¶19.3 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was commu-

nicated to the House by Mr. Edwin Thomas, one of his secretaries.

¶19.4 MESSAGE FROM THE PRESIDENT—
TERMINATION OF SANCTIONS AGAINST
HAITI

THE SPEAKER pro tempore, Mr. TORKILDSEN, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

1. In December 1990, the Haitian people elected Jean-Bertrand Aristide as their President by an overwhelming margin in a free and fair election. The United States praised Haiti's success in peacefully implementing its democratic constitutional system and provided significant political and economic support to the new government. The Haitian military abruptly interrupted the consolidation of Haiti's new democracy when, in September 1991, it illegally and violently ousted President Aristide from office and drove him into exile.

2. The United States, on its own and with the Organization of American States (OAS), immediately imposed sanctions against the illegal regime. Upon the recommendation of the legitimate government of President Aristide and of the OAS, the United Nations Security Council imposed incrementally a universal embargo on Haiti, beginning June 16, 1993, with trade restrictions on certain strategic commodities. The United States actively supported the efforts of the OAS and the United Nations to restore democracy to Haiti and to bring about President Aristide's return by facilitating negotiations between the Haitian parties. The United States and the international community also offered material assistance within the context of an eventual negotiated settlement of the Haitian crisis to support the return to democracy, build constitutional structures, and foster economic well-being.

The continued defiance of the will of the international community by the illegal regime led to an intensification of bilateral and multilateral economic sanctions against Haiti in May 1994. The U.N. Security Council on May 6 adopted Resolution 917, imposing comprehensive trade sanctions and other measures on Haiti. This was followed by a succession of unilateral U.S. sanctions designed to isolate the illegal regime. To augment embargo enforcement, the United States and other countries entered into a cooperative endeavor with the Dominican Republic to monitor that country's enforcement of sanctions along its land border and in its coastal waters.

Defying coordinated international efforts, the illegal military regime in Haiti remained intransigent for some time. Internal repression continued to worsen, exemplified by the expulsion in July 1994 of the U.N./O.A.S.-sponsored International Civilian Mission (ICM) human rights observers. Responding to the threat to peace and security in the region, the U.N. Security Council

passed Resolution 940 on July 31, 1994, authorizing the formation of a multinational force to use all necessary means to facilitate the departure from Haiti of the military leadership and the return of legitimate authorities including President Aristide.

In the succeeding weeks, the international community under U.S. leadership assembled a multinational coalition force to carry out this mandate. At my request, former President Carter, Chairman of the Senate Armed Services Committee Sam Nunn, and former Chairman of the Joint Chiefs of Staff Colin Powell went to Haiti on September 16 to meet with the *de facto* Haitian leadership. The threat of imminent military intervention combined with determined diplomacy achieved agreement in Port-au-Prince on September 18 for the *de facto* leaders to relinquish power by October 15. United States forces in the vanguard of the multinational coalition force drawn from 26 countries began a peaceful deployment in Haiti on September 19 and the military leaders have since relinquished power.

In a spirit of reconciliation and reconstruction, on September 25 President Aristide called for the immediate easing of sanctions so that the work of rebuilding could begin. In response to this request, on September 26 in an address before the United Nations General Assembly, I announced my intention to suspend all unilateral sanctions against Haiti except those that affected the military leaders and their immediate supporters and families. On September 29, the U.N. Security Council adopted Resolution 944 terminating U.N.-imposed sanctions as of the day after President Aristide returned to Haiti.

On October 15, President Aristide returned to Haiti to assume his official responsibilities. Effective October 16, 1994, by Executive Order No. 12932 (59 Fed. Reg. 52403, October 14, 1994), I terminated the national emergency declared on October 4, 1991, in Executive Order No. 12775, along with all sanctions with respect to Haiti imposed in that Executive order, subsequent Executive orders, and the Department of the Treasury regulations to deal with that emergency. This termination does not affect compliance and enforcement actions involving prior transactions or violations of the sanctions.

3. This report is submitted to the Congress pursuant to 50 U.S.C. 1641(c) and 1703(c). It is not a report on all U.S. activities with respect to Haiti, but discusses only those Administration actions and expenses since my last report (October 13, 1994) that are directly related to the national emergency with respect to Haiti declared in Executive Order No. 12775, as implemented pursuant to that order and Executive Orders Nos. 12779, 12853, 12872, 12914, 12917, 12920, and 12922.

4. The Department of the Treasury's Office of Foreign Assets Control (FAC) amended the Haitian Transactions Regulations, 31 C.F.R. Part 580 (the

"HTR") on December 27, 1994 (59 Fed. Reg. 66476, December 27, 1994), to add section 580.524, indicating the termination of sanctions pursuant to Executive Order No. 12932, effective October 16, 1994. The effect of this amendment is to authorize all transactions previously prohibited by subpart B of the HTR or by the previously stated Executive orders. Reports due under general or specific license must still be filed with FAC covering activities up until the effective date of this termination. Enforcement actions with respect to past violations of the sanctions are not affected by the termination of sanctions. A copy of the FAC amendment is attached.

5. The total expenses incurred by the Federal Government during the period of the national emergency with respect to Haiti from October 4, 1991, through October 15, 1994, that are directly attributable to the authorities conferred by the declaration of a national emergency with respect to Haiti are estimated to be approximately \$6.2 million, most of which represent wage and salary costs for Federal personnel. This estimate has been revised downward substantially from the sum of estimates previously reported in order to eliminate certain previously reported costs incurred with respect to Haiti, but not directly attributable to the exercise of powers and authorities conferred by the declaration of the terminated national emergency with respect to Haiti.

Thus, with the termination of sanctions, this is the last periodic report that will be submitted pursuant to 50 U.S.C. 1703(c) and also constitutes the last semiannual report and final report on Administration expenditures required pursuant to 50 U.S.C. 1641(c).

WILLIAM J. CLINTON.

THE WHITE HOUSE, February 3, 1995.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 104-32).

¶19.5 LINE-ITEM VETO

¶19.8 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment in the nature of a substitute submitted by Mr. WISE:

Strike all after the enacting clause and insert the following:

SECTION 1. EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS AND TARGETED TAX BENEFITS.

(a) IN GENERAL.—Section 1012 of the Congressional Budget and Impoundment Control Act of 1974 (2 U.S.C. 683) is amended to read as follows:

"EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS

"SEC. 1012. (a) PROPOSED RESCISSION OF BUDGET AUTHORITY OR REPEAL OF TARGETED TAX BENEFITS.—The President may propose, at the time and in the manner provided in subsection (b), the rescission of any budget authority provided in an appropriation Act or repeal of any targeted tax benefit provided in any revenue Act. If the President proposes a rescission of budget authority, he may also propose to reduce the appropriate discretionary spending limit set forth in sec-

tion 601(a)(2) of the Congressional Budget Act of 1974 by an amount that does not exceed the amount of the proposed rescission. Funds made available for obligation under this procedure may not be proposed for rescission again under this section.

"(b) TRANSMITTAL OF SPECIAL MESSAGE.—

"(1) The President may transmit to Congress a special message proposing to rescind amounts of budget authority or to repeal any targeted tax benefit and include with that special message a draft bill that, if enacted, would only rescind that budget authority or repeal that targeted tax benefit unless the President also proposes a reduction in the appropriate discretionary spending limit set forth in section 601(a)(2) of the Congressional Budget Act of 1974. That bill shall clearly identify the amount of budget authority that is proposed to be rescinded for each program, project, or activity to which that budget authority relates or the targeted tax benefit proposed to be repealed, as the case may be. A targeted tax benefit may only be proposed to be repealed under this section during the 10-legislative-day period commencing on the day after the date of enactment of the provision proposed to be repealed.

"(2) In the case of an appropriation Act that includes accounts within the jurisdiction of more than one subcommittee of the Committee on Appropriations, the President in proposing to rescind budget authority under this section shall send a separate special message and accompanying draft bill for accounts within the jurisdiction of each such subcommittee.

"(3) Each special message shall specify, with respect to the budget authority proposed to be rescinded, the following—

"(A) the amount of budget authority which he proposes to be rescinded;

"(B) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;

"(C) the reasons why the budget authority should be rescinded;

"(D) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect (including the effect on outlays and receipts in each fiscal year) of the proposed rescission;

"(E) all facts, circumstances, and considerations relating to or bearing upon the proposed rescission and the decision to effect the proposed rescission, and to the maximum extent practicable, the estimated effect of the proposed rescission upon the objects, purposes, and programs for which the budget authority is provided; and

"(F) a reduction in the appropriate discretionary spending limit set forth in section 601(a)(2) of the Congressional Budget Act of 1974, if proposed by the President.

Each special message shall specify, with respect to the proposed repeal of targeted tax benefits, the information required by subparagraphs (C), (D), and (E), as it relates to the proposed repeal.

"(c) PROCEDURES FOR EXPEDITED CONSIDERATION.—

"(1)(A) Before the close of the second legislative day of the House of Representatives after the date of receipt of a special message transmitted to Congress under subsection (b), the majority leader or minority leader of the House of Representatives shall introduce (by request) the draft bill accompanying that special message. If the bill is not introduced as provided in the preceding sentence, then, on the third legislative day of the House of Representatives after the date of receipt of that special message, any Member of that House may introduce the bill.

"(B) The bill shall be referred to the Committee on Appropriations or the Committee

on Ways and Means of the House of Representatives, as applicable. The committee shall report the bill without substantive revision and with or without recommendation. The bill shall be reported not later than the seventh legislative day of that House after the date of receipt of that special message. If that committee fails to report the bill within that period, that committee shall be automatically discharged from consideration of the bill, and the bill shall be placed on the appropriate calendar.

“(C) During consideration under this paragraph, any Member of the House of Representatives may move to strike any proposed rescission or rescissions of budget authority or any proposed repeal of a targeted tax benefit, as applicable, if supported by 49 other Members.

“(D) A vote on final passage of the bill shall be taken in the House of Representatives on or before the close of the 10th legislative day of that House after the date of the introduction of the bill in that House. If the bill is passed, the Clerk of the House of Representatives shall cause the bill to be engrossed, certified, and transmitted to the Senate within one calendar day of the day on which the bill is passed.

“(2)(A) A motion in the House of Representatives to proceed to the consideration of a bill under this section shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.
