

Guide to Grants

From the Office of Congresswoman Terri A. Sewell
Proudly Representing Alabama's 7th Congressional District

August 17, 2012

Welcome to the *Guide to Grants!*

I am honored to represent the 7th Congressional District of Alabama. One of the most important responsibilities as your representative is to provide you with information about funding opportunities. Now more than ever, grant opportunities are vital to the success of our local governments, organizations and other entities. This weekly guide will identify federal and foundation grant opportunities to assist you in goals for our communities. This Guide will include links to grant writing resources to help you make your proposals more successful. This Guide will also describe new funding opportunities for economic development, infrastructure, healthcare and educational projects as example. In addition, I am pleased to provide a Letter of Support for grant application projects in the 7th Congressional District of Alabama. Please let us know when grants are awarded, especially if you found the opportunities in the *Guide to Grants*.

For more information, please visit the website at <http://sewell.house.gov/> and you can subscribe to *Guide to Grants* at: <http://sewell.house.gov/contact-me/newsletter> or call 202-225-2665. Previous editions of the Guide to Grants are archived at <http://sewell.house.gov/guide-grants>.

Congresswoman Terri A. Sewell Issues Statement in Opposition to the Closing of Inpatient Care at Cooper Green Mercy Hospital

BIRMINGHAM, AL –Today, Congresswoman Terri A. Sewell (D-AL) released the following statement in opposition to the closing of Cooper Green Mercy Hospital’s inpatient care services in Birmingham:

“The recent decision to close inpatient services at this facility will undoubtedly have a negative impact on countless citizens in Jefferson County. While I know that we as a county are facing some tough financial times, we must still protect services that are crucial to the citizens of the 7th Congressional District. I share the concerns of other local leaders who have united together in opposition to this decision. Protecting the health and well-being of our community must remain a top priority. We must work together to find meaningful solutions that protect Cooper Green and the vital indigent care services that it offers our community.”

Congresswoman Terri A. Sewell Announces \$4.8 Million in USDA Funding for the City of Uniontown

WASHINGTON DC, - Today, Congresswoman Terri A. Sewell (D-AL) announced that the City of Uniontown was awarded \$4.8 million by the U.S. Department of Agriculture (USDA) Rural Development. Approximately \$2,296,000 of the funding was awarded in the form of a grant and \$2,505,000 was awarded in the form of a loan. This funding will enable the City of Uniontown to repair their existing waste water treatment plant, install new water meters, rehabilitate and install new pumps for city pumping stations.

“I am pleased that USDA will provide this essential funding to the City of Uniontown to help repair their existing waste water treatment plant,” said Rep. Sewell. “Uniontown was in desperate need of funding due to an outdated waste water treatment facility and insufficient water meters. These improvements are critically important to ensuring that families have access to clean and safe water. USDA’s consistent support for infrastructure projects reflects their commitment to ensuring rural communities have the vital services and resources they need to create jobs, strengthen economic development and improve quality of life for families,” added Rep. Sewell.

“The citizens of Uniontown and Perry County are elated to receive this substantial grant for improving the sewer and water systems,” said Perry County Commissioner Albert Turner. “I want to thank Congresswoman Sewell for her diligent work in helping us solve this decade old problem. The success of this grant award shows that effective leadership is achieved through team work from city hall, to the court house, to the state house, to the halls of Congress.”

“We are humble and grateful for receiving this assistance from USDA with the support of Congresswoman Terri Sewell,” said Uniontown Mayor Jamaal Hunter. “The improvements to our waste water treatment plant will greatly improve the quality of life of our citizens in Uniontown. Further, these improvements will serve as an incentive to industries that are interested in locating in Uniontown and our surrounding areas. This issue has long plagued our community and our resources and infrastructure has suffered as a consequence. Again, we are sincerely grateful to God and all of those who have assisted us.”

“We spent a lot of time working on this issue so the City of Uniontown could financially support this solution,” said State Director of USDA Rural Development Ronnie Davis. “I was proud that we could develop a sustainable solution and help resolve the issues with their sewer and water system. USDA Rural Development is committed to helping communities across the state of Alabama and to ensuring our communities have quality water systems.”

July 11, 2012

Statement by Congresswoman Terri A. Sewell Regarding Voting Against the Patients' Rights Repeal Act

WASHINGTON, D.C. – Today, Congresswoman Terri A. Sewell (D-AL) released the following statement after voting against H.R. 6079 Patients' Rights Repeal Act:

“Today marked the 31st time House Republicans have voted to take away healthcare benefits instead of focusing on job creation and economic growth. With only thirteen legislative days left before summer recess, it is deeply disappointing that we must put up with this political charade that puts the health and welfare of millions of Americans in jeopardy. Frankly, the American people deserve better and my constituents expect more.

The Affordable Care Act has been passed by both the House and Senate, signed by the President and now upheld as constitutional by the highest court in the land. The American people would be better served if Congress joined the President in working to build on the healthcare reform, rather than undoing it. The fact is, the Affordable Care Act is already providing millions of Americans access to quality healthcare benefits and protections.

In the 7th Congressional District of Alabama alone, 36,000 children with pre-existing health conditions can no longer be denied coverage by their health insurers. 4,700 seniors now pay less for prescription drugs. 90,000 adults and 19,000 children will have health insurance that covers preventative care services and 6,800 young adults will continue to have access to health insurance through their parent's coverage.

In this difficult economy, where Americans are working harder for less and struggling to provide for their families, the last thing they can afford to lose is their healthcare benefits. Rather than continuing these divisive politics, we must work together to put people to work and strengthen the middle class. I remained committed to ensuring all Americans continue to have access to quality affordable healthcare.

###

Section I ACCESSING & REGISTERING FOR GRANT INFORMATION

- To learn about Federal grant opportunities, register your organization and receive notices, please visit www.grants.gov. It is the resource for all Federal grants.
- To apply for Federal Grants: http://www.grants.gov/applicants/apply_for_grants.jsp
- To learn about foundation grant opportunities, please visit <http://foundationcenter.org/>. The Foundation Center is a gateway to information about private funding sources and provides guidelines about how to write a grant proposal. It also provides links to state libraries with grants reference collections, and links to other useful Internet websites.

Section II PROGRAM FUNDING THROUGH FEDERAL AGENCIES

Institute of Museum and Library Services

Program: **NEW - Laura Bush 21st Century Librarian Program**

Description: The deadline for Laura Bush 21st Century Librarian Program has been extended to September 24, 2012, due to a Grants.gov outage. The Grants.gov system will not be accessible at all on September 15, 16, and 17th.

Website: <http://www.imls.gov/applicants/detail.aspx?GrantId=9>

National Science Foundation

Program: **NEW - Energy, Power, and Adaptive Systems**

Description: EPAS places emphasis on electric power networks and grids, including generation, transmission and integration of renewable, sustainable and distributed energy systems; high power electronics and drives; and understanding of associated regulatory and economic structures.

Website:

<http://www.grants.gov/search/search.do;jsessionid=bWKbQtGXkgPMrFS0TJSJVGR9xhF2851Wrf2vkyYC5Gn9tZWVLgYM!1964633320?oppId=192414&mode=VIEW>

U.S. Department of Agriculture

Program: **NEW - USDA Rural Public Safety Grant Program**

Description: Loans, grants and loan guarantees are available for projects to develop essential community facilities for public use in rural areas. This may include hospitals, fire protection, public safety, libraries, schools, day care centers as well as many other community-based initiatives. The deadline is September 30, 2012.

Website:

<http://www.policeone.com/Grants/3328526-USDA-Rural-Public-Safety-Agency-Grant-and-Loan-Program/>

Program: **NEW - Value Added Producer Grant Program**

Description: The primary objective of the VAPG program is to help agricultural producers enter into value-added activities related to the processing and/or marketing of bio-based value-added products.

Website:

<http://www.grants.gov/search/search.do;jsessionid=bWKbQtGXkgPMrFS0TJSJVGR9xhF2851Wrf2vkyYC5Gn9tZWVLgYM!1964633320?oppId=192793&mode=VIEW>

Program: **NEW - Community Facility Grant Program**

Description: The U.S. Department of Agriculture (USDA) provides funding for school construction through the Community Facility Grant program. The program provides funding to support the development of community facilities in rural areas with populations under 20,000. Specifically, grant funds can be used to construct, enlarge, or improve community facilities related to education including schools, colleges and educational camps for the physically and mentally impaired.

Website: http://www.rurdev.usda.gov/HCF_CF.html

Program: **America's Great Outdoors: Connecting Youth to the Outdoors Grant Program**

Description: Grant program seeks to increase the number of pre-K-12 youth, particularly urban and/or underserved youth, who build a connection with public lands as places for recreating, learning and volunteering. Proposed projects should maximize hands-on outdoor engagement opportunities on public lands, focused on education , recreation and environmental stewardship. The deadline is September 19, 2012.

http://foundationcenter.org/pnd/rfp/rfp_item.jhtml;jsessionid=Z3OFYGIVKNH3JLAQBQ4CGW15AAAACI2F?id=388300024

U.S. Department of Commerce

Program: **NEW - FY2013 Community-based Marine Debris Removal**

Description: The NOAA Marine Debris Program, authorized in the Marine Debris Research, Prevention, and Reduction Act, provides funding to catalyze the implementation of locally driven, community-based marine debris prevention, assessment, and removal projects that will benefit coastal habitat, waterways, and NOAA trust resources.

Website:

<http://www.grants.gov/search/search.do;jsessionid=bWKbQtGXkgPMrFS0TJSJVGR9xhF2851Wrf2vkyYC5Gn9tZWVLgYM!1964633320?oppId=191353&mode=VIEW>

Program: **EDA Planning Program and Local Technical Assistance Program**

Description: EDA announces general policies and application procedures for grant-based investments under the Planning and Local Technical Assistance programs. Under the Planning program EDA assists eligible recipients in creating regional economic development plans designed to stimulate and guide the economic development efforts of a community or region.

Program: **Public Works & Economic Adjustment Assistance (EDA)**

Description: EDA seeks to fund construction, non-construction, and revolving loan fund investments under the Public Works and Economic Adjustment Assistance programs. Grants made under these programs will leverage regional assets to support the implementation of regional economic development strategies designed to create jobs, leverage private capital, encourage economic development, and strengthen America's ability to compete in the global marketplace. The deadline is September 14, 2012.

Website:

<http://fundbook.org/public-works-economic-adjustment-assistance-eda/>

Program: **FY 2012 Disaster Relief Opportunity**

Description: Through this Disaster Relief Opportunity, EDA intends to award investments in regions experiencing severe economic distress as a result of natural disasters that were declared as major Federal disasters between October 1, 2010 and September 30, 2011. The EAA program provides recipients with flexible tools to develop and implement regionally based long term economic development strategies in response to major federally declared disasters. The deadline is March 27, 2015.

U.S. Department of Homeland Security

Program: **NEW - FY 2012 Community Resilience Innovation Challenge Program**

Description: The potential recipient will help FEMA establish a new structural mechanism for engaging with local communities to build resilience. The recipient will encourage local communities to engage in creative activities that enhance disaster resilience by building on and addressing local interests, abilities, and needs. Second, the recipient will implement and manage a signature national challenge program, called the Community Resilience Challenge Awards Program. This program will be designed to stimulate, support, and expand the scale of existing successful community activities and to encourage local residents to design new collaborative initiatives that will enhance community resilience.
