June 11<sup>th</sup> – August 6<sup>th</sup>, 2012

# Introduction to the Congressional Leadership Program

The Congressional Leadership Program (CLP) introduces college and graduate students to their region and develops their leadership skills so they can effectively serve their community. CLP's sessions are designed to help a diverse group of high-achieving college and graduate students learn more about the strengths and challenges of their community and how they might live a life engaged in addressing those issues.

Applicants should be residents of or attending college or graduate school in the Ninth Congressional District. CLP class size is limited, so the application process is competitive. Priority consideration will be given to those who apply by May 1<sup>st</sup>, 2012. **Applicants must attend at least four out of five sessions to successfully complete the program.**

If you have any questions, please contact our Jeffersonville Office at 812-288-3999.
