(B)(i) Require all adult recipients in a 1-parent family which includes only children age 5 or older and who have received benefits for more than 24 months (whether or not consecutive) under the program to engage in work activities (as defined in section 404(a)(1)(C)(iii)) for at least 30 hours per week. If a State classifies a family as such a 1-parent family on or after the date which is 10 months after the date of enactment of the Personal Responsibility Act of 1995, the family shall continue to be so classified regardless of whether an additional child under age 5 becomes a member of the family.

(ii) Provide exemptions at the option of the State for not more than 20 percent of the adult recipients of assistance under the program who are described in clause (i) from the requirement set forth in clause (i) for reasons set forth by the State.
