“(o) AGE OF CHILD.—

“(1) TWELVE YEARS.—In a prosecution under subsection (b) (rape of a child), subsection (g) (aggravated sexual contact with a child), or subsection (j) (indecent liberty with a child),

it need not be proven that the accused knew that the other person engaging in the sexual act, contact, or liberty had not attained the age of 12 years. It is not an affirmative defense that the accused reasonably believed that the child had attained the age of 12 years.

“(2) SIXTEEN YEARS.—In a prosecution under subsection (d) (aggravated sexual assault of a child), subsection (f) (aggravated sexual abuse of a child), subsection (i) (abusive sexual contact with a child), or subsection (j) (indecent liberty with a child), it need not be proven that the accused knew that the other person engaging in the sexual act, contact, or liberty had not attained the age of 16 years. Unlike in paragraph (1), however, it is an affirmative defense that the accused reasonably believed that the child had attained the age of 16 years.

“(p) PROOF OF THREAT.—In a prosecution under this section, in proving that the accused made a threat, it need not be proven that the accused actually intended to carry out the threat.

“(q) MARRIAGE.—

“(1) IN GENERAL.—In a prosecution under paragraph (2) of subsection (c) (aggravated sexual assault), or under subsection (d) (aggravated sexual assault of a child), subsection (f) (aggravated sexual abuse of a child), subsection (i) (abusive sexual contact with a child), subsection (j) (indecent liberty with a child), subsection (m) (wrongful sexual contact), or subsection (n) (indecent exposure), it is an affirmative defense that the accused and the other person when they engaged in the sexual act, sexual contact, or sexual conduct are married to each other.

“(2) DEFINITION.—For purposes of this subsection, a marriage is a relationship, recognized by the laws of a competent State or foreign jurisdiction, between the accused and the other person as spouses. A marriage exists until it is dissolved in accordance with the laws of a competent State or foreign jurisdiction.

“(3) EXCEPTION.—Paragraph (1) shall not apply if the accused’s intent at the time of the sexual conduct is to abuse, humiliate, or degrade any person.

“(r) CONSENT AND MISTAKE OF FACT AS TO CONSENT.—Lack of permission is an element of the offense in subsection (m) (wrongful sexual contact). Consent and mistake of fact as to consent are not an issue, or an affirmative defense, in a prosecution under any other subsection, except they are an affirmative defense for the sexual conduct in issue in a prosecution under subsection (a) (rape), subsection (c) (aggravated sexual assault), subsection (e) (aggravated sexual contact), and subsection (h) (abusive sexual contact).

“(s) OTHER AFFIRMATIVE DEFENSES NOT PRECLUDED.—The enumeration in this section of some affirmative defenses shall not be construed as excluding the existence of others.

“(t) DEFINITIONS.—In this section:

“(1) SEXUAL ACT.—The term ‘sexual act’ means—

“(A) contact between the penis and the vulva, and for purposes of this subparagraph contact involving the penis occurs upon penetration, however slight; or

“(B) the penetration, however slight, of the genital opening of another by a hand or finger or by any object,

with an intent to abuse, humiliate, harass, or degrade any person or to arouse or gratify the sexual desire of any person.

“(2) SEXUAL CONTACT.—The term ‘sexual contact’ means the intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of another person, or intentionally causing another person to touch, either directly or through the clothing, the genitalia, anus, groin, breast, inner thigh, or buttocks of any person, with an intent to abuse, humiliate, or degrade any person or to arouse or gratify the sexual desire of any person.

“(3) GRIEVOUS BODILY HARM.—The term ‘grievous bodily harm’ means serious bodily injury. It includes fractured or dislocated bones, deep cuts, torn members of the body, serious damage to internal organs, and other severe bodily injuries. It does not include minor injuries such as a black eye or a bloody nose. It is the same level of injury as in section 928 (article 128) of this chapter, and a lesser degree of injury than in section 2246(4) of title 18.

“(4) DANGEROUS WEAPON OR OBJECT.—The term ‘dangerous weapon or object’ means—

“(A) any firearm, loaded or not, and whether operable or not;

“(B) any other weapon, device, instrument, material, or substance, whether animate or inanimate, that in the manner it is used, or is intended to be used, is known to be capable of producing death or grievous bodily harm; or

“(C) any object fashioned or utilized in such a manner as to lead the victim under the circumstances to reasonably believe it to be capable of producing death or grievous bodily harm.

“(5) FORCE.—The term ‘force’ means action to compel submission of another or to overcome or prevent another’s resistance by—

“(A) the use or display of a dangerous weapon or object;

“(B) the suggestion of possession of a dangerous weapon or object that is used in a manner to cause another to believe it is a dangerous weapon or object; or

“(C) physical violence, strength, power, or restraint applied to another person, sufficient that the other person could not avoid or escape the sexual conduct.

“(6) THREATENING OR PLACING THAT OTHER PERSON IN FEAR.—The term ‘threatening or placing that other person in fear’ under paragraph (3) of subsection (a) (rape), or under subsection (e) (aggravated sexual contact), means a communication or action that is of sufficient consequence to cause a reasonable fear that non-compliance will result in the victim or another person being subjected to death, grievous bodily harm, or kidnapping.

“(7) THREATENING OR PLACING THAT OTHER PERSON IN FEAR.—

“(A) IN GENERAL.—The term ‘threatening or placing that other person in fear’ under paragraph (1)(A) of subsection (c) (aggravated sexual assault), or under subsection (h) (abusive sexual contact), means a communication or

action that is of sufficient consequence to cause a reasonable fear that non-compliance will result in the victim or another being subjected to a lesser degree of harm than death, grievous bodily harm, or kidnapping.

“(B) INCLUSIONS.—Such lesser degree of harm includes—

“(i) physical injury to another person or to another person’s property; or

“(ii) a threat—

“(I) to accuse any person of a crime;

“(II) to expose a secret or publicize an asserted fact, whether true or false, tending to subject some person to hatred, contempt or ridicule; or

“(III) through the use or abuse of military position, rank, or authority, to affect or threaten to affect, either positively or negatively, the military career of some person.

“(8) BODILY HARM.—The term ‘bodily harm’ means any offensive touching of another, however slight.

“(9) CHILD.—The term ‘child’ means any person who has not attained the age of 16 years.

“(10) LEWD ACT.—The term ‘lewd act’ means—

“(A) the intentional touching, not through the clothing, of the genitalia of another person, with an intent to abuse, humiliate, or degrade any person, or to arouse or gratify the sexual desire of any person; or

“(B) intentionally causing another person to touch, not through the clothing, the genitalia of any person with an intent to abuse, humiliate or degrade any person, or to arouse or gratify the sexual desire of any person.

“(11) INDECENT LIBERTY.—The term ‘indecent liberty’ means indecent conduct, but physical contact is not required. It includes one who with the requisite intent exposes one’s genitalia, anus, buttocks, or female areola or nipple to a child. An indecent liberty may consist of communication of indecent language as long as the communication is made in the physical presence of the child. If words designed to excite sexual desire are spoken to a child, or a child is exposed to or involved in sexual conduct, it is an indecent liberty; the child’s consent is not relevant.

“(12) INDECENT CONDUCT.—The term ‘indecent conduct’ means that form of immorality relating to sexual impurity which is grossly vulgar, obscene, and repugnant to common propriety, and tends to excite sexual desire or deprave morals with respect to sexual relations. Indecent conduct includes observing, or making a videotape, photograph, motion picture, print, negative, slide, or other mechanically, electronically, or chemically reproduced visual material, without another person’s consent, and contrary to that other person’s reasonable expectation of privacy, of—

“(A) that other person’s genitalia, anus, or buttocks, or (if that other person is female) that person’s areola or nipple; or

“(B) that other person while that other person is engaged in a sexual act, sodomy (under section 925 (article 125)), or sexual contact.

“(13) ACT OF PROSTITUTION.—The term ‘act of prostitution’ means a sexual act, sexual contact, or lewd act for the purpose of receiving money or other compensation.

“(14) CONSENT.—The term ‘consent’ means words or overt acts indicating a freely given agreement to the sexual conduct at issue by a competent person. An expression of lack of consent through words or conduct means there is no consent. Lack of verbal or physical resistance or submission resulting from the accused’s use of force, threat of force, or placing another person in fear does not constitute consent. A current or previous dating relationship by itself or the manner of dress of the person involved with the accused in the sexual conduct at issue shall not constitute consent. A person cannot consent to sexual activity if—

“(A) under 16 years of age; or

“(B) substantially incapable of—

“(i) appraising the nature of the sexual conduct at issue due to—

“(I) mental impairment or unconsciousness resulting from consumption of alcohol, drugs, a similar substance, or otherwise; or

“(II) mental disease or defect which renders the person unable to understand the nature of the sexual conduct at issue;

“(ii) physically declining participation in the sexual conduct at issue; or

“(iii) physically communicating unwillingness to engage in the sexual conduct at issue.

“(15) MISTAKE OF FACT AS TO CONSENT.—The term ‘mistake of fact as to consent’ means the accused held, as a result of ignorance or mistake, an incorrect belief that the other person engaging in the sexual conduct consented. The ignorance or mistake must have existed in the mind of the accused and must have been reasonable under all the circumstances. To be reasonable the ignorance or mistake must have been based on information, or lack of it, which would indicate to a reasonable person that the other person consented. Additionally, the ignorance or mistake cannot be based on the negligent failure to discover the true facts. Negligence is the absence of due care. Due care is what a reasonably careful person would do under the same or similar circumstances. The accused’s state of intoxication, if any, at the time of the offense is not relevant to mistake of fact. A mistaken belief that the other person consented must be that which a reasonably careful, ordinary, prudent, sober adult would have had under the circumstances at the time of the offense.

“(16) AFFIRMATIVE DEFENSE.—The term ‘affirmative defense’ means any special defense which, although not denying that the accused committed the objective acts constituting the offense charged, denies, wholly, or partially, criminal responsibility for those acts. The accused has the burden of proving the affirmative defense by a preponderance of evidence. After the defense meets this burden, the prosecution shall have the burden of proving beyond a reasonable doubt that the affirmative defense did not exist.”

Subtitle D—Intelligence-Related Matters

SEC. 931. DEPARTMENT OF DEFENSE STRATEGY FOR OPEN-SOURCE INTELLIGENCE.

50 USC 403–5
note.

(a) **FINDINGS.**—Congress makes the following findings:

(1) Open-source intelligence (OSINT) is intelligence that is produced from publicly available information and is collected, exploited, and disseminated in a timely manner to an appropriate audience for the purpose of addressing a specific intelligence requirement.

(2) With the Information Revolution, the amount, significance, and accessibility of open-source information has expanded significantly, but the intelligence community has not expanded its exploitation efforts and systems to produce open-source intelligence.

(3) The production of open-source intelligence is a valuable intelligence discipline that must be integrated into intelligence tasking, collection, processing, exploitation, and dissemination to ensure that United States policymakers are fully and completely informed.

(4) The dissemination and use of validated open-source intelligence inherently enables information sharing since open-source intelligence is produced without the use of sensitive sources and methods. Open-source intelligence products can

be shared with the American public and foreign allies because of the unclassified nature of open-source intelligence.

(5) The National Commission on Terrorist Attacks Upon the United States (popularly referred to as the “9/11 Commission”), in its final report released on July 22, 2004, identified shortfalls in the ability of the United States to use all-source intelligence, a large component of which is open-source intelligence.

(6) In the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108–458), Congress calls for coordination of the collection, analysis, production, and dissemination of open-source intelligence.

(7) The Commission on the Intelligence Capabilities of the United States Regarding Weapons of Mass Destruction, in its report to the President released on March 31, 2005, found that “the need for exploiting open-source material is greater now than ever before,” but that “the Intelligence Community’s open source programs have not expanded commensurate with either the increase in available information or with the growing importance of open source data to today’s problems”.

(b) DEPARTMENT OF DEFENSE STRATEGY FOR OPEN-SOURCE INTELLIGENCE.—

(1) DEVELOPMENT OF STRATEGY.—The Secretary of Defense shall develop a strategy for the purpose of integrating open-source intelligence into the Defense intelligence process. The strategy shall be known as the “Defense Strategy for Open-Source Intelligence”. The strategy shall be incorporated within the larger Defense intelligence strategy.

(2) SUBMISSION.—The Secretary shall submit to Congress a report setting forth the strategy developed under paragraph (1). The report shall be submitted not later than 180 days after the date of the enactment of this Act.

(c) MATTERS TO BE INCLUDED.—The strategy under subsection (b) shall include the following:

(1) A plan for providing funds over the period of the future-years defense program for the development of a robust open-source intelligence capability for the Department of Defense, with particular emphasis on exploitation and dissemination.

(2) A description of how management of the collection of open-source intelligence is currently conducted within the Department of Defense and how that management can be improved.

(3) A description of the tools, systems, centers, organizational entities, and procedures to be used within the Department of Defense to perform open-source intelligence tasking, collection, processing, exploitation, and dissemination.

(4) A description of proven tradecraft for effective exploitation of open-source intelligence, to include consideration of operational security.

(5) A detailed description on how open-source intelligence will be fused with all other intelligence sources across the Department of Defense.

(6) A description of—

(A) a training plan for Department of Defense intelligence personnel with respect to open-source intelligence; and

Reports.
Deadline.

(B) open-source intelligence guidance for Department of Defense intelligence personnel.

(7) A plan to incorporate the function of oversight of open-source intelligence—

(A) into the Office of the Undersecretary of Defense for Intelligence; and

(B) into service intelligence organizations.

(8) A plan to incorporate and identify an open-source intelligence specialty into personnel systems of the Department of Defense, including military personnel systems.

(9) A plan for the use of intelligence personnel of the reserve components to augment and support the open-source intelligence mission.

(10) A plan for the use of the Open-Source Information System for the purpose of exploitation and dissemination of open-source intelligence.

The Secretary shall prepare the inventory in consultation with the Director of National Intelligence, as appropriate.

(b) COMMITTEES.—The congressional committees referred to in subsection (a) are the following:

“(B) The court shall determine, to the fullest extent practicable, issues of fact based on sworn written submissions of the parties.

“(C) When a complainant alleges that requested records were improperly withheld because of improper placement solely in exempted operational files, the complainant shall support such allegation with a sworn written submission based upon personal knowledge or otherwise admissible evidence.

(1) Congress and the Department of Defense should fund the Counter-Drug Tethered Aerostat program; and

(1) The 2004 Report to Congress of the United States-China Economic and Security Review Commission states that—

(A) China's State-Owned Enterprises (SOEs) lack adequate disclosure standards, which creates the potential for United States investors to unwittingly contribute to enterprises that are involved in activities harmful to United States security interests;

(B) United States influence and vital long-term interests in Asia are being challenged by China's robust regional economic engagement and diplomacy;

(C) the assistance of China and North Korea to global ballistic missile proliferation is extensive and ongoing;

(D) China's transfers of technology and components for weapons of mass destruction (WMD) and their delivery systems to countries of concern, including countries that support acts of international terrorism, have helped create a new tier of countries with the capability to produce WMD and ballistic missiles;

(E) the removal of the European Union arms embargo against China that is currently under consideration in the European Union would accelerate weapons modernization and dramatically enhance Chinese military capabilities;

(F) China is developing a leading-edge military with the objective of intimidating Taiwan and deterring United States involvement in the Taiwan Strait, and China's qualitative and quantitative military advancements have already resulted in a dramatic shift in the cross-Strait military balance toward China; and

(G) China's growing energy needs are driving China into bilateral arrangements that undermine multilateral efforts to stabilize oil supplies and prices, and in some cases may involve dangerous weapons transfers.

(2) On March 14, 2005, the National People's Congress approved a law that would authorize the use of force if Taiwan formally declares independence.

(b) SENSE OF CONGRESS FOR COMPREHENSIVE STRATEGY.—It is the sense of Congress that the President should present to Congress quickly a comprehensive strategy to—

(1) address the emergence of China economically, diplomatically, and militarily;

(2) promote mutually beneficial trade relations with China; and

(3) encourage China's adherence to international norms in the areas of trade, international security, and human rights.

(c) CONTENTS OF STRATEGY.—The strategy referred to in subsection (b) should address the following:

(1) Actions to address China's policy of undervaluing its currency, including—

(A) encouraging China to continue to upwardly revalue the Chinese yuan against the United States dollar;

(B) allowing the yuan to float against a trade-weighted basket of currencies; and

(C) concurrently encouraging United States trading partners with similar interests to join in these efforts.

(2) Actions to make better use of the World Trade Organization (WTO) dispute settlement mechanism and applicable United States trade laws to redress China's trade practices, including—

(A) exchange rate manipulation;

(B) denial of trading and distribution rights;

(C) insufficient intellectual property rights protection;

(D) objectionable labor standards;

(E) subsidization of exports; and

(F) forced technology transfers as a condition of doing business.

(3) The United States Trade Representative should consult with United States trading partners regarding any trade dispute with China.

(4) Actions to encourage United States diplomatic efforts to identify and pursue initiatives to revitalize United States engagement in East Asia. The initiatives should have a regional focus and complement bilateral efforts. The Asia-Pacific Economic Cooperation forum (APEC) offers a ready mechanism for pursuit of such initiatives.

(5) Actions by the administration to work with China to prevent proliferation of prohibited technologies and to secure China's agreement to renew efforts to curtail commercial export by North Korea of ballistic missiles.

(6) Actions by the Secretary of State and the Secretary of Energy to consult with the International Atomic Energy Agency with the objective of upgrading the current loose experience-sharing arrangement whereby China engages in some limited exchanges with the organization to a more structured arrangement.

(7) Actions by the administration to develop a coordinated, comprehensive national policy and strategy designed to maintain United States scientific and technological leadership and competitiveness, in light of the rise of China and the challenges of globalization.

(8) Actions to review laws and regulations governing the Committee on Foreign Investment in the United States (CFIUS), including exploring whether the definition of national security should include the potential impact on national economic security as a criterion to be reviewed, and whether the chairmanship of CFIUS should be transferred from the Secretary of the Treasury to a more appropriate executive branch agency.

(9) Actions by the President and the Secretary of State and Secretary of Defense to press strongly their counterparts in the European Union and its member states to maintain and strengthen the embargo on selling arms to China.

(10) Actions by the administration to discourage foreign defense contractors from selling sensitive military-use technology or weapons systems to China.

SEC. 2872. TRANSFER OF EXCESS DEPARTMENT OF DEFENSE PROPERTY ON SANTA ROSA AND OKALOOSA ISLAND, FLORIDA, TO GULF ISLANDS NATIONAL SEASHORE.

16 USC 459h-6
note.

(a) FINDINGS.—Congress finds the following:

(1) Public Law 91-660 of the 91st Congress established the Gulf Islands National Seashore in the States of Florida and Mississippi.

(2) The original boundaries of the Gulf Islands National Seashore encompassed certain Federal land used by the Air Force and the Navy, and the use of such land was still required by the Armed Forces when the seashore was established.

(3) Senate Report 91-1514 of the 91th Congress addressed the relationship between these military lands and the Gulf Islands National Seashore as follows: “While the military use of these lands is presently required, they remain virtually free of adverse development and they are included in the boundaries of the seashore so that they can be wholly or partially transferred to the Department of the Interior when they become excess to the needs of the Air Force.”.

(4) Although section 2(a) of Public Law 91-660 (16 U.S.C. 459h-1(a)) authorized the eventual transfer of Federal land within the boundaries of the Gulf Islands National Seashore from the Department of Defense to the Secretary of the Interior, an amendment mandating the transfer of excess Department of Defense land on Santa Rosa and Okaloosa Island, Florida, to the Secretary of the Interior is required to ensure that the purposes of the Gulf Islands National Seashore are fulfilled.

The Secretary of the Interior shall administer the transferred land as part of the seashore in accordance with the provisions of this Act.”.

SEC. 2877. SENSE OF CONGRESS ON ESTABLISHMENT OF BAKERS CREEK MEMORIAL.

(a) FINDINGS.—Congress makes the following findings:

(1) In 1943 and 1944, the United States Armed Forces operated a rest and relaxation facility in Mackay, Queensland, Australia, for troops serving in the Pacific Theater during World War II.

(2) On June 14, 1943, a Boeing B–17C was transporting 6 crew members and 35 servicemen from Mackay to Port Moresby, New Guinea, to return the servicemen to duty after 10 days of rest and relaxation leave at an Army/Red Cross facility.

(3) The aircraft crashed shortly after take-off at Bakers Creek, Australia, killing all 6 crew members and 34 of the 35 servicemen being transported in what was at that point the worst crash in American air transport history, and what remains the worst air disaster in Australian history.

(4) Due to wartime censorship rules related to the movement of troops, the tragic crash and loss of life were not reported to the Australian or United States public.

(5) Many family members of those killed did not learn the circumstances of the troops deaths until they were contacted by the Bakers Creek Memorial Foundation beginning in 1992.

(6) As of May 2005, the Bakers Creek Memorial Foundation had contacted 36 of the 40 families that lost loved ones in the tragic crash, and was continuing efforts to locate the remaining four families to inform them of the true events of the crash at Bakers Creek.

(7) The Australian people marked the tragic crash at Bakers Creek with a memorial established in 1992, but no similar memorial has been established in the United States.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the Secretary of the Army may establish an appropriate marker, at a site to be chosen at the discretion of the Secretary, to commemorate the 40 members of the United States Armed Forces who lost their lives in the air crash at Bakers Creek, Australia, on June 14, 1943.
