

Below is a listing of the songs identified in Notices of Intention to obtain a Section 115 compulsory license ("Notices") that the Licensing Division of the Copyright Office has received since January 2010. The listing is limited to those Notices received in the Licensing Division at the time the list is updated. The list specifies relevant song titles (as provided), name of the filing entity, and the filing date.

[last updat: December, 2012]

For a comprehensive list of Notices filed with the Licensing Division, including those filed prior to January 2010, or to request a search of all Notices or to review a specific Notice, please contact the Information Section of the Licensing Division at (202) 707-8150 or licensing@loc.gov.

The Copyright Office does not examine Notices for legal sufficiency. Rather, a determination of whether a Notice filed in the Copyright Office is sufficient as a matter of law shall be made by a court of competent jurisdiction.
