15.46 COMMITTEES AND SUBCOMMITTEES TO SIT

On motion of Mr. ARMEY, by unanimous consent, the following committees and their subcommittees were granted permission to sit during the 5-minute rule on Tuesday, January 31, 1995: the Committee on Economic and Educational Opportunities, the Committee on Transportation and Infrastructure, the Committee on National Security, the Committee on Science, the Committee on the Judiciary, the Committee on Resources, the Committee on International Relations, and the Committee on Small Business.

15.47 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO LIBYA

The SPEAKER pro tempore, Mr. EHLERS, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I hereby report to the Congress on the developments since my last report of July 18, 1994, concerning the national emergency with respect to Libya that was declared in Executive Order No. 12543 of January 7, 1986. This report is submitted pursuant to section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c); section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c); and section 505(c) of the International Security and Development Cooperation Act of 1985, 22 U.S.C. 2349aa-9(c).

1. On December 22, 1994, I renewed for another year the national emergency with respect to Libya pursuant to IEEPA. This renewal extended the current comprehensive financial and trade embargo against Libya in effect since 1986. Under these sanctions, all trade with Libya is prohibited, and all assets owned or controlled by the Libyan government in the United States or in the possession or control of U.S. persons are blocked.

2. There has been one amendment to the Libyan Sanctions Regulations, 31 C.F.R. Part 550 (the "Regulations"), administered by the Office of Foreign

Assets Control (FAC) of the Department of the Treasury, since my last report on July 18, 1994. The amendment (59 Fed. Reg. 51106, October 7, 1994) identified Arab Hellenic Bank (AHB), an Athens-based financial institution, 4 other entities, and 10 individuals as Specially Designated Nationals (SDNs) of Libya. (In addition to the recent SDN action against AHB, the Greek central bank has recently announced that AHB's banking license has been revoked.) Included among the individuals are three Italian shareholders in Oilinvest (Netherlands) B.V., who increased their positions in the Libyan government-controlled firm shortly before United Nations Security Council Resolution (UNSCR) 883 directed a freeze on certain Libyan assets owned or controlled by the Government or public authorities of Libya.

Pursuant to section 550.304(a) of the Regulations, FAC has determined that these entities and individuals designated as SDNs are owned or controlled by, or acting or purporting to act directly or indirectly on behalf of, the Government of Libya, or are agencies, instrumentalities, or entities of that government. By virtue of this determination, all property and interests in property of these entities or persons that are in the United States or in the possession or control of U.S. persons are blocked. Further, U.S. persons are prohibited from engaging in transactions with these individuals or entities unless the transactions are licensed by FAC. The designations were made in consultation with the Department of State and announced by FAC in notices issued on June 17 and July 22 and 25, 1994. A copy of the amendment is attached to this report.

3. During the current 6-month period, FAC made numerous decisions with respect to applications for licenses to engage in transactions under the Regulations, issuing 136 licensing determinations—both approvals and denials. Consistent with FAC's ongoing scrutiny of banking transactions, the largest category of license approvals (73) concerned requests by non-Libyan persons or entities to unblock bank accounts initially blocked because of an apparent Government of Libya interest. The largest category of denials (41) was for banking transactions in which FAC found a Government of Libya interest. Three licenses were issued authorizing intellectual property protection in Libya.

In addition, FAC issued eight determinations with respect to applications from attorneys to receive fees and reimbursement of expenses for provision of legal services to the Government of Libya in connection with wrongful death civil actions arising from the Pan Am 103 bombing. Civil suits have been filed in the U.S. District Court for the District of Columbia and in the Southern District of New York. Representation of the Government of Libya when named as a defendant in or otherwise made a party to domestic U.S. legal proceedings is authorized by
