**RESOLUTION**

Instructing certain committees to report legislation replacing the job-killing health care law.

1        *Resolved*, That the Committee on Education and the  
2 Workforce, the Committee on Energy and Commerce, the  
3 Committee on the Judiciary, and the Committee on Ways  
4 and Means, shall each report to the House legislation pro-  
5 posing changes to existing law within each committee’s ju-  
6 risdiction with provisions that—

7            (1) foster economic growth and private sector  
8        job creation by eliminating job-killing policies and  
9        regulations;

- 1           (2) lower health care premiums through in-
- 2           creased competition and choice;
- 3           (3) preserve a patient's ability to keep his or
- 4           her health plan if he or she likes it;
- 5           (4) provide people with pre-existing conditions
- 6           access to affordable health coverage;
- 7           (5) reform the medical liability system to re-
- 8           duce unnecessary and wasteful health care spending;
- 9           (6) increase the number of insured Americans;
- 10          (7) protect the doctor-patient relationship;
- 11          (8) provide the States greater flexibility to ad-
- 12          minister Medicaid programs;
- 13          (9) expand incentives to encourage personal re-
- 14          sponsibility for health care coverage and costs;
- 15          (10) prohibit taxpayer funding of abortions and
- 16          provide conscience protections for health care pro-
- 17          viders;
- 18          (11) eliminate duplicative government programs
- 19          and wasteful spending; or,
- 20          (12) do not accelerate the insolvency of entitle-
- 21          ment programs or increase the tax burden on Ameri-
- 22          cans.
