Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 1158) making emergency supplemental appropriations for additional disaster assistance and making rescissions for the fiscal year ending September 30, 1995, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule for a period not to exceed ten hours and shall be considered as read. Points of order against provisions in the bill for failure to comply

with clause 2 of rule XXI are waived. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of H.R. 1158 modified as follows: on page 56, after line 12, add as new titles IV, V, and VI the respective texts of titles I, II, and III of the bill (H.R. 1159) making supplemental appropriations and rescissions for the fiscal year ending September 30, 1995, and for other purposes, except the text of section 306 of H.R. 1159. The amendment in the nature of a substitute shall be considered as read. Points of order against the amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI or clause 2 of rule XXI are waived. No amendment to the amendment in the nature of a substitute shall be in order unless printed as an amendment to H.R. 1158 or H.R. 1159, as the case may be, in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII before March 14, 1995. Amendments so printed shall be considered as read. Points of order against such amendments for failure to comply with clause 2(e) of rule XXI are waived. It shall not be in order to consider an amendment proposing to increase the net level of budget authority in the bill. It shall not be in order to consider an amendment proposing to redistribute budget authority within the net level of budget authority in the bill except within a chapter of the bill or, in the case of a title of the bill not organized by chapters, within such title. Debate on each amendment to the amendment in the nature of a substitute and any amendments thereto shall be limited to thirty minutes. Notwithstanding any other provision of this resolution, all points of order against the amendments specified in the report of the Committee on Rules accompanying this resolution are waived. At the conclusion of consideration of the bill for amendment, the Committee shall rise and report the bill to the House with such amendment as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and any amendment thereto to final passage without intervening motion except one motion to recommend with or without instructions.

TITLE IV—DEFICIT REDUCTION
 LOCKBOX

DEFICIT REDUCTION TRUST FUND

SEC. 4001. (a) ESTABLISHMENT.—There is established in the Treasury of the United States a trust fund to be known as the "Deficit Reduction Trust Fund" (in this title referred to as the "Fund").

(b) CONTENTS.—The Fund shall consist only of amounts transferred to the Fund under subsection (c).

(c) TRANSFERS OF MONEYS TO FUND.—For each of the fiscal years 1995 through 1998, the Secretary of the Treasury shall transfer to the Fund amounts equivalent to the net deficit reduction achieved during such fiscal year as a result of the provisions of this Act.

(d) USE OF MONEYS IN FUND.—

(1) IN GENERAL.—Except as provided in paragraph (2), the amounts in the Fund shall not be available, in any fiscal year, for appropriation, obligation, expenditure, or transfer.

(2) USE OF AMOUNTS FOR REDUCTION OF PUBLIC DEBT.—The Secretary of the Treasury shall use the amounts in the Fund to redeem, or buy before maturity, obligations of the Federal Government that are included in the public debt. Any obligation of the Federal Government that is paid, redeemed, or bought with money from the Fund shall be canceled and retired and may not be re-issued.

DOWNWARD ADJUSTMENTS IN DISCRETIONARY
 SPENDING LIMITS

SEC. 4002. (a) IN GENERAL.—Upon the enactment of this Act, the Director of the Office of Management and Budget shall make downward adjustments in the discretionary spending limits (new budget authority and outlays) specified in section 601(a)(2) of the Congressional Budget Act of 1974 for each of the fiscal years 1996 through 1998 by the aggregate amount of estimated reductions in new budget authority and outlays for discretionary programs resulting from the provisions this Act (other than emergency appropriations) for such fiscal year, as calculated by the Director.

(b) OUTYEAR TREATMENT OF RESCISSIONS.—For discretionary programs for which this Act rescinds budget authority for specific fiscal years, the Director of the Office of Management and Budget shall include in the aggregate amount of the downward adjustments under subsection (a) amounts reflecting budget authority reductions for the succeeding fiscal years through 1998, calculated by inflating the amount of the rescission using the baseline procedures identified in section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985.

¶45.32 MESSAGE FROM THE PRESIDENT—
NATIONAL EMERGENCY WITH RESPECT TO IRAN

The SPEAKER pro tempore, Mr. KIM, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Pursuant to section 204(b) of the International Emergency Economic Powers Act (50 U.S.C. 1703(b)) and section 301 of the National Emergencies Act (50 U.S.C. 1631), I hereby report that I have exercised my statutory authority to declare a national emergency to respond to the actions and policies of the Government of Iran and to issue an Executive order prohibiting United States persons from entering into contracts for the financing of or the overall management or supervision of the development of petroleum resources located in Iran or over which Iran claims jurisdiction.

The Secretary of the Treasury is authorized to issue regulations in exercise of my authorities under the International Emergency Economic Powers Act to implement these prohibitions. All Federal agencies are also directed to take actions within their authority to carry out the provisions of the Executive order.

I am enclosing a copy of the Executive order that I have issued. The order is effective at 12:01 a.m., eastern standard time, on March 16, 1995.

I have authorized these measures in response to the actions and policies of Iran including support for international terrorism, efforts to undermine the Middle East Peace Process, and the acquisition of weapons of mass destruction and the means to deliver them. We have worked energetically to press the Government of Iran to cease this unacceptable behavior. To that end we have worked closely with Allied governments to prevent Iran's access to goods that would enhance its military capabilities and allow it to further threaten the security of the region. We have also worked to limit Iran's financial resources by opposing subsidized lending.

Iran has reacted to the limitations on its financial resources by negotiating for Western firms to provide financing and know-how for management of the development of petroleum resources. Such development would provide new funds that the Iranian Government could use to continue its current policies. It continues to be the policy of the U.S. Government to seek to limit those resources and these prohibitions will prevent United States persons from acting in a manner that undermines that effort.

WILLIAM J. CLINTON.

THE WHITE HOUSE, March 15, 1995.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 104-46).
