need for the vessels or services to be provided under the contract is expected to remain substantially unchanged during the contemplated contract or option period.

(B) There is a reasonable expectation that throughout the contemplated contract or option period the Secretary of the Navy (or, if the contract is for services to be provided to, and funded by, another military department, the Secretary of that military department) will request funding for the contract at the level required to avoid contract cancellation.

(C) The timeliness of consideration of the contract by Congress is such that such a waiver is in the interest of the United States.

(2) The Secretary shall submit a notice of any waiver under paragraph (1) to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives.

(h) SOURCE OF FUNDS FOR TERMINATION LIABILITY.—If a contract entered into under this section is terminated, the costs of such termination may be paid from—

(b) RECIPROCITY NOT REQUIRED.—The authority under subsection (a) is not an exchange program. Reciprocal assignments of members of the Navy to the naval service of a foreign country is not a condition for the exercise of such authority.

The Secretary of the Navy may prescribe regulations for the application of this section in the exercise of such authority.

(e) TERMINATION OF AUTHORITY.—The Secretary of the Navy may not accept the assignment of a member of the naval service of a foreign country under this section after September 30, 2008.

(B) a period of 90 days has expired after the date on which such notification is received.

(2) A reduction described in this paragraph in the number of combatant surface vessels is a reduction—

(A) from 116, or a number greater than 116, to a number less than 116; or

(2) The term “QDR 2001 combatant surface force risk assessment” means the risk assessment associated with a force of combatant surface vessels numbering 116 that is set forth in the report on the quadrennial defense review submitted to Congress on September 30, 2001, under section 118 of this title.

[§ 7298. Repealed. Pub. L. 103–160, div. A, title VIII, Sec. 824(a)(6), Nov. 30, 1993, 107 Stat. 1707]

§ 7299. Contracts: applicability of chapter 65 of title 41

Each contract for the construction, alteration, furnishing, or equipping of a naval vessel is subject to chapter 65 of title 41 unless the President determines that this requirement is not in the interest of national defense.

§ 7299a. Construction of combatant and escort vessels and assignment of vessel projects

(a) The assignment of naval vessel conversion, alteration, and repair projects shall be based on economic and military considerations and may not be restricted by a requirement that certain parts of naval shipwork be assigned to a particular type of shipyard or geographical area or by a similar requirement.

(b) In evaluating bids or proposals for a contract for the overhaul, repair, or maintenance of a naval vessel, the Secretary of the Navy shall, in determining the cost or price of work to be performed in an area outside the area of the homeport of the vessel, consider foreseeable costs of moving the vessel and its crew from the homeport to the outside area and from the outside area back to the homeport at the completion of the contract.

(c)(1) Before issuing a solicitation for a contract for short-term work for the overhaul, repair, or maintenance of a naval vessel, the Secretary of the Navy shall determine if there is adequate competition available among firms able to perform the work at the homeport of the vessel. (3) Paragraph (1) does not apply in the case of voyage repairs.

(4) In this subsection, the term “short-term work” means work that will be for a period of six months or less.

(B) subject to paragraph (3), sell the vessel by competitive negotiation to the acceptable offeror who submits the offer that is most advantageous to the United States (taking into account price and such other factors as the Secretary determines appropriate).

(3) Before entering into negotiations to sell a vessel under paragraph (2)(B), the Secretary shall publish notice of the intention to do so in the Commerce Business Daily sufficiently in advance of initiating the negotiations that all interested parties are given a reasonable opportunity to prepare and submit proposals. (c) **DEFINITIONS.**—In this section:

(1) The term “net-cost basis”, with respect to a contract for the dismantling of a vessel, means that the amount to be paid to the contractor under the contract for dismantling and for removal and disposal of hazardous waste material is discounted by the offeror’s estimate of the value of scrap and reusable items that the contractor will remove from the vessel during performance of the contract.

(2) The term “scrap” means personal property that has no value except for its basic material content.

(3) The term “reusable item” means a demilitarized component or a removable portion of a vessel or equipment that the Secretary of the Navy has identified as excess to the needs of the Navy but which has potential resale value on the open market.

(2) Material and equipment stripped from a vessel under paragraph (1) may be sold by the contractor or by a sales agent approved by the Secretary.

(3) Amounts received as proceeds from the stripping of a vessel pursuant to this subsection shall be credited to appropriations available for the procurement of services needed for such stripping and for environmental remediation required for the use of the vessel for experimental purposes. Amounts received in excess of amounts needed for reimbursement of those costs shall be deposited into the account from which the stripping and environmental remediation expenses were incurred and shall be available for stripping and environmental remediation of other vessels to be used for experimental purposes.

(c) **USE FOR EXPERIMENTAL PURPOSES DEFINED.**—In this section, the term “use for experimental purposes”, with respect to a vessel, includes use of the vessel in a Navy sink exercise or for target purposes.

(2) the recipient obtain, and bear all responsibility for complying with, applicable Federal, State, interstate, and local permits for using, siting, constructing, monitoring, and managing the vessel as an artificial reef.

In the case of an authorization by law for the disposal of such a vessel that names a specific vessel as being authorized for such disposal, the Secretary of Defense may substitute another vessel of the same class, if the vessel substituted has virtually identical capabilities as the named vessel. In the case of an authorization by law for the disposal of vessels of a specified class, the Secretary may dispose of vessels of that class pursuant to that authorization only in the number of such vessels specified in that law as being authorized for disposal.

(b) OTHER VESSELS.—(1) A naval vessel not subject to subsection (a) may be disposed of to another nation (whether by sale, lease, grant, loan, barter, transfer, or otherwise) in accordance with applicable provisions of law, but only after—

(A) the Secretary of the Navy notifies the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives in writing of the proposed disposition; and

(B) 30 days of continuous session of Congress have expired following the date on which such notice is sent to those committees.

(2) For purposes of paragraph (1)(B), the continuity of a session of Congress is broken only by an adjournment of the Congress sine die, and the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of such 30-day period.

(b) VESSEL CHANGING HOMEPORTS.—(1) In the case of a naval vessel the homeport of which is not in the United States (or a territory of the United States), the Secretary of the Navy may not during the 15-month period preceding the planned reassignment of the vessel to a homeport in the United States (or a territory of the United States) begin any work for the overhaul, repair, or maintenance of the vessel that is scheduled to be for a period of more than six months.

(2) In the case of a naval vessel the homeport of which is in the United States (or a territory of the United States), the Secretary of the Navy shall during the 15-month period preceding the planned reassignment of the vessel to a homeport not in the United States (or a territory of the United States) perform in the United States (or a territory of the United States) any work for the overhaul, repair, or maintenance of the vessel that is scheduled—

(a) CONTRACTUAL PROVISIONS.—The Secretary of the Navy shall ensure that each contract entered into for work on a naval vessel (other than new construction) includes the following provisions:

(1) IDENTIFICATION OF HAZARDOUS WASTES.—A provision in which the Navy identifies the types and amounts of hazardous wastes that are required to be removed by the contractor from the vessel, or that are expected to be generated, during the performance of work under the contract, with such identification by the Navy to be in a form sufficient to enable the contractor to comply with Federal and State laws and regulations on the removal, handling, storage, transportation, or disposal of hazardous waste.

(2) COMPENSATION.—A provision specifying that the contractor shall be compensated under the contract for work performed by the contractor for duties of the contractor specified under paragraph (3).

(4) ACCOUNTABILITY FOR HAZARDOUS WASTES.—(A) A provision specifying the following:

(i) In any case in which the Navy is the sole generator of hazardous waste that is removed, handled, stored, transported, or disposed of by the contractor in the performance of the contract, all contracts, manifests, invoices,

and other documents related to the removal, handling, storage, transportation, or disposal of such hazardous waste shall bear a generator identification number issued to the Navy pursuant to applicable law.

(ii) In any case in which the contractor is the sole generator of hazardous waste that is removed, handled, stored, transported, or disposed of by the contractor in the performance of the contract, all contracts, manifests, invoices, and other documents related to the removal, handling, storage, transportation, or disposal of such hazardous waste shall bear a generator identification number issued to the contractor pursuant to applicable law.

(iii) In any case in which both the Navy and the contractor are generators of hazardous waste that is removed, handled, stored, transported, or disposed of by the contractor in the performance of the contract, all contracts, manifests, invoices, and other documents related to the removal, handling, storage, transportation, or disposal of such hazardous waste shall bear both a generator identification number issued to the Navy and a generator identification number issued to the contractor pursuant to applicable law.

(B) A determination under this paragraph of whether the Navy is a generator, a contractor is a generator, or both the Navy and a contractor are generators, shall be made in the same manner provided under subtitle C of the Solid Waste Disposal Act (42 U.S.C. 6921 et seq.) and regulations promulgated under that subtitle.

(b) RENEGOTIATION OF CONTRACT.—The Secretary of the Navy shall renegotiate a contract described in subsection (a) if—

(1) the contractor, during the performance of work under the contract, discovers hazardous wastes different in type or amount from those identified in the contract; and

(2) those hazardous wastes originated on, or resulted from material furnished by the Government for, the naval vessel on which the work is being performed.

(c) REMOVAL OF WASTES.—The Secretary of the Navy shall remove known hazardous wastes from a vessel before the vessel's arrival at a contractor's facility for performance of a contract, to the extent such removal is feasible.

(d) RELATIONSHIP TO SOLID WASTE DISPOSAL ACT.—Nothing in this section shall be construed as altering or otherwise affecting those provisions of the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.) that relate to generators of hazardous waste. For purposes of this section, any term used in this section for which a definition is provided by the Solid Waste Disposal Act (or regulations promulgated pursuant to such Act) has the meaning provided by that Act or regulations.

(1) For payment, in whole or in part, for a similar service craft or boat acquired as a replacement, as authorized by section 503 of title 40.

(2) For reimbursement, to the extent practicable, of the appropriate accounts of the Navy for the full costs of preparation of such obsolete craft or boat for such sale or exchange.

(1) The Secretary of the Navy shall, in determining the reimbursement due a shipbuilder for its indirect costs of performing a contract for the construction of a ship for the Navy, allow the shipbuilder to allocate indirect costs to its private sector work only to the extent of the shipbuilder’s allocable indirect private sector costs, subject to paragraph (3).

(2) For purposes of paragraph (1), the allocable indirect private sector costs of a shipbuilder are those costs of the shipbuilder that are equal to the sum of the following:

(A) The incremental indirect costs attributable to such work.

(3) The total amount of allocable indirect private sector costs for a contract covered by the agreement may not exceed the amount of indirect costs that a shipbuilder would have allocated to its private sector work during the period covered by the agreement in accordance with the shipbuilder’s established accounting practices.

(c) AUTHORITY TO MODIFY COST REIMBURSEMENT RULES.—The cost reimbursement rules set forth in subsection (b) may be modified by the Secretary of the Navy for a particular agreement if the Secretary determines that modifications are appropriate to the particular situation to facilitate achievement of the policy set forth in section 2501(b) of this title.

§ 7421. Jurisdiction and control

(a) The Secretary shall take possession of all properties inside the naval petroleum reserves that are or may become subject to the control of and use by the United States for national defense purposes, except as otherwise provided in this chapter.

(b) The Secretary has exclusive jurisdiction and control over those lands inside Naval Petroleum Reserves Numbered 1 and 2 that are covered by leases granted under sections 181–184, 185–188, 189–194, 201, 202–209, 211–214, 223, 224–226, 226d, 226e, 227–229a, 241, 251, and 261–263 of title 30, and shall administer those leases.

§ 7422. Administration

(a) The Secretary, directly or by contract, lease, or otherwise, shall explore, prospect, conserve, develop, use, and operate the naval petroleum reserves in his discretion, subject to the provisions of subsection (c) and the other provisions of this chapter; except that no petroleum leases shall be granted at Naval Petroleum Reserves Numbered 1 and 3.

(b) Except as otherwise provided in this chapter, particularly subsection (c), the naval petroleum reserves shall be used and operated for—

(1) the protection, conservation, maintenance, and testing of those reserves; or

(2) the production of petroleum whenever and to the extent that the Secretary, with the approval of the President, finds that such production is needed for national defense purposes and the production is authorized by a joint resolution of Congress.

(c)(1) In administering Naval Petroleum Reserves Numbered 1, 2, and 3, the Secretary is authorized and directed—

(A) to further explore, develop, and operate such reserves;

(B) to produce, during any extension of a period under paragraph (2), such reserves—

(i) at the maximum efficient rate consistent with sound engineering practices; or

(ii) at a lesser rate consistent with sound engineering practices and the protection, conservation, maintenance, and testing of such reserves if the Secretary determines

that the minimum price described in section 7430(b)(2) of this title cannot be attained for the United States share of petroleum (other than natural gas liquids) produced from such Reserves;

(C) during such production period or any extension thereof to sell or otherwise dispose of the United States share of such petroleum produced from such reserves as provided in section 7430 of this title; and

(D) to construct, acquire, or contract for the use of storage and shipping facilities on and off the reserves and pipelines and associated facilities on and off the reserves for transporting petroleum from such reserves to the points where the production from such reserves will be refined or shipped.

Any pipeline in the vicinity of a naval petroleum reserve not otherwise operated as a common carrier may be acquired by the Secretary by condemnation, if necessary, if the owner thereof refuses to accept, convey, and transport without discrimination and at reasonable rates any petroleum produced at such reserve. With the approval of the Secretary, rights-of-way for new pipelines and associated facilities may be acquired by the exercise of the right of eminent domain in the appropriate United States district court. Such rights-of-way may be acquired in the manner set forth in sections 3114–3116 and 3118 of title 40, and the prospective holder of the right-of-way is “the authority empowered by law to acquire the land” within the meaning of those sections. Such new pipelines shall accept, convey, and transport without discrimination and at reasonable rates any petroleum produced at such reserves as a common carrier.

(2) After April 5, 1982, the President may extend the period of production in the case of any naval petroleum reserve for additional periods of not to exceed three years each—

(A) after the President requires an investigation to be made, in the case of each extension, to determine the necessity for continued production from such naval petroleum reserve;

(B) after the President submits to the Congress, at least 180 days before the expiration of the current production period prescribed by this section, or any extension thereof, a copy of the report made to him on such investigation together with a certification by him that continued production from such naval petroleum reserve is in the national interest; and

(C) if neither House of Congress within ninety days after receipt of such report and certification adopts a resolution disapproving further production from such naval petroleum reserve.

§ 7423. Periodic re-examination of production requirements

The Secretary shall from time to time reexamine the need for the production of petroleum from oil shale for national defense when that production is authorized under section 7422 of this title. If he finds that the authorized quantity is no longer needed, he shall reduce production to the amount currently needed for national defense.

(Aug. 10, 1956, ch. 1041, 70A Stat. 458; Pub. L. 87-796, Sec. 1(3), Oct. 11, 1962, 76 Stat. 904; Pub. L. 94-258, title II, Sec. 201(4), Apr. 5, 1976, 90 Stat. 309.)

§ 7424. Protection of oil reserves; contracts for conservation

(a) To consolidate and protect the oil lands owned by the United States, the Secretary may—

(1) contract with owners and lessees of land inside or adjoining naval petroleum reserves for—

(A) conservation of oil and gas; and

(B) compensation for estimated drainage in lieu of drilling or operating offset wells; and

(2) acquire privately owned lands or leases inside Naval Petroleum Reserve Numbered 1 by exchange of—

(A) lands of the United States inside Naval Petroleum Reserve Numbered 1;

(B) the right to royalty production from any of the naval petroleum reserves; and

(C) the right to any money due the United States as a result of the wrongful extraction of petroleum products from lands inside Naval Petroleum Reserve Numbered 1.

(b) The Secretary shall report annually to Congress all agreements under this section.

(Aug. 10, 1956, ch. 1041, 70A Stat. 458; Pub. L. 87-796, Sec. 1(4), Oct. 11, 1962, 76 Stat. 904; Pub. L. 94-258, title II, Sec. 201(5), Apr. 5, 1976, 90 Stat. 309; Pub. L. 96-513, title V, Sec. 513(32)(A), Dec. 12, 1980, 94 Stat. 2933.)

§ 7425. Acquisition by condemnation and purchase

(a) Whenever the Secretary is unable to make arrangements he considers satisfactory for exchanges of land or agreements for conservation authorized by section 7424 of this title, the Secretary may acquire, with the approval of the President, such privately owned lands and leases—

(1) by purchase, inside the naval petroleum reserves, or outside those reserves on the same geologic structure; and

(2) by condemnation, inside Naval Petroleum Reserve Numbered 1, or, if there is substantial drainage, outside that reserve on the same geologic structure.

(b) The Secretary shall report annually to Congress all proceedings for purchase and condemnation under this section.

§ 7427. Cooperative or unit plans in the naval petroleum reserves

The Secretary, with the consent of the President, may make agreements, with respect to lands inside the naval petroleum reserves, of the same type as the Secretary of the Interior may make under section 17(m) of the Act of February 25, 1920 (30 U.S.C. 226(m)). No such agreement made by the Secretary may extend the term of any lease unless the agreement so provides.

(Aug. 10, 1956, ch. 1041, 70A Stat. 460; Pub. L. 94-258, title II, Sec. 201(8), Apr. 5, 1976, 90 Stat. 309; Pub. L. 96-513, title V, Sec. 513(33), Dec. 12, 1980, 94 Stat. 2934; Pub. L. 100-456, div. A, title XII, Sec. 1233(g)(3), Sept. 29, 1988, 102 Stat. 2058.)

§ 7428. Agreements and leases: provision for change

Every unit or cooperative plan of development and operation and every lease affecting lands owned by the United States within Naval Petroleum Reserve Numbered 2 and the oil shale reserves shall contain a provision authorizing the Secretary, subject to approval by the President and to any limitation in the plan or lease, to change from time to time the rate of prospecting and development on, and the quantity and rate of production from, lands of the United States under the plan or lease, notwithstanding any other provision of law.

(Aug. 10, 1956, ch. 1041, 70A Stat. 460; Pub. L. 87-796, Sec. 1(5), Oct. 11, 1962, 76 Stat. 905; Pub. L. 94-258, title II, Sec. 201(9), Apr. 5, 1976, 90 Stat. 309; Pub. L. 106-398, Sec. 1 [div. C, title XXXIV, Sec. 3402(b)(2)], Oct. 30, 2000, 114 Stat. 1654, 1654A-484.)

§ 7429. Re-lease of certain lands: lessee's preferential right

The Secretary, on terms prescribed by him, may re-lease lands in the naval petroleum reserves that were covered by leases made before July 1, 1936, and terminated by law at the expiration of their initial twenty-year periods. If any such land is to be re-leased, the Secretary shall give to the former lessee preferential rights to the new lease.

(Aug. 10, 1956, ch. 1041, 70A Stat. 460; Pub. L. 94-258, title II, Sec. 201(10), Apr. 5, 1976, 90 Stat. 309.)

§ 7430. Disposition of products

(a) In administering the naval petroleum reserves under this chapter, the Secretary shall use, store, or sell the petroleum produced from the naval petroleum reserves and lands covered by joint, unit, or other cooperative plans.

(b)(1) Subject to paragraph (2) and notwithstanding any other provision of law, each sale of the United States share of petroleum shall be made by the Secretary at public sale to the highest qualified bidder, at such time, in such amounts, and after such advertising as the Secretary considers proper and without regard to Federal, State, or local regulations controlling sales or allocation of petroleum products. Each sale of the United States share of petroleum shall be for periods of not more than one year, except that a sale of natural gas may be made for a period of more than one year.

(2) The Secretary may not sell any part of the United States share of petroleum produced from Naval Petroleum Reserves Numbered 2 and 3 at a price less than the current sales price, as estimated by the Secretary, of comparable petroleum in the same area.

(3) For purposes of paragraph (2), the term “petroleum” does not include natural gas liquids.

(c) In no event shall the Secretary permit the award of any contract which would result in any person obtaining control, directly or indirectly, over more than 20 percent of the estimated annual United States share of petroleum produced from Naval Petroleum Reserve Numbered 1.

(d) Each proposal for sale under this title shall provide that the terms of every sale of the United States share of petroleum from the naval petroleum reserves shall be so structured as to give full and equal opportunity for the acquisition of petroleum by all interested persons, including major and independent oil producers and refiners alike. When the Secretary, in consultation with the Secretary of the Interior, determines that the public interests will be served by the sale of petroleum to small refiners not having their own adequate sources of supply of petroleum, the Secretary is authorized and directed to set aside a portion of the United States share of petroleum produced for sale to such refiners under the provisions of this section for processing or use in such refineries, except that—

(1) none of the production sold to small refiners may be resold in kind;

(2) production must be sold at a cost of not less than the prevailing local market price of comparable petroleum;

(3) the set-aside portion may not exceed 25 percent of the estimated annual United States share of the total production from all producing naval petroleum reserves; and

(4) notwithstanding the provisions of subsection (b), the Secretary may, at his discretion if he deems it to be in the public interest, prorate such petroleum among such refiners for sale, without competition, at not less than the prevailing local market price of comparable petroleum.

(e) Any petroleum produced from the naval petroleum reserves, except such petroleum which is either exchanged in similar quantities for convenience or increased efficiency of transportation with persons or the government of an adjacent foreign state, or which is temporarily exported for convenience or increased efficiency of transportation across parts of an adjacent foreign state and reenters the United States, shall be subject to all of the limitations and licensing requirements of the Export Administration Act of 1979 (50 U.S.C. App. 2401 et seq.) and, in addition, before any petroleum subject to this section may be exported under the limitations and licensing requirement and penalty and enforcement provisions of the Export Administration Act of 1979, the President must make and publish an express finding that such exports will not diminish the total quality or quantity of petroleum available to the United States and that such exports are in the national interest and are in accord with the Export Administration Act of 1979.

(f) During the period of production or any extension thereof authorized by section 7422(c) of this title, the consultation and approval requirements of section 7431(a)(3) of this title are waived.

(g)(1) Prior to the promulgation of any rules and regulations, plans of development and amendments thereto, and in the entering and making of contracts and operating agreements relating to the

development, production, or sale of petroleum in or from the reserves, the Secretary shall consult with and give due consideration to the views of the Attorney General of the United States with respect to matters which may affect competition.

(2) No contract or operating agreement may be made, issued, or executed under this chapter until at least 15 days after the Secretary notifies the Attorney General of the proposed contract or operating agreement. Such notification shall contain such information as the Attorney General may require in order to advise the Secretary as to whether such contract or operating agreement may create or maintain a situation inconsistent with the antitrust laws. If, within such 15-day period, the Attorney General advises the Secretary that a contract or operating agreement may create or maintain a situation inconsistent with the antitrust laws, then the Secretary may not make, issue, or execute that contract or operating agreement.

(h) Nothing in this chapter shall be deemed to confer on any person immunity from civil or criminal liability, or to create defenses to actions, under the antitrust laws.

(i) In this section, the term “antitrust laws” means—

(1) the Sherman Act (15 U.S.C. 1 et seq.);

(2) the Clayton Act (15 U.S.C. 12 et seq.);

(3) the Federal Trade Commission Act (15 U.S.C. 41 et seq.);

(4) sections 73 and 74 of the Wilson Tariff Act (15 U.S.C. 8 and 9); and

(5) sections 2, 3, and 4 of the Act of June 19, 1936 (commonly referred to as the “Robinson-Patman Act”) (15 U.S.C. 13a, 13b, and 21a).

(j) Any pipeline which accepts, conveys, or transports any petroleum produced from Naval Petroleum Reserves Numbered 1 or Numbered 3 shall accept, convey, and transport without discrimination and at reasonable rates any such petroleum as a common carrier insofar as petroleum from such reserves is concerned. Every contract entered into by the Secretary for the sale of any petroleum owned by the United States which is produced from such reserves shall contain provisions implementing the requirements of the preceding sentence if the contractor owns a controlling interest in any pipeline or any company operating any pipeline, or is the operator of any pipeline, which carries any petroleum produced from such naval petroleum reserves. The Secretary may promulgate rules and regulations for the purpose of carrying out the provisions of this section and he, or the Secretary of the Interior where the authority extends to him, may declare forfeit any contract, operating agreement, right-of-way, permit, or easement held by any person violating any such rule or regulation. This section shall not apply to any natural gas common carrier pipeline operated by any person subject to regulation under the Natural Gas Act (15 U.S.C. 717 et seq.) or any public utility subject to regulation by a State or municipal regulatory agency having jurisdiction to regulate the rates and charges for the sale of natural gas to consumers within the State or municipality.

(k)(1) With respect to all or any part of the United States share of petroleum produced from the naval petroleum reserves, the President may direct that the Secretary—

(A) place that petroleum in the Strategic Petroleum Reserve as authorized by sections 151 through 166 of the Energy Policy and Conservation Act (42 U.S.C. 6231–6246); or

(B) exchange, directly or indirectly, that petroleum for other petroleum to be placed in the Strategic Petroleum Reserve under such terms and conditions and by such methods as the Secretary determines to be appropriate, without regard to otherwise applicable Federal procurement statutes and regulations.

(2) The requirements of section 159 of the Energy Policy and Conservation Act (42 U.S.C. 6239) do not apply to actions taken under this subsection.

(1)(1) Notwithstanding any other provision of this chapter (but subject to paragraph (2)), during any period in which the production of petroleum is authorized from Naval Petroleum Reserves Numbered 1, 2, or 3, the Secretary, at the request of the Secretary of Defense, may provide any portion of the United States share of petroleum so produced to the Department of Defense for its use, exchange, or sale in order to meet petroleum product requirements of the Department of Defense.

(2) Petroleum may be provided to the Department of Defense under paragraph (1) either directly or by such exchange as the Secretary deems appropriate. Appropriate reimbursement reasonably reflecting the fair market value shall be provided by the Secretary of Defense for petroleum provided under this subsection.

(3) Any exchange made pursuant to this subsection may be made without regard to otherwise applicable Federal procurement statutes and regulations.

(4) Paragraph (1) does not apply to any petroleum set aside for small refiners under subsection (d) or placed in the Strategic Petroleum Reserve under subsection (k).

§ 7431. Requirements as to consultation and approval

(a) The Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives must be consulted and the President's approval must be obtained before any condemnation proceedings may be started under this chapter and before any of the following transactions authorized by this chapter may be effective:

(1) A lease of any part of the naval petroleum reserves.

(2) A contract to alienate from the United States the use, control, or possession of any part of the naval petroleum reserves (except that consultation and Presidential approval are

not required in connection with the issuance of permits, licenses, easements, grazing and agricultural leases, rights-of-way, and similar contracts pertaining to use of the surface area of the naval petroleum reserves).

(3) A contract to sell the petroleum (other than royalty oil and gas) produced from any part of the naval petroleum reserves.

(4) A contract for conservation or for compensation for estimated drainage.

(5) An agreement to exchange land, the right to royalty production, or the right to any money due the United States.

(b)(1) During the period of production authorized by section 7422(c) of this title, the Secretary shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives any new plans or substantial amendments to ongoing plans for the exploration, development, and production of the naval petroleum reserves.

(2) All plans or substantial amendments submitted to the Congress pursuant to this section shall contain a report by the Attorney General of the United States with respect to the anticipated effects of such plans or amendments on competition. Such plans or amendments shall not be implemented until sixty days after such plans or amendments have been submitted to such committees.

(c) During the period of production authorized by section 7422(c) of this title, the Secretary shall submit annual reports as of the first day of the fiscal year to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, and such committees shall cause such reports to be printed as a Senate or House document, as appropriate. The Secretary shall include in such reports, with respect to each naval petroleum reserve, an explanation in detail of the following:

(1) The status of the exploration, development, and production programs.

(2) The production that has been achieved, including the disposition of such production and the proceeds realized therefrom.

(3) The status of pipeline construction and procurement and problems related to the availability of transportation facilities.

(4) A summary of future plans for exploration, development, production, disposal, and transportation of the production from the naval petroleum reserves.

(5) Such other information regarding the reserve as the Secretary deems appropriate.

§ 7432. Authorizations of appropriations

(a) Funds for the following purposes may not be appropriated unless such appropriations have been specifically authorized by law:

(1) Exploration, prospecting, conservation, development, use, operations, and production of the naval petroleum reserves as authorized by this chapter.

(2) Production (including preparation for production) as authorized by this chapter or as may be authorized after April 5, 1976.

(3) The construction and operation of facilities both within and outside the naval petroleum reserves incident to the production and the delivery of petroleum, including pipelines and shipping terminals.

Upon the completion of such studies, the Secretary of the Interior shall submit to Congress a report containing—

§ 7651. Scope of chapter

(a) This chapter applies to all captures of vessels as prize during war by authority of the United States or adopted and ratified by the President. However, this chapter does not affect the right of the Army or the Air Force, while engaged in hostilities, to capture wherever found and without prize procedure—

(1) enemy property; or

(2) neutral property used or transported in violation of the obligations of neutrals under international law.

(b) As used in this chapter—

(1) “vessel” includes aircraft; and

(2) “master” includes the pilot or other person in command of an aircraft.

(c) Property seized or taken upon the inland waters of the United States by its naval forces is not maritime prize. All such property shall be delivered promptly to the proper officers of the courts.

(d) Nothing in this chapter may be construed as contravening any treaty of the United States.

(Aug. 10, 1956, ch. 1041, 70A Stat. 474.)

§ 7652. Jurisdiction

(a) The United States district courts have original jurisdiction, exclusive of the courts of the States, of each prize and each proceeding for the condemnation of property taken as prize, if the prize is—

(1) brought into the United States, or the Commonwealths or possessions;

(2) brought into the territorial waters of a cobelligerent;

(3) brought into a locality in the temporary or permanent possession of, or occupied by, the armed forces of the United States; or

(4) appropriated for the use of the United States.

(b) The United States district courts, exclusive of the courts of the States, also have original jurisdiction of a prize cause in which the prize property—

(1) is lost or entirely destroyed; or

(2) cannot be brought in for adjudication because of its condition.

(c) The jurisdiction conferred by this section of prizes brought into the territorial waters of a cobelligerent may not be exercised, nor may prizes be appropriated for the use of the United States within those territorial waters, unless the government having jurisdiction over those waters consents to the exercise of the jurisdiction or to the appropriation.

(Aug. 10, 1956, ch. 1041, 70A Stat. 474; Pub. L. 109–163, div. A, title X, Sec. 1057(a)(5), Jan. 6, 2006, 119 Stat. 3440.)

§ 7653. Court in which proceedings brought

(a) If a prize is brought into a port of the United States, or the Commonwealths or possessions, proceedings for the adjudication of the prize cause shall be brought in the district in which the port is located.

(b) If a prize is brought into the territorial waters of a cobelligerent, or is brought into a locality in the temporary or permanent possession of, or occupied by, the armed forces of the United States, or is appropriated for the use of the United States, before proceedings are started, the venue of the proceedings for adjudication of the cause shall be in the judicial district selected by the Attorney General, or his designee, for the convenience of the United States.

(c) If the prize property is lost or entirely destroyed or if, because of its condition, no part of it has been or can be sent in for adjudication, proceedings for adjudication of the cause may be brought in any district designated by the Secretary of the Navy. In such cases the proceeds of anything sold shall be deposited with the Treasurer of the United States or public depository in or nearest the district designated by the Secretary, subject to the orders of the court for that district.

(Aug. 10, 1956, ch. 1041, 70A Stat. 474; Pub. L. 109–163, div. A, title X, Sec. 1057(a)(5), Jan. 6, 2006, 119 Stat. 3440.)

§ 7654. Effect of failure to start proceedings

If a vessel is captured as prize and no proceedings for adjudication are started within a reasonable time, any party claiming the captured property may, in any district court as a court of prize—

- (1) move for a monition to show cause why such proceedings shall not be started; or
- (2) bring an original suit for restitution.

The monition issued in either case shall be served on the United States Attorney for the district, on the Secretary of the Navy, and on such other persons as are designated by order of the court.

(Aug. 10, 1956, ch. 1041, 70A Stat. 475.)

§ 7655. Appointment of prize commissioners and special prize commissioners

(a) In each judicial district there may be not more than three prize commissioners, one of whom is the naval prize commissioner. They shall be appointed by the district court for service in connection with any prize cause in which proceedings are brought under section 7653(a) or (c) of this title. The naval prize commissioner must be an officer of the Navy whose appointment is approved by the Secretary of the Navy. The naval prize commissioner shall protect the interests of the Department of the Navy in the prize property. At least one of the other commissioners must be a member of the bar of the court, of not less than three years' standing, who is experienced in taking depositions.

(b) A district court may appoint special prize commissioners to perform abroad, in connection with any prize cause in which proceedings are brought under section 7653(b) of this title, the duties prescribed for prize commissioners, and, in connection with those causes, to exercise anywhere such additional powers and perform such additional duties as the court considers proper, including the duties prescribed by this chapter for United States marshals. The court may determine the number and qualifications of the special prize commissioners it appoints, except that for each cause there shall be at least one naval special prize commissioner. The naval special prize commissioner must be an officer of the Navy whose appointment is approved by the Secretary. The naval special prize commissioner shall protect the interests of the Department of the Navy in the prize property.

(Aug. 10, 1956, ch. 1041, 70A Stat. 475.)

§ 7656. Duties of United States attorney

(a) The interests of the United States in a prize cause shall be represented by the United States attorney for the judicial district in which the prize cause is adjudicated. The United States attorney shall protect the interests of the United States and shall examine all fees, costs, and expenses sought to be charged against the prize fund.

(b) In a judicial district where one or more prize causes are pending the United States attorney shall send to the Secretary of the Navy, at least once every three months, a statement of all such

causes in the form and covering the particulars required by the Secretary.

(Aug. 10, 1956, ch. 1041, 70A Stat. 475.)

§ 7657. Duties of commanding officer of capturing vessel

(a) The commanding officer of a vessel making a capture shall—

(1) secure the documents of the captured vessel, including the log, and the documents of cargo, together with all other documents and papers, including letters, found on board;

(2) inventory and seal all the documents and papers;

(3) send the inventory and documents and papers to the court in which proceedings are to be had, with a written statement—

(A) that the documents and papers sent are all the papers found, or explaining the reasons why any are missing; and

(B) that the documents and papers sent are in the same condition as found, or explaining the reasons why any are in different condition;

(4) send as witnesses to the prize court the master, one or more of the other officers, the supercargo, purser, or agent of the prize, and any other person found on board whom he believes to be interested in or to know the title, national character, or destination of the prize, and if any of the usual witnesses cannot be sent, send the reasons therefor to the court; and

(5) place a competent prize master and a prize crew on board the prize and send the prize, the witnesses, and all documents and papers, under charge of the prize master, into port for adjudication.

(b) In the absence of instructions from higher authority as to the port to which the prize shall be sent for adjudication, the commanding officer of the capturing vessel shall select the port that he considers most convenient in view of the interests of probable claimants.

(c) If the captured vessel, or any part of the captured property, is not in condition to be sent in for adjudication, the commanding officer of the capturing vessel shall have a survey and an appraisal made by competent and impartial persons. The reports of the survey and the appraisal shall be sent to the court in which proceedings are to be had. Property so surveyed and appraised, unless appropriated for the use of the United States, shall be sold under authority of the commanding officer present. Proceeds of the sale shall be deposited with the Treasurer of the United States or in the public depository most accessible to the court in which proceedings are to be had and subject to its order in the cause.

(Aug. 10, 1956, ch. 1041, 70A Stat. 476.)

§ 7658. Duties of prize master

The prize master shall take the captured vessel to the selected port. On arrival he shall—

(1) deliver immediately to a prize commissioner the documents and papers and the inventory thereof;

(2) make affidavit that the documents and papers and the inventory thereof and the prize property are the same and are in the same condition as delivered to him, or explaining any loss or absence or change in their condition;

(3) report all information respecting the prize and her capture to the United States attorney;

(4) deliver the persons sent as witnesses to the custody of the United States marshal; and

(5) retain the prize in his custody until it is taken therefrom by process from the prize court.

(Aug. 10, 1956, ch. 1041, 70A Stat. 476.)

§ 7659. Libel and proceedings by United States attorney

(a) Upon receiving the report of the prize master directed by section 7658 of this title, the United States attorney for the district shall promptly—

(1) file a libel against the prize property;

(2) obtain a warrant from the court directing the marshal to take custody of the prize property; and

(3) proceed to obtain a condemnation of the property.

(b) In connection with the condemnation proceedings the United States attorney shall insure that the prize commissioners—

(1) take proper preparatory evidence; and

(2) take depositions de bene esse of the prize crew and of other transient persons who know any facts bearing on condemnation.

(Aug. 10, 1956, ch. 1041, 70A Stat. 477.)

§ 7660. Duties of prize commissioners

One or more of the prize commissioners shall—

(1) receive from the prize master the documents and papers of the captured vessel and the inventory thereof;

(2) take the affidavit of the prize master required by section 7658 of this title;

(3) take promptly, in the manner prescribed by section 7661 of this title, the testimony of the witnesses sent in;

(4) take, at the request of the United States attorney, on interrogatories prescribed by the court, the depositions de bene esse of the prize crew and others;

(5) examine and inventory the prize property;

(6) apply to the court for an order to the marshal to unload the cargo, if this is necessary to that examination and inventory;

(7) report to the court, and notify the United States attorney, whether any of the prize property requires immediate sale in the interest of all parties;

(8) report to the court, from time to time, any matter relating to the condition, custody, or disposal of the prize property requiring action by the court;

(9) return to the court sealed and secured from inspection—

(A) the documents and papers received, duly scheduled and numbered;

(B) the preparatory evidence;

- (C) the evidence taken de bene esse; and
- (D) their inventory of the prize property; and
- (10) report to the Secretary of the Navy, if, in their judgment, any of the prize property is useful to the United States in the prosecution of war.

(Aug. 10, 1956, ch. 1041, 70A Stat. 477.)

§ 7661. Interrogation of witnesses by prize commissioners

Witnesses before the prize commissioners shall be questioned separately, on interrogatories prescribed by the court, in the manner usual in prize courts. Without special authority from the court, the witnesses may not see the interrogatories, documents, or papers, or consult with counsel or with other persons interested in the cause. Witnesses who have the rights of neutrals shall be discharged as soon as practicable.

(Aug. 10, 1956, ch. 1041, 70A Stat. 477.)

§ 7662. Duties of marshal

The marshal shall—

(1) keep in his custody all persons found on board a prize and sent in as witnesses, until they are released by the prize commissioners or the court;

(2) keep safely in his custody all prize property under warrant from the court;

(3) report to the court any cargo or other property that he thinks should be unloaded and stored or sold;

(4) insure the prize property, if in his judgment it is in the interest of all concerned;

(5) have charge of the sale of the property, if a sale is ordered, and be responsible for the conduct of the sale in the manner required by the court, for the collection of the gross proceeds, and for their immediate deposit with the Treasurer of the United States or public depository nearest the place of sale, subject to the order of the court in the cause; and

(6) submit to the Secretary of the Navy, at such times as the Secretary designates, a full statement of the condition of the prize and of the disposal made thereof.

(Aug. 10, 1956, ch. 1041, 70A Stat. 478.)

§ 7663. Prize property appropriated for the use of the United States

(a) Any officer or agency designated by the President may appropriate for the use of the United States any captured vessel, arms, munitions, or other material taken as prize. The department or agency for whose use the prize property is appropriated shall deposit the value of the property with the Treasurer of the United States or with the public depository nearest to the court in which the proceedings are to be had, subject to the orders of the court.

(b) Whenever any captured vessel, arms, munitions, or other material taken as prize is appropriated for the use of the United States before that property comes into the custody of the prize court, it shall be surveyed, appraised, and inventoried by persons as competent and impartial as can be obtained, and the survey, appraisal, and inventory sent to the court in which the proceedings

are to be had. If the property is appropriated after it comes into the custody of the court, sufficient notice shall be given to enable the court to have the property appraised for the protection of the rights of the claimants.

(c) Notwithstanding subsections (a) and (b), in any case where prize property is appropriated for the use of the United States, a prize court may adjudicate the cause on the basis of an inventory and survey and an appropriate undertaking by the United States to respond for the value of the property, without either an appraisal or a deposit of the value of the prize with the Treasurer of the United States or a public depository.

(Aug. 10, 1956, ch. 1041, 70A Stat. 478.)

§ 7664. Delivery of property on stipulation

(a) Prize property may be delivered to a claimant on stipulation, deposit, or other security, if—

(1) the claimant satisfies the court that the property has a peculiar and intrinsic value to him, independent of its market value;

(2) the court is satisfied that the rights and interests of the United States or of other claimants will not be prejudiced;

(3) an opportunity is given to the United States attorney and the naval prize commissioner or the naval special prize commissioner to be heard as to the appointment of appraisers; and

(4) a satisfactory appraisal is made.

(b) Money collected on a stipulation, or deposited instead of it, that does not represent costs shall be deposited with the Treasurer of the United States or a public depository in the same manner as proceeds of a sale.

(Aug. 10, 1956, ch. 1041, 70A Stat. 479.)

§ 7665. Sale of prize

(a) The court shall order a sale of prize property if—

(1) the property has been condemned;

(2) the court finds, at any stage of the proceedings, that the property is perishable, liable to deteriorate, or liable to depreciate in value; or

(3) the cost of keeping the property is disproportionate to its value.

(b) The court may order a sale of the prize property if, after the return-day on the libel, all the parties in interest who have appeared in the cause agree to it.

(c) An appeal does not prevent the order of a sale under this section or the execution of such an order.

(Aug. 10, 1956, ch. 1041, 70A Stat. 479.)

§ 7666. Mode of making sale

(a) If a sale of prize property is ordered by the court, the marshal shall—

(1) prepare and circulate full catalogues and schedules of the property to be sold and return a copy of each to the court;

(2) advertise the sale fully and conspicuously by posters and in newspapers ordered by the court;

(3) give notice to the naval prize commissioner at least five days before the sale; and

(4) keep the goods open for inspection for at least three days before the sale.

(b) An auctioneer of known skill in the business to which the sale pertains shall be employed by the Secretary of the Navy to make the sale. The auctioneer, or his agent, shall collect and deposit the gross proceeds of the sale. The auctioneer and his agent are responsible to the marshal for the conduct of the sale and the collection and deposit of the gross proceeds.

(Aug. 10, 1956, ch. 1041, 70A Stat. 479.)

§ 7667. Transfer of prize property to another district for sale

(a) In the case of any prize property ordered to be sold, if the court believes that it will be in the interest of all parties to have the property sold in a judicial district other than the one in which the proceedings are pending, the court may direct the marshal to transfer the property to the district selected by the court for the sale, and to insure it. In such a case the court shall give the marshal proper orders as to the time and manner of conducting the sale.

(b) When so ordered the marshal shall transfer the property and keep it safely. He is responsible for its sale in the same manner as if the property were in his own district and for the deposit of the gross proceeds with the Treasurer of the United States or public depository nearest to the place of sale, subject to the order of the court for the district where the adjudication is pending.

(c) The necessary expenses of insuring, transferring, receiving, keeping, and selling the property are a charge upon it and upon the proceeds. Whenever any such expense is paid in advance by the marshal, any amount not repaid to him from the proceeds shall be allowed to him as in the case of expenses incurred in suits in which the United States is a party.

(d) If the Secretary of the Navy believes that it will be in the interest of all parties to have the property sold in a judicial district other than the one in which the proceedings are pending, he may, either by a general regulation or by a special direction in the cause, require the marshal to transfer the property from the district in which the judicial proceedings are pending to any other district for sale. In such a case proceedings shall be had as if the transfer had been made by order of the court.

(Aug. 10, 1956, ch. 1041, 70A Stat. 479.)

§ 7668. Disposition of prize money

The net proceeds of all property condemned as prize shall be decreed to the United States and shall be ordered by the court to be paid into the Treasury.

(Aug. 10, 1956, ch. 1041, 70A Stat. 480.)

§ 7669. Security for costs

The court may require any party to give security for costs at any stage of the cause and upon filing an appeal.

(Aug. 10, 1956, ch. 1041, 70A Stat. 480.)

§ 7670. Costs and expenses a charge on prize property

(a) Costs and expenses allowed by the court incident to the bringing in, custody, preservation, insurance, and sale or other disposal of prize property are a charge upon the property and shall be paid from the proceeds thereof, unless the court decrees restitution free from such a charge.

(b) Charges for work and labor, materials furnished, or money paid must be supported by affidavit or vouchers.

(Aug. 10, 1956, ch. 1041, 70A Stat. 480.)

§ 7671. Payment of costs and expenses from prize fund

(a) Payment may not be made from a prize fund except upon the order of the court. The court may, at any time, order the payment, from the deposit made with the Treasurer or public depository in the cause, of costs or charges accrued and allowed.

(b) When the cause is finally disposed of, the court shall order the Treasurer or public depository to pay the costs and charges allowed and unpaid. If the final decree is for restitution, or if there is no money subject to the order of the court in the cause, costs or charges allowed by the court and not paid by the claimants shall be paid out of the fund for paying the expenses of suits in which the United States is a party or is interested.

(Aug. 10, 1956, ch. 1041, 70A Stat. 480.)

§ 7672. Recaptures: award of salvage, costs, and expenses

(a) If a vessel or other property that has been captured by a force hostile to the United States is recaptured, and the court believes that the property had not been condemned as prize by competent authority before its recapture, the court shall award an appropriate sum as salvage.

(b) If the recaptured property belonged to the United States, it shall be restored to the United States, and costs and expenses ordered to be paid by the court shall be paid from the Treasury.

(c) If the recaptured property belonged to any person residing within or under the protection of the United States, the court shall restore the property to its owner upon his claim and on payment of such sum as the court may award as salvage, costs, and expenses.

(d) If the recaptured property belonged to any person permanently residing within the territory and under the protection of any foreign government in amity with the United States, and, by the law or usage of that government, the property of a citizen of the United States would be restored under like circumstances of recapture, the court shall, upon the owner's claim, restore the property to him under such terms as the law or usage of that government would require of a citizen of the United States under like circumstances. If no such law or usage is known, the property shall be restored upon the payment of such salvage, costs, and expenses as the court orders.

(e) Amounts awarded as salvage under this section shall be paid to the United States.

(Aug. 10, 1956, ch. 1041, 70A Stat. 481.)

§ 7673. Allowance of expenses to marshals

The marshal shall be allowed his actual and necessary expenses for the custody, care, preservation, insurance, and sale or other disposal of the prize property, and for executing any order of the court in the prize cause. Charges of the marshal for expenses or disbursements shall be allowed only upon his oath that they have been necessarily incurred for the purpose stated.

(Aug. 10, 1956, ch. 1041, 70A Stat. 481.)

§ 7674. Payment of witness fees

If the court allows fees to any witness in a prize cause, or fees for taking evidence out of the district in which the court sits, and there is no money subject to its order in the cause, the marshal shall pay the fees. He shall be repaid from any money deposited to the order of the court in the cause. Any amount not so repaid to the marshal shall be allowed him as witness fees paid by him in cases in which the United States is a party.

(Aug. 10, 1956, ch. 1041, 70A Stat. 481.)

§ 7675. Commissions of auctioneers

(a) The Secretary of the Navy may establish a scale of commissions to be paid to auctioneers employed to make sales of prize property. These commissions are in full satisfaction of expenses as well as services. The scale may in no case allow a commission in excess of—

- (1) $\frac{1}{2}$ of 1 percent on any amount exceeding \$10,000 on the sale of a vessel; and
- (2) 1 percent on any amount exceeding \$10,000 on the sale of other prize property.

(b) If no such scale is established, auctioneers in prize causes shall be paid such compensation as the court considers just under the circumstances of each case.

(Aug. 10, 1956, ch. 1041, 70A Stat. 481.)

§ 7676. Compensation of prize commissioners and special prize commissioners

(a) Naval prize commissioners and naval special prize commissioners may not receive compensation for their services in prize causes other than that to which they are entitled as officers of the Navy.

(b) Prize commissioners and special prize commissioners, except naval prize commissioners and naval special prize commissioners, are entitled to just and suitable compensation for their services in prize causes. The amount of compensation in each cause shall be determined by the court and allowed as costs.

(c) Annually, on the anniversary of his appointment, each prize commissioner and special prize commissioner, except a naval prize commissioner or a naval special prize commissioner, shall submit to the Attorney General an account of all amounts received for his services in prize causes within the previous year. Of the amounts reported, each such commissioner may retain not more than \$3,000, which is in full satisfaction for all his services in prize

causes for that year. He shall pay any excess over that amount into the Treasury.

(Aug. 10, 1956, ch. 1041, 70A Stat. 482.)

§ 7677. Accounts of clerks of district courts

(a) The clerk of each district court, for the purpose of the final decree in each prize cause, shall keep account of—

(1) the amount deposited with the Treasurer or public depository, subject to the order of the court in the cause; and

(2) the amounts ordered to be paid therefrom as costs and charges.

(b) The clerk shall draw the orders of the court for the payment of costs and allowances and for the disposition of the residue of the prize fund in each cause.

(c) The clerk shall send to the Secretary of the Treasury and the Secretary of the Navy—

(1) copies of final decrees in prize causes; and

(2) a semi-annual statement of the amounts allowed by the court, and ordered to be paid, within the preceding six months to the prize commissioners and special prize commissioners for their services.

(Aug. 10, 1956, ch. 1041, 70A Stat. 482.)

§ 7678. Interfering with delivery, custody, or sale of prize property

Whoever willfully does, or aids or advises in the doing of, any act relating to the bringing in, custody, preservation, sale, or other disposition of any property captured as prize, or relating to any documents or papers connected with the property or to any deposition or other document or paper connected with the proceedings, with intent to defraud, delay, or injure the United States or any claimant of that property, shall be fined not more than \$10,000 or imprisoned not more than five years, or both.

(Aug. 10, 1956, ch. 1041, 70A Stat. 482.)

§ 7679. Powers of district court over prize property notwithstanding appeal

(Aug. 10, 1956, ch. 1041, 70A Stat. 483.)

§ 7680. Appeals and amendments in prize causes

(a) A United States Court of Appeals may allow an appeal in a prize cause if it appears that a notice of appeal was filed with the clerk of the district court within thirty days after the final decree in that cause.

(b) A United States Court of Appeals, if in its opinion justice requires it, may allow amendments in form or substance of any appeal in a prize cause.

(Aug. 10, 1956, ch. 1041, 70A Stat. 483.)

§ 7681. Reciprocal privileges to cobelligerent

(a) A cobelligerent of the United States that consents to the exercise of jurisdiction conferred by section 7652(a) of this title with respect to any prize of the United States brought into the territorial waters of the cobelligerent or appropriated for the use of the United States within those territorial waters shall be given, upon proclamation by the President of the United States, like privileges with respect to any prize captured under the authority of that cobelligerent and brought into the territorial waters of the United States or appropriated for the use of the cobelligerent within the territorial waters of the United States.

(b) Reciprocal recognition shall be given to the jurisdiction acquired by courts of a cobelligerent under this section and full faith and credit shall be given to all proceedings had or judgments rendered in the exercise of that jurisdiction.

(Aug. 10, 1956, ch. 1041, 70A Stat. 483.)

Sec.	
7721.	Scope of chapter.

§ 7721. Scope of chapter

(a) This chapter applies to any suit against the United States under chapter 311 of title 46 for—

§ 7722. Stay of suit

(a) Whenever in time of war the Secretary of the Navy certifies to a court, or to a judge of a court, in which a suit described in section 7721 of this title is pending, that the prosecution of the suit would tend to endanger the security of naval operations in the war, or would tend to interfere with those operations, all further proceedings in the suit shall be stayed.

(b) A stay under this section does not suspend the issue of process to take or preserve evidence to be used in the trial or prevent the completion of action under similar process issued before the stay.

(Aug. 10, 1956, ch. 1041, 70A Stat. 484.)

§ 7723. Stay of proceedings for preserving evidence after stay of suit

If, at the time of certification under section 7722 of this title, or at any time before the termination of the stay based on the certificate, the Secretary of the Navy files with the court an additional certificate to the effect that the issue of any process to preserve evi-

dence or the completion of action on process previously issued would tend to endanger the security of the United States or of any of its naval or military operations in the war, or would tend to interfere with those operations, then all proceedings for the taking or preserving of evidence to be used by either party in the trial shall be stayed.

(Aug. 10, 1956, ch. 1041, 70A Stat. 484.)

§ 7724. Stay of proceedings for taking evidence before suit is filed

(a) If in time of war, with respect to any claim against the United States on which a suit described in section 7721 of this title would lie, the Secretary of the Navy certifies to the court, or to a judge of the court, in which proceedings are pending for—

(1) the granting of a *dedimus potestatem* to take depositions;

(2) a direction to take depositions in *perpetuam rei memoriam*; or

(3) the taking of depositions or production of evidence pursuant to such *dedimus potestatem* or direction, or pursuant to any other proceedings for the purpose;

that the proceedings would tend to endanger the security of the United States or any of its naval or military operations in the war, or would tend to interfere with those operations, then the proceedings may not be started or, if they have been started, they shall, when the certificate is filed, be stayed.

(b) The time during which a claimant may file suit of the type described in section 7721 of this title is computed by excluding the time during which a stay under this section or any extension of such a stay is in effect.

(Aug. 10, 1956, ch. 1041, 70A Stat. 484.)

§ 7725. Stay extended or shortened

The Secretary of the Navy, when a stay under this chapter is in effect, may file with the court, or a judge of the court, a certificate extending or shortening the time stated in the prior certificate. The filing of such a new certificate extends or shortens the stay to the period specified in the new certificate or terminates the stay if the new certificate so states.

(Aug. 10, 1956, ch. 1041, 70A Stat. 484.)

§ 7726. Reconsideration of stay

(a) A claimant or party who considers himself adversely affected by a stay under this chapter may serve a written notice on the Secretary of the Navy at Washington, D.C., requesting him to reconsider the stay previously issued and to issue a new certificate. The notice shall identify the stay by means of an attached copy of the certificate of the Secretary or a sufficient description of the stay. The notice may not contain any recital of the facts or circumstances involved.

(b) Within ten days after receiving notice under this section, the Secretary or his designee shall hold a secret meeting at which the claimant or party, or his representative, may present any facts and arguments he thinks material.

(c) Within ten days after a hearing under this section, the Secretary shall file with the court that ordered the stay a new certificate stating whether the stay is then to be terminated or for what period the stay is to continue in effect. If the Secretary fails to file a new certificate, the court, upon application by the claimant or party, shall issue an order directing the Secretary to file a new certificate within a specified time.

(Aug. 10, 1956, ch. 1041, 70A Stat. 485.)

§ 7727. Duration of stay

A stay of proceedings under this chapter remains in effect for the period specified in the certificate upon which it was based unless the Secretary of the Navy issues a new certificate under section 7725 or 7726 of this title changing the termination date. However, a stay under this chapter may not remain in force longer than six months after the cessation of hostilities.

(Aug. 10, 1956, ch. 1041, 70A Stat. 485.)

§ 7728. Restricted certificate

The Secretary of the Navy may restrict a certificate issued under this chapter so that it stays only the taking of testimony of certain witnesses or the production of evidence on certain subjects. The proceedings not stayed may continue.

(Aug. 10, 1956, ch. 1041, 70A Stat. 485.)

§ 7729. Investigation before issue of certificate

The Secretary of the Navy may not issue a certificate under this chapter until he satisfies himself by investigation that it is necessary.

(Aug. 10, 1956, ch. 1041, 70A Stat. 485.)

§ 7730. Evidence admissible when witness is not available

Whenever the court is satisfied by appropriate evidence or by agreement of counsel that the United States or the claimant is unable after reasonable efforts to secure the testimony of a witness and—

(1) the United States or the claimant has been prevented by a stay under this chapter from examining the witness; or

(2) the United States establishes that it has refrained from bringing a suit or from taking the testimony of the witness in a pending suit to avoid endangering the security of naval operations or interfering with such operations;

the court shall receive in evidence in place of the testimony of the witness—

(1) the affidavit of the witness duly sworn to before a notary public or other authorized officer; or

(2) the statement or testimony of the witness before a court-martial, a court of inquiry, or an investigation; but the use of such statement or testimony does not, in any litigation, make the remainder of the record admissible or compel the United States to produce the remainder of the record.

The court shall give such weight to the affidavit, statement, or testimony as it considers proper under the circumstances.

(Aug. 10, 1956, ch. 1041, 70A Stat. 485.)

§ 8742. Air Force cross: award

The President may award an Air Force cross of appropriate design, with ribbons and appurtenances, to a person who, while serving in any capacity with the Air Force, distinguishes himself by extraordinary heroism not justifying the award of a medal of honor—

(b) Except as provided in subsection (d), no medal of honor, Air Force cross, distinguished-service medal, or device in place thereof, may be awarded to a person unless—

(1) the award is made within three years after the date of the act justifying the award;

(2) a statement setting forth the distinguished service and recommending official recognition of it was made within two years after the distinguished service; and

(3) it appears from records of the Department of the Air Force that the person is entitled to the award.

(c) No medal of honor, Air Force cross, distinguished-service medal, or device in place thereof, may be awarded or presented to a person whose service after he distinguished himself has not been honorable.

(d) If the Secretary of the Air Force determines that—

(1) a statement setting forth the distinguished service and recommending official recognition of it was made and supported by sufficient evidence within two years after the distinguished service; and

(2) no award was made, because the statement was lost or through inadvertence the recommendation was not acted on; a medal of honor, Air Force cross, distinguished-service medal, or device in place thereof, as the case may be, may be awarded to the person concerned within two years after the date of that determination.

§ 8746. Silver star: award

The President may award a silver star of appropriate design, with ribbons and appurtenances, to a person who, while serving in any capacity with the Air Force, is cited for gallantry in action that does not warrant a medal of honor or Air Force cross—

(1) while engaged in an action against an enemy of the United States;

(2) while engaged in military operations involving conflict with an opposing foreign force; or

(3) while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.

(2) The authority in paragraph (1) includes authority to award the medal to a member of the Ready Reserve who was not in a duty status defined in section 101(d) of this title when the member distinguished himself by heroism.

8992.	Recomputation of retired pay to reflect advancement on retired list.

§ 8991. Computation of retired pay

(a) COMPUTATION.—

(1) FORMULA.—The monthly retired pay of a member entitled to such pay under this subtitle is computed by multiplying—

(A) the member's retired pay base (as computed under section 1406(e) or 1407 of this title), by

(B) the retired pay multiplier prescribed in section 1409 of this title for the number of years credited to the member under section 1405 of this title.

(2) ADDITIONAL 10 PERCENT FOR CERTAIN ENLISTED MEMBERS CREDITED WITH EXTRAORDINARY HEROISM.—If a member who is retired under section 8914 of this title has been credited by the Secretary of the Air Force with extraordinary heroism in the line of duty, the member's retired pay shall be increased by 10 percent of the amount determined under paragraph (1) (but to not more than 75 percent of the retired pay base upon which the computation of such retired pay is based). The Secretary's determination as to extraordinary heroism is conclusive for all purposes.

(b) GENERAL RULES.—

(1) USE OF MOST FAVORABLE FORMULA.—If a person would otherwise be entitled to retired pay computed under more than one formula in subsection (a) or the table in section 1401 of this title, he is entitled to be paid under the applicable formula that is most favorable to him.

(a) The authorized strength of Air Force Cadets of the Academy (determined for any year as of the day before the last day of the academic year) is 4,400 or such lower number as may be prescribed by the Secretary of the Air Force under subsection (j). Subject to that limitation, Air Force Cadets are selected as follows:

(1) 65 cadets selected in order of merit as established by competitive examination from the children of members of the armed forces who were killed in action or died of, or have a service-connected disability rated at not less than 100 per centum resulting from wounds or injuries received or diseases contracted in, or preexisting injury or disease aggravated by, active service, children of members who are in a "missing status" as defined in section 551(2) of title 37, and children of civilian employees who are in "missing status" as defined in section 5561(5) of title 5. The determination of the Department of Veterans Affairs as to service connection of the cause of death or

disability, and the percentage at which the disability is rated, is binding upon the Secretary of the Air Force.

(2) Five cadets nominated at large by the Vice President or, if there is no Vice President, by the President pro tempore of the Senate.

(3) Ten cadets from each State, five of whom are nominated by each Senator from that State.

(4) Five cadets from each congressional district, nominated by the Representative from the district.

(5) Five cadets from the District of Columbia, nominated by the Delegate to the House of Representatives from the District of Columbia.

(6) Three cadets from the Virgin Islands, nominated by the Delegate in Congress from the Virgin Islands.

(7) Six cadets from Puerto Rico, five of whom are nominated by the Resident Commissioner from Puerto Rico and one who is a native of Puerto Rico nominated by the Governor of Puerto Rico.

(8) Three cadets from Guam, nominated by the Delegate in Congress from Guam.

(9) Two cadets from American Samoa, nominated by the Delegate in Congress from American Samoa.

(10) Two cadets from the Commonwealth of the Northern Mariana Islands, nominated by the Delegate in Congress from the commonwealth.

Each Senator, Representative, and Delegate in Congress, including the Resident Commissioner from Puerto Rico, is entitled to nominate 10 persons for each vacancy that is available to him under this section. Nominees may be submitted without ranking or with a principal candidate and 9 ranked or unranked alternates. Qualified nominees not selected for appointment under this subsection shall be considered qualified alternates for the purposes of selection under other provisions of this chapter.

(b) In addition, there may be appointed each year at the Academy cadets as follows:

(1) one hundred selected by the President from the children of members of an armed force who—

(A) are on active duty (other than for training) and who have served continuously on active duty for at least eight years;

(B) are, or who died while they were, retired with pay or granted retired or retainer pay;

(C) are serving as members of reserve components and are credited with at least eight years of service computed under section 12733 of this title; or

(D) would be, or who died while they would have been, entitled to retired pay under chapter 1223 of this title except for not having attained 60 years of age;

however, a person who is eligible for selection under clause (1) of subsection (a) may not be selected under this clause.

(2) 85 nominated by the Secretary of the Air Force from enlisted members of the Regular Air Force.

(3) 85 nominated by the Secretary of the Air Force from enlisted members of reserve components of the Air Force.

(4) 20 nominated by the Secretary of the Air Force, under regulations prescribed by him, from the honor graduates of schools designated as honor schools by the Department of the Army, the Department of the Navy, or the Department of the Air Force, and from members of the Air Force Reserve Officers' Training Corps.

(5) 150 selected by the Secretary of the Air Force in order of merit (prescribed pursuant to section 9343 of this title) from qualified alternates nominated by persons named in clauses (3) and (4) of subsection (a).

(c) The President may also appoint as cadets at the Academy children of persons who have been awarded the Medal of Honor for acts performed while in the armed forces.

(d) The Superintendent may nominate for appointment each year 50 persons from the country at large. Persons nominated under this paragraph may not displace any appointment authorized under clauses (2) through (9) of subsection (a) and may not cause the total strength of Air Force Cadets to exceed the authorized number.

(e) If the annual quota of cadets under subsection (b)(1), (2), or (3) is not filled, the Secretary may fill the vacancies by nominating for appointment other candidates from any of these sources who were found best qualified on examination for admission and not otherwise nominated.

(f) Each candidate for admission nominated under clauses (3) through (9) of subsection (a) must be domiciled in the State, or in the congressional district, from which he is nominated, or in the District of Columbia, Puerto Rico, American Samoa, Guam, or the Virgin Islands, if nominated from one of those places.

(g) The Secretary of the Air Force may limit the number of cadets authorized to be appointed under this section to the number that can be adequately accommodated at the Academy as determined by the Secretary after consulting with the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, subject to the following:

(1) Cadets chargeable to each nominating authority named in subsection (a)(3) or (4) may not be limited to less than four.

(2) If the Secretary limits the number of appointments under subsection (a)(3) or (4), appointments under subsection (b)(1)–(4) are limited as follows:

- (A) 27 appointments under subsection (b)(1);
- (B) 27 appointments under subsection (b)(2);
- (C) 27 appointments under subsection (b)(3); and
- (D) 13 appointments under subsection (b)(4).

(3) If the Secretary limits the number of appointments under subsection (b)(5), appointments under subsection (b)(2)–(4) are limited as follows:

- (A) 27 appointments under subsection (b)(2);
- (B) 27 appointments under subsection (b)(3); and
- (C) 13 appointments under subsection (b)(4).

(4) The limitations provided for in this subsection do not affect the operation of subsection (e).

(h) The Superintendent shall furnish to any Member of Congress, upon the written request of such Member, the name of the

Congressman or other nominating authority responsible for the nomination of any named or identified person for appointment to the Academy.

(i) For purposes of the limitation in subsection (a) establishing the aggregate authorized strength of Air Force Cadets, the Secretary of the Air Force may for any year permit a variance in that limitation by not more than one percent. In applying that limitation, and any such variance, the last day of an academic year shall be considered to be graduation day.

(j)(1) Beginning with the 2003–2004 academic year, the Secretary of the Air Force may prescribe annual increases in the cadet strength limit in effect under subsection (a). For any academic year, any such increase shall be by no more than 100 cadets or such lesser number as applies under paragraph (3) for that year. Such annual increases may be prescribed until the cadet strength limit is 4,400.

(2) Any increase in the cadet strength limit under paragraph (1) with respect to an academic year shall be prescribed not later than the date on which the budget of the President is submitted to Congress under sections 1105 of title 31 for the fiscal year beginning in the same year as the year in which that academic year begins. Whenever the Secretary prescribes such an increase, the Secretary shall submit to Congress a notice in writing of the increase. The notice shall state the amount of the increase in the cadet strength limit and the new cadet strength limit, as so increased, and the amount of the increase in Senior Air Force Reserve Officers' Training Corps enrollment under each of sections 2104 and 2107 of this title.

(3) The amount of an increase under paragraph (1) in the cadet strength limit for an academic year may not exceed the increase (if any) for the preceding academic year in the total number of cadets enrolled in the Air Force Senior Reserve Officers' Training Corps program under chapter 103 of this title who have entered into an agreement under section 2104 or 2107 of this title.

(4) In this subsection, the term “cadet strength limit” means the authorized maximum strength of Air Force Cadets of the Academy.

§ 9343. Cadets: appointment; to bring to full strength

If it is determined that, upon the admission of a new class to the Academy, the number of cadets at the Academy will be below the authorized number, the Secretary of the Air Force may fill the vacancies by nominating additional cadets from qualified candidates designated as alternates and from other qualified candidates who competed for nomination and are recommended and found qualified by the Academy Board. At least three-fourths of those nominated under this section shall be selected from qualified alternates nominated by the persons named in clauses (2) through (8) of section 9342(a) of this title, and the remainder from qualified candidates holding competitive nominations under any other provision of law. An appointment under this section is an additional appointment and is not in place of an appointment otherwise authorized by law.

§ 9344. Selection of persons from foreign countries

(a)(1) The Secretary of the Air Force may permit not more than 60 persons at any one time from foreign countries to receive instruction at the Academy. Such persons shall be in addition to the authorized strength of the Air Force Cadets of the Academy under section 9342 of this title.

(2) The Secretary of the Air Force, upon approval by the Secretary of Defense, shall determine the countries from which persons may be selected for appointment under this section and the number of persons that may be selected from each country. The Secretary of the Air Force may establish entrance qualifications and methods of competition for selection among individual applicants under this section and shall select those persons who will be permitted to receive instruction at the Academy under this section.

(3) In selecting persons to receive instruction under this section from among applicants from the countries approved under paragraph (2), the Secretary of the Air Force shall give a priority to persons who have a national service obligation to their countries upon graduation from the Academy.

(b)(1) A person receiving instruction under this section is entitled to the pay, allowances, and emoluments of a cadet appointed from the United States, and from the same appropriations.

(2) Each foreign country from which a cadet is permitted to receive instruction at the Academy under this section shall reimburse the United States for the cost of providing such instruction, including the cost of pay, allowances, and emoluments provided under paragraph (1). The Secretary of the Air Force shall prescribe the rates for reimbursement under this paragraph, except that the reimbursement rates may not be less than the cost to the United States of providing such instruction, including pay, allowances, and emoluments, to a cadet appointed from the United States.

(3) The Secretary of Defense may waive, in whole or in part, the requirement for reimbursement of the cost of instruction for a

cadet under paragraph (2). In the case of a partial waiver, the Secretary shall establish the amount waived.

(c)(1) Except as the Secretary of the Air Force determines, a person receiving instruction under this section is subject to the same regulations governing admission, attendance, discipline, resignation, discharge, dismissal, and graduation as a cadet at the Academy appointed from the United States. The Secretary may prescribe regulations with respect to access to classified information by a person receiving instruction under this section that differ from the regulations that apply to a cadet at the Academy appointed from the United States.

(2) A person receiving instruction under this section is not entitled to an appointment in an armed force of the United States by reason of graduation from the Academy.

(d) A person receiving instruction under this section is not subject to section 9346(d) of this title.

§ 9345. Exchange program with foreign military academies

(a) EXCHANGE PROGRAM AUTHORIZED.—The Secretary of the Air Force may permit a student enrolled at a military academy of a foreign country to receive instruction at the Air Force Academy in exchange for an Air Force cadet receiving instruction at that foreign military academy pursuant to an exchange agreement entered into between the Secretary and appropriate officials of the foreign country. Students receiving instruction at the Academy under the exchange program shall be in addition to persons receiving instruction at the Academy under section 9344 of this title.

(b) LIMITATIONS ON NUMBER AND DURATION OF EXCHANGES.—An exchange agreement under this section between the Secretary and a foreign country shall provide for the exchange of students on a one-for-one basis each fiscal year. Not more than 100 Air Force cadets and a comparable number of students from all foreign military academies participating in the exchange program may be exchanged during any fiscal year. The duration of an exchange may not exceed the equivalent of one academic semester at the Air Force Academy.

(c) COSTS AND EXPENSES.—(1) A student from a military academy of a foreign country is not entitled to the pay, allowances, and emoluments of an Air Force cadet by reason of attendance at the Air Force Academy under the exchange program, and the Department of Defense may not incur any cost of international travel required for transportation of such a student to and from the sponsoring foreign country.

(2) The Secretary may provide a student from a foreign country under the exchange program, during the period of the exchange, with subsistence, transportation within the continental United States, clothing, health care, and other services to the same extent that the foreign country provides comparable support and services to the exchanged Air Force cadet in that foreign country.

(3) The Air Force Academy shall bear all costs of the exchange program from funds appropriated for the Academy and such additional funds as may be available to the Academy from a source other than appropriated funds to support cultural immersion, regional awareness, or foreign language training activities in connection with the exchange program.

(4) Expenditures in support of the exchange program from funds appropriated for the Academy may not exceed \$1,000,000 during any fiscal year.

(d) APPLICATION OF OTHER LAWS.—Subsections (c) and (d) of section 9344 of this title shall apply with respect to a student enrolled at a military academy of a foreign country while attending the Air Force Academy under the exchange program.

(e) REGULATIONS.—The Secretary shall prescribe regulations to implement this section. Such regulations may include qualification criteria and methods of selection for students of foreign military academies to participate in the exchange program.

(Added Pub. L. 105–85, div. A, title V, Sec. 542(c)(1), Nov. 18, 1997, 111 Stat. 1742; amended Pub. L. 106–65, div. A, title V, Sec. 535(c), Oct. 5, 1999, 113 Stat. 606; Pub. L. 109–364, div. A, title V, Sec. 531(c), Oct. 17, 2006, 120 Stat. 2199.)

§ 9345a. Foreign and cultural exchange activities

(a) ATTENDANCE AUTHORIZED.—The Secretary of the Air Force may authorize the Air Force Academy to permit students, officers, and other representatives of a foreign country to attend the Air Force Academy for periods of not more than two weeks if the Secretary determines that the attendance of such persons contributes significantly to the development of foreign language, cross cultural interactions and understanding, and cultural immersion of cadets.

(b) COSTS AND EXPENSES.—The Secretary may pay the travel, subsistence, and similar personal expenses of persons incurred to attend the Air Force Academy under subsection (a).

(c) EFFECT OF ATTENDANCE.—Persons attending the Air Force Academy under subsection (a) are not considered to be students enrolled at the Air Force Academy and are in addition to persons receiving instruction at the Air Force Academy under section 9344 or 9345 of this title.

(d) SOURCE OF FUNDS; LIMITATION.—(1) The Air Force Academy shall bear the costs of the attendance of persons under subsection (a) from funds appropriated for the Air Force Academy and from such additional funds as may be available to the Air Force Academy from a source, other than appropriated funds, to support cultural immersion, regional awareness, or foreign language training activities in connection with their attendance.

(2) Expenditures from appropriated funds in support of activities under this section may not exceed \$40,000 during any fiscal year.

(Added Pub. L. 110–417, [div. A], title V, Sec. 541(c)(1), Oct. 14, 2008, 122 Stat. 4456.)

§ 9346. Cadets: requirements for admission

(a) To be eligible for admission to the Academy a candidate must be at least 17 years of age and must not have passed his twenty-third birthday on July 1 of the year in which he enters the Academy.

(b) To be admitted to the Academy, an appointee must show, by an examination held under regulations prescribed by the Secretary of the Air Force, that he is qualified in the subjects prescribed by the Secretary.

(c) A candidate designated as a principal or an alternate for appointment as a cadet shall appear for physical examination at a time and place designated by the Secretary.

(d) To be admitted to the Academy, an appointee must take and subscribe to an oath prescribed by the Secretary of the Air Force. If a candidate for admission refuses to take and subscribe to the prescribed oath, his appointment is terminated.

(Aug. 10, 1956, ch. 1041, 70A Stat. 565; Pub. L. 89-718, Sec. 47, Nov. 2, 1966, 80 Stat. 1121; Pub. L. 104-201, div. A, title V, Sec. 555(d), Sept. 23, 1996, 110 Stat. 2527.)

§ 9347. Cadets; nominees: effect of redistricting of States

If as a result of redistricting a State the domicile of a cadet, or a nominee, nominated by a Representative falls within a congressional district other than that from which he was nominated, he is charged to the district in which his domicile so falls. For this purpose, the number of cadets otherwise authorized for that district is increased to include him. However, the number as so increased is reduced by one if he fails to become a cadet or when he is finally separated from the Academy.

(Aug. 10, 1956, ch. 1041, 70A Stat. 565.)

§ 9348. Cadets: agreement to serve as officer

(a) Each cadet shall sign an agreement with respect to the cadet's length of service in the armed forces. The agreement shall provide that the cadet agrees to the following:

(1) That the cadet will complete the course of instruction at the Academy.

(2) That upon graduation from the Academy the cadet—

(A) will accept an appointment, if tendered, as a commissioned officer of the Regular Air Force; and

(B) will serve on active duty for at least five years immediately after such appointment.

(3) That if an appointment described in paragraph (2) is not tendered or if the cadet is permitted to resign as a regular officer before completion of the commissioned service obligation of the cadet, the cadet—

(A) will accept an appointment as a commissioned officer as a Reserve in the Air Force for service in the Air Force Reserve; and

(B) will remain in that reserve component until completion of the commissioned service obligation of the cadet.

(4) That if an appointment described in paragraph (2) or (3) is tendered and the cadet participates in a program under section 2121 of this title, the cadet will fulfill any unserved obligation incurred under this section on active duty, regardless of the type of appointment held, upon completion of, and in addition to, any service obligation incurred under section 2123 of this title for participation in such program.

(b)(1) The Secretary of the Air Force may transfer to the Air Force Reserve, and may order to active duty for such period of time

as the Secretary prescribes (but not to exceed four years), a cadet who breaches an agreement under subsection (a). The period of time for which a cadet is ordered to active duty under this paragraph may be determined without regard to section 651(a) of this title.

(2) A cadet who is transferred to the Air Force Reserve under paragraph (1) shall be transferred in an appropriate enlisted grade or rating, as determined by the Secretary.

(3) For the purposes of paragraph (1), a cadet shall be considered to have breached an agreement under subsection (a) if the cadet is separated from the Academy under circumstances which the Secretary determines constitute a breach by the cadet of the cadet's agreement to complete the course of instruction at the Academy and accept an appointment as a commissioned officer upon graduation from the Academy.

(c) The Secretary of the Air Force shall prescribe regulations to carry out this section. Those regulations shall include—

(1) standards for determining what constitutes, for the purpose of subsection (b), a breach of an agreement under subsection (a);

(2) procedures for determining whether such a breach has occurred; and

(3) standards for determining the period of time for which a person may be ordered to serve on active duty under subsection(b).

(d) In this section, the term “commissioned service obligation”, with respect to an officer who is a graduate of the Academy, means the period beginning on the date of the officer's appointment as a commissioned officer and ending on the sixth anniversary of such appointment or, at the discretion of the Secretary of Defense, any later date up to the eighth anniversary of such appointment.

(e)(1) This section does not apply to a cadet who is not a citizen or national of the United States.

(2) In the case of a cadet who is a minor and who has parents or a guardian, the cadet may sign the agreement required by subsection (a) only with the consent of a parent or guardian.

(f) A cadet or former cadet who does not fulfill the terms of the agreement as specified under subsection (a), or the alternative obligation imposed under subsection (b), shall be subject to the repayment provisions of section 303a(e) of title 37.

§ 9349. Cadets: organization; service; instruction

(a) A cadet shall perform duties at such places and of such type as the President may direct.

(b) The course of instruction at the Academy is four years.

(c) The Secretary of the Air Force shall so arrange the course of studies at the Academy that cadets are not required to pursue their studies on Sunday.

(d) Cadets shall be trained in the duties of members of the Air Force.

(Aug. 10, 1956, ch. 1041, 70A Stat. 566.)

§ 9350. Cadets: clothing and equipment

(a) The Secretary of the Air Force may prescribe the amount to be credited to a cadet, upon original admission to the Academy, for the cost of his initial issue of clothing and equipment. That amount shall be deducted from his pay. If a cadet is discharged before graduation while owing the United States for pay advanced for the purchase of required clothing and equipment, he shall turn in so much of his clothing and equipment of a distinctive military nature as is necessary to repay the amount advanced. If the value of the clothing and equipment turned in does not cover the amount owed, the indebtedness shall be canceled.

(b) Under such regulations as the Secretary may prescribe, uniforms and equipment shall be furnished to a cadet at the Academy upon his request.

(Aug. 10, 1956, ch. 1041, 70A Stat. 566.)

§ 9351. Cadets: deficiencies in conduct or studies; effect of failure on successor

(a) A cadet who is reported as deficient in conduct or studies and recommended to be discharged from the Academy may not, unless recommended by the Academy Board, be returned or reappointed to the Academy.

(b) Any cadet who fails to pass a required examination because he is deficient in any one subject of instruction is entitled to a reexamination of equal scope and difficulty in that subject, if he applies in writing to the Superintendent within 10 days after he is officially notified of his failure. (2) Consolidation of claims arising from the same incident is not required before indemnification of the Secretary of Transportation for payment of a claim may be made under this section.

(e) **CONSTRUCTION WITH OTHER TRANSFER AUTHORITY.**—Authority to transfer funds under this section is in addition to any other authority provided by law to transfer funds (whether enacted before, on, or after the date of the enactment of this section) and is not subject to any dollar limitation or notification requirement contained in any other such authority to transfer funds.

(e) AGGREGATE MINIMUM PURCHASE AMOUNT.—(1) The aggregate amount of the minimum purchase amount for all contracts awarded under subsection (c) for a fiscal year shall be based on forecast needs, but may not exceed the amount equal to 80 percent of the average annual expenditure of the Department of Defense for charter air transportation services during the five-fiscal year period ending in the fiscal year before the fiscal year for which such contracts are awarded.

(2) In calculating the average annual expenditure of the Department of Defense for charter air transportation services for purposes of paragraph (1), the Secretary of Defense shall omit from the calculation any fiscal year exhibiting unusually high demand for

charter air transportation services if the Secretary determines that the omission of such fiscal year from the calculation will result in a more accurate forecast of anticipated charter air transportation services for purposes of that paragraph.

(f) ALLOCATION OF MINIMUM PURCHASE AMONG CHARTER AIR TRANSPORTATION CONTRACTS.—(1) The aggregate amount of the minimum purchase amount for all contracts awarded under subsection (c) for a fiscal year, as determined under subsection (e), shall be allocated among all air carriers and air carrier contractor team arrangements awarded contracts under subsection (c) for such fiscal year in proportion to the commitments of such carriers to the Civil Reserve Air Fleet for such fiscal year.

(2) In determining the minimum purchase amount payable under paragraph (1) under a contract under subsection (c) for charter air transportation services provided by an air carrier or air carrier contractor team arrangement during the fiscal year covered by such contract, the Secretary of Defense may adjust the amount allocated to such carrier or arrangement under paragraph (1) to take into account periods during such fiscal year when charter air transportation services of such carrier or a carrier in such arrangement are unavailable for usage by the Department of Defense, including during periods of refused business or suspended operations or when such carrier is placed in nonuse status pursuant to section 2640 of this title for safety reasons.

(g) DISTRIBUTION OF AMOUNTS.—If any amount available under this section for the minimum purchase of charter air transportation services from a carrier or air carrier contractor team arrangement for a fiscal year under a contract under subsection (c) is not utilized to purchase charter air transportation services from the carrier or arrangement in such fiscal year, such amount shall be provided to the carrier or arrangement before the first day of the following fiscal year.

(h) COMMITMENT OF FUNDS.—(1) The Secretary of each military department shall transfer to the transportation working capital fund a percentage of the total amount anticipated to be required in such fiscal year for the payment of minimum purchase amounts under all contracts awarded under subsection (c) for such fiscal year equivalent to the percentage of the anticipated use of charter air transportation services by such military department during such fiscal year from all carriers under contracts awarded under subsection (c) for such fiscal year.

(2) Any amounts required to be transferred under paragraph (1) shall be transferred by the last day of the fiscal year concerned to meet the requirements of subsection (g) unless minimum purchase amounts have already been distributed by the Secretary of Defense under subsection (g) as of that date.

(i) AVAILABILITY OF AIRLIFT SERVICES.—(1) From the total amount of charter air transportation services available for a fiscal year under all contracts awarded under subsection (c) for such fiscal year, a military department shall be entitled to obtain a percentage of such services equal to the percentage of the contribution of the military department to the transportation working capital fund for such fiscal year under subsection (h).

(2) A military department may transfer any entitlement to charter air transportation services under paragraph (1) to any other military department or to any other agency, element, or component of the Department of Defense.

(j) DEFINITION.—In this section, the term “charter air transportation” has the meaning given such term in section 40102(14) of title 49, except that it only means such transportation for which the Secretary of Defense has entered into a contract for the purpose of passenger travel.

(e) The disposition of a tract of land under this section to any person shall be subject to (1) any easement retained by the Secretary of the Air Force with respect to such tract, and (2) such additional terms and conditions as the Administrator considers necessary or appropriate to protect the interests of the United States.

(f) The exact acreage and legal description of any tract of land to be conveyed under this section shall be determined in any manner that is satisfactory to the Administrator. (B) Any justification submitted under subparagraph (A) shall clearly delineate the specific force structure reductions forming the basis for such requested technician reduction (and the numbers related to those reductions).

(f) DEFERRAL OF MANDATORY SEPARATION.—The Secretary of the Army and the Secretary of the Air Force shall implement personnel policies so as to allow a military technician (dual status) who continues to meet the requirements of this section for dual status to continue to serve beyond a mandatory removal date for officers, and any applicable maximum years of service limitation, until the military technician (dual status) reaches age 60 and attains eligibility for an unreduced annuity (as defined in section 10218(c) of this title).

(g) RETENTION OF MILITARY TECHNICIANS WHO LOSE DUAL STATUS DUE TO COMBAT-RELATED DISABILITY.—(1) Notwithstanding subsection (d) of this section or subsections (a)(3) and (b) of section 10218 of this title, if a military technician (dual status) loses such dual status as the result of a combat-related disability (as defined in section 1413a of this title), the person may be retained as a non-dual status technician so long as—

(A) the combat-related disability does not prevent the person from performing the non-dual status functions or position; and

(A) Those counted under section 526 of this title.

Lieutenant colonel	6	4.6
Major	13	14.0
Captain	35	32.0
First lieutenant and second lieutenant (when combined with the number authorized for general officer grades under section 12004 of this title)	44	47.6

(3) Medical officers and dental officers shall not be counted for the purposes of this subsection.

(b)(1) The authorized strengths of the Navy Reserve in line officers in an active status in the grades of captain, commander, lieutenant commander, and lieutenant, and in the grades of lieutenant (junior grade) and ensign combined, are the following percentages of the total authorized number of those officers:

Captain	1.5 percent

(2) When the actual number of line officers in an active status in any grade is less than the number authorized by paragraph (1) for that grade, the difference may be applied to increase the number authorized by that paragraph for any lower grade or grades.

(c)(1) The authorized strengths of the Marine Corps Reserve in officers in an active status in the grades of colonel, lieutenant colonel, major, and captain, and in the grades of first lieutenant and second lieutenant combined, are the following percentages of the total authorized number of those officers:

Lieutenant colonel	8 percent
Major	16 percent
Captain	39 percent
First lieutenant and second lieutenant (when combined with the number authorized for general officer grades under section 12004 of this title)	35 percent.

(2) When the actual number of officers in an active status in any grade is less than the number authorized by paragraph (1) for that grade, the difference may be applied to increase the number authorized by that paragraph for any lower grade or grades.

(d)(1) An officer of the Army or Air Force may not be reduced in grade because of a reduction in the number of commissioned officers authorized for the officer's grade under this section.

(2) An officer of the Navy Reserve or the Marine Corps Reserve may not be reduced in permanent grade because of a reduction in the number authorized by this section for his grade.

§ 12006. Strength limitations: authority to waive in time of war or national emergency

(a) In time of war, or of national emergency declared by Congress or the President, the President may suspend the operation of any provision of section 12003, 12004, or 12005 of this title. So long as any such war or national emergency continues, any such suspension may be extended by the President.

(b) Any suspension under subsection (a) shall, if not sooner ended, end on the last day of the two-year period beginning on the date on which the suspension (or the last extension thereof) takes effect or on the last day of the one-year period beginning on the date of the termination of the war or national emergency, whichever occurs first. With respect to the end of any such suspension, the preceding sentence supersedes the provisions of title II of the National Emergencies Act (50 U.S.C. 1621, 1622) which provide that powers or authorities exercised by reason of a national emergency shall cease to be exercised after the date of termination of the emergency.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1662(a)(1), Oct. 5, 1994, 108 Stat. 2986.)

§ 12007. Reserve officers of the Army: distribution

The Secretary of the Army shall distribute the number of reserve commissioned officers, other than commissioned warrant officers, authorized in each commissioned grade between those assigned to reserve units organized to serve as units and those not assigned to such units. The Secretary shall distribute the number who are assigned to reserve units organized to serve as units among the units of each reserve component by prescribing appropriate tables of organization and tables of distribution. The Secretary shall distribute the number who are not assigned to such units between—

- (1) each special branch; and
- (2) all other branches taken together.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1662(a)(1), Oct. 5, 1994, 108 Stat. 2986.)

§ 12008. Army Reserve and Air Force Reserve: warrant officers

The Secretary of the Army may prescribe the authorized strength of the Army Reserve in warrant officers. The Secretary of the Air Force may prescribe the authorized strength of the Air Force Reserve in warrant officers.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1662(a)(1), Oct. 5, 1994, 108 Stat. 2987.)

§ 12009. Army and Air Force reserve components: temporary increases

(a) The authorized strength in any reserve grade, as prescribed under this chapter, for any reserve component under the jurisdiction of the Secretary of the Army or the Secretary of the Air Force is automatically increased to the minimum extent necessary to give effect to each appointment made in that grade under section 1211(a), 3036, 14304(b), 14314, or 14317 of this title.

(b) An authorized strength so increased is increased for no other purpose. While an officer holds that grade, the officer whose

appointment caused the increase is counted for the purpose of determining when other appointments, not under those sections, may be made in that grade.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1662(a)(1), Oct. 5, 1994, 108 Stat. 2987.)

§ 12010. Computations for Navy Reserve and Marine Corps Reserve: rule when fraction occurs in final result

When there is a fraction in the final result of any computation under this chapter for the Navy Reserve or the Marine Corps Reserve, a fraction of one-half or more is counted as one, and a fraction of less than one-half is disregarded.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1662(a)(1), Oct. 5, 1994, 108 Stat. 2987; amended Pub. L. 109-163, div. A, title V, Sec. 515(b)(1)(GG), (3)(I), Jan. 6, 2006, 119 Stat. 3233, 3234.)

(2) Of the total number of members of the Navy Reserve who are serving on full-time reserve component duty at the end of any fiscal year, the number of those members who may be serving in each of the grades of lieutenant commander, commander, and captain may not, as of the end of that fiscal year, exceed the number determined in accordance with the following table:

(b) DETERMINATIONS BY INTERPOLATION.—If the total number of members of a reserve component serving on full-time reserve component duty is between any two consecutive numbers in the first column of the appropriate table in paragraph (1) or (2) of subsection (a), the corresponding authorized strengths for each of the grades shown in that table for that component are determined by mathematical interpolation between the respective numbers of the two strengths. If the total number of members of a reserve component serving on full-time reserve component duty is more or less than the highest or lowest number, respectively, set forth in the first column of the appropriate table in paragraph (1) or (2) of subsection (a), the Secretary concerned shall fix the corresponding strengths for the grades shown in that table at the same proportion as is reflected in the nearest limit shown in the table.

(c) REALLOCATIONS TO LOWER GRADES.—Whenever the number of officers serving in any grade for duty described in subsection (a) is less than the number authorized for that grade under this section, the difference between the two numbers may be applied to increase the number authorized under this section for any lower grade.

(d) SECRETARIAL WAIVER.—(1) Upon determining that it is in the national interest to do so, the Secretary of Defense may increase for a particular fiscal year the number of reserve officers that may be on full-time reserve component duty for a reserve component in a grade referred to in a table in subsection (a) by a number that does not exceed the number equal to 5 percent of the maximum number specified for the grade in that table.

(2) Whenever the Secretary exercises the authority provided in paragraph (1), the Secretary shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives notice in writing of the adjustment made.

(e) FULL-TIME RESERVE COMPONENT DUTY DEFINED.—In this section, the term “full-time reserve component duty” means the following duty:

(1) Active duty described in sections 10211, 10302, 10303, 10304, 10305, 12310, or 12402 of this title.

(2) Full-time National Guard duty (other than for training) under section 502(f) of title 32, except for duty under section 115(b)(1)(B) and (C) of this title and section 115(i)(9) of this title.

(3) Active duty described in section 708 of title 32.

If the total number of members of a reserve component serving on full-time reserve component duty is more or less than the highest or lowest number, respectively, set forth in the first column of the table in subsection (a), the Secretary concerned shall fix the corresponding strengths for the grades shown in the table at the same proportion as is reflected in the nearest limit shown in the table.

(c) REALLOCATIONS TO LOWER GRADE.—Whenever the number of members serving in pay grade E-9 for duty described in subsection (a) is less than the number authorized for that grade under this section, the difference between the two numbers may be applied to increase the number authorized under this section for pay grade E-8.

(d) SECRETARIAL WAIVER.—(1) Upon determining that it is in the national interest to do so, the Secretary of Defense may increase for a particular fiscal year the number of reserve enlisted members that may be on active duty or full-time National Guard duty as described in subsection (a) for a reserve component in a pay grade referred to in a table in subsection (a) by a number that does not exceed the number equal to 5 percent of the maximum number specified for that grade and reserve component in the table.

§ 12205. Commissioned officers: appointment; educational requirement

(a) IN GENERAL.—No person may be appointed to a grade above the grade of first lieutenant in the Army Reserve, Air Force Reserve, or Marine Corps Reserve or to a grade above the grade of lieutenant (junior grade) in the Navy Reserve, or be federally recognized in a grade above the grade of first lieutenant as a member of the Army National Guard or Air National Guard, unless that person has been awarded a baccalaureate degree by a qualifying educational institution.

(b) EXCEPTIONS.—Subsection (a) does not apply to the following:

(1) The appointment to or recognition in a higher grade of a person who is appointed in or assigned for service in a health profession for which a baccalaureate degree is not a condition of original appointment or assignment.

(2) The appointment in the Navy Reserve or Marine Corps Reserve of a person appointed for service as an officer designated as a limited duty officer.

(3) The appointment in the Navy Reserve of a person appointed for service under the Naval Aviation Cadet (NAVCAD) program or the Seaman to Admiral program.

(4) The appointment to or recognition in a higher grade of any person who was appointed to, or federally recognized in, the grade of captain or, in the case of the Navy, lieutenant before October 1, 1995.

(5) Recognition in the grade of captain or major in the Alaska Army National Guard of a person who resides permanently at a location in Alaska that is more than 50 miles from each of the cities of Anchorage, Fairbanks, and Juneau, Alaska, by paved road and who is serving in a Scout unit or a Scout supporting unit.

(c) QUALIFYING EDUCATIONAL INSTITUTIONS.—(1) A qualifying educational institution for purposes of this section is an educational institution that is accredited or that meets the requirements of paragraph (2).

(2)(A) An unaccredited educational institution shall be considered to be a qualifying educational institution for purposes of the appointment or recognition of a person who is a graduate of that institution if the Secretary concerned determines that (as of the year of the graduation of that person from that institution) at least three educational institutions that are accredited and that maintain Reserve Officers' Training Corps programs each generally grant baccalaureate degree credit for completion of courses of the unaccredited institution equivalent to the baccalaureate degree

credit granted by the unaccredited institution for the completion of those courses.

(B) In order to assist the Secretary concerned in making determinations under subparagraph (A), any unaccredited institution that seeks to be considered to be a qualifying educational institution for purposes of this paragraph shall submit to the Secretary of Defense each year such information as the Secretary may require concerning the program of instruction at that institution.

(C) In the case of a person with a degree from an unaccredited institution that is a qualifying educational institution under this paragraph, the degree may not have been awarded more than eight years before the date on which the person is to be appointed to, or recognized in, the grade of captain or, in the case of the Navy Reserve, lieutenant, in order for that person to be considered for purposes of subsection (a) to have been awarded a baccalaureate degree by a qualifying educational institution.

(d) WAIVER AUTHORITY FOR ARMY OCS GRADUATES AND CERTAIN MARINE CORPS OFFICERS.—(1) The Secretary of the Army may waive the applicability of subsection (a) to any officer whose original appointment in the Army as a Reserve officer is through the Army Officer Candidate School program.

(2) The Secretary of the Navy may waive the applicability of subsection (a) to any officer whose original appointment in the Marine Corps as a Reserve officer is through the Marine Corps meritorious commissioning program.

(3) Any such waiver shall be made on a case-by-case basis, considering the individual circumstances of the officer involved, and may continue in effect for no more than two years after the waiver is granted. The Secretary concerned may provide for such a waiver to be effective before the date of the waiver, as appropriate in an individual case.

§ 12206. Commissioned officers: appointment of former commissioned officers

Under regulations prescribed by the Secretary of Defense, a person who is a former commissioned officer may, if otherwise qualified, be appointed as a reserve officer of the Army, Navy, Air Force, or Marine Corps. A person so appointed—

(1) may be placed on the reserve active-status list of that armed force in the grade equivalent to the permanent regular or reserve grade, and in the same competitive category, in which the person previously served satisfactorily on active duty or in an active status; and

(2) may be credited for the purpose of determining date of rank under section 741(d) of this title with service in grade equal to that held by that person when discharged or separated.

(Added Sec. 596a and renumbered Sec. 12206, Pub. L. 103-337, div. A, title XVI, Sec. 1633, 1662(c)(2), Oct. 5, 1994, 108 Stat. 2965, 2990.)

§ 12207. Commissioned officers: service credit upon original appointment

(a)(1) For the purpose of determining the grade and the rank within grade of a person receiving an original appointment as a reserve commissioned officer (other than a commissioned warrant officer) in the Army, Navy, Air Force, or Marine Corps, the person shall be credited at the time of the appointment with any commissioned service (other than service as a commissioned warrant officer) performed before such appointment as a regular officer, or as a reserve officer in an active status, in any armed force, the National Oceanic and Atmospheric Administration, or the Public Health Service.

(2) The Secretary of Defense shall prescribe regulations, which shall apply uniformly among the Army, Navy, Air Force, and Marine Corps, to authorize the Secretary of the military department concerned to limit the amount of prior commissioned service with which a person receiving an original appointment may be credited under paragraph (1), or to deny any such credit, in the case of a person who at the time of such appointment is credited with constructive service under subsection (b).

(b)(1) Under regulations prescribed by the Secretary of Defense, a person who is receiving an original appointment as a reserve commissioned officer (other than a commissioned warrant officer) of the Army, Navy, Air Force, or Marine Corps, or a designation in, or an assignment to, an officer category in which advanced education or training is required and who has advanced education or training, shall be credited with constructive service for such education, training, or experience, as follows:

(A) One year for each year of advanced education beyond the baccalaureate degree level, for persons appointed or designated in, or assigned to, officer categories requiring such advanced education or an advanced degree as a prerequisite for such appointment, designation, or assignment. In determining the number of years of constructive service to be credited under this subparagraph to officers in any professional field, the Secretary concerned shall credit an officer with, but with not more than, the number of years of advanced education required by a majority of institutions that award degrees in that professional field for completion of the advanced education or award of the advanced degree.

(B)(i) Credit for any period of advanced education in a health profession (other than medicine and dentistry) beyond the baccalaureate degree level which exceeds the basic education criteria for such appointment, designation, or assignment, if such advanced education will be directly used by the armed force concerned.

(ii) Credit for experience in a health profession (other than medicine or dentistry), if such experience will be directly used by the armed force concerned.

(C) Additional credit of (i) not more than one year for internship or equivalent graduate medical, dental, or other formal health professional training required by the armed forces, and (ii) not more than one year for each additional year of such

graduate-level training or experience creditable toward certification in a speciality required by the armed force concerned.

(D) Additional credit, in unusual cases, based on special experience in a particular field.

(E) Additional credit for experience as a physician or dentist, if appointed, assigned, or designated as a medical or dental officer.

(2)(A) If the Secretary of Defense determines that the number of officers in a health profession described in subparagraph (B) who are serving in an active status in a reserve component of the Army, Navy, or Air Force in grades below major or lieutenant commander is critically below the number needed in such health profession by such reserve component in such grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is receiving an original appointment as an officer for service in such health profession with a period of constructive credit in such amount (in addition to any amount credited such person under paragraph (1)) as will result in the grade of such person being that of captain or, in the case of the Navy Reserve, lieutenant.

(B) The types of health professions referred to in subparagraph (A) include the following:

(i) Any health profession performed by officers in the Medical Corps of the Army or the Navy or by officers of the Air Force designated as a medical officer.

(ii) Any health profession performed by officers in the Dental Corps of the Army or the Navy or by officers of the Air Force designated as a dental officer.

(iii) Any health profession performed by officers in the Medical Service Corps of the Army or the Navy or by officers of the Air Force designated as a medical service officer or biomedical sciences officer.

(iv) Any health profession performed by officers in the Army Medical Specialist Corps.

(v) Any health profession performed by officers of the Nurse Corps of the Army or the Navy or by officers of the Air Force designated as a nurse.

(vi) Any health profession performed by officers in the Veterinary Corps of the Army or by officers designated as a veterinary officer.

(3) Except as authorized by the Secretary concerned in individual cases and under regulations prescribed by the Secretary of Defense in the case of officers covered by paragraph (2), the amount of constructive service credited an officer under this subsection may not exceed the amount required in order for the officer to be eligible for an original appointment as a reserve officer of the Army, Air Force, or Marine Corps in the grade of major or as a reserve officer of the Navy in the grade of lieutenant commander.

(4) Constructive service credited an officer under this subsection is in addition to any service credited that officer under subsection (a) and shall be credited at the time of the original appointment of the officer or assignment to or designation in an officer category in which advanced education or training or special experience is required.

(c) Constructive service may not be credited under subsection (b) for education, training, or experience obtained while serving as a commissioned officer (other than a warrant officer) on active duty or in an active status. However, in the case of an officer who completes advanced education or receives an advanced degree while on active duty or in an active status and in less than the number of years normally required to complete such advanced education or receive such advanced degree, constructive service may, subject to regulations prescribed under subsection (a)(2), be credited to the officer under subsection (b)(1)(A) to the extent that the number of years normally required to complete such advanced education or receive such advanced degree exceeds the actual number of years in which such advanced education or degree is obtained by the officer.

(d) If the Secretary of Defense determines that the number of qualified judge advocates serving on the active-duty list of the Army, Navy, Air Force, or Marine Corps in grades below lieutenant commander or major is critically below the number needed by that armed force in those grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is receiving an original appointment with a view to assignment to the Judge Advocate General's Corps of the Army or appointment to the Judge Advocate General's Corps of the Navy, or who is receiving an original appointment in the Air Force or Marine Corps with a view to designation as a judge advocate, with a period of constructive service in such an amount (in addition to any amount credited such person under subsection (b)) as will result in the grade of such person being that of captain or, in the case of the Navy, lieutenant, and the date of rank of such person being junior to that of all other officers of the same grade serving on the active-duty list.

(e) Constructive service credited an officer under subsection (b) or (d) shall be used only for determining the officer's—

- (1) initial grade as a reserve officer;
- (2) rank in grade; and
- (3) service in grade for promotion eligibility.

(f) The grade and position on the reserve active-status list of a person receiving an appointment as a reserve officer who at the time of appointment is credited with service under this section shall be determined under regulations prescribed by the Secretary of Defense based upon the amount of service credited.

§ 12208. Officers: appointment upon transfer

(a) A person who would otherwise be required to be transferred to a reserve component under section 651 of this title or under the Military Selective Service Act (50 U.S.C. App. 451 et seq.), is entitled, if he is qualified and accepted, to be appointed as an officer of any armed force that he chooses and to participate in the programs authorized for that armed force. However, unless the two Secretaries concerned consent, he may not be appointed as a Reserve of an armed force other than that from which he is transferred. All periods of his participation shall be credited against the

total period of service required of him under section 651 of this title or under the Military Selective Service Act (50 U.S.C. App. 451 et seq.). However, no period may be credited more than once.

(b) A person covered by subsection (a) shall perform the rest of his required term of service in the armed force in which he is so appointed or in any other armed force in which he is later appointed or enlisted.

(c) This section does not change any term of service under an appointment, enlistment, or agreement, including an agreement made before or at the time when the member entered upon a program authorized by an armed force.

§ 12209. Officer candidates: enlisted Reserves

(a) Within such numbers as the Secretary concerned may prescribe, enlisted Reserves may, with their consent, be selected for training as officer candidates. Enlisted Reserves so selected shall be designated as officer candidates during that training. However, no member of the Army National Guard of the United States or the Air National Guard of the United States may be so selected or designated unless—

(1) he is on active duty; or

(2) the governor or other appropriate authority of the jurisdiction concerned consents.

(b) The enlistment or term of service of a Reserve who is designated as an officer candidate under this section is extended to include any period, beyond its normal expiration date, during which he is an officer candidate.

(c) While he is on active duty, other than active duty for training without pay, or performing authorized travel to and from that duty, an officer candidate designated under this section is entitled to the pay and allowances of his enlisted grade, but not less than those prescribed for pay grade E-2.

(d) An officer candidate designated under this section may not participate in the program of a reserve officer training corps of any armed force.

that he holds in the Army National Guard. However, an officer of the Army Reserve who is federally recognized as an officer of the Army National Guard becomes an officer of the Army National Guard of the United States and ceases to be an officer of the Army Reserve. The acceptance of an appointment as a Reserve for service as a member of the Army National Guard of the United States by an officer of the Army National Guard does not vacate his office in the Army National Guard.

(b) When an officer of the Army National Guard to whom temporary Federal recognition has been extended is appointed as a Reserve for service as a member of the Army National Guard of the United States, his appointment shall bear the date of the temporary recognition and shall be considered to have been accepted and effective on that date.

§ 12301. Reserve components generally

(a) In time of war or of national emergency declared by Congress, or when otherwise authorized by law, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, of a reserve component under the jurisdiction of that Secretary to active duty for the duration of the war or emergency and for six months thereafter. However a member on an inactive status list or in a retired status may not be ordered to active duty under this subsection unless the Secretary concerned, with the approval of the Secretary of Defense in the case of the Secretary of a military department, determines that there are not enough qualified Reserves in an active status or in the inactive National Guard in the required category who are readily available.

(b) At any time, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, in an active status in a reserve component under the jurisdiction of that Secretary to active duty for not more than 15 days a year. However, units and members of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection

without the consent of the governor of the State (or, in the case of the District of Columbia National Guard, the commanding general of the District of Columbia National Guard).

(c) So far as practicable, during any expansion of the active armed forces that requires that units and members of the reserve components be ordered to active duty as provided in subsection (a), members of units organized and trained to serve as units who are ordered to that duty without their consent shall be so ordered with their units. However, members of those units may be reassigned after being so ordered to active duty.

(d) At any time, an authority designated by the Secretary concerned may order a member of a reserve component under his jurisdiction to active duty, or retain him on active duty, with the consent of that member. However, a member of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection without the consent of the governor or other appropriate authority of the State concerned.

(e) The period of time allowed between the date when a Reserve ordered to active duty as provided in subsection (a) is alerted for that duty and the date when the Reserve is required to enter upon that duty shall be determined by the Secretary concerned based upon military requirements at that time.

(f) The consent of a Governor described in subsections (b) and (d) may not be withheld (in whole or in part) with regard to active duty outside the United States, its territories, and its possessions, because of any objection to the location, purpose, type, or schedule of such active duty.

(g)(1) A member of a reserve component may be ordered to active duty without his consent if the Secretary concerned determines that the member is in a captive status. A member ordered to active duty under this section may not be retained on active duty, without his consent, for more than 30 days after his captive status is terminated.

(2) The Secretary of Defense shall prescribe regulations to carry out this section. Such regulations shall apply uniformly among the armed forces under the jurisdiction of the Secretary. A determination for the purposes of this subsection that a member is in a captive status shall be made pursuant to such regulations.

(3) In this section, the term "captive status" means the status of a member of the armed forces who is in a missing status (as defined in section 551(2) of title 37) which occurs as the result of a hostile action and is related to the member's military status.

(h)(1) When authorized by the Secretary of Defense, the Secretary of a military department may, with the consent of the member, order a member of a reserve component to active duty—

(A) to receive authorized medical care;

(B) to be medically evaluated for disability or other purposes; or

(C) to complete a required Department of Defense health care study, which may include an associated medical evaluation of the member.

(2) A member ordered to active duty under this subsection may, with the member's consent, be retained on active duty, if the

Secretary concerned considers it appropriate, for medical treatment for a condition associated with the study or evaluation, if that treatment of the member is otherwise authorized by law.

(3) A member of the Army National Guard of the United States or the Air National Guard of the United States may be ordered to active duty under this subsection only with the consent of the Governor or other appropriate authority of the State concerned.

(b) To achieve fair treatment as between members in the Ready Reserve who are being considered for recall to duty without their consent, consideration shall be given to—

- (1) the length and nature of previous service, to assure such sharing of exposure to hazards as the national security and military requirements will reasonably allow;
- (2) family responsibilities; and
- (3) employment necessary to maintain the national health, safety, or interest.

The Secretary of Defense shall prescribe such policies and procedures as he considers necessary to carry out this subsection. He shall report on those policies and procedures at least once a year to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives.

- (1) is not assigned to, or participating satisfactorily in, a unit of the Ready Reserve;

(2) has not fulfilled his statutory reserve obligation; and

(3) has not served on active duty for a total of 24 months.

(b) A member who is ordered to active duty under this section may be required to serve on active duty until his total service on active duty equals 24 months. If his enlistment or other period of military service would expire before he has served the required period under this section, it may be extended until he has served the required period.

(c) To achieve fair treatment among members of the Ready Reserve who are being considered for active duty under this section, appropriate consideration shall be given to—

(1) family responsibilities; and

When such an agreement expires, a new one may be made. This subsection does not apply in time of war declared by Congress.

(b) An agreement may not be made under subsection (a) unless the specified period of duty is at least 12 months longer than any period of active duty that the member is otherwise required to perform.

(c) Agreements made under subsection (a) shall be uniform so far as practicable, and are subject to such standards and policies as may be prescribed by the Secretary of Defense for the armed forces under his jurisdiction or by the Secretary of Homeland Security for the Coast Guard when the Coast Guard is not operating as a service in the Navy.

(d) If an agreement made under subsection (a) expires during a war or during a national emergency declared by Congress or the President after January 1, 1953, the Reserve concerned may be kept on active duty, without his consent, as otherwise prescribed by law.

§ 12312. Active duty agreements: release from duty

(a) Each agreement made under section 12311(a) of this title shall provide that the member may not be released from active duty without his consent during the period of the agreement—

(1) because of a reduction in the actual personnel strength of the armed force concerned, unless the release is in accordance with the recommendation of a board of officers appointed by an authority designated by the Secretary concerned to determine the members to be released from active duty under regulations prescribed by the Secretary; or

(2) for any other reason, without an opportunity to be heard by a board of officers before the release, unless he is (A) dismissed or discharged under the sentence of a court-martial, (B) released because of an unexplained absence without leave for at least three months, (C) released because he is convicted and sentenced to confinement in a Federal or State penitentiary or correctional institution and the sentence has become final, or (D) released because he has been considered at least twice and has not been recommended for promotion to the next higher grade or because he is considered as having failed of selection for promotion to the next higher grade and has not been recommended for promotion to that grade, under conditions that would require the release or separation of a reserve officer who is not serving under such agreement.

(b) A member who is released from active duty without his consent before the end of his agreement made under section 12311(a) of this title is entitled to an amount computed by multiplying the number of years and fractions of a year of his unexpired period of service under the agreement by the sum of one month's basic pay, special pay, and allowances to which he is entitled on the day of his release. The amount to which a member is entitled under this subsection is in addition to any pay and allowances to which he is otherwise entitled. For the purposes of this subsection, a fraction of a month of 15 days or more is counted as a whole month, and a fraction of a month of less than 15 days is disregarded. This subsection does not apply to a member if he is—

- (1) released for a reason described in subsection (a)(2)(A)–(C);
- (2) released because of a physical disability resulting from his intentional misconduct or wilful neglect;
- (3) eligible for retired pay, separation pay, or severance pay under another provision of law;
- (4) placed on a temporary disability retired list; or
- (5) released to accept an appointment, or to be enlisted, in a regular component of an armed force.

(a) ENROLLMENT.—(1) Except as provided in subsection (f), upon first becoming a member of the Ready Reserve, a member shall be automatically enrolled for coverage under the insurance program. An automatic enrollment of a member shall be void if within 60 days after first becoming a member of the Ready Reserve the member declines insurance under the program in accordance with the regulations prescribed by the Secretary.

(2) Promptly after the insurance program is established, the Secretary shall offer to members of the reserve components who are then members of the Ready Reserve (other than members ineligible under subsection (f)) an opportunity to enroll for coverage under the insurance program. A member who fails to enroll within 60 days after being offered the opportunity shall be considered as having declined to be insured under the program.

(3) A member of the Ready Reserve ineligible to enroll under subsection (f) shall be afforded an opportunity to enroll upon being released from active duty in accordance with regulations prescribed by the Secretary if the member has not previously had the opportunity to be enrolled under paragraph (1) or (2). A member who fails to enroll within 60 days after being afforded that opportunity shall be considered as having declined to be insured under the program.

(b) ELECTION OF BENEFIT AMOUNT.—The amount of a member’s monthly benefit under an enrollment shall be the basic ben-

(c) ELECTIONS IRREVOCABLE.—(1) An election to decline insurance pursuant to paragraph (1) or (2) of subsection (a) is irrevocable.

(2) The amount of coverage may not be increased after enrollment.

(d) ELECTION TO TERMINATE.—A member may terminate an enrollment at any time.

(e) INFORMATION TO BE FURNISHED.—The Secretary shall ensure that members referred to in subsection (a) are given a written explanation of the insurance program and are advised that they have the right to decline to be insured and, if not declined, to elect coverage for a reduced benefit or an enhanced benefit under subsection (b).

(f) MEMBERS INELIGIBLE TO ENROLL.—Members of the Ready Reserve serving on active duty (or full-time National Guard duty) are not eligible to enroll for coverage under the insurance program. The Secretary may define any additional category of members of the Ready Reserve to be excluded from eligibility to purchase insurance under this chapter.

(g) MEMBERS OF INDIVIDUAL READY RESERVE.—Notwithstanding any other provision of this section, and pursuant to regulations issued by the Secretary, a member of the Individual Ready Reserve who becomes a member of the Selected Reserve shall not be denied eligibility to purchase insurance under this chapter upon becoming a member of the Selected Reserve unless the member previously declined to enroll in the program of insurance under this chapter while a member of the Selected Reserve.

§ 12525. Benefit amounts

(a) BASIC BENEFIT.—The basic benefit for an insured member under the insurance program is \$1,000 per month (as adjusted under subsection (d)).

(b) REDUCED AND ENHANCED BENEFITS.—Under the regulations prescribed by the Secretary, a person enrolled for coverage under the insurance program may elect—

(1) a reduced coverage benefit equal to one-half the amount of the basic benefit; or

(2) an enhanced benefit in the amount of \$1,500, \$2,000, \$2,500, \$3,000, \$3,500, \$4,000, \$4,500, or \$5,000 per month (as adjusted under subsection (d)).

(c) AMOUNT FOR PARTIAL MONTH.—The amount of insurance payable to an insured member for any period of covered service that is less than one month shall be determined by multiplying 1/30 of the monthly benefit rate for the member by the number of days of the covered service served by the member during such period.

(d) ADJUSTMENT OF AMOUNTS.—(1) The Secretary shall determine annually the effect of inflation on benefits and shall adjust the amounts set forth in subsections (a) and (b)(2) to maintain the constant dollar value of the benefit.

(2) If the amount of a benefit as adjusted under paragraph (1) is not evenly divisible by \$10, the amount shall be rounded to the nearest multiple of \$10, except that an amount evenly divisible by \$5 but not by \$10 shall be rounded to the next lower amount that is evenly divisible by \$10.

(Added Pub. L. 104–106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 301.)

§ 12526. Premiums

(a) ESTABLISHMENT OF RATES.—(1) The Secretary, in consultation with the Board of Actuaries, shall prescribe the premium rates for insurance under the insurance program.

(2) The Secretary shall prescribe a fixed premium rate for each \$1,000 of monthly insurance benefit. The premium amount shall be equal to the share of the cost attributable to insuring the member and shall be the same for all members of the Ready Reserve who are insured under the insurance program for the same benefit amount. The Secretary shall prescribe the rate on the basis of the best available estimate of risk and financial exposure, levels of subscription by members, and other relevant factors.

(b) LEVEL PREMIUMS.—The premium rate prescribed for the first year of insurance coverage of an insured member shall be continued without change for subsequent years of insurance coverage, except that the Secretary, after consultation with the Board of Actuaries, may adjust the premium rate in order to fund inflation-adjusted benefit increases on an actuarially sound basis.

(Added Pub. L. 104–106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 301.)

§ 12527. Payment of premiums

(a) METHODS OF PAYMENT.—(1) The monthly premium for coverage of a member of the Selected Reserve under the insurance program shall be deducted and withheld from the insured member's pay for each month.

(2) The Secretary of Defense, in consultation with the Secretary of Homeland Security, shall prescribe regulations which specify the procedures for payment of premiums by members of the Individual Ready Reserve and other members who do not receive pay on a monthly basis.

(b) ADVANCE PAY FOR PREMIUM.—The Secretary concerned may advance to an insured member the amount equal to the first insurance premium payment due under this chapter. The advance may be paid out of appropriations for military pay. An advance to a member shall be collected from the member either by deducting and withholding the amount from basic pay payable for the member or by collecting it from the member directly. No disbursing or certifying officer shall be responsible for any loss resulting from an advance under this subsection.

(c) PREMIUMS TO BE DEPOSITED IN FUND.—Premium amounts deducted and withheld from the pay of insured members and premium amounts paid directly to the Secretary shall be credited monthly to the Fund.

(Added Pub. L. 104–106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 302; amended Pub. L. 104–201, div. A, title V, Sec. 547, Sept. 23, 1996, 110 Stat. 2524; Pub. L. 107–296, title XVII, Sec. 1704(b)(1), Nov. 25, 2002, 116 Stat. 2314.)

§ 12528. Reserve Mobilization Income Insurance Fund

(a) ESTABLISHMENT.—There is established on the books of the Treasury a fund to be known as the “Reserve Mobilization Income Insurance Fund”, which shall be administered by the Secretary of the Treasury. The Fund shall be used for the accumulation of funds in order to finance the liabilities of the insurance program on an actuarially sound basis.

(b) ASSETS OF FUND.—There shall be deposited into the Fund the following:

- (1) Premiums paid under section 12527 of this title.
- (2) Any amount appropriated to the Fund.
- (3) Any return on investment of the assets of the Fund.

(c) AVAILABILITY.—Amounts in the Fund shall be available for paying insurance benefits under the insurance program.

(d) INVESTMENT OF ASSETS OF FUND.—The Secretary of the Treasury shall invest such portion of the Fund as is not in the judgment of the Secretary of Defense required to meet current liabilities. Such investments shall be in public debt securities with maturities suitable to the needs of the Fund, as determined by the Secretary of Defense, and bearing interest at rates determined by the Secretary of the Treasury, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities. The income on such investments shall be credited to the Fund.

(e) ANNUAL ACCOUNTING.—At the beginning of each fiscal year, the Secretary, in consultation with the Board of Actuaries and the Secretary of the Treasury, shall determine the following:

- (1) The projected amount of the premiums to be collected, investment earnings to be received, and any transfers or appropriations to be made for the Fund for that fiscal year.
- (2) The amount for that fiscal year of any cumulative unfunded liability (including any negative amount or any gain to the Fund) resulting from payments of benefits.
- (3) The amount for that fiscal year (including any negative amount) of any cumulative actuarial gain or loss to the Fund.

(Added Pub. L. 104–106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 302.)

§ 12529. Board of Actuaries

(a) ACTUARIAL RESPONSIBILITY.—The Board of Actuaries shall have the actuarial responsibility for the insurance program.

(b) VALUATIONS AND PREMIUM RECOMMENDATIONS.—The Board of Actuaries shall carry out periodic actuarial valuations of the benefits under the insurance program and determine a premium rate methodology for the Secretary to use in setting premium rates for the insurance program. The Board shall conduct the first valuation and determine a premium rate methodology not later than six months after the insurance program is established.

(c) EFFECTS OF CHANGED BENEFITS.—If at the time of any actuarial valuation under subsection (b) there has been a change in benefits under the insurance program that has been made since the last such valuation and such change in benefits increases or de-

creases the present value of amounts payable from the Fund, the Board of Actuaries shall determine a premium rate methodology, and recommend to the Secretary a premium schedule, for the liquidation of any liability (or actuarial gain to the Fund) resulting from such change and any previous such changes so that the present value of the sum of the scheduled premium payments (or reduction in payments that would otherwise be made) equals the cumulative increase (or decrease) in the present value of such benefits.

(d) ACTUARIAL GAINS OR LOSSES.—If at the time of any such valuation the Board of Actuaries determines that there has been an actuarial gain or loss to the Fund as a result of changes in actuarial assumptions since the last valuation or as a result of any differences, between actual and expected experience since the last valuation, the Board shall recommend to the Secretary a premium rate schedule for the amortization of the cumulative gain or loss to the Fund resulting from such changes in assumptions and any previous such changes in assumptions or from the differences in actual and expected experience, respectively, through an increase or decrease in the payments that would otherwise be made to the Fund.

(e) INSUFFICIENT ASSETS.—If at any time liabilities of the Fund exceed assets of the Fund as a result of members of the Ready Reserve being ordered to active duty as described in section 12521(2) of this title, and funds are unavailable to pay benefits completely, the Secretary shall request the President to submit to Congress a request for a special appropriation to cover the unfunded liability. If appropriations are not made to cover an unfunded liability in any fiscal year, the Secretary shall reduce the amount of the benefits paid under the insurance program to a total amount that does not exceed the assets of the Fund expected to accrue by the end of such fiscal year. Benefits that cannot be paid because of such a reduction shall be deferred and may be paid only after and to the extent that additional funds become available.

(f) DEFINITION OF PRESENT VALUE.—The Board of Actuaries shall define the term “present value” for purposes of this subsection.

(Added Pub. L. 104–106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 303.)

§ 12530. Payment of benefits

(a) COMMENCEMENT OF PAYMENT.—An insured member who serves in excess of 30 days of covered service shall be paid the amount to which such member is entitled on a monthly basis beginning not later than one month after the 30th day of covered service.

(b) METHOD OF PAYMENT.—The Secretary shall prescribe in the regulations the manner in which payments shall be made to the member or to a person designated in accordance with subsection (c).

(c) DESIGNATED RECIPIENTS.—(1) A member may designate in writing another person (including a spouse, parent, or other person with an insurable interest, as determined in accordance with the regulations prescribed by the Secretary) to receive payments of insurance benefits under the insurance program.

(2) A member may direct that payments of insurance benefits for a person designated under paragraph (1) be deposited with a bank or other financial institution to the credit of the designated person.

(d) **RECIPIENTS IN EVENT OF DEATH OF INSURED MEMBER.**—Any insurance payable under the insurance program on account of a deceased member's period of covered service shall be paid, upon the establishment of a valid claim, to the beneficiary or beneficiaries which the deceased member designated in writing. If no such designation has been made, the amount shall be payable in accordance with the laws of the State of the member's domicile.

(Added Pub. L. 104-106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 304.)

§ 12531. Purchase of insurance

(a) **PURCHASE AUTHORIZED.**—The Secretary may, instead of or in addition to underwriting the insurance program through the Fund, purchase from one or more insurance companies a policy or policies of group insurance in order to provide the benefits required under this chapter. The Secretary may waive any requirement for full and open competition in order to purchase an insurance policy under this subsection.

(b) **ELIGIBLE INSURERS.**—In order to be eligible to sell insurance to the Secretary for purposes of subsection (a), an insurance company shall—

(1) be licensed to issue insurance in each of the 50 States and in the District of Columbia; and

(d) **REINSURANCE.**—The Secretary shall arrange with each insurance company issuing any policy for purposes of subsection (a) to reinsure, under conditions approved by the Secretary, portions of the total amount of the insurance under such policy or policies with such other insurance companies (which meet qualifying criteria prescribed by the Secretary) as may elect to participate in such reinsurance.

(e) **TERMINATION.**—The Secretary may at any time terminate any policy purchased under this section.

(Added Pub. L. 104-106, div. A, title V, Sec. 512(a)(1), Feb. 10, 1996, 110 Stat. 304.)

§ 12532. Termination for nonpayment of premiums; forfeiture

(a) **TERMINATION FOR NONPAYMENT.**—The coverage of a member under the insurance program shall terminate without prior notice upon a failure of the member to make required monthly payments of premiums for two consecutive months. (b) **FORFEITURE.**—Any person convicted of mutiny, treason, spying, or desertion, or who refuses to perform service in the armed forces or refuses to wear the uniform of any of the armed forces shall forfeit all rights to insurance under this chapter.

(b) **TERMINATION OF NEW ENROLLMENTS.**—The Secretary may not enroll a member of the Ready Reserve for coverage under the insurance program after the November 18, 1997.

(c) **TERMINATION OF COVERAGE.**—(1) The enrollment under the insurance program of insured members other than insured members described in paragraph (2) is terminated as of November 18, 1997. The enrollment of an insured member described in paragraph (2) is terminated as of the date of the termination of the period of covered service of that member described in that paragraph.

(2) An insured member described in this paragraph is an insured member who on November 18, 1997, is serving on covered service for a period of service, or has been issued an order directing the performance of covered service, that satisfies or would satisfy the entitlement-to-benefits provisions of this chapter.

(d) **TERMINATION OF PAYMENT OF BENEFITS.**—The Secretary may not make any benefit payment under the insurance program after November 18, 1997, other than to an insured member who on that date (1) is serving on an order to covered service, (2) has been issued an order directing performance of covered service, or (3) has served on covered service before that date for which benefits under the program have not been paid to the member.

(c) SHOW-CAUSE RECOMMENDATIONS.—(1) A promotion board convened under section 14101(a) of this title shall include in its report to the Secretary concerned the name of any reserve officer before it for consideration for promotion whose record, in the opinion of a majority of the members of the board, indicates that the officer should be required to show cause for retention in an active status.

Following that review, unless the Secretary concerned makes a determination as described in subsection (b), the Secretary shall submit the report as required by section 14111 of this title.

The officer shall then be afforded a reasonable opportunity to submit comments on that information to the officials making the recommendation and the officials reviewing the recommendation. If an eligible officer cannot be given access to such information because of its classification sta-

(C) are senior to the officer designated by the Secretary of the military department concerned to be the junior officer in the promotion zone eligible for consideration for promotion to that next higher grade and the officer so designated.

(1) Eighteen months, in the case of an officer holding a permanent appointment in the grade of second lieutenant or ensign.

(2) Two years, in the case of an officer holding a permanent appointment in the grade of first lieutenant or lieutenant (junior grade).

(b) OFFICERS IN PAY GRADES O-3 AND ABOVE.—Subject to subsection (d), an officer who is on the reserve active-status list of the Army, Air Force, or Marine Corps and holds a permanent appointment in a grade above first lieutenant, or who is on the reserve active-status list of the Navy in a grade above lieutenant (junior grade), may not be considered for selection for promotion to the next higher grade, or examined for Federal recognition in the next higher grade, until the officer has completed the following years of service in grade:

(1) Three years, in the case of an officer of the Army, Air Force, or Marine Corps holding a permanent appointment in the grade of captain, major, or lieutenant colonel or in the case of a reserve officer of the Navy holding a permanent appointment in the grade of lieutenant, lieutenant commander, or commander.

(2) One year, in the case of an officer of the Army, Air Force, or Marine Corps holding a permanent appointment in the grade of colonel or brigadier general or in the case of a reserve officer of the Navy holding a permanent appointment in the grade of captain or rear admiral (lower half).

This subsection does not apply to an adjutant general or assistant adjutant general of a State or to an appointment in a higher grade which is based upon a specific provision of law.

(c) AUTHORITY TO LENGTHEN MINIMUM PERIOD IN GRADE.—The Secretary concerned may prescribe a period of service in grade for eligibility for promotion, in the case of officers to whom subsection (a) applies, or for eligibility for consideration for promotion, in the case of officers to whom subsection (b) applies, that is longer than the applicable period specified in that subsection.

(d) WAIVERS TO ENSURE TWO BELOW-THE-ZONE CONSIDERATIONS.—Subject to section 14307(b) of this title, the Secretary of the military department concerned may waive subsection (b) to the extent necessary to ensure that officers described in paragraph (1) of that subsection have at least two opportunities for consideration for promotion to the next higher grade as officers below the promotion zone.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2933.)

§ 14304. Eligibility for consideration for promotion: maximum years of service in grade

(a) CONSIDERATION FOR PROMOTION WITHIN SPECIFIED TIMES.—(1) Officers described in paragraph (3) shall be placed in the promotion zone for that officer's grade and competitive category, and shall be considered for promotion to the next higher grade by a promotion board convened under section 14101(a) of this

title, far enough in advance of completing the years of service in grade specified in the following table so that, if the officer is recommended for promotion, the promotion may be effective on or before the date on which the officer will complete those years of service.

Current Grade	Maximum years of service in grade
First lieutenant or Lieutenant (junior grade)	5 years
Captain or Navy Lieutenant	7 years
Major or Lieutenant commander	7 years

(2) Paragraph (1) is subject to subsections (a), (b), and (c) of section 14301 of this title and applies without regard to vacancies.

(3) Paragraph (1) applies to an officer who is on the reserve active-status list of the Army, Navy, Air Force, or Marine Corps and who holds a permanent appointment in the grade of first lieutenant, captain, or major as a reserve of the Army, Air Force, or Marine Corps, or to an officer on the reserve active-status list of the Navy in the grade of lieutenant (junior grade), lieutenant, or lieutenant commander as a reserve of the Navy, and who, while holding that appointment, has not been considered by a selection board convened under section 14101(a) or 14502 of this title for promotion to the next higher grade.

(b) PROMOTION DATE.—An officer holding a permanent grade specified in the table in subsection (a) who is recommended for promotion to the next higher grade by a selection board the first time the officer is considered for promotion while in or above the promotion zone and who is placed on an approved promotion list established under section 14308(a) of this title shall (if not promoted sooner or removed from that list by the President or by reason of declination) be promoted, without regard to the existence of a vacancy, on the date on which the officer completes the maximum years of service in grade specified in subsection (a). The preceding sentence is subject to the limitations of section 12011 of this title.

(c) WAIVER AUTHORITY FOR NAVY AND MARINE CORPS RUNNING MATE SYSTEM.—If the Secretary of the Navy establishes promotion zones for officers on the reserve active-status list of the Navy or the Marine Corps Reserve in accordance with a running mate system under section 14306 of this title, the Secretary may waive the requirements of subsection (a) to the extent the Secretary considers necessary in any case in which the years of service for promotion, or for consideration for promotion, within those zones will exceed the maximum years of service in grade specified in subsection (a).

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2934.)

§ 14305. Establishment of promotion zones: mandatory consideration for promotion

(a) ESTABLISHMENT OF ZONE.—Before convening a mandatory promotion board under section 14101(a) of this title, the Secretary of the military department concerned shall establish a promotion zone for officers serving in each grade and competitive category to be considered by the board.

(b) NUMBER IN THE ZONE.—The Secretary concerned shall determine the number of officers in the promotion zone for officers serving in any grade and competitive category from among officers

who are eligible for promotion in that grade and competitive category under the provisions of sections 14303 and 14304 of this title and who are otherwise eligible for promotion.

(c) **FACTORS IN DETERMINING NUMBER IN THE ZONE.**—The Secretary's determination under subsection (b) shall be made on the basis of an estimate of the following:

(1) The number of officers needed in that competitive category in the next higher grade in each of the next five years.

(2) In the case of a promotion zone for officers to be promoted to a grade to which the maximum years of in grade criteria established in section 14304 of this title apply, the number of officers in that competitive category who are required to be considered for selection for promotion to the next higher grade under that section.

(3) The number of officers that should be placed in the promotion zone in each of the next five years to provide to officers in those years relatively similar opportunities for promotion.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2935.)

§ 14306. Establishment of promotion zones: Navy Reserve and Marine Corps Reserve running mate system

(a) **AUTHORITY OF SECRETARY OF THE NAVY.**—The Secretary of the Navy may by regulation implement section 14305 of this title by requiring that the promotion zone for consideration of officers on the reserve active-status list of the Navy or the Marine Corps for promotion to the next higher grade be determined in accordance with a running mate system as provided in subsection (b).

(b) **ASSIGNMENT OF RUNNING MATES.**—An officer to whom a running mate system applies shall be assigned as a running mate an officer of the same grade on the active-duty list of the same armed force. The officer on the reserve active-status list is in the promotion zone and is eligible for consideration for promotion to the next higher grade by a selection board convened under section 14101(a) of this title when that officer's running mate is in or above the promotion zone established for that officer's grade under chapter 36 of this title.

(c) **CONSIDERATION OF OFFICERS BELOW THE ZONE UNDER A RUNNING MATE SYSTEM.**—If the Secretary of the Navy authorizes the selection of officers for promotion from below the promotion zone in accordance with section 14307 of this title, the number of officers to be considered from below the zone may be established through the application of the running mate system or otherwise as the Secretary determines to be appropriate to meet the needs of the Navy or Marine Corps.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2935; amended Pub. L. 109-163, div. A, title V, Sec. 515(b)(3)(J), Jan. 6, 2006, 119 Stat. 3235.)

§ 14307. Number of officers to be recommended for promotion

(a) **DETERMINATION OF MAXIMUM NUMBER.**—Before convening a promotion board under section 14101(a) of this title for a grade and competitive category (other than a vacancy promotion board), the Secretary of the military department concerned, under regulations prescribed by the Secretary of Defense, shall determine the

maximum number of officers in that grade and competitive category that the board may recommend for promotion. The Secretary shall make the determination under the preceding sentence of the maximum number that may be recommended with a view to having on the reserve active-status list a sufficient number of officers in each grade and competitive category to meet the needs of the armed force concerned for officers on that list. In order to make that determination, the Secretary shall determine (1) the number of positions needed to accomplish mission objectives which require officers of such competitive category in the grade to which the board will recommend officers for promotion, (2) the estimated number of officers needed to fill vacancies in such positions during the period in which it is anticipated that officers selected for promotion will be promoted, (3) the number of officers authorized by the Secretary of the military department concerned to serve on the reserve active-status list in the grade and competitive category under consideration, and (4) any statutory limitation on the number of officers in any grade or category (or combination thereof) authorized to be on the reserve active-status list.

(b) BELOW-THE-ZONE SELECTIONS.—(1) The Secretary of the military department concerned may, when the needs of the armed force concerned require, authorize the consideration of officers in the grade of captain, major, or lieutenant colonel on the reserve active-status list of the Army or Air Force, in a grade above first lieutenant on the reserve active-status list of the Marine Corps, or in a grade above lieutenant (junior grade) on the reserve active-status list of the Navy, for promotion to the next higher grade from below the promotion zone.

(2) When selection from below the promotion zone is authorized, the Secretary shall establish the number of officers that may be recommended for promotion from below the promotion zone in each competitive category to be considered. That number may not exceed the number equal to 10 percent of the maximum number of officers that the board is authorized to recommend for promotion in such competitive category, except that the Secretary of Defense may authorize a greater number, not to exceed 15 percent of the total number of officers that the board is authorized to recommend for promotion, if the Secretary of Defense determines that the needs of the armed force concerned so require. If the maximum number determined under this paragraph is less than one, the board may recommend one officer for promotion from below the promotion zone.

(3) The number of officers recommended for promotion from below the promotion zone does not increase the maximum number of officers that the board is authorized to recommend for promotion under subsection (a).

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2936.)

§ 14308. Promotions: how made

(a) PROMOTION LIST.—When the report of a selection board convened under section 14101(a) or 14502 of this title is approved by the President, the Secretary of the military department concerned shall place the names of all officers selected for promotion within a competitive category on a single list for that competitive

category, to be known as a promotion list, in the order of seniority of those officers on the reserve active-status list. A promotion list is considered to be established under this section as of the date of the approval of the report of the selection board under the preceding sentence.

(b) PROMOTION; HOW MADE; ORDER.—(1) Officers on a promotion list for a competitive category shall be promoted in the manner specified in section 12203 of this title.

(2) Officers on a promotion list for a competitive category shall be promoted to the next higher grade in accordance with regulations prescribed by the Secretary of the military department concerned. Except as provided in section 14311, 14312, or 14502(e) of this title or in subsection (d) or (e), promotions shall be made in the order in which the names of officers appear on the promotion list and after officers previously selected for promotion in that competitive category have been promoted.

(3) Officers to be promoted to the grade of first lieutenant or lieutenant (junior grade) shall be promoted in accordance with regulations prescribed by the Secretary of the military department concerned.

(4)(A) Officers in the permanent grade of first lieutenant or, in the case of the Navy, lieutenant (junior grade) who are on an approved all-fully-qualified-officers list shall be promoted to the next higher grade in accordance with regulations prescribed by the Secretary concerned. Such promotions shall be in the manner specified in section 12203 of this title.

(B) An all-fully-qualified-officers list shall be considered to be approved for purposes of subparagraph (A) when the list is approved by the President. When so approved, such a list shall be treated in the same manner as a promotion list under this chapter and chapter 1403 of this title.

(C) The Secretary of a military department may make a recommendation to the President for approval of an all-fully-qualified-officers list only when the Secretary determines that all officers on the list are needed in the next higher grade to accomplish mission objectives.

(D) For purposes of this paragraph, an all-fully-qualified-officers list is a list of all officers on the reserve active-status list in a grade who the Secretary of the military department concerned determines—

(i) are fully qualified for promotion to the next higher grade; and

(ii) would be eligible for consideration for promotion to the next higher grade by a selection board convened under section 14101(a) of this title upon the convening of such a board.

(c) DATE OF RANK.—(1) The date of rank of an officer appointed to a higher grade under this section is determined under section 741(d)(2) of this title.

(2) The date of rank of an officer appointed to a higher grade under this section may be adjusted in the same manner as an adjustment may be made under section 741(d)(4) of this title in the date of rank of an officer appointed to a higher grade under section 624(a) of this title. In any use of the authority under the preceding

sentence, subparagraph (C)(ii) of such section shall be applied by substituting “reserve active-status list” for “active-duty list”.

(3) Except as provided in paragraph (2) or as otherwise specifically authorized by law, a reserve officer is not entitled to additional pay or allowances if the effective date of the officer’s promotion is adjusted to reflect a date earlier than the actual date of the officer’s promotion.

(d) OFFICERS WITH RUNNING MATES.—An officer to whom a running mate system applies under section 14306 of this title and who is selected for promotion is eligible for promotion to the grade for which selected when the officer who is that officer’s running mate becomes eligible for promotion under chapter 36 of this title. The effective date of the promotion of that officer shall be the same as that of the officer’s running mate in the grade to which the running mate is promoted.

(e) ARMY RESERVE AND AIR FORCE RESERVE PROMOTIONS TO FILL VACANCIES.—Subject to this section and to section 14311(e) of this title, and under regulations prescribed by the Secretary of the military department concerned—

(1) an officer in the Army Reserve or the Air Force Reserve who is on a promotion list as a result of selection for promotion by a mandatory promotion board convened under section 14101(a) of this title or a board convened under section 14502 or chapter 36 of this title may be promoted at any time to fill a vacancy in a position to which the officer is assigned; and

(2) an officer in a grade below colonel in the Army Reserve or the Air Force Reserve who is on a promotion list as a result of selection for promotion by a vacancy promotion board convened under section 14101(a) of this title may be promoted at any time to fill the vacancy for which the officer was selected.

(f) EFFECTIVE DATE OF PROMOTION AFTER FEDERAL RECOGNITION.—The effective date of a promotion of a reserve commissioned officer of the Army or the Air Force who is extended Federal recognition in the next higher grade in the Army National Guard or the Air National Guard under section 307 or 310 of title 32 shall be the date on which such Federal recognition in that grade is so extended.

(g) ARMY AND AIR FORCE GENERAL OFFICER PROMOTIONS.—A reserve officer of the Army or the Air Force who is on a promotion list for promotion to the grade of brigadier general or major general as a result of selection by a vacancy promotion board may be promoted to that grade only to fill a vacancy in the Army Reserve or the Air Force Reserve, as the case may be, in that grade.

§ 14309. Acceptance of promotion; oath of office

(a) ACCEPTANCE.—An officer who is appointed to a higher grade under this chapter shall be considered to have accepted the appointment on the date on which the appointment is made unless the officer expressly declines the appointment or is granted a delay of promotion under section 14312 of this title.

(b) OATH.—An officer who has served continuously since taking the oath of office prescribed in section 3331 of title 5 is not required to take a new oath upon appointment to a higher grade under this chapter.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2938.)

§ 14310. Removal of officers from a list of officers recommended for promotion

(a) REMOVAL BY PRESIDENT.—The President may remove the name of any officer from a promotion list at any time before the date on which the officer is promoted.

(b) REMOVAL FOR WITHHOLDING OF SENATE ADVICE AND CONSENT.—If the Senate does not give its advice and consent to the appointment to the next higher grade of an officer whose name is on a list of officers approved by the President for promotion (except in the case of promotions to a reserve grade to which appointments may be made by the President alone), the name of that officer shall be removed from the list.

(c) REMOVAL AFTER 18 MONTHS.—(1) If an officer whose name is on a list of officers approved for promotion under section 14308(a) of this title to a grade for which appointment is required by section 12203(a) of this title to be made by and with the advice and consent of the Senate is not appointed to that grade under such section during the officer's promotion eligibility period, the officer's name shall be removed from the list unless as of the end of such period the Senate has given its advice and consent to the appointment.

(2) Before the end of the promotion eligibility period with respect to an officer under paragraph (1), the President may extend that period for purposes of paragraph (1) by an additional 12 months.

(3) In this subsection, the term "promotion eligibility period" means, with respect to an officer whose name is on a list of officers approved for promotion under section 14308(a) of this title to a grade for which appointment is required by section 12203(a) of this title to be made by and with the advice and consent of the Senate, the period beginning on the date on which the list is so approved and ending on the first day of the eighteenth month following the month during which the list is so approved.

(d) ADMINISTRATIVE REMOVAL.—Under regulations prescribed by the Secretary concerned, if an officer on the reserve active-status list is discharged or dropped from the rolls or transferred to a retired status after having been recommended for promotion to a higher grade under this chapter or having been found qualified for Federal recognition in the higher grade under title 32, but before being promoted, the officer's name shall be administratively removed from the list of officers recommended for promotion by a selection board.

(e) CONTINUED ELIGIBILITY FOR PROMOTION.—An officer whose name is removed from a list under subsection (a), (b), or (c) continues to be eligible for consideration for promotion. If that officer is recommended for promotion by the next selection board convened for that officer's grade and competitive category and the officer is promoted, the Secretary of the military department concerned may,

upon the promotion, grant the officer the same date of rank, the same effective date for the pay and allowances of the grade to which promoted, and the same position on the reserve active-status list, as the officer would have had if the officer's name had not been removed from the list.

§ 14311. Delay of promotion: involuntary

(a) DELAY DURING INVESTIGATIONS AND PROCEEDINGS.—(1) Under regulations prescribed by the Secretary of Defense, the appointment of an officer to a higher grade may be delayed if any of the following applies before the date on which the appointment would otherwise be made:

(A) Sworn charges against the officer have been received by an officer exercising general court-martial jurisdiction over the officer and the charges have not been disposed of.

(B) An investigation is being conducted to determine whether disciplinary action of any kind should be brought against the officer.

(C) A board of officers has been convened under section 14903 of this title to review the record of the officer.

(D) A criminal proceeding in a Federal or State court of competent jurisdiction is pending against the officer.

(E) Substantiated adverse information about the officer that is material to the decision to appoint the officer is under review by the Secretary of Defense or the Secretary concerned.

(2) If disciplinary action is not taken against the officer, if the charges against the officer are withdrawn or dismissed, if the officer is not separated by the Secretary of the military department concerned as the result of having been required to show cause for retention, if the officer is acquitted of the charges, or if, after a review of substantiated adverse information about the officer regarding the requirement for exemplary conduct set forth in section 3583, 5947, or 8583 of this title, as applicable, the officer is determined to be among the officers best qualified for promotion, as the case may be, then (unless action to delay the officer's appointment to the higher grade has been taken under subsection (b)) the officer shall be retained on the promotion list (including an approved all-fully-qualified-officers list, if applicable), list of officers found qualified for Federal recognition, or list of officers nominated by the President to the Senate for appointment in a higher reserve grade and shall, upon promotion to the next higher grade, have the same date of rank, the same effective date for the pay and allowances of the grade to which promoted, and the same position on the reserve active-status list as the officer would have had if no delay had intervened, unless the Secretary concerned determines that the officer was unqualified for promotion for any part of the delay. If the Secretary makes such a determination, the Secretary may adjust such date of rank, effective date of pay and allowances, and position on the reserve active-status list as the Secretary considers appropriate under the circumstances.

(b) **DELAY FOR LACK OF QUALIFICATIONS.**—Under regulations prescribed by the Secretary of Defense, the appointment of an officer to a higher grade may also be delayed if there is cause to believe that the officer has not met the requirement for exemplary conduct set forth in section 3583, 5947, or 8583 of this title, as applicable, or is mentally, physically, morally, or professionally unqualified to perform the duties of the grade to which selected. If it is later determined by a civilian official of the Department of Defense (not below the level of Secretary of a military department) that the officer is qualified for promotion to the higher grade and, after a review of adverse information regarding the requirement for exemplary conduct set forth in section 3583, 5947, or 8583 of this title, as applicable, the officer is determined to be among the officers best qualified for promotion to the higher grade, the officer shall be retained on the promotion list (including an approved all-fully-qualified-officers list, if applicable), the list of officers found qualified for Federal recognition, or list of officers nominated by the President to the Senate for appointment in a higher reserve grade, and shall, upon promotion to that grade, have the same date of rank, the same effective date for pay and allowances of that grade, and the same position on the reserve active-status list as the officer would have had if no delay had intervened, unless the Secretary concerned determines that the officer was unqualified for promotion for any part of the delay. If the Secretary makes such a determination, the Secretary may adjust such date of rank, effective date of pay and allowances, and position on the reserve active-status list as the Secretary considers appropriate under the circumstances.

(c) **NOTICE TO OFFICER.**—(1) The appointment of an officer to a higher grade may not be delayed under subsection (a) or (b) unless the officer is given written notice of the grounds for the delay. The preceding sentence does not apply if it is impracticable to give the officer written notice before the date on which the appointment to the higher grade would otherwise take effect, but in such a case the written notice shall be given as soon as practicable.

(2) An officer whose promotion is delayed under subsection (a) or (b) shall be given an opportunity to make a written statement to the Secretary of the military department concerned in response to the action taken. The Secretary shall give consideration to any such statement.

(d) **MAXIMUM LENGTH OF DELAY IN PROMOTION.**—The appointment of an officer to a higher grade may not be delayed under subsection (a) or (b) for more than six months after the date on which the officer would otherwise have been promoted unless the Secretary concerned specifies a further period of delay. An officer's appointment may not be delayed more than 90 days after final action has been taken in any criminal case against the officer in a Federal or State court of competent jurisdiction or more than 90 days after final action has been taken in any court-martial case against the officer. Except for court action, a promotion may not be delayed more than 18 months after the date on which the officer would otherwise have been promoted.

(e) **DELAY BECAUSE OF LIMITATIONS ON OFFICER STRENGTH IN GRADE OR DUTIES TO WHICH ASSIGNED.**—(1) Under regulations pre-

scribed by the Secretary of Defense, the promotion of a reserve officer on the reserve active-status list who is serving on active duty, or who is on full-time National Guard duty for administration of the reserves or the National Guard, to a grade to which the strength limitations of section 12011 of this title apply shall be delayed if necessary to ensure compliance with those strength limitations. The delay shall expire when the Secretary determines that the delay is no longer required to ensure such compliance.

(2) The promotion of an officer described in paragraph (1) shall also be delayed while the officer is on duty described in that paragraph unless the Secretary of the military department concerned, under regulations prescribed by the Secretary of Defense, determines that the duty assignment of the officer requires a higher grade than the grade currently held by the officer.

(3) The date of rank and position on the reserve active-status list of a reserve officer whose promotion to or Federal recognition in the next higher grade was delayed under paragraph (1) or (2) solely as the result of the limitations imposed under the regulations prescribed by the Secretary of Defense or contained in section 12011 of this title shall be the date on which the officer would have been promoted to or recognized in the higher grade had such limitations not existed.

(4) If an officer whose promotion is delayed under paragraph (1) or (2) completes the period of active duty or full-time National Guard duty that the officer is required by law or regulation to perform as a member of a reserve component, the officer may request release from active duty or full-time National Guard duty. If the request is granted, the officer's promotion shall be effective upon the officer's release from such duty. The date of rank and position on the reserve active-status list of the officer shall be the date the officer would have been promoted to or recognized in the higher grade had the limitations imposed under regulations prescribed by the Secretary of Defense contained in section 12011 of this title not existed. If an officer whose promotion is delayed under paragraph (1) or (2) has not completed the period of active duty or full-time National Guard duty that the officer is required by law or regulation to perform as a member of a reserve component, the officer may be retained on active duty or on full-time National Guard duty in the grade in which the officer was serving before the officer's being found qualified for Federal recognition or the officer's selection for the promotion until the officer completes that required period of duty.

§ 14312. Delay of promotion: voluntary

(a) **AUTHORITY FOR VOLUNTARY DELAYS.**—(1) The Secretary of the military department concerned may, by regulation, permit delays of a promotion of an officer who is recommended for promotion by a mandatory selection board convened under section 14101(a) or a special selection board convened under section 14502 of this title at the request of the officer concerned. Such delays, in the case of any promotion, may extend for any period not to exceed

three years from the date on which the officer would otherwise be promoted.

(2) Regulations under this section shall provide that—

(A) a request for such a delay of promotion must be submitted by the officer concerned before the delay may be approved; and

(B) denial of such a request shall not be considered to be a failure of selection for promotion unless the officer declines to accept a promotion under circumstances set forth in subsection (c).

(b) EFFECT OF APPROVAL OF REQUEST.—If a request for delay of a promotion under subsection (a) is approved, the officer's name shall remain on the promotion list during the authorized period of delay (unless removed under any other provision of law). Upon the end of the period of the authorized delay, or at any time during such period, the officer may accept the promotion, which shall be effective on the date of acceptance. Such an acceptance of a promotion shall be made in accordance with regulations prescribed under this section.

(c) EFFECT OF DECLINING A PROMOTION.—An officer's name shall be removed from the promotion list and, if the officer is serving in a grade below colonel or, in the case of the Navy, captain, the officer shall be considered to have failed of selection for promotion if any of the following applies:

(1) The Secretary concerned has not authorized voluntary delays of promotion under subsection (a) to the grade concerned and the officer declines to accept an appointment to a higher grade.

(2) The Secretary concerned has authorized voluntary delays of promotion under subsection (a), but has denied the request of the officer for a delay of promotion and the officer then declines to accept an appointment to a higher grade.

(3) The Secretary concerned has approved the request of an officer for a delay of promotion and, upon the end of the period of delay authorized in accordance with regulations prescribed under subsection (a), the officer then declines to accept an appointment to a higher grade.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2941.)

§ 14313. Authority to vacate promotions to grade of brigadier general or rear admiral (lower half)

(a) AUTHORITY.—The President may vacate the appointment of a reserve officer to the grade of brigadier general or rear admiral (lower half) if the period of time during which the officer has served in that grade after promotion to that grade is less than 18 months.

(b) EFFECT OF PROMOTION BEING VACATED.—Except as provided in subsection (c), an officer whose promotion to the grade of brigadier general is vacated under this section holds the grade of colonel as a reserve of the armed force of which the officer is a member. An officer whose promotion to the grade of rear admiral (lower half) is vacated under this section holds the grade of captain in the Navy Reserve. Upon assuming the lower grade, the officer shall have the same position on the reserve active-status list as the

officer would have had if the officer had not served in the higher grade.

(c) **SPECIAL RULE FOR OFFICERS SERVING AS ADJUTANT GENERAL.**—In the case of an officer serving as an adjutant general or assistant adjutant general whose promotion to the grade of brigadier general is vacated under this section, the officer then holds the reserve grade held by that officer immediately before the officer's appointment as adjutant general or assistant adjutant general.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2942; amended Pub. L. 109-163, div. A, title V, Sec. 515(b)(1)(SS), Jan. 6, 2006, 119 Stat. 3234.)

§ 14314. Army and Air Force commissioned officers: generals ceasing to occupy positions commensurate with grade; State adjutants general

(a) **GENERAL OFFICERS.**—Within 30 days after a reserve officer of the Army or the Air Force on the reserve active-status list in a general officer grade ceases to occupy a position commensurate with that grade (or commensurate with a higher grade), the Secretary concerned shall transfer or discharge the officer in accordance with whichever of the following the officer elects:

(1) Transfer the officer in grade to the Retired Reserve, if the officer is qualified and applies for the transfer.

(2) Transfer the officer in grade to the inactive status list of the Standby Reserve, if the officer is qualified.

(3) Discharge the officer from the officer's reserve appointment and, if the officer is qualified and applies therefor, appoint the officer in the reserve grade held by the officer as a reserve officer before the officer's appointment in a general officer grade.

(4) Discharge the officer from the officer's reserve appointment.

(b) **ADJUTANTS GENERAL.**—If a reserve officer who is federally recognized in the Army National Guard or the Air National Guard solely because of the officer's appointment as adjutant general or assistant adjutant general of a State ceases to occupy that position, the Secretary concerned, not later than 30 days after the date on which the officer ceases to occupy that position, shall—

(1) withdraw that officer's Federal recognition; and

(2) require that the officer—

(A) be transferred in grade to the Retired Reserve, if the officer is qualified and applies for the transfer;

(B) be discharged from the officer's reserve appointment and appointed in the reserve grade held by the officer as a reserve officer immediately before the appointment of that officer as adjutant general or assistant adjutant general, if the officer is qualified and applies for that appointment; or

(C) be discharged from the officer's reserve appointment.

(c) **CREDIT FOR SERVICE IN GRADE.**—An officer who is appointed under subsection (a)(3) or (b)(2)(B) shall be credited with an amount of service in the grade in which appointed that is equal to the amount of prior service in an active status in that grade and in any higher grade.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2942; amended Pub. L. 104-201, div. A, title V, Sec. 544(c), Sept. 23, 1996, 110 Stat. 2523.)

§ 14315. Position vacancy promotions: Army and Air Force officers

(a) OFFICERS ELIGIBLE FOR CONSIDERATION FOR VACANCY PROMOTIONS BELOW BRIGADIER GENERAL.—A reserve officer of the Army who is in the Army Reserve, or a reserve officer of the Air Force who is in the Air Force Reserve, who is on the reserve active-status list in the grade of first lieutenant, captain, major, or lieutenant colonel is eligible for consideration for promotion to the next higher grade under this section if each of the following applies:

(1) The officer is occupying or, under regulations prescribed by the Secretary concerned, has been recommended to occupy a position in the same competitive category as the officer and for which a grade higher than the one held by that officer is authorized.

(2) The officer is fully qualified to meet all requirements for the position as established by the Secretary of the military department concerned.

(3) The officer has held the officer's present grade for the minimum period of service prescribed in section 14303 of this title for eligibility for consideration for promotion to the higher grade.

(2) A reserve officer of the Air Force who is in the Air Force Reserve and on the reserve active-status list in the grade of colonel or brigadier general may be considered for promotion to the next higher grade under this section if the officer (A) is assigned to the duties of a general officer of the next higher reserve grade or is recommended for such an assignment under regulations prescribed by the Secretary of the Air Force, and (B) meets the standards for consideration prescribed by the Secretary of the Air Force.

(c) VACANCY PROMOTION BOARDS.—Consideration for promotion under this section shall be by a vacancy promotion board convened under section 14101(a) of this title.

(d) EFFECT OF NONSELECTION.—An officer who is considered for promotion under this section and is not selected shall not be considered to have failed of selection for promotion.

(e) SPECIAL RULE FOR OFFICERS FAILED OF SELECTION.—A reserve officer of the Army or the Air Force who is considered as failed of selection for promotion under section 14501 of this title to

a grade may be considered for promotion under this section or, if selected, promoted to that grade only if the Secretary of the military department concerned finds that the officer is the only qualified officer available to fill the vacancy. The Secretary concerned may not delegate the authority under the preceding sentence.

§ 14316. Army National Guard and Air National Guard: appointment to and Federal recognition in a higher reserve grade after selection for promotion

(a) OPPORTUNITY FOR PROMOTION TO FILL A VACANCY IN THE GUARD.—If an officer of the Army National Guard of the United States or the Air National Guard of the United States is recommended by a mandatory selection board convened under section 14101(a) or a special selection board convened under section 14502 of this title for promotion to the next higher grade, an opportunity shall be given to the appropriate authority of the State to promote that officer to fill a vacancy in the Army National Guard or the Air National Guard of that jurisdiction.

(b) AUTOMATIC FEDERAL RECOGNITION.—An officer of the Army National Guard of the United States or the Air National Guard of the United States who is on a promotion list for promotion to the next higher grade as a result of selection for promotion as described in subsection (a) and who before the date of promotion is appointed in that higher grade to fill a vacancy in the Army National Guard or Air National Guard shall—

(1) be extended Federal recognition in that grade, without the examination prescribed in section 307 of title 32; and

(2) subject to section 14311(e) of this title, be promoted to that reserve grade effective on the date of the officer's appointment in that grade in the Army National Guard or Air National Guard.

(c) NATIONAL GUARD OFFICERS FAILED OF SELECTION.—An officer who is considered as failed of selection for promotion under section 14501 of this title to a grade may be extended Federal recognition in that grade only if the Secretary of the military department concerned finds that the officer is the only qualified officer available to fill a vacancy. The Secretary concerned may not delegate the authority under the preceding sentence.

(d) TRANSFER TO ARMY RESERVE OR AIR FORCE RESERVE.—If, on the date on which an officer of the Army National Guard of the United States or of the Air National Guard of the United States who is on a promotion list as described in subsection (a) is to be promoted, the officer has not been promoted to fill a vacancy in the higher grade in the Army National Guard or the Air National Guard, the officer's Federal recognition in the officer's reserve grade shall be withdrawn and the officer shall be promoted and transferred to the Army Reserve or the Air Force Reserve as appropriate.

(Added Pub. L. 103-337, div. A, title XVI, Sec. 1611, Oct. 5, 1994, 108 Stat. 2944.)

§ 14317. Officers in transition to and from the active-status list or active-duty list

(a) **EFFECT OF TRANSFER TO INACTIVE STATUS OR RETIRED STATUS.**—If a reserve officer on the reserve active-status list is transferred to an inactive status or to a retired status after having been recommended for promotion to a higher grade under this chapter or chapter 36 of this title, or after having been found qualified for Federal recognition in the higher grade under title 32, but before being promoted, the officer—

(1) shall be treated as if the officer had not been considered and recommended for promotion by the selection board or examined and been found qualified for Federal recognition; and

(2) may not be placed on a promotion list or promoted to the higher grade after returning to an active status, unless the officer is again recommended for promotion by a selection board convened under chapter 36 of this title or section 14101(a) or 14502 of this title or examined for Federal recognition under title 32.

(b) **EFFECT OF PLACEMENT ON ACTIVE-DUTY LIST.**—A reserve officer who is on a promotion list as a result of selection for promotion by a mandatory promotion board convened under section 14101(a) or a special selection board convened under section 14502 of this title and who before being promoted is placed on the active-duty list of the same armed force and placed in the same competitive category shall, under regulations prescribed by the Secretary of Defense, be placed on an appropriate promotion list for officers on the active-duty list established under chapter 36 of this title.

§ 14502. Special selection boards: correction of errors

(a) OFFICERS NOT CONSIDERED BECAUSE OF ADMINISTRATIVE ERROR.—(1) In the case of an officer or former officer who the Secretary of the military department concerned determines was not considered for selection for promotion from in or above the promotion zone by a mandatory promotion board convened under section 14101(a) of this title because of administrative error, or whose name was not placed on an all-fully-qualified-officers list under section 14308(b)(4) of this title because of administrative error, the Secretary concerned shall convene a special selection board under this subsection to determine whether such officer or former officer should be recommended for promotion. Any such board shall be convened under regulations prescribed by the Secretary of Defense and shall be appointed and composed in accordance with section 14102 of this title and shall include the representation of competitive categories required by that section. The members of a board convened under this subsection shall be required to take an oath in the same manner as prescribed in section 14103 of this title.

(2) A special selection board convened under this subsection shall consider the record of the officer or former officer as that record would have appeared to the promotion board that should have considered the officer or former officer. That record shall be compared with a sampling of the records of those officers of the same grade and competitive category who were recommended for promotion and those officers of the same grade and competitive category who were not recommended for promotion by that board.

(3) If a special selection board convened under paragraph (1) does not recommend for promotion an officer or former officer in a grade below the grade of colonel or, in the case of an officer or former officer of the Navy, captain, whose name was referred to it for consideration, the officer or former officer shall be considered to have failed of selection for promotion.

(b) OFFICERS CONSIDERED BUT NOT SELECTED; MATERIAL ERROR.—(1) In the case of an officer or former officer who was eligible for promotion and was considered for selection for promotion from in or above the promotion zone under this chapter by a selection board but was not selected, the Secretary of the military department concerned may, under regulations prescribed by the Secretary of Defense, convene a special selection board under this subsection to determine whether the officer or former officer should be recommended for promotion, if the Secretary determines that—

(A) the action of the selection board that considered the officer or former officer was contrary to law in a matter material to the decision of the board or involved material error of fact or material administrative error; or

(B) the selection board did not have before it for its consideration material information.

(2) A special selection board convened under paragraph (1) shall be appointed and composed in accordance with section 14102 of this title (including the representation of competitive categories required by that section), and the members of such a board shall take an oath in the same manner as prescribed in section 14103 of this title.

(3) Such board shall consider the record of the officer or former officer as that record, if corrected, would have appeared to the selection board that considered the officer or former officer. That record shall be compared with a sampling of the records of those officers of the same grade and competitive category who were recommended for promotion and those officers of the same grade and competitive category who were not recommended for promotion by that board.

(4) If a special selection board convened under paragraph (1) does not recommend for promotion an officer or former officer in the grade of lieutenant colonel or commander or below whose name was referred to it for consideration, the officer or former officer shall be considered to have failed of selection for promotion by the board which did consider the officer but incurs no additional failure of selection for promotion from the action of the special selection board.

(c) REPORT.—Each special selection board convened under this section shall submit to the Secretary of the military department concerned a written report, signed by each member of the board, containing the name of each officer it recommends for promotion and certifying that the board has considered carefully the record of each officer whose name was referred to it.

(d) APPLICABLE PROVISIONS.—The provisions of sections 14104, 14109, 14110, and 14111 of this title apply to the report and proceedings of a special selection board convened under this section in the same manner as they apply to the report and proceedings of a promotion board convened under section 14101(a) of this title.

(e) APPOINTMENT OF OFFICERS RECOMMENDED FOR PROMOTION.—(1) An officer whose name is placed on a promotion list as a result of recommendation for promotion by a special selection board convened under this section, shall, as soon as practicable, be appointed to the next higher grade in accordance with the law and policies which would have been applicable had he been recommended for promotion by the board which should have considered or which did consider him.

(2) An officer who is promoted to the next higher grade as the result of the recommendation of a special selection board convened under this section shall, upon such promotion, have the same date of rank, the same effective date for the pay and allowances of that grade, and the same position on the reserve active-status list as the officer would have had if the officer had been recommended for promotion to that grade by the selection board which should have considered, or which did consider, the officer.

(3) If the report of a special selection board convened under this section, as approved by the President, recommends for promotion to the next higher grade an officer not currently eligible for promotion or a former officer whose name was referred to it for consideration, the Secretary concerned may act under section 1552 of this title to correct the military record of the officer or former officer to correct an error or remove an injustice resulting from not being selected for promotion by the board which should have considered, or which did consider, the officer.

(f) TIME LIMITS FOR CONSIDERATION.—The Secretary of Defense may prescribe by regulation the circumstances under which consideration by a special selection board is contingent upon application for consideration by an officer or former officer and time limits within which an officer or former officer must make such application in order to be considered by a special selection board under this section.

(g) LIMITATION OF OTHER JURISDICTION.—No official or court of the United States shall have power or jurisdiction—

(1) over any claim based in any way on the failure of an officer or former officer of the armed forces to be selected for promotion by a selection board convened under chapter 1403 of this title until—

(A) the claim has been referred to a special selection board by the Secretary concerned and acted upon by that board; or

(B) the claim has been rejected by the Secretary without consideration by a special selection board; or

(2) to grant any relief on such a claim unless the officer or former officer has been selected for promotion by a special selection board convened under this section to consider the officer's claim.

(h) JUDICIAL REVIEW.—(1) A court of the United States may review a determination by the Secretary concerned under subsection (a)(1), (b)(1), or (e)(3) not to convene a special selection board. If a court finds the determination to be arbitrary or capricious, not based on substantial evidence, or otherwise contrary to law, it shall remand the case to the Secretary concerned, who shall provide for

consideration of the officer or former officer by a special selection board under this section.

(2) If a court finds that the action of a special selection board which considers an officer or former officer was contrary to law or involved material error of fact or material administrative error, it shall remand the case to the Secretary concerned, who shall provide the officer or former officer reconsideration by a new special selection board.

(i) DESIGNATION OF BOARDS.—The Secretary of the military department concerned may designate a promotion board convened under section 14101(a) of this title as a special selection board convened under this section. A board so designated may function in both capacities.

(b) TIME FOR DISCHARGE.—(1) An officer described in subsection (a)(2)—

(A) may be discharged at any time after being found not qualified for promotion; and

(B) if not sooner discharged, shall be discharged at the end of the 18-month period beginning on the date on which the officer is first found not qualified for promotion.

(2) Paragraph (1) shall not apply if the officer is sooner promoted.

(c) REGULATIONS.—Discharges under this section shall be made under regulations prescribed by the Secretary of Defense and may be made without regard to section 12645 of this title.

(b)(1) Except as provided in subsections (d) through (f), each educational assistance program established under subsection (a) shall provide for payment by the Secretary concerned, through the Secretary of Veterans Affairs, to each person entitled to educational assistance under this chapter who is pursuing a program of education of an educational assistance allowance at the following rates:

(A) \$251 (as increased from time to time under paragraph (2)) per month for each month of full-time pursuit of a program of education;

(B) \$188 (as increased from time to time under paragraph (2)) per month for each month of three-quarter-time pursuit of a program of education;

(C) \$125 (as increased from time to time under paragraph (2)) per month for each month of half-time pursuit of a program of education; and

(D) an appropriately reduced rate, as determined under regulations which the Secretary of Veterans Affairs shall pre-

scribe, for each month of less than half-time pursuit of a program of education, except that no payment may be made to a person for less than half-time pursuit if tuition assistance is otherwise available to the person for such pursuit from the military department concerned.

(2) With respect to any fiscal year, the Secretary shall provide a percentage increase (rounded to the nearest dollar) in the rates payable under subparagraphs (A), (B), and (C) of paragraph (1) equal to the percentage by which—

(A) the Consumer Price Index (all items, United States city average) for the 12-month period ending on the June 30 preceding the beginning of the fiscal year for which the increase is made, exceeds

(B) such Consumer Price Index for the 12-month period preceding the 12-month period described in subparagraph (A).

(c)(1) Educational assistance may be provided under this chapter for pursuit of any program of education that is an approved program of education for purposes of chapter 30 of title 38.

(2) Subject to section 3695 of title 38, the maximum number of months of educational assistance that may be provided to any person under this chapter is 36 (or the equivalent thereof in part-time educational assistance).

(3)(A) Notwithstanding any other provision of this chapter or chapter 36 of title 38, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall not—

(i) be charged against the entitlement of any individual under this chapter; or

(ii) be counted toward the aggregate period for which section 3695 of title 38 limits an individual's receipt of assistance.

(B) The payment of the educational assistance allowance referred to in subparagraph (A) of this paragraph is the payment of such an allowance to the individual for pursuit of a course or courses under this chapter if the Secretary of Veterans Affairs finds that the individual—

(i) had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 12301(a), 12301(d), 12301(g), 12302, or 12304 of this title; and

(ii) failed to receive credit or training time toward completion of the individual's approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i), the individual's course pursuit.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of title 38 shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(ii).

(d)(1) Except as provided in paragraph (2), the amount of the monthly educational assistance allowance payable to a person pursuing a full-time program of apprenticeship or other on-the-job training under this chapter is—

(A) for each of the first six months of the person's pursuit of such program, 75 percent of the monthly educational assistance allowance otherwise payable to such person under this chapter;

(B) for each of the second six months of the person's pursuit of such program, 55 percent of such monthly educational assistance allowance; and

(C) for each of the months following the first 12 months of the person's pursuit of such program, 35 percent of such monthly educational assistance allowance.

(2) In any month in which any person pursuing a program of education consisting of a program of apprenticeship or other on-the-job training fails to complete 120 hours of training, the amount of the monthly educational assistance allowance payable under this chapter to the person shall be limited to the same proportion of the applicable full-time rate as the number of hours worked during such month, rounded to the nearest 8 hours, bears to 120 hours.

(3)(A) Except as provided in subparagraph (B), for each month that such person is paid a monthly educational assistance allowance under this chapter, the person's entitlement under this chapter shall be charged at the rate of—

(i) 75 percent of a month in the case of payments made in accordance with paragraph (1)(A);

(ii) 55 percent of a month in the case of payments made in accordance with paragraph (1)(B); and

(iii) 35 percent of a month in the case of payments made in accordance with paragraph (1)(C).

(B) Any such charge to the entitlement shall be reduced proportionately in accordance with the reduction in payment under paragraph (2).

(e)(1)(A) The amount of the educational assistance allowance payable under this chapter to a person who enters into an agreement to pursue, and is pursuing, a program of education exclusively by correspondence is an amount equal to 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by such person.

(B) For purposes of subparagraph (A), the term "established charge" means the lesser of—

(i) the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency; or

(ii) the actual charge to the person for such course or courses.

(C) Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the person and serviced by the institution.

(2) In each case in which the amount of educational assistance is determined under paragraph (1), the period of entitlement of the person concerned shall be charged with one month for each amount equal to the amount of the monthly rate payable under subsection (b)(1)(A) for the fiscal year concerned which is paid to the individual as an educational assistance allowance.

(f)(1) Each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 16136(c) of this title shall be paid an educational assistance allowance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No educational assistance allowance may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The period of entitlement of an individual pursuing a program of education described in paragraph (1) shall be charged with one month for each amount equal to the amount of the monthly rate payable under subsection (b)(1)(A) for the fiscal year concerned which is paid to that individual as an educational assistance allowance for such program.

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(g)(1)(A) Subject to subparagraph (B), the Secretary of Veterans Affairs shall approve individualized tutorial assistance for any person entitled to educational assistance under this chapter who—

(i) is enrolled in and pursuing a postsecondary course of education on a half-time or more basis at an educational institution; and

(ii) has a deficiency in a subject required as a part of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of, the program of education.

(B) The Secretary of Veterans Affairs shall not approve individualized tutorial assistance for a person pursuing a program of education under this paragraph unless such assistance is necessary for the person to successfully complete the program of education.

(2)(A) Subject to subparagraph (B), the Secretary concerned, through the Secretary of Veterans Affairs, shall pay to a person receiving individualized tutorial assistance pursuant to paragraph (1) a tutorial assistance allowance. The amount of the allowance payable under this paragraph may not exceed \$100 for any month, nor aggregate more than \$1,200. The amount of the allowance paid under this paragraph shall be in addition to the amount of educational assistance allowance payable to a person under this chapter.

(B) A tutorial assistance allowance may not be paid to a person under this paragraph until the educational institution at which the person is enrolled certifies that—

(i) the individualized tutorial assistance is essential to correct a deficiency of the person in a subject required as a part

of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of, an approved program of education;

(ii) the tutor chosen to perform such assistance is qualified to provide such assistance and is not the person's parent, spouse, child (whether or not married or over eighteen years of age), brother, or sister; and

(iii) the charges for such assistance do not exceed the customary charges for such tutorial assistance.

(3)(A) A person's period of entitlement to educational assistance under this chapter shall be charged only with respect to the amount of tutorial assistance paid to the person under this subsection in excess of \$600.

(B) A person's period of entitlement to educational assistance under this chapter shall be charged at the rate of one month for each amount of assistance paid to the individual under this section in excess of \$600 that is equal to the amount of the monthly educational assistance allowance which the person is otherwise eligible to receive for full-time pursuit of an institutional course under this chapter.

(h) A program of education in a course of instruction beyond the baccalaureate degree level shall be provided under this chapter, subject to the availability of appropriations.

(i)(1) In the case of a person who has a skill or specialty designated by the Secretary concerned as a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit or, in the case of critical units, retain personnel, the Secretary concerned may increase the rate of the educational assistance allowance applicable to that person to such rate in excess of the rate prescribed under subparagraphs (A) through (D) of subsection (b)(1) as the Secretary of Defense considers appropriate, but the amount of any such increase may not exceed \$350 per month.

(2) In the case of a person who has a skill or specialty designated by the Secretary concerned as a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit or, in the case of critical units, retain personnel, who is eligible for educational benefits under chapter 30 (other than section 3012) of title 38 and who meets the eligibility criteria specified in subparagraphs (A) and (B) of section 16132(a)(1) of this title, the Secretary concerned may increase the rate of the educational assistance allowance applicable to that person to such rate in excess of the rate prescribed under section 3015 of title 38 as the Secretary of Defense considers appropriate, but the amount of any such increase may not exceed \$350 per month.

(3) The authority provided by paragraphs (1) and (2) shall be exercised by the Secretaries concerned under regulations prescribed by the Secretary of Defense.

(j)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of title 38 is the lesser of \$2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for

such test by the full-time monthly institutional rate of educational assistance which, but for paragraph (1), such individual would otherwise be paid under subsection (b).

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's available entitlement under this chapter.

§ 16131a. Accelerated payment of educational assistance

(a) The educational assistance allowance payable under section 16131 of this title with respect to an eligible person described in subsection (b) may, upon the election of such eligible person, be paid on an accelerated basis in accordance with this section.

(b) An eligible person described in this subsection is a person entitled to educational assistance under this chapter who is—

(1) enrolled in an approved program of education not exceeding two years in duration and not leading to an associate, bachelors, masters, or other degree, subject to subsection (g); and

(2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of educational assistance allowance otherwise payable with respect to the person under section 16131 of this title.

(c)(1) The amount of the accelerated payment of educational assistance payable with respect to an eligible person making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of educational assistance allowance to which the person remains entitled under this chapter at the time of the payment.

(2)(A) In this subsection, except as provided in subparagraph (B), the term “established charges”, in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary of Veterans Affairs) for tuition and fees which similarly circumstanced individuals who are not eligible for benefits under this chapter and who are enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(i) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(ii) In the case of an individual enrolled in a program of education not offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the entire program of education.

(B) In this subsection, the term “established charges” does not include any fees or payments attributable to the purchase of a vehicle.

(3) The educational institution providing the program of education for which an accelerated payment of educational assistance allowance is elected by an eligible person under subsection (a) shall certify to the Secretary of Veterans Affairs the amount of the established charges for the program of education.

(d) An accelerated payment of educational assistance allowance made with respect to an eligible person under this section for a program of education shall be made not later than the last day of the month immediately following the month in which the Secretary of Veterans Affairs receives a certification from the educational institution regarding—

(1) the person’s enrollment in and pursuit of the program of education; and

(2) the amount of the established charges for the program of education.

(e)(1) Except as provided in paragraph (2), for each accelerated payment of educational assistance allowance made with respect to an eligible person under this section, the person’s entitlement to educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of the accelerated payment by the full-time monthly rate of educational assistance allowance otherwise payable with respect to the person under section 16131 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of educational assistance allowance otherwise payable with respect to an eligible person under section 16131 of this title increases during the enrollment period of a program of education for which an accelerated payment of educational assistance allowance is made under this section, the charge to the person’s entitlement to educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the manner provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary of Veterans Affairs.

(f) The Secretary of Veterans Affairs shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment of educational assistance allowance under this section. The regulations may include such elements of the regulations prescribed under section 3014A of title 38 as the Secretary of Veterans Affairs considers appropriate for purposes of this section.

(g) The aggregate amount of educational assistance payable under this section in any fiscal year for enrollments covered by subsection (b)(1) may not exceed \$4,000,000.

(Added Pub. L. 110-181, div. A, title V, Sec. 528(a)(1), Jan. 28, 2008, 122 Stat. 105.)

At the request of the Secretary of Veterans Affairs, the Secretary of Defense shall transmit a notice of entitlement for each such person to that Secretary.

(2) The educational assistance allowance provided under this chapter shall be based on the applicable percent under paragraph (4) to the applicable rate provided under section 3015 of title 38 for a member whose entitlement is based on completion of an obligated period of active duty of three years.

(3) The educational assistance allowance provided under this section for a person who is undertaking a program for which a re-

(2)(A) Notwithstanding any other provision of this chapter or chapter 36 of title 38, any payment of an educational assistance allowance described in subparagraph (B) shall not—

(i) be charged against the entitlement of any individual under this chapter; or

(ii) be counted toward the aggregate period for which section 3695 of title 38 limits an individual's receipt of assistance.

(B) The payment of the educational assistance allowance referred to in subparagraph (A) is the payment of such an allowance to the individual for pursuit of a course or courses under this chapter if the Secretary of Veterans Affairs finds that the individual—

§ 16162a. Accelerated payment of educational assistance

(a) PAYMENT ON ACCELERATED BASIS.—The educational assistance allowance payable under section 16162 of this title with respect to an eligible member described in subsection (b) may, upon the election of such eligible member, be paid on an accelerated basis in accordance with this section.

(b) ELIGIBLE MEMBERS.—An eligible member described in this subsection is a member of a reserve component entitled to educational assistance under this chapter who is—

(1) enrolled in an approved program of education not exceeding two years in duration and not leading to an associate, bachelors, masters, or other degree, subject to subsection (g); and

(2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of educational assistance allowance otherwise payable with respect to the member under section 16162 of this title.

(c) AMOUNT OF ACCELERATED PAYMENT.—(1) The amount of the accelerated payment of educational assistance payable with respect to an eligible member making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of educational assistance allowance to which the member remains entitled under this chapter at the time of the payment.

(2)(A) In this subsection, except as provided in subparagraph (B), the term “established charges”, in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary of Veterans Affairs) for tuition and fees which similarly circumstanced individuals who are not eligible for benefits under this chapter and who are enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(i) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(ii) In the case of an individual enrolled in a program of education not offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the entire program of education.

(B) In this subsection, the term “established charges” does not include any fees or payments attributable to the purchase of a vehicle.

(3) The educational institution providing the program of education for which an accelerated payment of educational assistance allowance is elected by an eligible member under subsection (a) shall certify to the Secretary of Veterans Affairs the amount of the established charges for the program of education.

(d) TIME OF PAYMENT.—An accelerated payment of educational assistance allowance made with respect to an eligible member under this section for a program of education shall be made not later than the last day of the month immediately following the month in which the Secretary of Veterans Affairs receives a certification from the educational institution regarding—

(1) the member’s enrollment in and pursuit of the program of education; and

(2) the amount of the established charges for the program of education.

(e) CHARGE AGAINST ENTITLEMENT.—(1) Except as provided in paragraph (2), for each accelerated payment of educational assistance allowance made with respect to an eligible member under this section, the member’s entitlement to educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of the accelerated payment by the full-time monthly rate of educational assistance allowance otherwise payable with respect to the member under section 16162 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of educational assistance allowance otherwise payable with respect to an eligible member under section 16162 of this title increases during the enrollment period of a program of education for which an accelerated payment of educational

assistance allowance is made under this section, the charge to the member's entitlement to educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the manner provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary of Veterans Affairs.

(f) REGULATIONS.—The Secretary of Veterans Affairs shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment of educational assistance allowance under this section. The regulations may include such elements of the regulations prescribed under section 3014A of title 38 as the Secretary of Veterans Affairs considers appropriate for purposes of this section.

(g) LIMITATION.—The aggregate amount of educational assistance payable under this section in any fiscal year for enrollments covered by subsection (b)(1) may not exceed \$3,000,000.

Under such regulations as the Secretary of Defense may prescribe, the Secretary may expend, from appropriations available for operation and maintenance, amounts necessary to carry out any project authorized under section 18233(a) of this title that costs not more than—

(1) the amount specified in section 2805(c)(1)(A) of this title, in the case of a project intended solely to correct a deficiency that is life-threatening, health-threatening, or safety-threatening; or

§ 18234. Location and use

No expenditures or contribution may be made for a facility under section 18233 of this title, unless the Secretary of Defense determines that—

(1) the number of units of the reserve components of the armed forces located or to be located in the area within which the facility is to be provided is not and will not be larger than the number that can reasonably be expected to be maintained at authorized strength, considering the number of persons living in the area who are qualified for membership in those reserve units; and

(2) the plan under which the facility is to be provided makes provision for the greatest practicable use of the facility jointly by units of two or more of those components.

(Aug. 10, 1956, ch. 1041, 70A Stat. 121, Sec. 2234; renumbered Sec. 18234 and amended Pub. L. 103-337, div. A, title XVI, Sec. 1664(b)(2), (6), Oct. 5, 1994, 108 Stat. 3010.)

§ 18235. Administration; other use permitted by Secretary

(a) The Secretary of Defense, after consulting the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives on matters of policy, may—

(1) administer, operate, maintain, and equip facilities constructed, expanded, rehabilitated, or converted under section 18233 of this title or otherwise acquired and used for the purposes of this chapter;

(2) permit persons or organizations other than members and units of the armed forces to use those facilities under such leases or other agreements as he considers appropriate; and

(3) cover the payments received under those leases or agreements into the Treasury to the credit of the appropriation from which the cost of maintaining the facility, including its utilities and services, is paid.

(b) The Secretary may not permit any use or disposition to be made of a facility covered by subsection (a) that would interfere with its use—

(1) for administering and training the reserve components of the armed forces; or

(2) in time of war or national emergency, by other units of the armed forces or by the United States for any other purpose.

(1) 100 percent of the cost of architectural, engineering and design services (including advance architectural, engineering and design services under section 18233(e) of this title); and

(2) a percentage of the cost of construction (exclusive of the cost of architectural, engineering and design services) calculated so that upon completion of construction the total contribution (including the contribution for architectural, engineering and design services) equals 75 percent of the total cost

of construction (including the cost of architectural, engineering and design services).

For the purpose of computing the cost of construction under this subsection, the amount contributed by a State may not include the cost or market value of any real property that it has contributed.

(c) If a State acquires, constructs, expands, rehabilitates, or converts a facility with amounts contributed under section 18233 of this title, it may—

(1) permit persons or organizations other than members and units of the armed forces to use the facility under such leases or other agreements as it considers appropriate; and

(2) apply amounts received under those leases or agreements to the cost of maintaining the facility.

(d) Except as otherwise agreed when the contribution is made, and except as the agreement is later changed, a State may not permit any use or disposition of the facility that would interfere with its use—

(1) for administering and training the reserve components of the armed forces; or

(2) in time of war or national emergency, by other units of the armed forces or by the United States for any other purpose.

§ 18240. Acquisition of facilities by exchange

(a) EXCHANGE AUTHORITY.—In addition to the acquisition authority provided by section 18233 of this title, the Secretary of Defense may authorize the Secretary of a military department to acquire a facility, or addition to an existing facility, needed to satisfy military requirements for a reserve component by carrying out an exchange of an existing facility under the control of that Secretary through an agreement with an Executive agency (as defined in section 105 of title 5), the United States Postal Service, or a State, local government, local authority, or private entity. The acquisition of a facility or an addition to an existing facility under this section may include the acquisition of utilities, equipment, and furnishings for the facility.

(b) FACILITIES ELIGIBLE FOR EXCHANGE.—Only a facility of a reserve component that is not excess property (as defined in section 102(3) of title 40) may be exchanged using the authority provided by this section.

(c) EQUAL VALUE EXCHANGE.—In any exchange carried out using the authority provided by this section, the value of the replacement facility, or addition to an existing facility, including any utilities, equipment, and furnishings, to be acquired by the United States shall be at least equal to the fair market value of the facility conveyed by the United States under the agreement. If the values are unequal, the values may not be equalized by any payment of cash consideration by either party to the agreement.

(d) REQUIREMENTS FOR REPLACEMENT FACILITIES.—The Secretary of a military department may not accept a replacement facility, or addition to an existing facility, to be acquired by the United States in an exchange carried out using the authority provided by this section until that Secretary determines that the facility or addition—

(1) is complete and usable, fully functional, and ready for occupancy;

(2) satisfies all operational requirements; and

(3) meets all applicable Federal, State, and local requirements relating to health, safety, fire, and the environment.

(e) CONSULTATION REQUIREMENTS.—The Secretary of a military department authorized to enter into an agreement under subsection (a) to convey an existing facility under the control of that Secretary by exchange shall consult with representatives of other reserve components to evaluate—

(1) the value of using the facility to meet the military requirements of another reserve component, instead of conveying the facility under this section; and

(2) the feasibility of using the conveyance of the facility to acquire a facility, or an addition to an existing facility, that would be jointly used by more than one reserve component or unit.

(f) ADVANCE NOTICE OF PROPOSED EXCHANGE.—(1) When a decision is made to enter into an agreement under subsection (a) to exchange a facility using the authority provided by this section, the Secretary of the military department authorized to enter into the agreement shall submit to the congressional defense committees a report on the proposed agreement. The report shall include the following:

(A) A description of the agreement, including the terms and conditions of the agreement, the parties to be involved in the agreement, the origin of the proposal that lead to the agreement, the intended use of the facility to be conveyed by the United States under the agreement, and any costs to be incurred by the United States to make the exchange under the agreement.

(B) A description of the facility to be conveyed by the United States under the agreement, including the current condition and fair market value of the facility, and a description of the method by which the fair market value of the facility was determined.

(C) Information on the facility, or addition to an existing facility, to be acquired by the United States under the agreement and the intended use of the facility or addition, which shall meet requirements for information provided to Congress for military construction projects to obtain a similar facility or addition to an existing facility.

(D) A certification that the Secretary complied with the consultation requirements under subsection (e).

(E) A certification that the conveyance of the facility under the agreement is in the best interests of the United States and that the Secretary used competitive procedures to the maximum extent practicable to protect the interests of the United States.

(2) The agreement described in a report prepared under paragraph (1) may be entered into, and the exchange covered by the agreement made, only after the end of the 30-day period beginning on the date the report is received by the congressional defense committees or, if earlier, the end of the 21-day period beginning on the

date on which a copy of the report is provided in an electronic medium pursuant to section 480 of this title.

(3) Section 2662 of this title shall not apply to an exchange carried out using the authority provided by this section.

(g) **RELATION TO OTHER MILITARY CONSTRUCTION REQUIREMENTS.**—The acquisition of a facility, or an addition to an existing facility, using the authority provided by this section shall not be treated as a military construction project for which an authorization is required by section 2802 of this title.
