Publication of this list creates a record for the public identifying restored copyright owners and works for which Notices of Intent to Enforce have been filed with the Copyright Office.

EFFECTIVE DATE: May 1, 1996.

FOR FURTHER INFORMATION CONTACT:

Telefax: (202) 707-8366.

SUPPLEMENTARY INFORMATION: The Uruguay Round General Agreement on Tariffs and Trade and the Uruguay Round Agreements Act (URAA) (Pub.L.No. 103-465; 108 Stat. 4809 (1994)) provide for the restoration of copyright in certain works that were in the public domain in the United States. Under a new section 104A of title 17¹ of the United States Code as provided by the URAA, copyright protection was restored on January 1, 1996, in certain works by foreign nationals or domiciliaries of World Trade Organization (WTO) or Berne countries that entered the public domain for failure to comply with certain requirements prescribed by U.S. copyright law. 17 U.S.C. 104A (1994). Specifically, to qualify for restoration, a work must be an original work of authorship that

(B) is not in the public domain in its source country through expiration of term of protection;

(C) is in the public domain in the United States due to:

(i) noncompliance with formalities imposed at any time by United States copyright law, including failure of renewal, lack of proper notice, or failure to comply with any manufacturing requirements;

¹ The URAA's amendment of 17 U.S.C. 104A replaces section 104A under the North American Free Trade Agreement Implementation Act (Pub.L.No. 103-182, 107 Stat. 2057, 2115 (1993)). The Uruguay Round Trade Agreements, Texts of Agreements, Implementing Bill, Statement of Administrative Action, and Required Supporting Statements, H.R. Doc. No. 316, 103d Cong., 2d Sess. 324 (1994). See 60 FR 50414 (Sept. 29, 1995).

(ii) lack of subject matter protection in the case of sound recordings fixed before February 15, 1972; or

(iii) lack of national eligibility; and

(D) has at least one author or rightholder who was, at the time the work was created, a national or domiciliary of an eligible country, and if published, was first published in an eligible country and not published in the United States during the 30-day period following publication in such eligible country.

17 U.S.C. 104A(h)(6).² A work meeting these requirements is protected "for the remainder of the term of copyright that the work would have otherwise been granted in the United States if the work never entered the public domain in the United States." 17 U.S.C. 104A(a)(1)(B).

Unlike the procedure for restoration under the North American Free Trade Agreement Implementation Act, under the URAA, copyright in restored works vests automatically on the date of restoration, without any need for notification of the Copyright Office. 17 U.S.C. 104A(a)(1)(A). The copyright owner may immediately enforce the restored copyright against individuals who infringe his or her rights on or after the effective date of restoration. That date is the later of January 1, 1996, or the date of a particular nation's adherence to membership in the WTO or the Berne Convention, or the date of a Presidential Proclamation restoring copyright protection to a nation. The copyright owner, however, may not

² Certain works that were owned or administered by the Alien Property Custodian are excepted from protection as a restored work. 17 U.S.C. 104A(b).

enforce the restored copyright against reliance parties, those who were already using the work or acquired copies of the work before the date of enactment of the URAA, until after the copyright owner files a Notice of Intent to Enforce (NIE) a restored copyright in the Copyright Office or serves an NIE on the individual reliance party.

Pursuant to the URAA, the Copyright Office issued final regulations governing the procedures for filing NIEs on September 29, 1995. In those regulations, published in the **Federal Register**, the Office stated that it would subsequently publish lists of works for which Notices of Intent to Enforce a restored copyright were filed with the Copyright Office. The URAA directs that

The Register of Copyrights shall publish in the **Federal Register**, commencing not later than 4 months after the date of restoration for a particular nation and every 4 months thereafter for a period of 2 years, lists identifying restored works and the ownership thereof if a notice of intent to enforce a restored copyright has been filed.

17 U.S.C. 104A(e)(1)(B). The first list was to be published on May 1, 1996.

Section 104A(d) of the URAA permits a reliance party to continue to use a restored copyright which it acquired before the date of enactment of the URAA, December 8, 1994, for a 12 month period beginning on the date of publication of the list identifying the restored work in the **Federal Register**. 17 U.S.C. 104A(d)(2). When a notice of intent is both filed with the Copyright Office and served on an individual reliance party, the 12-month period of immunity from suit for continued use of the restored copyright begins to run from the date of publication or the date of service of the notice, whichever date is earlier. Filing of an NIE with the Copyright Office is effective as to all reliance parties, while service on an individual reliance party is effective as to that reliance party and any other reliance parties with actual knowledge of such service and of the contents of that notice. 17 U.S.C. 104A(c).

This list identifying restored works and their owners is also available for public inspection in the Public Information Office of the U.S. Copyright Office, Library of Congress, Room 401, James Madison Building, 101 Independence Avenue, S.E., Washington, D.C. Additionally, the images of the complete NIEs are available for inspection and copying in the Copyright Office Card Catalog, LM-459. Records of these NIEs have been indexed by the English title, the foreign title, the name of the author, and the name of the copyright owner. These records are available both online in the Copyright Office and via the Internet. Internet site addresses are: World Wide

Web: <http://lcweb.loc.gov/copyright>; the gopher address is: marvel.loc.gov; and the telnet address is: [locis.loc.gov](telnet:locis.loc.gov). The Copyright Office will perform a search of these records upon the receipt of a written request and the statutory search fee of \$20.00 per hour or fraction thereof. Also, for a fee, the Copyright Office will also make copies of NIEs or the list identifying restored works and their owners. The following restored works, from NIEs processed in the Copyright Office by April 19, 1996, are listed alphabetically by copyright owner; multiple works owned by a particular copyright owner are listed alphabetically by title.
