The Stennis Center for Public Service will host the John C. Stennis Novice Speech and Debate Tournament at Mississippi State University in Starkville, Mississippi, on October 8-9, 2010. The unique feature of the competition is that its focus is on high school students who are just beginning to compete in speech and debate. "With a level playing field, the participants are able to build confidence and hone their speaking skills before competing against more experienced students," said Rex Buffington, executive director of the Stennis Center for Public Service.
