Date: 28 Nov 2012

Ronald T. Repasi

Mr. Repasi is Deputy Chief of the Office of Engineering and Technology (OET) at the Federal Communications Commission (FCC). He has also served as the Satellite Engineering Branch Chief in the Commissions International Bureau where he resolved orbit and spectrum sharing issues between competing satellite systems and managed the satellite network licensing process. Mr. Repasi previously served for several years as the Commission's Liaison to the Interdepartment Radio Advisory Committee (IRAC) and has represented the Commission as a delegate or spokesperson in various national and international committees including two International Telecommunication Union (ITU) World Radiocommunication Conferences and related Study Groups. Mr. Repasi graduated from The George Washington University in Washington, D.C., May 1992 and holds a BSEE degree in electronics engineering.
