¶48.9 PROVIDING FOR THE FURTHER CONSIDERATION OF H.R. 4

Mr. SOLOMON, by direction of the Committee on Rules, called up the following resolution (H. Res. 119):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for further consideration of the bill (H.R. 4) to restore the American family, reduce illegitimacy, control welfare spending, and reduce welfare dependence. No further general debate shall be in order. An amendment in the nature of a substitute consisting of the text of H.R. 1214 shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule. The bill, as amended, shall be considered as read. No further amendment shall be in order except the amendments printed in the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 2 of this resolution, and the amendments designated in section 3 of this resolution. Except as specified in section 2, 3, or 4 of this resolution, each amendment made in order by this resolution may

be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for twenty minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment (except that the chairman and ranking minority member of the Committee on Ways and Means, or their designees, each may offer one pro forma amendment to any amendment printed in the report for the purpose of debate), and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against amendments made in order by this resolution are waived.

SEC. 2. It shall be in order at any time before the consideration of the amendments designated in section 3 of this resolution for the chairman of the Committee on Ways and Means or his designee to offer amendments en bloc consisting of amendments printed in the report of the Committee on Rules accompanying this resolution not earlier disposed of or germane modifications of any such amendment. Amendments en bloc offered pursuant to this section shall be considered as read (except that modifications shall be reported) and shall be debatable for twenty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Ways and Means or their designees. For the purpose of inclusion in such amendments en bloc, an amendment printed in the form of a motion to strike may be modified to the form of a germane perfecting amendment to the text originally proposed to be stricken. The original proponent of an amendment included in such amendments en bloc may insert a statement in the Congressional Record immediately before the discussion of the amendments en bloc.

SEC. 3. (a) After disposition of the amendments printed in the report of the Committee on Rules accompanying this resolution and any amendments en bloc offered pursuant to section 2 of this resolution, it shall be in order to consider the following amendments in the following order—

(1) a further amendment in the nature of a substitute consisting of the text of H.R. 1267, if offered by Representative Deal of Georgia or his designee;

(2) a further amendment in the nature of a substitute consisting of the text of H.R. 1250, if offered by Representative Mink of Hawaii or her designee; and

(3) a further amendment in the nature of a substitute consisting of the text of the bill, as it had been perfected before the consideration of amendments pursuant to this section, if offered by the chairman of the Committee on Ways and Means or his designee.

(b) Each of the amendments designated in subsection (a) of this section shall be debatable for one hour equally divided and controlled by the proponent and an opponent.

(c) The amendment designated in subparagraph (a)(3) of this section shall be subject to amendment by any amendment printed in the report of the Committee on Rules accompanying this resolution that was not earlier disposed of as an amendment to the bill, as amended pursuant to this resolution, before the consideration of amendments pursuant to this section. Amendments to the amendment designated in subparagraph (a)(3) of this section shall be considered under the same terms as if offered to the bill, as amended by this resolution, and shall be subject to the last sentence of section 4 of this resolution.

(d) If more than one of the amendments designated in subsection (a) of this section is adopted, then only the one receiving the greater number of affirmative votes shall be considered as finally adopted. In the case of

a tie for the greater number of affirmative votes, then only the last amendment to receive that number of affirmative votes shall be considered as finally adopted.

SEC. 4. The Chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment made in order by this resolution. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. The Chairman of the Committee of the Whole may recognize for consideration of any amendment printed in the report of the Committee on Rules accompanying this resolution out of the order printed, but not sooner than one hour after the chairman of the Committee on Ways and Means or a designee announces from the floor a request to that effect.

SEC. 5 At the conclusion of the bill for amendment the Committee shall rise and report the bill, as amended pursuant to this resolution, to the House with such further amendments as may have been finally adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole either to the bill, as amended pursuant to this resolution, or as incorporated in a further amendment in the nature of a substitute designated in section 3(a)(3) of this resolution, unless replaced by a further amendment in the nature of a substitute designated in section 3(a)(1) or 3(a)(2) of this resolution. The previous question shall be considered as ordered on the bill and any amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

NOT VOTING—3

- Doyle Edwards Flake

So the amendment was agreed to.

48.16 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendments en bloc submitted by Mr. ARCHER:

Amendment No. 2, offered by Mr. TALENT: Page 6, after line 3, insert the following:

SEC. 100. SENSE OF THE CONGRESS.

It is the sense of the Congress that—

- (1) marriage is the foundation of a successful society;
- (2) marriage is an essential social institution which promotes the interests of children and society at large;
- (3) the negative consequences of an out-of-wedlock birth on the child, the mother, and society are well documented as follows:

(A) the illegitimacy rate among black Americans was 26 percent in 1965, but today the rate is 68 percent and climbing;

(B) the illegitimacy rate among white Americans has risen tenfold, from 2.29 percent in 1960 to 22 percent today;

(C) the total of all out-of-wedlock births between 1970 and 1991 has risen from 10 percent to 30 percent and if the current trend continues 50 percent of all births by the year 2015 will be out-of-wedlock;

(D) ¾ of illegitimate births among whites are to women with a high school education or less;

(E) the 1-parent family is 6 times more likely to be poor than the 2-parent family;

(F) children born into families receiving welfare assistance are 3 times more likely than children not born into families receiving welfare to be on welfare when they reach adulthood;

(G) teenage single parent mothering is the single biggest contributor to low birth weight babies;

(D) children born out-of-wedlock are more likely to experience low verbal cognitive attainment, child abuse, and neglect;

(I) young people from single parent or step-parent families are 2 to 3 times more likely to have emotional or behavioral problems than those from intact families;

(J) young white women who were raised in a single parent family are more than twice as likely to have children out-of-wedlock and to become parents as teenagers, and almost twice as likely to have their marriages end in divorce, as are children from 2-parent families;

(K) the younger the single parent mother, the less likely she is to finish high school;

(L) young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time;

(M) between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at \$120,000,000,000;

(N) the absence of a father in the life of a child has a negative effect on school performance and peer adjustment;

(O) the likelihood that a young black man will engage in criminal activities doubles if he is raised without a father and triples if he lives in a neighborhood with a high concentration of single parent families; and

(P) the greater the incidence of single parent families in a neighborhood, the higher the incidence of violent crime and burglary; and

(4) in light of this demonstration of the crisis in our Nation, the reduction of out-of-wedlock births is an important government interest and the policy contained in provisions of this title address the crisis.

Amend the table of contents accordingly.

Page 85, after line 15, insert the following:

SEC. 205. SENSE OF THE CONGRESS REGARDING TIMELY ADOPTION OF CHILDREN.

It is the sense of the Congress that—

(1) too many children who wish to be adopted are spending inordinate amounts of time in foster care;

(2) there is an urgent need for States to increase the number of waiting children being adopted in a timely and lawful manner;

(3) States should allocate sufficient funds under this title for adoption assistance and medical assistance to encourage more families to adopt children who otherwise would languish in the foster care system for a period that many experts consider detrimental to their development;

(4) when it is necessary for a State to remove a child from the home of the child's biological parents, the State should strive—

(A) to provide the child with a single foster care placement and a single coordinated case team; and

(B) to conclude an adoption of the child, when adoption is the goal of the child and the State, within one year of the child's placement in foster care; and

Amendment No. 12, as modified, offered by Mr. BURTON of Indiana: Page 85, after line 15, insert the following:

SEC. 205. SENSE OF THE CONGRESS REGARDING TIMELY ADOPTION OF CHILDREN.

It is the sense of the Congress that—

(1) too many children who wish to be adopted are spending inordinate amounts of time in foster care;

(2) there is an urgent need for States to increase the number of waiting children being adopted in a timely and lawful manner.

(3) Studies have shown that States spend an excess of \$15,000 each year on each special needs child in foster care, and would save significant amounts of money if they offered incentives to families to adopt special needs children;

(4) States should allocate sufficient funds under this title for adoption assistance and medical assistance to encourage more families to adopt children who otherwise would languish in the foster care system for a period that many experts consider detrimental to their development;

(5) State should offer incentives for families that adopt special needs children to make adoption more affordable for middle-class families;

(6) when it is necessary for a State to remove a child from the home of the child's biological parents, the State should strive—

(A) to provide the child with a single foster care placement and a single coordinated case team; and

(7) States should participate in local, regional, or national programs to enable maximum visibility of waiting children to potential parents. Such programs should include a nationwide, interactive computer network to disseminate information on children eligible for adoption to help match them with families around the country.
