NEW ADHERENCE TO THE
UNIVERSAL COPYRIGHT CONVENTION

We have learned, as yet unofficially, that on July 16, 1963, Peru deposited with the Director-General of Unesco its instrument of ratification to the Universal Copyright Convention.

Under Article IX, paragraph 2, of the Convention, the latter will come into force in respect of Peru three months after the deposit of its instrument of ratification, i.e., on October 16, 1963.

Peru is the 47th country to adhere to the Convention.
