The Honorable Jim Jordan
United States House of Representatives
1524 Longworth House Office Building
Independence & New Jersey Avenues, SE
Washington, DC 20515

Dear Chairman Jordan,

Thank you and the membership of the Republican Study Committee for your leadership in putting forth a clear, common-sense position on the current debt limit debate.

Your "Cut, Cap, and Balance" approach calling for deep spending cuts, a hard spending cap, and a balanced budget amendment as pre-conditions to raising our nation's debt limit would significantly help America return to the pathway to prosperity in the near-term, medium-term, and long-term budget windows.

Let Freedom Ring strongly endorses your plan and encourages every Member of Congress to support it and sign on to your letter to Speaker Boehner.

Sincerely,

Colin A. Hanna
President
