Dear Friend,

As debate intensifies over how to reform our nation’s health care system, I would like to take a moment to explain my position. While I believe our health care system needs to be reformed, I oppose the Democrats’ widely publicized plan because it creates a government-run healthcare system that increases taxes on small businesses and individuals, and burdens employers with mandates and payroll tax increases. We have the best health care in the world. The challenge is to make it more affordable and accessible to every American. I have a plan to do just that. I have co-sponsored H.R. 3218, [The Improving Health Care For All Americans Act](#) which would make health care more affordable and more accessible without jeopardizing patient choice or quality of care.

As your representative in Congress I am always looking for input into the challenges our nation faces. In order to stay informed and to better establish a dialogue of ideas, I encourage you to [email me](#) and to sign up for my weekly e-newsletter, the [McCaul Minute](#).
