

Farm Service Agency Disaster Fact Sheets

[Emergency Loans](#) (EM)

EM provides loans to help recover from production and physical losses due to drought, flooding, other natural disasters, or quarantine.

[Disaster Debt Set Aside](#) (DSA)

DSA may be available if you have an outstanding FSA direct loan and are unable to make the scheduled payments. Up to one full year's payment can be moved to the end of the loan.

[Emergency Conservation Program](#) (ECP)

ECP provides cost-share payments for removing debris, repairing fences, repairing conservation structures, and providing water for livestock.

[Supplemental Revenue Assistance Program](#) (SURE)

SURE provides cash payments for crop production losses or crop quality losses, or both.

[Noninsured Crop Disaster Assistance Program](#) (NAP)

NAP provides assistance for crop losses when federal crop insurance is not available.

[Livestock Forage Disaster Assistance Program](#) (LFP)

LFP provides cash payments for grazing losses because of drought. Also provides cash payments for grazing losses due to fire on federally managed grazing land.

[Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program for Livestock](#) (ELAP for Livestock)

ELAP for Livestock provides cash payments for livestock death and feed losses.

[Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program for Honeybees](#) (ELAP for Honeybees)

ELAP for Honeybees provides cash payments for death of honeybees and feed losses.

[Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish Program for Farm-Raised Fish](#) (ELAP for Farm-Raised Fish)

ELAP for Farm-Raised Fish provides cash payments for death of farm-raised fish and feed losses.

[Livestock Indemnity Program](#) (LIP)

LIP provides cash payments to eligible producers for livestock death losses in excess of normal mortality due to adverse weather.

[Tree Assistance Program](#) (TAP)

TAP provides cash payments to eligible orchardists and nursery tree growers for qualifying tree losses due to natural disaster.

[Conservation Reserve Program \(CRP\)-Haying and Grazing](#)

Emergency haying and grazing of CRP acreage authorizes haying and grazing of CRP acres with a 25 percent reduction in the annual rental payment.

[Emergency Forestry Restoration Program](#) (EFRP)

EFRP provides cost share payments to owners of nonindustrial private forest land to repair damage and restore forest health.
