# Letter from Dr. Elizabeth With.

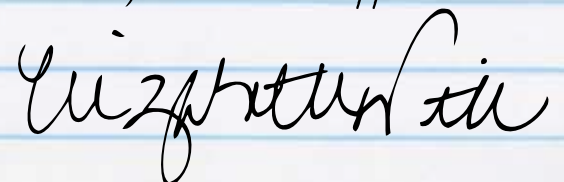

Vice President of the Division of Student Affairs at UNT

The Division of Student Affairs (DSA) at the University of North Texas is the principal unit that provides, coordinates, and administers student support programs and services designed to address the diverse needs of all students throughout their association with the University. Reporting to the Vice President for Student Affairs, the DSA has a staff of 539 professionals committed to serving 36,700 students. The Division supports 24 key student service areas which encompass the entire student to alumni lifecycle and builds relationships with students from matriculation to graduation. The DSA believes in the concept that learning transcends the boundaries of the physical classroom space and is reflected in our mission:

"The DSA provides opportunities for students and the campus community to cultivate academic, personal, and professional success. We enhance the student experience through a wide array of intentional programs, services and activities that support the lifecycle of our students."

Recognizing affinity has deep roots in the student experience, the DSA believes it is uniquely situated to enhance a student's time on our campus by providing unique opportunities for students to get involved, gain support, and make undergraduate memories. Our goals have been intentionally framed to help the Division expand upon and improve the student experience and to remove barriers to student success. We are proud of the programs and services we have been able to provide the students of UNT and invite our various constituents to have an opportunity to share in the student affairs experience of the 2010-2011 academic year. We are constantly striving to provide our students with the best possible services that keep pace with their evolving needs.

Thank you to those who have made our efforts possible and for your continued support.

# Division of Student Affairs

The Division of Student Affairs provides opportunities for students and the campus community to cultivate academic, personal, and professional success. We enhance the student experience through a wide array of intentional programs, services and activities that support the lifecycle of our students.

## Research, Assessment and Planning (RAP)

RAP works to ensure a strong return on the investment the Division makes in the out-of-class experiences of our students. We provide students with many opportunities to share feedback on their experiences which helps shape how the Division meets their needs. Last year, RAP collected more student opinions than ever before.

## Keith Guerrero

*"My favorite memories of UNT won't be the exam I had in physics or the research project I had in my business class, it'll be dancing by the bonfire at Yell Like Hell or having philosophical discussions with friends in my residence hall that helped mold me in to the person I am today. None of these would be possible without the Division of Student Affairs."*

# Auxiliary Services

Auxiliary Services serves students by working behind the scenes completing work orders for Housing and Residence Life as well as hosting and helping organize our summer camps and conferences.

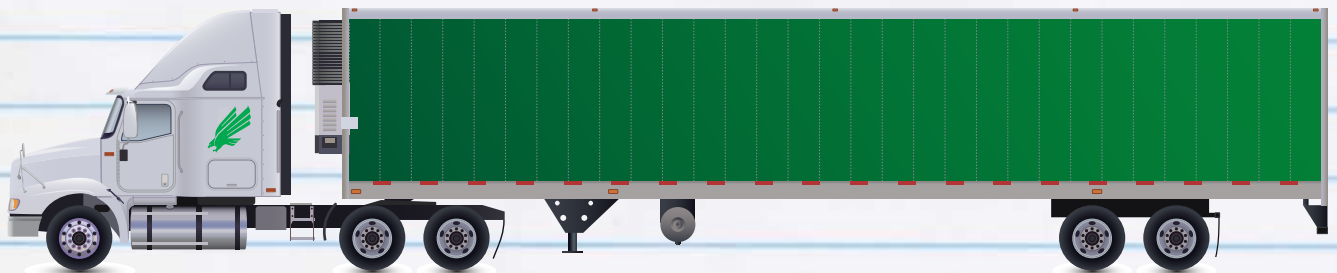

In 2010-11, Auxiliary Services...

completed over 13,365  
worker orders.

sponsored 103 summer conferences  
with 12,682 attendees.

collected nearly 80,000 lbs. of recycling...

that's the weight of a semi-trailer truck.

## Charles Vincent

*"From completing maintenance requests to hosting summer conferences, Auxiliary Services is focused on fixing problems and serving students. They are truly dedicated to providing students with the best possible student experience."*

# Career Center

The Career Center is a one-stop-shop for students and alumni to meet with advisors and get help with finding jobs on and off campus. The Career Center also helps with writing resumes and cover letters, interview techniques, and so much more.

In 2010-11, the Career Center...

provided career direction and job search advice to over 27,000 students

hosted over 600 companies creating over 7000 student connections for internships, full- and part-time positions.

provided support and training for over 4,000 student employees.

posted 10,637 jobs to the Career Center's Eagle Network site.

## Heather Finley

*"The Career Center helped me develop everything I need for interviews, networking and more. The Career Center helped me search for and secure two outstanding accounting internship opportunities. They've opened more doors than I could have imagined."*

# Center for Leadership and Service

The Center for Leadership & Service provides opportunities and programs to develop students to become engaged leaders in the global community. By participating in service programs, students have the opportunity to gain skills, make connections and make a difference. Whether you are a new student on campus or an established student leader, there are a variety of leadership programs to enhance your personal and organizational leadership skills.

In 2010-11, the Center for Leadership & Service...

had 7215 students participate in service or leadership programs.

involved 1960 students in multiple programs.

sponsored programs that helped students complete 22,995 hours of community service - that's 24 hours a day, every day, for 32 months.

## *Kellie Hill*

*"The Center for Leadership & Service enabled me to find greater meaning in my collegiate experience. Through LeaderShape and Alternative Spring Break, I've gained friends, mentors and memories that I will keep long after I graduate."*

# Center for Students Rights & Responsibilities

The Center for Student Rights and Responsibilities (CSRR) is responsible for addressing student conduct, enforcing university policies and procedures, and providing students with the resources necessary to resolve their own personal disputes.

In 2010-11, the Center for Student Rights & Responsibilities...

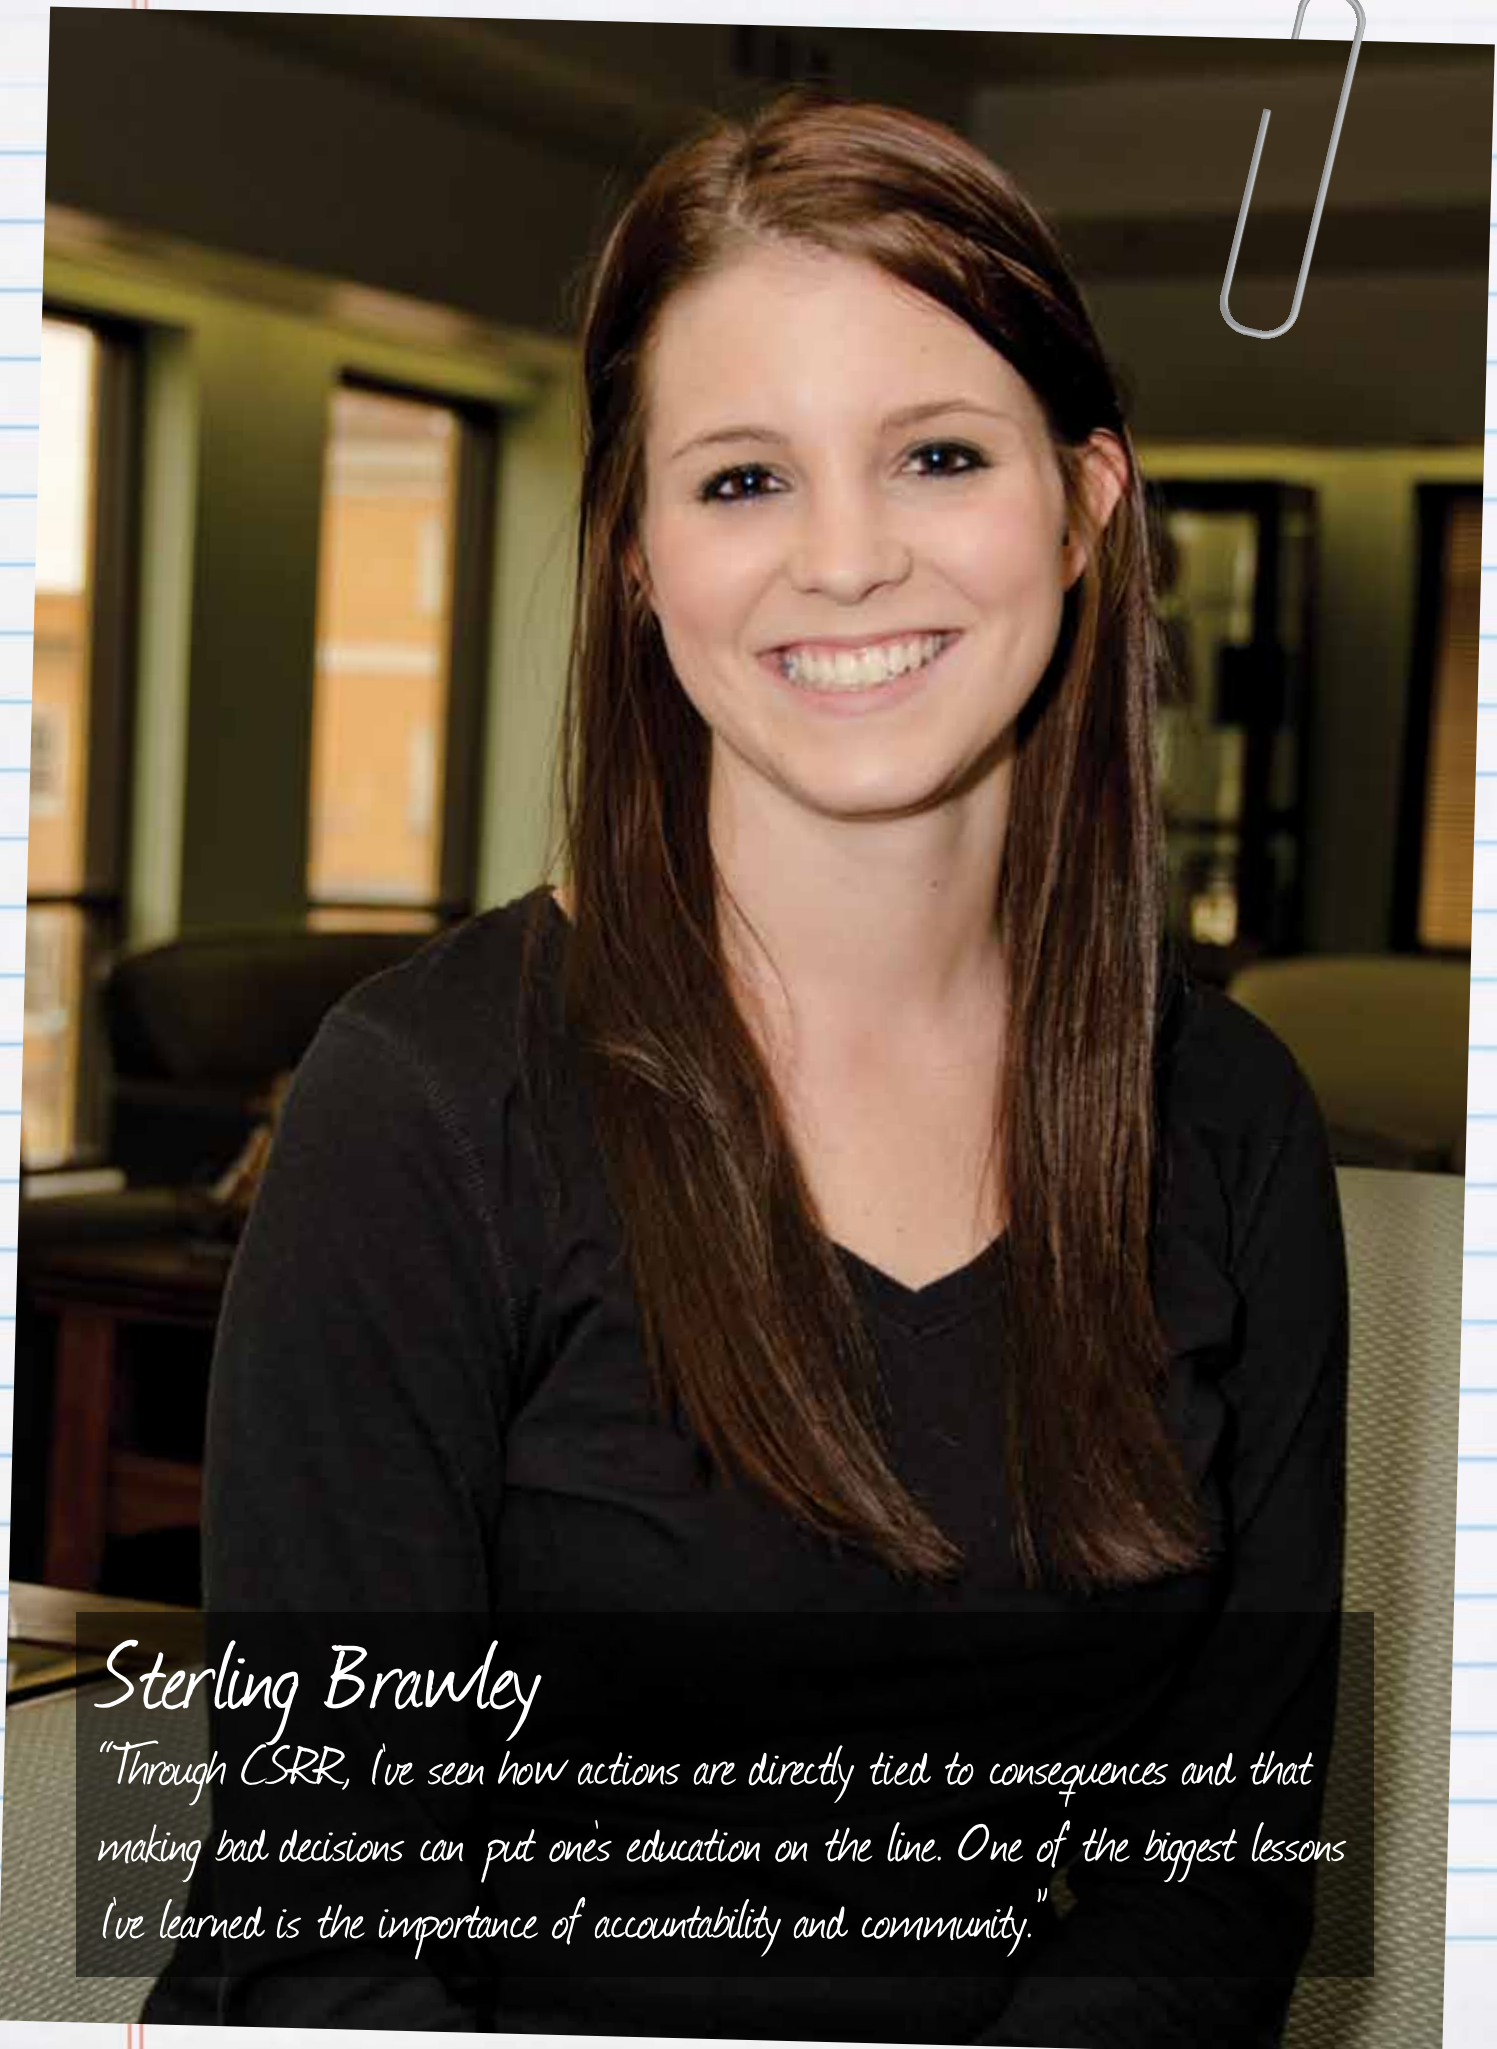

helped reduce the number of crimes against a person by 37%.

helped reduce the number of cases involving alcohol by 58%.

helped reduce the number of cases involving marijuana by 19%.

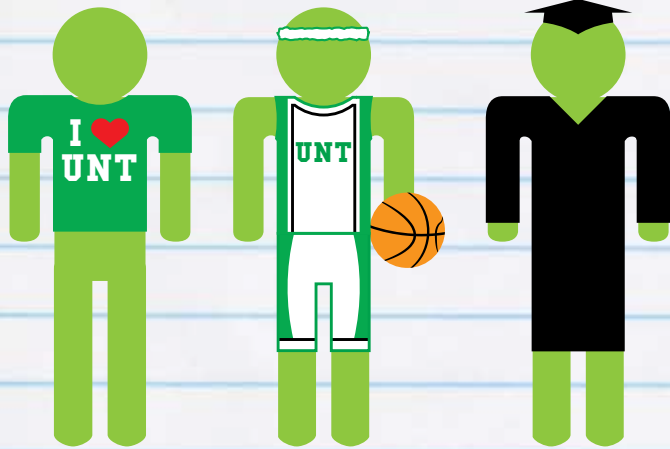

## *Sterling Brawley*

*"Through CSRR, I've seen how actions are directly tied to consequences and that making bad decisions can put one's education on the line. One of the biggest lessons I've learned is the importance of accountability and community."*

# Coliseum & Gateway Center

The UNT Coliseum is a 10,040 seat multi-purpose arena. Built in 1973, the Coliseum is designed for multipurpose use and is often the location for concerts, lectures and theater stage assemblies as well as athletic events.

In 2010-11, the Coliseum & Gateway Center...

had 243,854 visitors including freshman orientation and all of our graduation ceremonies.

hosted 23 high school commencements and 5 youth camps.

hosted 2427 events and programs at the Gateway Center with an estimated 160,182 in attendance.

*Katherine Di Mambro*

*"Every event they help with, from Mean Green Fling, to EarthFest, to hosting lecturers like George W. Bush, Robert Gates and John Legend, helps me become a more well-rounded student."*

# Counseling and Testing Services

Counseling and Testing Services strives to support the academic success and general well-being of UNT students through professional counseling, career counseling, group counseling, animal-assisted therapy, consultation, mental-health screenings, educational programs and self-help resources as well as referral services.

In 2010-11, Counseling and Testing Services....

held 6025 counseling sessions.

administered 5681 tests.

hosted 5 suicide gatekeeper training sessions.

## Ethan Lester

*"It's really easy to become overwhelmed coming to college so I attended a stress reduction meditation group led by Counseling & Testing Services. It has helped me more than I can say. Now I can manage my time and focus without my mind racing."*

## Dean of Students

The Dean of Students Office fosters the development of leadership, civility, accountability, and responsibility in the University of North Texas student. The office endeavors to create a culture of care for students and staff by providing exemplary programs and services designed to enhance students' academic and personal success.

In 2010-11, the Dean of Students Office...

had 197 S.O.S. interventions and 114 Care Team interventions.

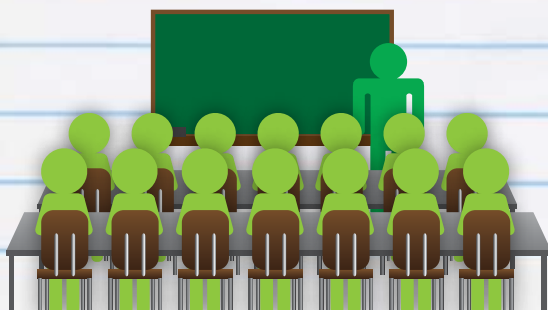

S.O.S. and Care Team interventions focus on keeping students healthy, safe and able to focus on their academics even when challenges arise.

*Amy Chanthavong*

*"The Dean of Students office helped me navigate through some tough issues. From that point on, I knew this office was passionate about seeing me succeed at UNT. It's nice to know their doors are always open to me."*

# Dining Services

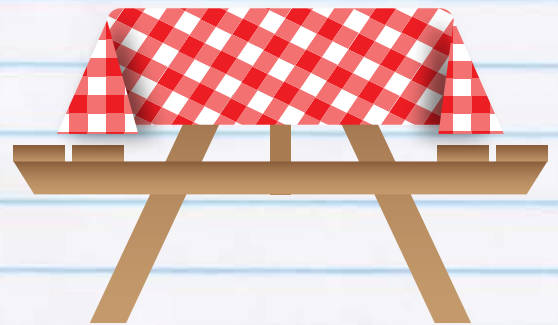

Dining Services serves all of our students by offering freshly made meals in five dining halls and six locations throughout campus. Recent improvements include updated dining hall menus, creation of an international-themed sandwich truck and renovations to Bruce Hall's dining hall have begun.

In 2010-11, Dining Services...

sold 17,357 meal plans to students, faculty and staff.

served between 30,000 and 50,000 students, faculty and staff at 5 picnic-style events.

updated two dining halls featuring new menus; one providing an all-vegan menu while the other is Southern home-style food.

## *Annemarie Lange*

*"Dining Services has helped me by feeding me great food at any time of the day! I love that after a long night of studying I can pop into Kerr at 1:00 a.m. for a full meal or even just a bowl of cereal and some ice cream."*

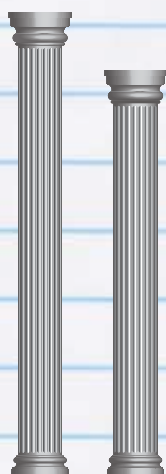

# Office of Greek Life

The Greek Life community offers a unique and lifelong involvement experience. Students are encouraged to emphasize academic excellence, philanthropic participation, personal development, and social development. We strive to create a unified campus through positive relations with administration, faculty, and all Greek and non-Greek student organizations.

In 2010-11, the Office of Greek Life...

4.0  
3.5  
3.0  
2.5  
2.0

helped Order of Omega members average a 3.28 GPA and helped Greek Ambassadors attain a 3.01 GPA.

supported 38 fraternities and sororities totaling 1289 members across our Greek community.

## *Felicia Alba*

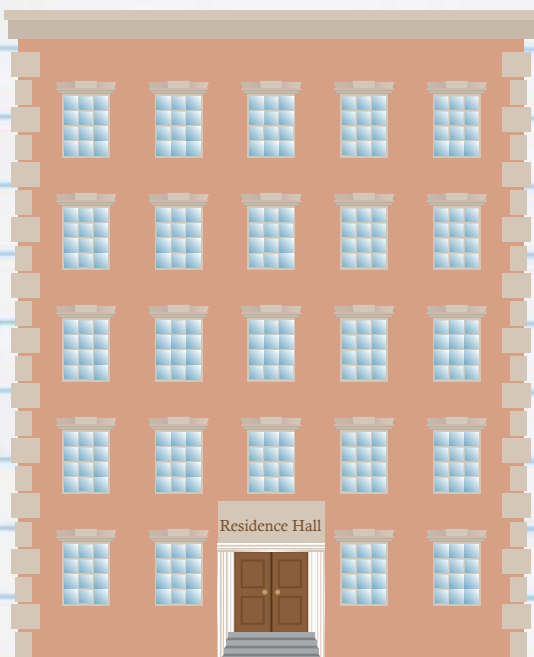

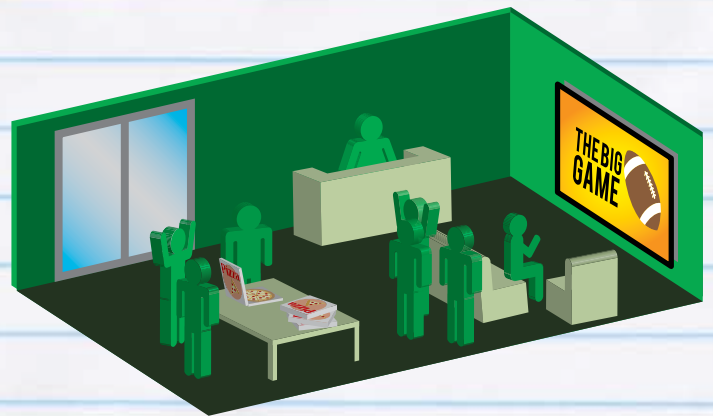

*"Greek Life at UNT has become my extended family. Not only do I have my sorority, I also have members of the Multicultural Greek Council and other Greeks as my support system and the advisors have become mentors that have helped with academic issues as well as personal ones."*

# Housing and Residence Life

Living on campus is an excellent way for students to enhance their experience at the University of North Texas. Being a member of a "REAL" living learning community can help strengthen personal growth and academic success. Students have the opportunity to develop leadership skills, attend events related to the wing's theme, and interact more closely with faculty and university staff members.

In 2010-11, Housing & Residence Life...

had over 28,000 in total participation in almost 1400 programs.

increased the number of students living in a REAL community by 69%.

grew to having 5 faculty in residence.

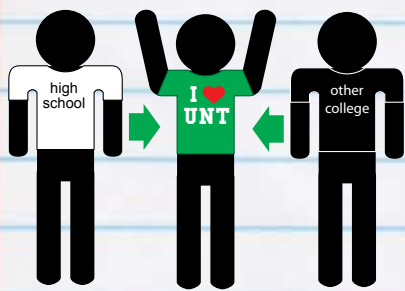

## *Sarah Amberson*

*"My time in Housing and Residence Life was an incredible experience. Living on campus is more than just convenient; it provides opportunities to get involved, leave a mark, and be a part of a community."*

# Orientation and Transition Programs

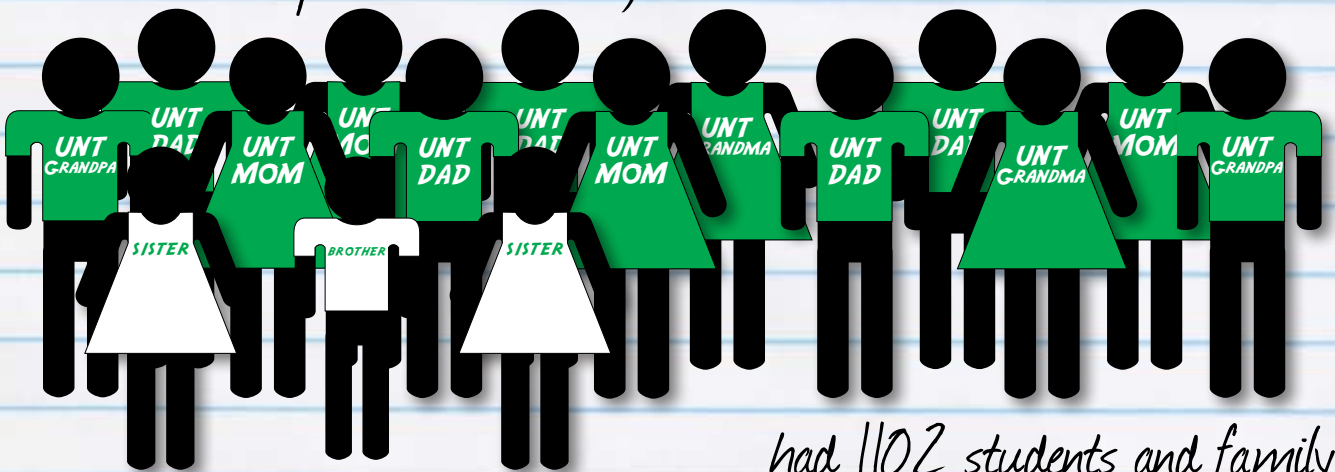

Through Orientation and Transition Programs, resources and services are provided to help students establish and attain their educational goals. Beginning with first-year students, the office serves as a central location to help students connect with their peers, faculty, staff, and parents. These connections help guide and direct students throughout their educational experience at UNT and facilitate their success.

In 2010-11, Orientation & Transition Programs...

welcomed 9832 new students to UNT through a freshmen or transfer orientation.

had 2339 parents and family members attend Parent Orientation.

had 1146 family members attend 2010's Family Weekend.

had 1102 students and family members attend a summer send-off party.

*Lisa Winston*

*"As an Orientation Leader, helping others find their place at UNT really helped give me direction and an ability to focus on what is truly important as a student at UNT."*

# Recreational Sports

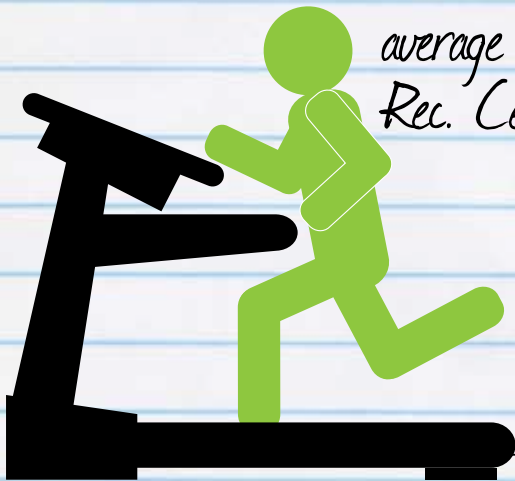

Organizing intramurals, adventure trips and providing an award-winning facility, Recreational Sports works hard to keep everyone at UNT fit and healthy. Becoming more "green," the Recreation Center offers cardio machines that generate electricity for the building.

In 2010-11, Recreational Sports...

Had over 551,000 visits - that's 1500 visits each day of the year.

found that freshmen, sophomores, juniors and seniors that visited the Rec. Center had a higher average GPA than students that didn't visit the Rec. Center.

used 36 cardio machines that feed electricity produced by the user into the Recreation Center's power grid. A typical 30-minute workout produces enough electricity to power a laptop for an hour.

*Kyle Tilton*

*"People say that friendships made in college can last a lifetime. Because of Recreational Sports, I believe it. It's a place I can truly call home."*

# Student Activities Center

One of the goals of the Student Activities Center is to help students get involved on campus, in an effort to maximize their collegiate experience. Through a variety of events, services, and resources, the office provides students and student organizations with opportunities to connect to the university and to other students. Student Activities promotes a sense of community and loyalty to the University while serving to enhance the social, intellectual, and developmental growth of students as individuals or as members of organizations.

In 2010-11, the Student Activities Center...

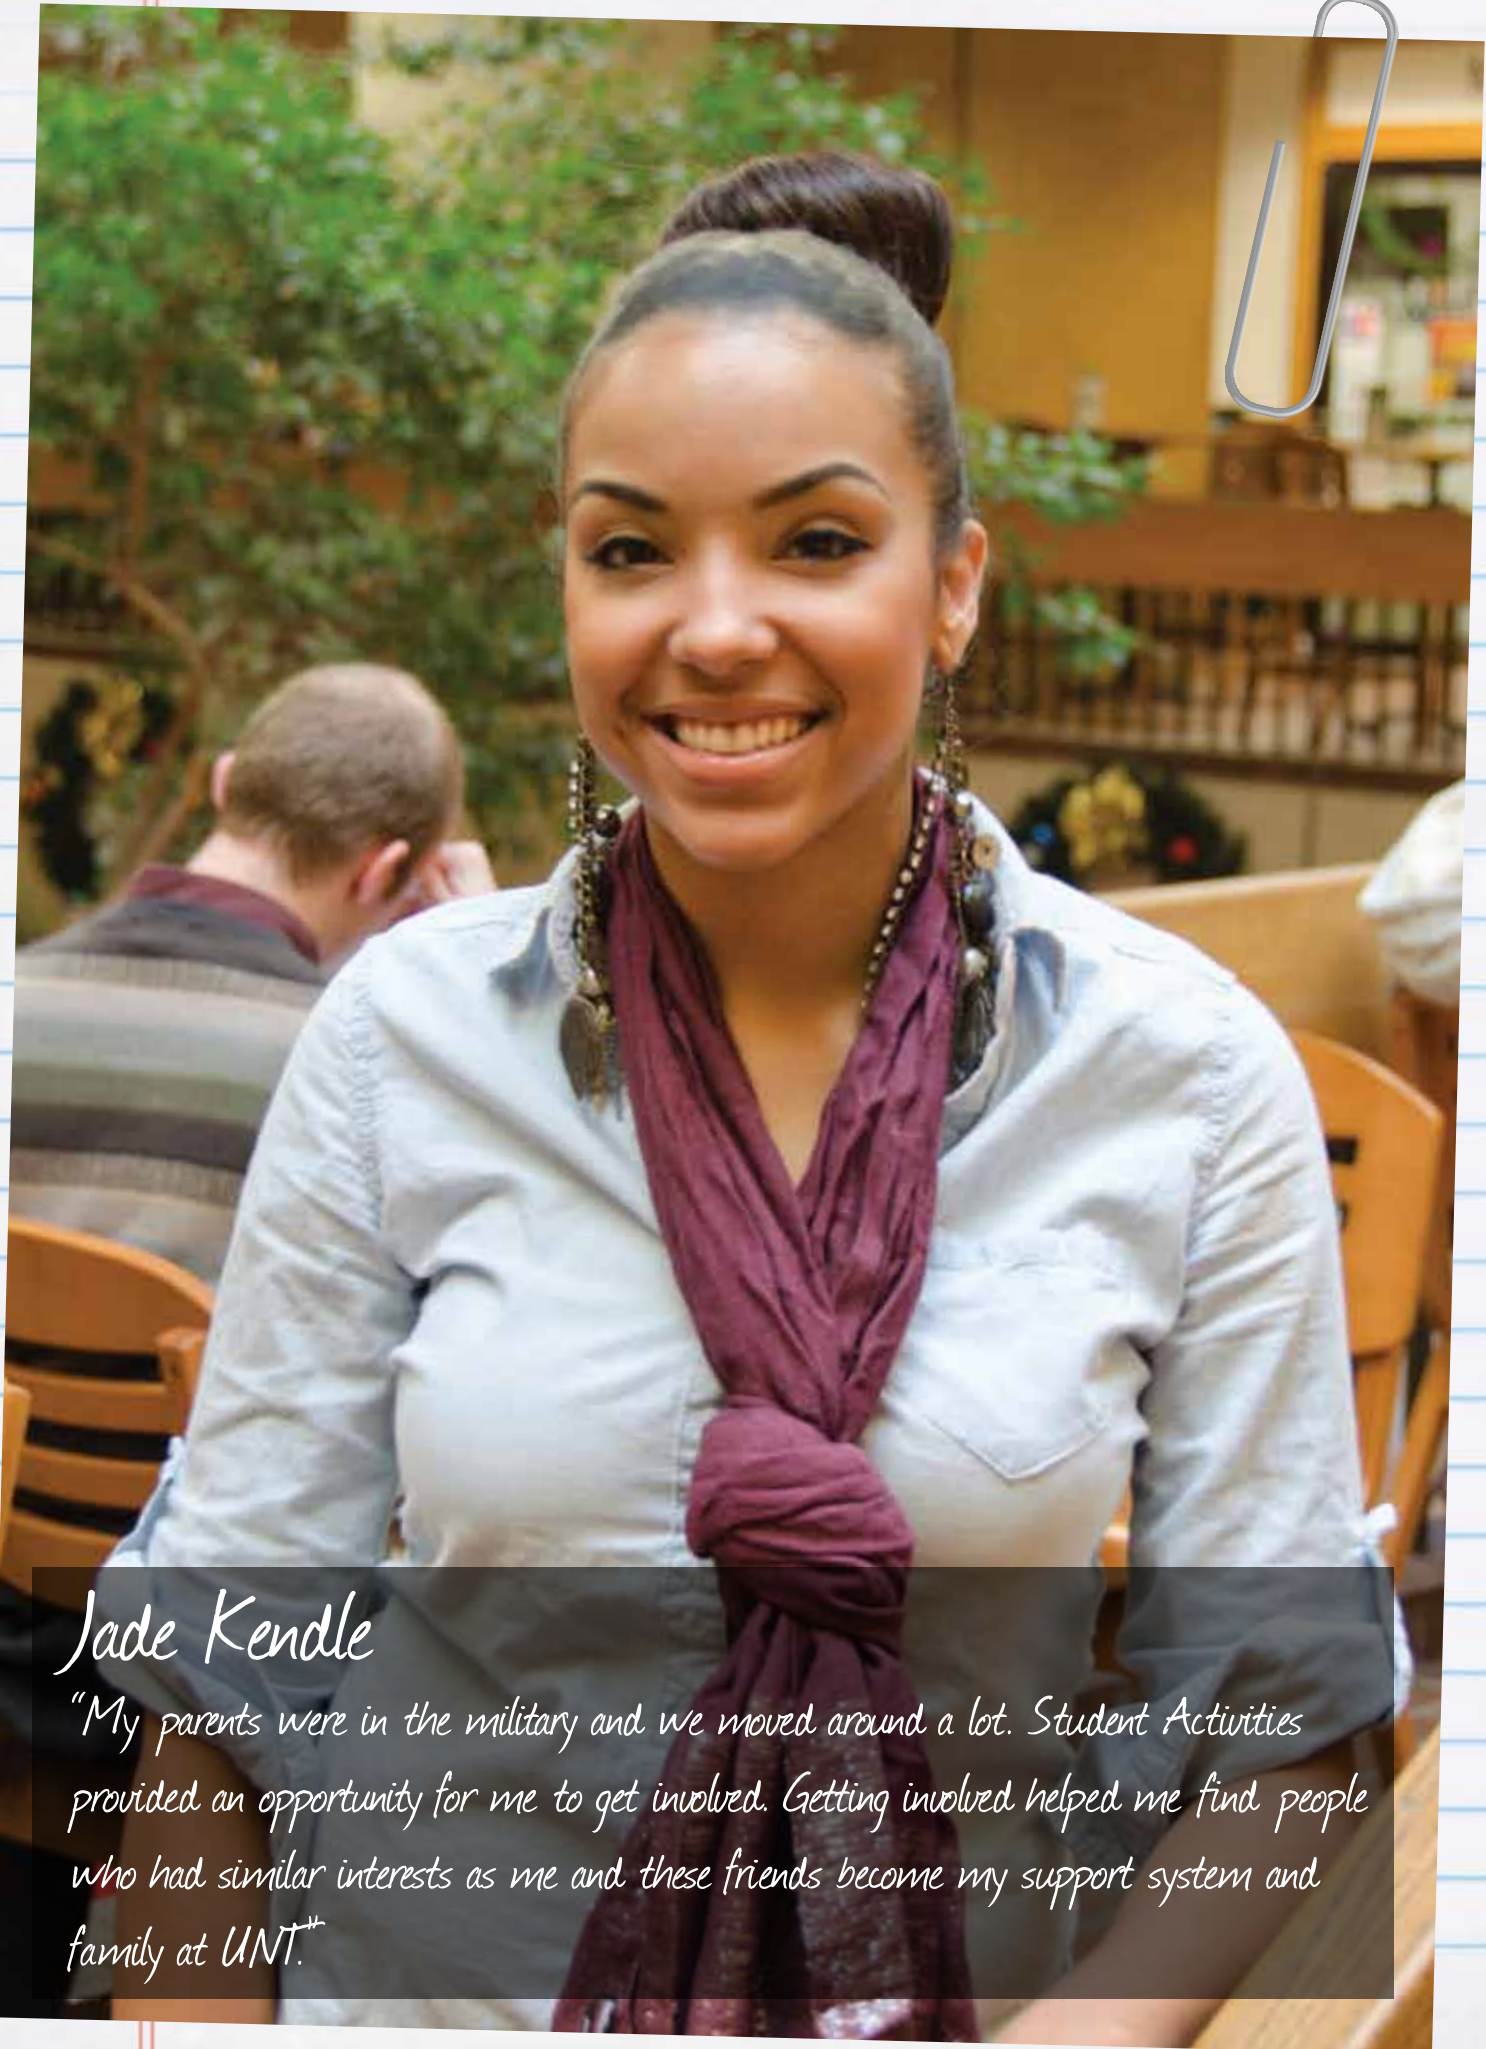

had an attendance of almost 30,000 at their programs.

registered 465 student organizations led by 2,100 students of officers.

held 5 events during Commuter Week which had a total attendance of 3500.

*Jade Kendle*

*"My parents were in the military and we moved around a lot. Student Activities provided an opportunity for me to get involved. Getting involved helped me find people who had similar interests as me and these friends become my support system and family at UNT."*

# Student Affairs Administration

Student Affairs Administration collaborates with others in the University, making opportunities for students and the campus community to cultivate academic, personal, and professional success.

In 2010-11, the Student Affairs Administration...

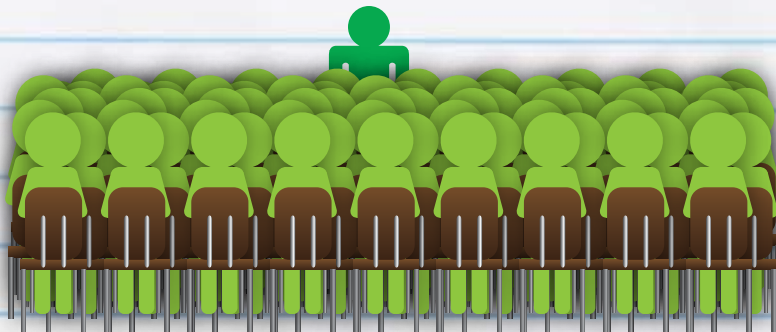

selected 16 Green Jackets that averaged a 3.37 GPA and served a total of 912 service hours.

sent 15 students to be in the North Texas in D.C. internship program.

graduated 163 students from the Eagle E.D.G.E. program.

had 9200 members of the UNT community attend a DLS event.

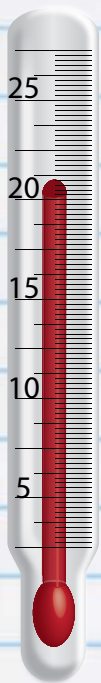

*Simon Lopez*

*"Through the NTDC program, I had the opportunity to intern for a senator in our nation's capital. More than I can express, this experience has broadened my horizons, helped me grow as a person and made my time at UNT more memorable."*

# Students Health and Wellness Center

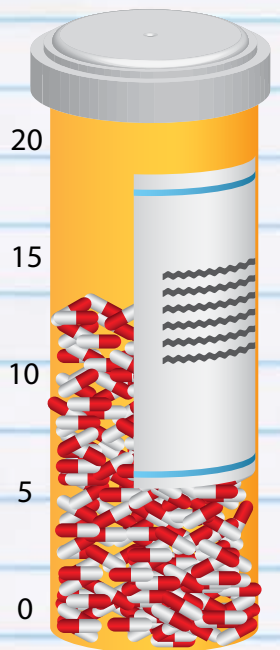

The Student Health and Wellness Center is committed to providing excellent healthcare to our students. The Student Health and Wellness Center encourage the optimum health and wellbeing of students through quality educational, primary medical care, mental health and health promotion services. These services are confidential, convenient and economical.

had 20,865 appointments  
in our medical clinic.

filled 13,781 prescriptions  
in our pharmacy.

offered 25 educational  
programs.

## Travis Skawlan

*"After my girlfriend told me to have my earache checked out, the nurse practitioner heard something in my heart and told me to see my physician. I was later diagnosed with a heart condition that can lead to sudden cardiac arrest. Because of what they do, my condition has been treated and I'm alive and well."*

# Student Legal Services

Student Legal Services provides UNT students with legal advice, assistance, representation and education. Our goals are to enable students to focus on their education and stay in school despite any number of legal obstacles.

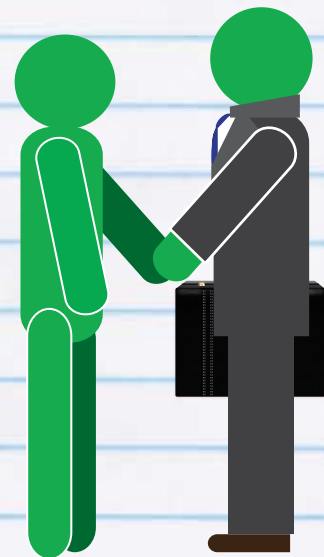

In 2010-11, the Student Legal Services...

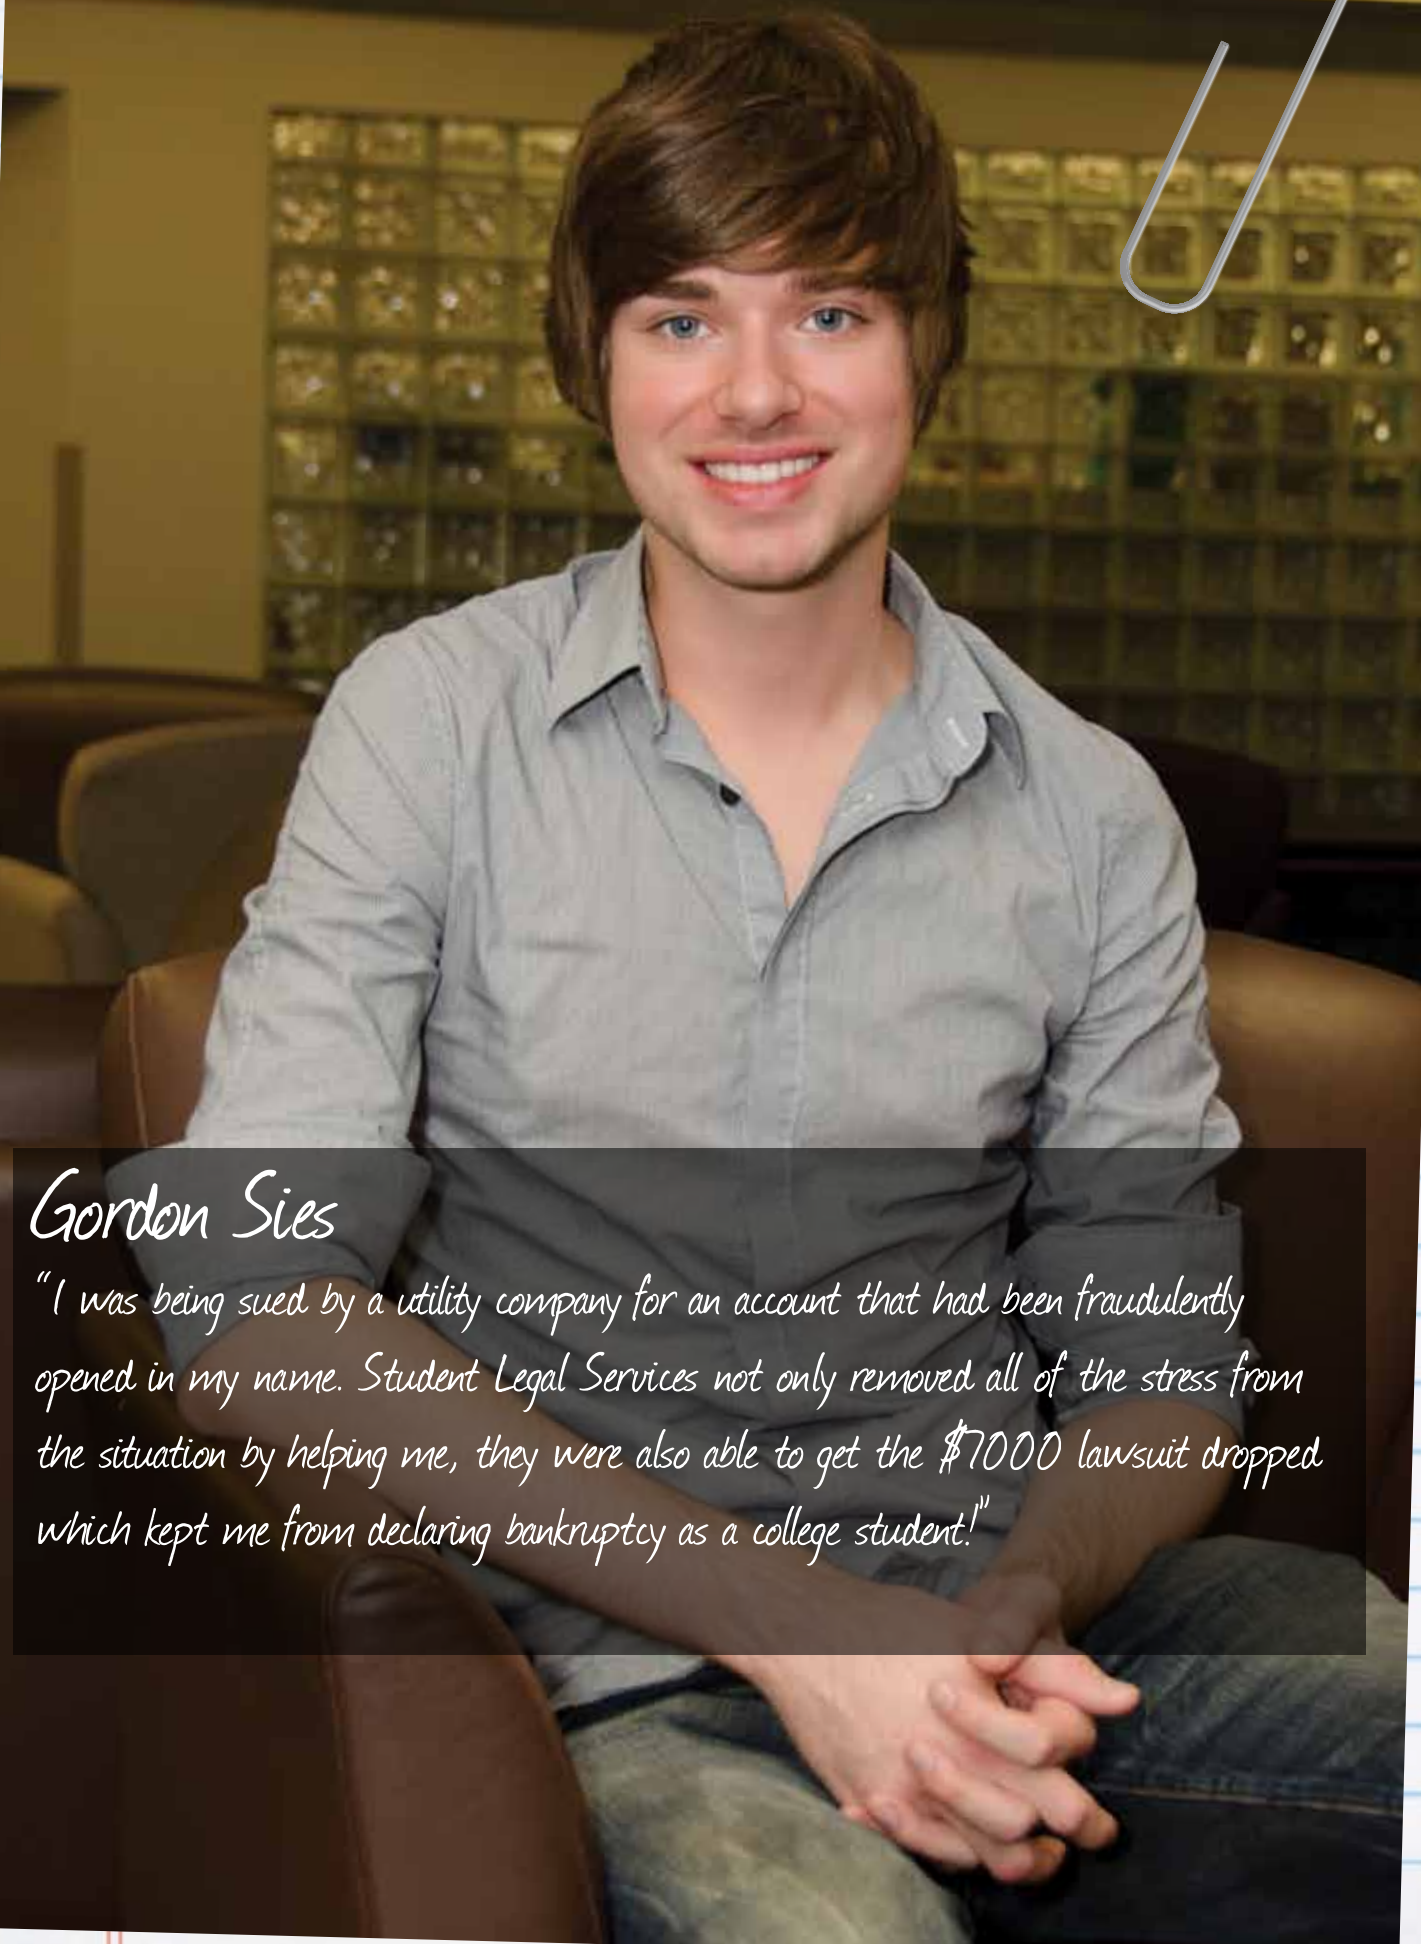

helped recover \$134,742 for students.

held 1157 individual consultations with an attorney.

developed on-line videos to provide students with services offered and testimony of happy clients.

## *Gordon Sies*

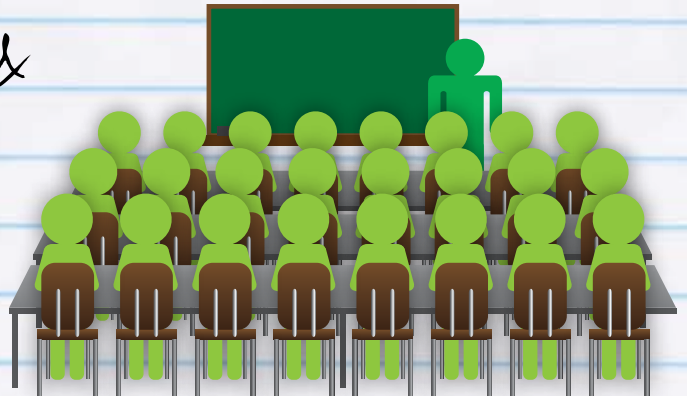

*"I was being sued by a utility company for an account that had been fraudulently opened in my name. Student Legal Services not only removed all of the stress from the situation by helping me, they were also able to get the \$7000 lawsuit dropped which kept me from declaring bankruptcy as a college student!"*

# Students Money Management Center

The Student Money Management Center provides personal financial and money management education to students. In addition to seminars and presentations, SMMC provides confidential individual financial consultations and planning services. All of SMMC services are free for UNT students.

In 2010-11, the Student Money Management Center...

had 12,855 students & community members attend events.

approved 1213 loans.

held 409 consultations.

## Mo Bradley

*"The Student Money Management Center helped me gain valuable skills that will carry me far beyond my college years. Because of what they do, no student at UNT should ever have financial questions that go unanswered."*

# University Union

The University Union provides many programs and services essential to making life on campus more pleasant. The Union is never a dull place. A diverse population, a variety of programs and services, and a staff of dedicated people create a climate of comfort and community at the Union and at UNT.

In 2010-11, the University Union...
