(c) FISH CONSUMPTION ADVISORIES.—Section 304 (33 U.S.C. 1314) is amended by adding at the end the following:

“(o) FISH CONSUMPTIONS ADVISORIES.—“(1) POSTING.—Not later than 18 months after the date of the enactment of this Act,

the Administrator shall propose and issue regulations establishing minimum, uniform requirements and procedures requiring States, either directly or through local authorities, to post signs, at reasonable and appropriate points of public access, on navigable waters or portions of navigable waters that significantly violate applicable water quality standards under this Act or that are subject to a fishing or shell-fishing ban, advisory, or consumption restriction (issued by a Federal, State, or local authority) due to fish or shellfish contamination.

“(2) SIGNS.—The regulations shall require the signs to be posted under this subsection—

“(A) to indicate clearly the water quality standard that is being violated or the nature and extent of the restriction on fish or shellfish consumption;

“(B) to be in English, and when appropriate, any language used by a large segment of the population in the immediate vicinity of the navigable waters;

“(C) to include a clear warning symbol; and

“(D) to be maintained until the body of water is consistently in compliance with the water quality standard or until all fish and shellfish consumption restrictions are terminated for the body of water or portion thereof.”

Page 73, after line 18, insert the following:

(c) FISH AND SHELLFISH SAMPLINGS.—Section 304 (33 U.S.C. 1314) is amended by adding at the end the following:

“(n) FISH AND SHELLFISH SAMPLINGS; MONITORING.—Not later than 18 months after the date of the enactment of this Act, the Administrator shall propose and issue regulations to establish uniform and scientifically sound requirements and procedures for fish and shellfish sampling and analysis and uniform requirements for monitoring of navigable waters that do not meet applicable water quality standards under this Act or that are subject to a fishing or shell-fishing ban, advisory, or consumption restriction (issued by a Federal, State, or local authority) due to fish or shellfish contamination.”

Page 203, after line 8, insert the following:  
**SEC. 410. ENVIRONMENTAL JUSTICE REVIEW.**

Section 402 (32 U.S.C. 1342) is further amended by adding at the end the following:

“(u) ENVIRONMENTAL JUSTICE REVIEW.—No permit may be issued under this section unless the Administrator or the State, as the case may be, first reviews the proposed permit to identify and reduce disproportionately high and adverse impacts to the health of, or environmental exposures of, minority and low-income populations.”

Redesignate subsequent sections of the bill accordingly. Conform the table of contents of the bill accordingly.

Page 213, after line 14, insert the following:  
**SEC. 508. DATA COLLECTION.**

Section 516 (33 U.S.C. 1375) is amended by inserting after subsection (e) the following:

“(f) DATA COLLECTION.—

“(1) IN GENERAL.—The Administrator shall, on an ongoing basis—

“(A) collect, maintain, and analyze data necessary to assess and compare the levels and sources of water pollution to which minority and low-income populations are disproportionately exposed; and

“(B) for waters receiving discharges in violation of permits issued under section 402 or waters with levels of pollutants exceeding applicable water quality standards under this Act, collect data on the frequency and volume of discharges of each pollutant for which a violation occurs into waters adjacent to or used by minority and low-income communities.
