ANNIVERSARY

Feb. 13, 2009
[H. Con. Res. 35]

Whereas the National Association for the Advancement of Colored People (referred to in this resolution as the “NAACP”), originally known as the National Negro Committee, was founded in New York City on February 12, 1909, the centennial of Abraham Lincoln’s birth, by a multiracial group of activists who met in

a national conference to discuss the civil and political rights of African-Americans;

Whereas the NAACP was founded by a distinguished group of leaders in the struggle for civil and political liberty, including Ida Wells-Barnett, W.E.B. DuBois, Henry Moscowitz, Mary White Ovington, Oswald Garrison Villard, and William English Walling;

Whereas the NAACP is the oldest and largest civil rights organization in the United States;

Whereas the mission of the NAACP is to ensure the political, educational, social, and economic equality of rights of all persons and to eliminate racial hatred and racial discrimination;

Whereas the NAACP is committed to achieving its goals through nonviolence;

Whereas the NAACP advances its mission through reliance upon the press, the petition, the ballot, and the courts, and has been persistent in the use of legal and moral persuasion, even in the face of overt and violent racial hostility;

Whereas the NAACP has used political pressure, marches, demonstrations, and effective lobbying to serve as the voice, as well as the shield, for minority Americans;

Whereas after years of fighting segregation in public schools, the NAACP, under the leadership of Special Counsel Thurgood Marshall, won one of its greatest legal victories in the Supreme Court's decision in *Brown v. Board of Education*, 374 U.S. 483 (1954);

Whereas in 1955, NAACP member Rosa Parks was arrested and fined for refusing to give up her seat on a segregated bus in Montgomery, Alabama—an act of courage that would serve as the catalyst for the largest grassroots civil rights movement in the history of the United States;

Whereas the NAACP was prominent in lobbying for the passage of the Civil Rights Acts of 1957, 1960, and 1964, the Voting Rights Act of 1965, the Fannie Lou Hamer, Rosa Parks, Coretta Scott King, César E. Chávez, Barbara C. Jordan, William C. Velásquez, and Dr. Hector P. Garcia Voting Rights Act Reauthorization and Amendments Act of 2006, and the Fair Housing Act, laws that ensured Government protection for legal victories achieved;

Whereas in 2005, the NAACP launched the Disaster Relief Fund to help survivors in Louisiana, Mississippi, Texas, Florida, and Alabama to rebuild their lives;

Whereas in the 110th Congress, the NAACP was prominent in lobbying for the passage of H. Res. 826, whose resolved clause expresses that: (1) the hanging of nooses is a horrible act when used for the purpose of intimidation and which under certain circumstances can be criminal; (2) this conduct should be investigated thoroughly by Federal authorities; and (3) any criminal violations should be vigorously prosecuted; and

Whereas in 2008 the NAACP vigorously supported the passage of the Emmett Till Unsolved Civil Rights Crime Act of 2007 (28 U.S.C. 509 note), a law that puts additional Federal resources into solving the heinous crimes that occurred in the early days of the civil rights struggle that remain unsolved and bringing

those who perpetrated such crimes to justice: Now, therefore, be it

(3) CONDITION.—Subsection (a) shall apply only if the House of Representatives has previously passed a bill to impose statutory pay-as-you-go requirements or the measure containing the provision being evaluated by the chairman of the House Committee on the Budget imposes such requirements and such bill is designated as providing statutory pay-as-you-go requirements under this subsection.

(5) PROCEDURE FOR ADJUSTMENTS.—Prior to consideration of any bill, joint resolution, amendment, or conference report, the chairman of the House Committee on the Budget shall make the adjustments set forth in this subsection for the incremental new budget authority in that measure and the outlays resulting from that budget authority if that measure meets the requirements set forth in this subsection.

(c) REVISED APPROPRIATIONS FOR FISCAL YEAR 2010.—

(1) IN GENERAL.—If after adoption of this resolution by the Congress, the President submits his budget pursuant to section 1105(a) of title 31, United States Code, and the Congressional Budget Office (CBO) re-estimates the budget, the chairman of the House Committee on the Budget may adjust the discretionary spending limits, budgetary aggregates, and the allocation to the House Committee on Appropriations by the aggregate difference for discretionary appropriations and related outlays between the CBO re-estimate and the President's Budget.

(2) SUBALLOCATIONS.—Following any adjustment under subparagraph (A), the House Committee on Appropriations may report appropriately revised suballocations pursuant to section 302(b) of the Congressional Budget Act of 1974 to carry out this paragraph.

SEC. 423. COSTS OF OVERSEAS DEPLOYMENTS AND EMERGENCY NEEDS.

(a) OVERSEAS DEPLOYMENTS AND OTHER ACTIVITIES.—

(1) In the House, if any bill, joint resolution, amendment, or conference report makes appropriations for fiscal year 2009 or fiscal year 2010 for overseas deployments and other activities and such amounts are so designated pursuant to this paragraph, then the allocation to the House Committee on Appropriations may be adjusted by the amounts provided in such legislation for that purpose up to the amounts of budget authority specified in section 104(21) for fiscal year 2009 or fiscal year 2010 and the new outlays resulting therefrom.

(2) In the House, if any bill, joint resolution, amendment, or conference report makes appropriations for fiscal year 2009

or fiscal year 2010 for overseas deployments and other activities above the amounts of budget authority and new outlays specified in paragraph (1) and such amounts are so designated pursuant to this paragraph, then new budget authority, outlays, or receipts resulting therefrom shall not count for the purposes of the Congressional Budget Act of 1974 or this resolution.

SEC. 424. POINT OF ORDER AGAINST ADVANCE APPROPRIATIONS.

(a) IN GENERAL.—In the House, except as provided in subsection (b), any bill, joint resolution, amendment, or conference report making a general appropriation or continuing appropriation may not provide for advance appropriations.

(b) EXCEPTIONS.—Advance appropriations may be provided—

(2) for the Department of Veterans Affairs for the Medical Services, Medical Support and Compliance, and Medical Facilities accounts of the Veterans Health Administration.

(c) DEFINITION.—In this section, the term “advance appropriation” means any new discretionary budget authority provided in a bill or joint resolution making general appropriations or any new discretionary budget authority provided in a bill or joint resolution making continuing appropriations for fiscal year 2010 that first becomes available for any fiscal year after 2010.

SEC. 425. OVERSIGHT OF GOVERNMENT PERFORMANCE.

In the House, all committees are directed to conduct rigorous oversight hearings to root out waste, fraud, and abuse in all aspects of Federal spending and Government operations, giving particular scrutiny to issues raised by the Federal Office of the Inspector General or the Comptroller General of the United States. Based upon these oversight efforts, the committees are directed to make recommendations to reduce wasteful Federal spending to promote deficit reduction and long-term fiscal responsibility. Such recommendations should be submitted to the House Committee on the Budget in the views and estimates reports prepared by committees as required under 301(d) of the Congressional Budget Act of 1974.

SEC. 426. BUDGETARY TREATMENT OF CERTAIN DISCRETIONARY ADMINISTRATIVE EXPENSES.

(a) IN GENERAL.—In the House, notwithstanding section 302(a)(1) of the Congressional Budget Act of 1974, section 13301 of the Budget Enforcement Act of 1990, and section 4001 of the Omnibus Budget Reconciliation Act of 1989, the joint explanatory statement accompanying the conference report on any concurrent resolution on the budget shall include in its allocation under section 302(a)

of the Congressional Budget Act of 1974 to the House Committee on Appropriations amounts for the discretionary administrative expenses of the Social Security Administration and of the Postal Service.

(b) SPECIAL RULE.—For purposes of applying section 302(f) of the Congressional Budget Act of 1974, estimates of the level of total new budget authority and total outlays provided by a measure shall include any off-budget discretionary amounts.

SEC. 427. APPLICATION AND EFFECT OF CHANGES IN ALLOCATIONS AND AGGREGATES.

(a) APPLICATION.—In the House, any adjustments of allocations and aggregates made pursuant to this resolution shall—

- (1) apply while that measure is under consideration;
- (2) take effect upon the enactment of that measure; and
- (3) be published in the Congressional Record as soon as practicable.

(b) EFFECT OF CHANGED ALLOCATIONS AND AGGREGATES.—Revised allocations and aggregates resulting from these adjustments shall be considered for the purposes of the Congressional Budget Act of 1974 as allocations and aggregates included in this resolution.

(c) BUDGET COMMITTEE DETERMINATIONS.—For purposes of this resolution, the levels of new budget authority, outlays, direct spending, new entitlement authority, revenues, deficits, and surpluses for a fiscal year or period of fiscal years shall be determined on the basis of estimates made by the House Committee on the Budget.

(d) ADJUSTMENTS.—The chairman of the House Committee on the Budget may adjust the aggregates, allocations, and other levels in this resolution for legislation which has received final Congressional approval in the same form by the House of Representatives and the Senate, but has yet to be presented to or signed by the President at the time of final consideration of this resolution.

SEC. 428. ADJUSTMENTS TO REFLECT CHANGES IN CONCEPTS AND DEFINITIONS.

Upon the enactment of any bill or joint resolution providing for a change in budgetary concepts or definitions, the chairman of the House Committee on the Budget shall adjust any appropriate levels and allocations in this resolution accordingly.

SEC. 429. EXERCISE OF RULEMAKING POWERS.

The House adopts the provisions of this subtitle—

- (1) as an exercise of the rulemaking power of the House of Representatives and as such they shall be considered as part of the rules of the House, and these rules shall supersede other rules only to the extent that they are inconsistent with other such rules; and
- (2) with full recognition of the constitutional right of the House of Representatives to change those rules at any time, in the same manner, and to the same extent as in the case of any other rule of the House of Representatives.

TITLE V—POLICY

SEC. 501. POLICY ON MIDDLE-CLASS TAX RELIEF AND REVENUES.

It is the policy of this resolution to minimize fiscal burdens on working families and their children and grandchildren. It is the policy of this resolution to extend the following tax relief consistent with current policy—

- (1) relief for the tens of millions of middle-income households who would otherwise be subject to the Alternative Minimum Tax (AMT) under current law;
- (2) middle-class tax relief; and
- (3) elimination of estate taxes on all but a minute fraction of estates.

In total, this resolution supports the extension of over \$1,750,000,000,000 in tax relief to individuals and families relative to current law. This resolution supports additional, deficit-neutral tax relief, including the extension of AMT relief, expanding the eligibility for the refundable child credit, the research and experimentation tax credit, the deduction for State and local sales taxes, the enactment of a tax credit for school construction bonds, and other tax relief for working families. The cost of enacting such policies may be offset by reforms within the Internal Revenue Code of 1986 that produce higher rates of tax compliance to close the “tax gap” and reduce taxpayer burdens through tax simplification. The President’s budget proposes a variety of other revenue offsets. Unless expressly provided, this resolution does not assume any of the specific revenue offset proposals provided for in the President’s budget. Decisions about specific revenue offsets are made by the House Committee on Ways and Means and the Senate Committee on Finance, which are the tax-writing committees.

SEC. 502. POLICY ON DEFENSE PRIORITIES.

It is the policy of this resolution that—

- (1) there is no higher priority than the defense of our Nation, and therefore the Administration and Congress will make the necessary investments and reforms to strengthen our military so that it can successfully meet the threats of the 21st century;
- (2) acquisition reform is needed at the Department of Defense to end excessive cost growth in the development of new weapons systems and to ensure that weapons systems are delivered on time and in adequate quantities to equip our servicemen and servicewomen;
- (3) the Department of Defense should review defense plans to ensure that weapons developed to counter Cold War-era threats are not redundant and are applicable to 21st century threats;
- (4) sufficient resources should be provided for the Department of Defense to aggressively address the 758 unimplemented recommendations made by the Government Accountability Office (GAO) since 2001 to improve practices at the Department of Defense, which could save billions of dollars that could be applied to priorities identified in this section;
- (5) the Department of Defense should review the role that contractors play in its operations, including the degree to which contractors are performing inherently governmental functions,

to ensure it has the most effective mix of government and contracted personnel;

(6) the Department of Defense report to Congress on its assessment of Cold War-era weaponry, its progress on implementing GAO recommendations, and its review of contractors at the Department as outlined in paragraphs (3), (4), and (5) by a date to be determined by the appropriate committees;

(7) the GAO provide a report to the appropriate congressional committees by December 31, 2009, on the Department of Defense's progress in implementing its audit recommendations;

(8) ballistic missile defense technologies that are not proven to work through adequate testing and that are not operationally viable should not be deployed, and that no funding should be provided for the research or development of space-based interceptors;

(9) cooperative threat reduction and other nonproliferation programs (securing "loose nukes" and other materials used in weapons of mass destruction), which were highlighted as high priorities by the 9/11 Commission, need to be funded at a level that is commensurate with the evolving threat;

(10) readiness of our troops, particularly the National Guard and Reserves, is a high priority, and that continued emphasis is needed to ensure adequate equipment and training;

(11) improving military health care services and ensuring quality health care for returning combat veterans is a high priority;

(12) military pay and benefits should be enhanced to improve the quality of life for military personnel and their families;

(13) the Department of Defense should make every effort to investigate the national security benefits of energy independence, including those that may be associated with alternative energy sources and energy efficiency conversions;

(14) the Administration's budget requests should continue to comply with section 1008, Public Law 109-364, the John Warner National Defense Authorization Act for Fiscal Year 2007, and that to the extent practicable overseas military operations should no longer be funded through emergency supplemental appropriations; and

(15) when assessing security threats and reviewing the programs and funding needed to counter these threats, the Administration should do so in a comprehensive manner that includes all agencies involved in our national security.

TITLE VI—SENSE OF THE CONGRESS

SEC. 601. SENSE OF THE CONGRESS ON VETERANS' AND SERVICEMEMBERS' HEALTH CARE.

It is the sense of the Congress that—

(1) the Congress supports excellent health care for current and former members of the United States Armed Services—they have served well and honorably and have made significant sacrifices for this Nation;

(2) the President's budget will improve health care for veterans by increasing appropriations for VA by 10 percent

more than the 2009 level, increasing VA's appropriated resources for every year after 2010, and restoring health care eligibility to additional nondisabled veterans with modest incomes;

(3) VA is not and should not be authorized to bill private insurance companies for treatment of health conditions that are related to veterans' military service;

(4) VA may find it difficult to realize the level of increase in medical care collections estimated in the President's budget for 2010 using existing authorities, and increases to veterans beneficiary travel reimbursement are important; therefore, this resolution provides \$673,000,000 more for Function 700 (Veterans Benefits and Services) than the President's budget to safeguard the provision of health care to veterans;

(5) it is important to continue providing sufficient and timely funding for veterans' and servicemembers' health care; and

(6) this resolution provides additional funding above the 2009 levels for VA to research and treat mental health, post-traumatic stress disorder, and traumatic brain injury.

SEC. 602. SENSE OF THE CONGRESS ON HOMELAND SECURITY.

It is the sense of the Congress that because making the country safer and more secure is such a critical priority, the resolution therefore provides robust resources in the four budget functions—Function 400 (Transportation), Function 450 (Community and Regional Development), Function 550 (Health), and Function 750 (Administration of Justice)—that fund most nondefense homeland security activities that can be used to address our key security priorities, including—

(1) safeguarding the Nation's transportation systems, including rail, mass transit, ports, and airports;

(2) continuing with efforts to identify and to screen for threats bound for the United States;

(3) strengthening border security;

(4) enhancing emergency preparedness and training and equipping first responders;

(5) helping to make critical infrastructure more secure and resilient against the threat of terrorism and natural disasters;

(6) making the Nation's cyber infrastructure resistive to attack; and

(7) increasing the preparedness of the public health system.

SEC. 603. SENSE OF THE CONGRESS ON PROMOTING AMERICAN INNOVATION AND ECONOMIC COMPETITIVENESS.

It is the sense of the Congress that—

(1) the Congress should provide sufficient investments to enable our Nation to continue to be the world leader in education, innovation, and economic growth as envisioned in the goals of the America COMPETES Act;

(2) this resolution builds on significant funding provided in the American Recovery and Reinvestment Act for scientific research and education in Function 250 (General Science, Space and Technology), Function 270 (Energy), Function 300 (Natural Resources and Environment), Function 500 (Education, Training, Employment, and Social Services), and Function 550 (Health);

(3) the Congress also should pursue policies designed to ensure that American students, teachers, businesses, and workers are prepared to continue leading the world in innovation, research, and technology well into the future; and

(4) this resolution recognizes the importance of the extension of investments and tax policies that promote research and development and encourage innovation and future technologies that will ensure American economic competitiveness.

SEC. 604. SENSE OF THE CONGRESS REGARDING PAY PARITY.

It is the sense of the Congress that rates of compensation for civilian employees of the United States should be adjusted at the same time, and in the same proportion, as are rates of compensation for members of the uniformed services.

SEC. 605. SENSE OF THE CONGRESS ON COLLEGE AFFORDABILITY AND STUDENT LOAN REFORM.

It is the Sense of the Congress that—

(1) nothing in the resolution should be construed to reduce any assistance that makes college more affordable and accessible for students, including but not limited to student aid programs and services provided by nonprofit State agencies and private lenders;

(2) private and non-profit lenders, originators, and loan servicers help students plan for, apply to, and pay for post-secondary education and training;

(3) any reform of the federal student loan programs to ensure that students have reliable and efficient access to federal loans should include some future role for the currently involved private and non-profit entities, including state non-profits with 100% FFEL lending in the State, and capitalize on the current infrastructure provided by private and non-profit entities, in order both to provide employment to many Americans during this time of economic distress and to maintain valuable services that make post-secondary education more accessible and attainable for many Americans; and

(4) therefore, pursuant to any changes to the student loan programs, loan processing, administration, and servicing should continue to be performed, as needed, by for-profit and non-profit entities.

SEC. 606. SENSE OF THE CONGRESS ON GREAT LAKES RESTORATION.

It is the sense of the Congress that this resolution recognizes the need to address significant and long-standing problems affecting the major large scale aquatic, estuarine, and coastal ecosystems nationwide. This resolution includes funding for a new interagency initiative to address such regional ecosystems. It also includes funding to work with Great Lakes States, tribes, local communities, and organizations to more effectively address issues prioritized in the Great Lakes Regional Collaborative. This initiative could address issues such as invasive species, habitat restoration and conservation, non-point source pollution, and contaminated sediment. The resolution also supports the President's proposal to use outcome-oriented performance goals and measures to target the most significant problems and track progress in addressing these ecosystems.

SEC. 607. SENSE OF THE CONGRESS REGARDING THE IMPORTANCE OF CHILD SUPPORT ENFORCEMENT.

It is the sense of the Congress that—

(1) additional legislative action is needed to ensure that States have the necessary resources to collect all child support that is owed to families and to allow them to pass 100 percent of support on to families without financial penalty; and

(2) when 100 percent of child support payments are passed to the child, rather than administrative expenses, program integrity is improved and child support participation increases.

Whereas after the war, on November 1, 1948, Camp Gordon began its signal corps tradition by becoming the home of the Signal Corps Training Center;

- Whereas in June 1986, the United States Army Signal Corp Regiment was established, and Fort Gordon was designated as the regimental home base;
- Whereas the Signal Center’s efforts included the development of Mobile Subscriber Equipment, the Army’s communications architecture and assuming the lead for the Army’s Information Mission Area, which included the integration of automation, communications, visual information, records management, and publications and printing;
- Whereas in 1990 and 1991, the Signal Center played a vital role in preparing soldiers for deployment during Operation Desert Shield and Operation Desert Storm;
