Footnotes :

- 1 This is the total gross loan value approved. Typically, due to cancellations and loan size reductions, 15 – 20% of gross approvals are not disbursed. Funding associated with cancelled loans is made available to approve new loans.
- 2 Data is self-reported by the borrower and appears in the SBA loan application form.
- 3 Microlenders have two years from date of their loan approval to make loans to Microborrowers.
- 4 Data is calculated using historical ratios. The surety bond application form is being revised to collect this information from the applicant.

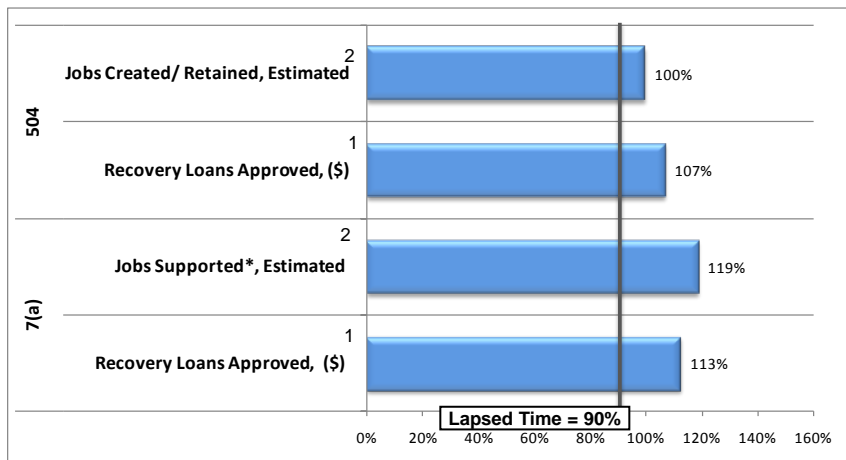

* the name was changed to better reflect how businesses report jobs; this change does not affect comparability with prior numbers

Program-to-Date Recovery Loans Approved out of Total Recovery Loan Approvals Available*

*Recovery funding will support approximately \$14.4 billion in 7(a) loans, \$5.5 billion in 504 loans, \$335 million in ARC loans, and \$46 million in loans to Microlenders.

Percent* of Recovery Program Targets Achieved as of July 31, 2010

* The government-wide Recovery Act period is from February 17, 2009 to September 30, 2010. However, certain programs were not available until a later date. Thus, the lapsed time refers to the period between the program start date and the end of the Recovery Act period. The program start dates are:

- 7(a) & 504: February 17th, 2009
- Surety Bid Bonds: March 27th, 2009
- Surety Final Bonds: June 27th, 2009
 - Companies use bid bonds when they bid on contracts and use final bonds for contracts awarded. As a result, issuance of Final bonds lag Bid bonds.
- ARC : June 15th, 2009
- Microloans: July 31st, 2009
