**CalAmp Wireless Networks Corporation, Waseca, MN; Notice of Negative Determination Regarding Application for Reconsideration**

By application dated September 26, 2012, the State of Minnesota requested administrative reconsideration of the Department's negative determination regarding eligibility for workers and former workers of the subject firm to apply for Trade Adjustment Assistance (TAA).

Following the filing of the request for reconsideration, the Department issued a certification that includes workers of the subject firm (TA-W-80,399A; CalAmp Wireless Networks

Corporation, Waseca, Minnesota; expires on December 2, 2013).

**Conclusion**

Due to the eligibility of workers and former workers of CalAmp Wireless Networks Corporation, Waseca, Minnesota to apply for TAA, the Department determines that an investigation would serve no purpose. Accordingly, the application is denied.

<sup>6</sup> California prevailing wage rates were established based on surveys conducted in the Sacramento Valley, San Joaquin Valley, and Desert Area.

<sup>7</sup> With respect to each H-2A job order and application for custom combine operations

processed under special procedures, where OFLC was unable to establish a prevailing wage as indicated by a "No Finding" notation for the occupation or agricultural activity, the employer must offer, advertise in the course of its recruitment, and pay a wage that is the highest of

the AEWR, the agreed-upon collective bargaining wage, or the Federal or State minimum wage, in effect at the time custom combine work is performed and for each State listed in an approved itinerary.
