

Save Money! Save Time!

Eight Great Reasons to Use FEDLINK

The purchasing, training and resource-sharing solution for all of your federal agency's information needs.

1. Get the best products and services at the lowest prices. Tap into the expertise of Library of Congress professionals, working with its librarians, contracting officers, financial managers and customer service representatives.
2. Save administrative time and reduce contracting costs — as much as 20% on purchases and 80% of your purchasing time!
3. Access the best information procurement services including contracting, ordering, vendor relations, and fiscal management. Manage your orders and invoices, with FEDLINK's pre-negotiated contracts for the best prices.
4. Comply with all federal acquisition regulations. Have FEDLINK solicit, evaluate, negotiate and award contracts for your products and services with negotiated procurements and indefinite-quantity/indefinite-delivery (IDIQ) or basic ordering agreements.
5. Meet federal accounting regulations. FEDLINK is a revolving fund (Section 103 of P.L. 106-481 (2 U.S.C. 182c)) and follows Government Accountability Office, Office of Management and Budget and Department of the Treasury procedures.
6. Track your account with FEDLINK's online service usage reports, current account balances and daily online updates. Stretch your library service budgets and anticipate your needs.
7. Add or subtract money whenever you want by adjusting your service funding levels throughout the fiscal year.
8. Get expert advice from senior level librarians so you stay abreast of issues and developments in products, services and information management.
