

# Congressman Ben Quayle Diaper Drive

## Sponsored by St. Mary's Food Bank

This is a recent photo of the rack at St. Mary's Food Bank for Baby Supplies taken by Congressman Ben Quayle's staff. St. Mary's has very little supplies to give to families in need, and can always use more generous donations. Thank you!

***"Children deserve to grow up in a healthy environment. Too often the sanitary needs of a baby are neglected because of a lack of diapers, wipes, powder, and more. This Diaper Drive will help families in need with the necessities to help care for their children."***
