*Working for a Stronger Economy, Lower Taxes*

*"Returning money from Washington, D.C. to America's families and workers is the right thing to do. Tax relief for middle America and small businesses promotes growth and creates jobs. I'm working for policies that expand opportunity and put money back in the pockets of taxpayers, where it belongs."*

## Working for a Stronger Economy and Lower Taxes.

### LOWERING TAXES FOR WASHINGTON FAMILIES

Dave Reichert is working for lower taxes for individuals and Washington families, allowing them to keep more of their hard-earned money. He is doing this by voting for:

- Making the State Sales Tax Deduction permanent
- Making tax relief for married couples permanent
- Increasing the Child Tax Credit and extending it to more families
- Making permanent the 15% Capital Gains Rate
- Repealing the Alternative Minimum Tax and the Death Tax

### PROMOTING FREE AND FAIR TRADE

The financial well-being of Washington families depends heavily on free trade, with one out of every three jobs in Washington State tied to trade. We must continue to negotiate free trade agreements to grow our economy and create jobs.

### ADDRESSING THE UNCERTAIN ECONOMY

The economic stimulus package passed by Congress is not perfect, but it is a first step. It provides immediate tax rebates for eligible taxpayers, extends deductions for businesses to improve their facilities, and offers targeted, government-backed lending to first-time homebuyers. To further address the current crisis in the mortgage market, Dave Reichert has supported efforts to combat predatory lending.
