13.16 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment in the nature of a substitute submitted by Mr. CONYERS:

Strike all after the resolving clause and insert the following:

That the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as part of the Constitution when ratified by the legislatures of three-fourths of the several States within seven years after the date of its submission for ratification.

"ARTICLE —

"SECTION 1. Prior to each fiscal year, Congress shall, by law, adopt a statement of receipts and outlays for such fiscal year in which total outlays are not greater than total receipts. Congress may, by law, amend that statement provided revised outlays are not greater than revised receipts. Congress may provide in that statement for a specific excess of outlays over receipts by a vote directed solely to that subject in which a majority of the whole number of each House agree to such excess. Congress and the President shall ensure that actual outlays do not exceed the outlays set forth in such statement.

"SECTION 2. Prior to each fiscal year, the President shall transmit to Congress a proposed statement of receipts and outlays for such fiscal year consistent with the provisions of this Article.

"SECTION 3. Congress may waive the provisions of this Article for any fiscal year in which a declaration of war is in effect. The provisions of this Article may be waived for any fiscal year in which the United States faces an imminent and serious military threat to national security and is so declared by a joint resolution, adopted by a majority of the whole number of each House, which becomes law.

"SECTION 4. Total receipts shall include all receipts of the United States except those

derived from borrowing and total outlays shall include all outlays of the United States except those for the repayment of debt principal. Total receipts shall not include receipts (including attributable interest) for the financing of benefits and administrative expenses of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, or any successor funds, and total outlays shall not include outlays for disbursements of the Federal Old-Age and Survivors Insurance Trust Fund for benefits and administrative expenses and the Federal Disability Insurance Trust Fund for benefits and administrative expenses, or any successor funds. The receipts and outlays referred to in the preceding sentence shall be limited to receipts and outlays that provide old-age and survivor cash benefits for individuals based upon their earnings and dependents of such earners or provide disability cash benefits for disabled individuals based upon their earnings and dependents of such earners.

"SECTION 5. All votes taken by the House of Representatives or the Senate under this Article shall be rollcall votes.

"SECTION 6. Congress shall enforce and implement this Article by appropriate legislation.

"SECTION 7. This Article shall take effect for the fiscal year 2002 or for the second fiscal year beginning after its ratification, whichever is later, if Congress agreed to a concurrent resolution setting forth a budget plan to achieve a balanced budget not later than that fiscal year as follows:

"(1) A budget for each fiscal year beginning with fiscal year 1996 and ending with that first fiscal year (required by this article) containing—

"(A) aggregate levels of new budget authority, outlays, revenues, and the deficit or surplus;

"(B) totals of new budget authority and outlays for each major functional category;

"(C) new budget authority and outlays, on an account-by-account basis, for each account with actual outlays or offsetting receipts of at least \$100,000,000 in fiscal year 1994; and

"(D) an allocation of Federal revenues among the major sources of such revenues.

"(2) A detailed list and description of changes in Federal law (including laws authorizing appropriations or direct spending and tax laws) required to carry out the plan and the effective date of each such change.

"(3) Reconciliation directives to the appropriate committees of the House of Representatives and Senate instructing them to submit legislative changes to the Committee on the Budget of the House or Senate, as the case may be, to implement the plan set forth in the concurrent resolution."
