

Over 86 people attended the U.S. Department of Commerce *Forum on Energy Efficiency in Manufacturing*, representing industry, trade associations, think tanks, and government.

Congresswoman Marcy Kaptur welcomes Forum participants to Owens Corning and discusses the importance of energy efficiency and renewable energy.

Assistant Secretary of Commerce Mary Saunders gives brief opening remarks. She later moderated both panel discussions.

Ryan Mulholland, International Trade Specialist with the U.S. Department of Commerce, discusses a newly-released *Checklist for Corporate Energy Efficiency*.

Frank O'Brien-Bernini, Chief Sustainability Officer for Owens Corning, delivers a keynote address describing Owens Corning's energy efficiency efforts.
