## 11.10 WORDS TAKEN DOWN

Mr. HOKE during one minute speeches addressed the House and, during the course of his remarks,

Mr. ACKERMAN demanded that certain words be taken down.

The Clerk read the words taken down as follows:

"Mr. Speaker, We are here doing the people's business on a regular basis, and what we have just heard is a great hypocrisy coming from the other side of the aisle. The fact that I, in the 103d Congress, which is the only Congress I have had the privilege of being a party to."

By unanimous consent, the words were withdrawn.

Accordingly,  
The SPEAKER pro tempore, Mr. SHAYS, recognized Mr. HOKE to proceed in order.

## 11.11 WORDS TAKEN DOWN

Mr. BURTON during one minute speeches addressed the House and, during the course of his remarks,

Mr. NADLER demanded that certain words be taken down.

The Clerk read the words taken down as follows:

But it is apparent to anyone who is paying attention to what is going on that the Democratic Party is doing everything they can to derail the Contract With America. They are proposing hundreds of amendments to slow down the process. All I want to say is that it is the height of hypocrisy, the height of hypocrisy for the Democrats to come down here and complain about what the Republicans are doing after the way they have run this House for the last 40 years.

The SPEAKER pro tempore, Mr. SHAYS, held the words taken down not to be unparliamentary, and said:

"It would be out of order for the gentleman to make reference to a particular Member, but precedent suggests that reference to procedures, or amendments, or to parties is not out of order."

11.12 MESSAGE FROM THE PRESIDENT—  
NATIONAL EMERGENCY WITH RESPECT  
TO MIDDLE EAST PEACE PROCESS

The SPEAKER pro tempore, Mr. SHAYS, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

Pursuant to section 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) and section 301 of the National Emergencies Act, 50 U.S.C. 1631, I hereby report that I have exercised my statutory author-

ity to declare a national emergency with respect to the grave acts of violence committed by foreign terrorists that threaten to disrupt the Middle East peace process and to issue an Executive order that:

—Blocks all property, including bank deposits, of foreign persons or organizations designated in the Executive order or pursuant thereto, which is in the United States or in the control of United States persons, including their overseas branches; and

—Prohibits any transaction or dealing by United States persons in such property, including the making or receiving of any contribution of funds, goods, or services to or for the benefit of such designated persons.

I have designated in the Executive order 12 foreign organizations that threaten to use violence to disrupt the Middle East peace process. I have authorized the Secretary of State to designate additional foreign persons who have committed, or pose a significant risk of committing, acts of violence that have the purpose or effect of disrupting the Middle East peace process, or who assist in, sponsor, or provide financial, material or technical support for, or services in support of, such acts of violence. Such designations are to be made in coordination with the Secretary of the Treasury and the Attorney General.

The Secretary of the Treasury is further authorized to designate persons or entities that he determines, in coordination with the Secretary of State and the Attorney General, are owned or controlled by, or acting for or on behalf of, any of the foreign persons designated under this order. The Secretary of the Treasury is also authorized to issue regulations in exercise of my authorities under the International Emergency Economic Powers Act to implement these measures in consultation with the Secretary of State and the Attorney General and to coordinate such implementation with the Federal Bureau of Investigation. All Federal agencies are directed to take actions within their authority to carry out the provisions of the Executive order.

I am enclosing a copy of the Executive order that I have issued. The order was effective at 12:01 a.m., eastern standard time on January 24, 1995.

I have authorized these measures in response to recurrent acts of international terrorism that threaten to disrupt the Middle East peace process. They include such acts as the bomb attacks in Israel this past weekend and other recent attacks in Israel, attacks on government authorities in Egypt, threats against Palestinian authorities in the autonomous regions, and the bombing of the Jewish Mutual Association building in Buenos Aires, as well as the car bomb at the Israeli Embassy in London.

Achieving peace between Israel and its neighbors has long been a principal

goal of American foreign policy. Resolving this conflict would eliminate a major source of instability in a part of the world in which we have critical interests, contribute to the security and well-being of Israel, and strengthen important bilateral relationships in the Arab world.

Attempts to disrupt the Middle East peace process through terrorism by groups opposed to peace have threatened and continue to threaten vital interests of the United States, thus constituting an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States.

Terrorist groups engaging in such terrorist acts receive financial and material support for their efforts from persons in the Middle East and elsewhere who oppose that process. Individuals and groups in the United States, too, have been targets of fundraising efforts on behalf of terrorist organizations.

Fundraising for terrorism and use of the U.S. banking system for transfers on behalf of such organizations are inimical to American interests. Further, failure to take effective action against similar fundraising and transfers in foreign countries indicate the need for leadership by the United States on this subject. Thus, it is necessary to provide the tools to combat any financial support from the United States for such terrorist activities. The United States will use these actions on our part to impress on our allies in Europe and elsewhere the seriousness of the danger of terrorist funding threatening the Middle East peace process, and to encourage them to adopt appropriate and effective measures to cut off terrorist fundraising and the harboring of terrorist assets in their territories and by their nationals.

The measures we are taking demonstrate our determination to thwart acts of terrorism that threaten to disrupt the Middle East peace process by attacking any material or financial support for such acts that may emanate from the United States.

WILLIAM J. CLINTON.

THE WHITE HOUSE, *January 23, 1995.*

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 104-23).

¶11.13 UNFUNDED FEDERAL MANDATES

The SPEAKER pro tempore, Mr. SHAYS, pursuant to House Resolution 38 and rule XXIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 5) to curb the practice of imposing unfunded Federal mandates on States and local governments; to strengthen the partnership between the Federal Government and State, local and tribal governments; to end the imposition, in the absence of full consideration by Congress, of Federal mandates on State, local, and tribal gov-

ernments without adequate funding, in a manner that may displace other essential governmental priorities; and to ensure that the Federal Government pays the costs incurred by those governments in complying with certain requirements under Federal statutes and regulations; and for other purposes.

Mr. EMERSON, Chairman of the Committee of the Whole, resumed the chair; and after some time spent therein,

¶11.14 CALL IN COMMITTEE

Mr. EMERSON, Chairman, announced that the Committee, having had under consideration said bill, finding itself without a quorum, directed the Members to record their presence by electronic device, and the following-named Members responded—
