

UNTHSC Tuition and Fees (2010-2011)

The information in this web site is provided to better assist students in assessing the cost of enrolling at the University of North Texas Health Science Center (UNTHSC). While this information is intended to be comprehensive, tuition and fees, are subject to increase or decrease by action of the Texas Legislature and/or the Board of Regents of UNT. Students are responsible for any additional amounts due UNTHSC resulting from post audits and corrections, including all fees and waivers; i.e. registration assessing errors, changing from off-campus to on-campus classes, invalid employment waivers, etc.

UNTHSC is a state-supported institution and, as such, is subject to state laws. Since state law prohibits the extension of credit, all financial obligations to the university must be made when due. The university cannot cash checks made payable to it and the student. Checks made payable to the university and the student can be applied to a student's account balance after obtaining the proper endorsement.

Explanation of Tuition and Fees

All fees listed are subject to change.

Statutory Tuition (§54.051)

Statutory tuition rates are set by the Legislature. Tuition generated from statutory tuition must be deposited in the State Treasury and expenditures from these funds are subject to state expenditure guidelines.

Designated Tuition (§54.0513)

Designated tuition allows the institution to determine the rate per semester credit hour to be charged. Designated tuition is charged in addition to the statutory and board authorized tuition. Designated tuition must be used to support the academic mission of the institution but maintains more flexibility than statutory tuition. Designated tuition rates must be approved by the Board of Regents.

Board Authorized Tuition (§54.008)

Board authorized tuition must be approved by the governing board of the institution. It cannot be higher than the statutory rate.

Student Service Fee (§54.503)

Student service fees are assessed to cover the costs of student services that directly involve or benefit students, including but not limited to, recreational activities, lecture series and student government. This fee is \$20 per semester credit hour with a max of \$150 in the fall and spring terms and \$114 in the summer term. Medical students are charged the annual maximum of \$414.

Activity Center Fee (§54.503)

A \$40 per term or \$120 per year is collected for the maintenance and operation of the Founder's Activity Center.

Library Fee (§54.503)

White Coat Ceremony Fee (§54.504)

A \$100 fee is collected from each DO, PA, and PT student during their first term of enrollment. This fee covers the costs associated with the White Coat Ceremony and the issuing of a white coat to each student.

Transcript Fee (§54.504)

A \$50 fee is collected from each student during their first term of enrollment. This one time fee allows each student to order an unlimited amount of UNTHSC Official Transcripts.

Lab Coat Fee (§54.504)

A \$30 fee is collected for each student in any GSBS program during their first term of enrollment. This fee covers the costs associated with issuing lab coats.

Cadaver Anatomy Fee (§54.504)

A \$300 fee is collected for each PA and DPT student during their first term of enrollment. DO students are charged this fee during the first and second year of enrollment. This fee is also charged to all GSBS Medical Sciences and Structural Anatomy students. This fee covers the costs associated with student activities that involve dissections and prosections.

Board Review Fee (§54.504)

A \$1040 fee is collected for all DO Year 2 students. This fee covers the costs associated with Board Review Materials received during the second year of enrollment.
