TO: Members, Committee on Small Business

DATE: Wednesday, February 9, 2011

The Committee on Small Business will meet for a hearing titled *Putting Americans Back to Work: The State of the Small Business Economy*. The hearing is scheduled to begin at **1:00 p.m. on February 16, 2011 in Room 2360 of the Rayburn House Office Building.**

The Committee will examine obstacles to small business job creation and economic growth and attempt to identify specific tax, regulatory and health care policies that are inhibiting job creation and economic growth. We expect this hearing will set the stage for future Committee debates on the most pertinent obstacles that are impeding entrepreneurs' ability to strengthen our economy and put Americans back to work.
