Amendment No. 12, as modified, offered by Mr. BURTON of Indiana: Page 85, after line 15, insert the following:

SEC. 205. SENSE OF THE CONGRESS REGARDING TIMELY ADOPTION OF CHILDREN.

It is the sense of the Congress that—

(1) too many children who wish to be adopted are spending inordinate amounts of time in foster care;

(2) there is an urgent need for States to increase the number of waiting children being adopted in a timely and lawful manner.

(3) Studies have shown that States spend an excess of \$15,000 each year on each special needs child in foster care, and would save significant amounts of money if they offered incentives to families to adopt special needs children;

(4) States should allocate sufficient funds under this title for adoption assistance and medical assistance to encourage more families to adopt children who otherwise would languish in the foster care system for a period that many experts consider detrimental to their development;

(5) State should offer incentives for families that adopt special needs children to make adoption more affordable for middle-class families;

(6) when it is necessary for a State to remove a child from the home of the child's biological parents, the State should strive—

(A) to provide the child with a single foster care placement and a single coordinated case team; and

(B) to conclude an adoption of the child, when adoption is the goal of the child and the State, within one year of the child's placement in foster care; and

(7) States should participate in local, regional, or national programs to enable maximum visibility of waiting children to potential parents. Such programs should include a nationwide, interactive computer network to disseminate information on children eligible for adoption to help match them with families around the country.
