¶60.18 PROVIDING FOR THE CONSIDERATION OF H. R. 655

Mr. QUILLEN, by direction of the Committee on Rules, called up the following resolution (H. Res. 136):

Resolved, That at any time after the adoption of this resolution the Speaker may, pur-

suant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 655) to authorize the hydrogen research, development, and demonstration programs of the Department of Energy, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Science. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Science now printed in the bill. Each section of the committee amendment in the nature of a substitute shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

When said resolution was considered.

After debate,

On motion of Mr. QUILLEN, the previous question was ordered on the resolution to its adoption or rejection and under the operation thereof, the resolution was agreed to.

A motion to reconsider the vote whereby said resolution was agreed to was, by unanimous consent, laid on the table.

¶60.19 HYDROGEN FUTURE

The SPEAKER pro tempore, Mr. COMBEST, pursuant to House Resolution 136 and rule XXIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 655) to authorize the hydrogen research, development, demonstration programs of the Department of Energy, and for other purposes.

The SPEAKER pro tempore, Mr. COMBEST, by unanimous consent, designated Mr. HANSEN as Chairman of the Committee of the Whole; and after some time spent therein,
