November 14, 2012

Presidential Inaugural Committee:

As you prepare for the quadrennial festivities associated with the swearing-in of President Barack Obama, I write to support the selection of the Liberty North High School Marching Band as a participant in the 2013 Inaugural Parade.

Liberty North High School has a long history of musical excellence and is sure to please the many spectators who will line the parade route on January 21st in celebration of this event. The honors previously bestowed upon the Liberty North High School Marching Band include receiving accolades for outstanding field show, parade, and overall musicality at various competitions.

The Liberty North High School Marching Band is comprised of dedicated and talented young musicians who I am proud to support in their desire to participate in events surrounding the Inauguration. Along with the students, teachers, parents, and community of Liberty, Missouri, I look forward to hearing from the Committee.

Sincerely,

Claire McCaskill
United States Senator
