¶48.9 PROVIDING FOR THE FURTHER CONSIDERATION OF H.R. 4

Mr. SOLOMON, by direction of the Committee on Rules, called up the following resolution (H. Res. 119):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for further consideration of the bill (H.R. 4) to restore the American family, reduce illegitimacy, control welfare spending, and reduce welfare dependence. No further general debate shall be in order. An amendment in the nature of a substitute consisting of the text of H.R. 1214 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule. The bill, as amended, shall be considered as read. No further amendment shall be in order except the amendments printed in the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 2 of this resolution, and the amendments designated in section 3 of this resolution. Except as specified in section 2, 3, or 4 of this resolution, each amendment made in order by this resolution may

be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for twenty minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment (except that the chairman and ranking minority member of the Committee on Ways and Means, or their designees, each may offer one pro forma amendment to any amendment printed in the report for the purpose of debate), and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against amendments made in order by this resolution are waived.

SEC. 2. It shall be in order at any time before the consideration of the amendments designated in section 3 of this resolution for the chairman of the Committee on Ways and Means or his designee to offer amendments en bloc consisting of amendments printed in the report of the Committee on Rules accompanying this resolution not earlier disposed of or germane modifications of any such amendment. Amendments en bloc offered pursuant to this section shall be considered as read (except that modifications shall be reported) and shall be debatable for twenty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Ways and Means or their designees. For the purpose of inclusion in such amendments en bloc, an amendment printed in the form of a motion to strike may be modified to the form of a germane perfecting amendment to the text originally proposed to be stricken. The original proponent of an amendment included in such amendments en bloc may insert a statement in the Congressional Record immediately before the discussion of the amendments en bloc.

SEC. 3. (a) After disposition of the amendments printed in the report of the Committee on Rules accompanying this resolution and any amendments en bloc offered pursuant to section 2 of this resolution, it shall be in order to consider the following amendments in the following order—

(1) a further amendment in the nature of a substitute consisting of the text of H.R. 1267, if offered by Representative Deal of Georgia or his designee;

(2) a further amendment in the nature of a substitute consisting of the text of H.R. 1250, if offered by Representative Mink of Hawaii or her designee; and

(3) a further amendment in the nature of a substitute consisting of the text of the bill, as it had been perfected before the consideration of amendments pursuant to this section, if offered by the chairman of the Committee on Ways and Means or his designee.

(b) Each of the amendments designated in subsection (a) of this section shall be debatable for one hour equally divided and controlled by the proponent and an opponent.

(c) The amendment designated in subparagraph (a)(3) of this section shall be subject to amendment by any amendment printed in the report of the Committee on Rules accompanying this resolution that was not earlier disposed of as an amendment to the bill, as amended pursuant to this resolution, before the consideration of amendments pursuant to this section. Amendments to the amendment designated in subparagraph (a)(3) of this section shall be considered under the same terms as if offered to the bill, as amended by this resolution, and shall be subject to the last sentence of section 4 of this resolution.

(d) If more than one of the amendments designated in subsection (a) of this section is adopted, then only the one receiving the greater number of affirmative votes shall be considered as finally adopted. In the case of

a tie for the greater number of affirmative votes, then only the last amendment to receive that number of affirmative votes shall be considered as finally adopted.

SEC. 4. The Chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment made in order by this resolution. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. The Chairman of the Committee of the Whole may recognize for consideration of any amendment printed in the report of the Committee on Rules accompanying this resolution out of the order printed, but not sooner than one hour after the chairman of the Committee on Ways and Means or a designee announces from the floor a request to that effect.

SEC. 5 At the conclusion of the bill for amendment the Committee shall rise and report the bill, as amended pursuant to this resolution, to the House with such further amendments as may have been finally adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole either to the bill, as amended pursuant to this resolution, or as incorporated in a further amendment in the nature of a substitute designated in section 3(a)(3) of this resolution, unless replaced by a further amendment in the nature of a substitute designated in section 3(a)(1) or 3(a)(2) of this resolution. The previous question shall be considered as ordered on the bill and any amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered. After debate,

By unanimous consent, the previous question was ordered on the resolution to its adoption or rejection.

The question being put, viva voce,

Will the House agree to said resolution?

The SPEAKER pro tempore, Mr. OXLEY, announced that the nays had it.

Mr. SOLOMON objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
