The State Auditor shall randomly draw the names of three qualified independent auditors from a pool consisting of all auditors employed by the state and licensed by the California Board of Accountancy at the time of the drawing. The State Auditor shall draw until the names of three auditors have been drawn including one who is registered with the largest political party in California based on party registration, one who is registered with the second largest political party in California based on party registration, and one who is not registered with either of the two largest political parties in California. After the drawing, the State Auditor shall notify the three qualified independent auditors whose names have been drawn that they have been selected to serve on the panel. If any of the three qualified independent auditors decline to serve on the panel, the State Auditor shall resume the random drawing until three qualified independent auditors who meet the requirements of this subdivision have agreed to serve on the panel. A member of the panel shall be subject to the conflict of interest provisions set forth in paragraph (2) of subdivision (a).

(c) Having removed individuals with conflicts of interest from the applicant pool, the State Auditor shall no later than August 1 in 2010, and in each year ending in the number zero thereafter, publicize the names in the applicant pool and provide copies of their applications to the Applicant Review Panel.

The six appointees must be approved by at least five affirmative votes which must include at least two votes of commissioners registered from each of the two largest parties and one vote from a commissioner who is not affiliated with either of the two largest political parties in California. The six appointees shall be chosen to ensure the commission reflects this state's diversity, including, but not limited to, racial, ethnic, geographic, and gender diversity. However, it is not intended that formulas or specific ratios be applied for this purpose. Applicants shall also be chosen based on relevant analytical skills and ability to be impartial.

This paragraph does not prohibit communication between commission members, staff, legal counsel, and consultants retained by the commission that is otherwise permitted by the Bagley-Keene Open Meeting Act or its successor outside of a public hearing.

(4) The commission shall select by the voting process prescribed in paragraph (5) of subdivision (c) of Section 2 of Article XXI of the California Constitution one of their members to serve as the chair and one to serve as vice chair. The chair and vice chair shall not be of the same party.

(5) The commission shall hire commission staff, legal counsel, and consultants as needed. The commission shall establish clear criteria for the hiring and removal of these individuals, communication protocols, and a code of conduct. The commission shall apply the conflicts of interest listed in paragraph (2) of subdivision (a) of Section 8252 to the hiring of staff to the extent applicable. The Secretary of State shall provide support functions to the commission until its staff and office are fully functional. Any individual employed by the commission shall be exempt from the civil service requirements of Article VII of the California Constitution. The hearing process shall include hearings to receive public input before the commission draws any maps and hearings following the drawing and display of any commission maps. In addition, hearings shall be supplemented with other activities as

appropriate to further increase opportunities for the public to observe and participate in the review process. The commission shall display the maps for public comment in a manner designed to achieve the widest public access reasonably possible. Public comment shall be taken for at least 14 days from the date of public display of any map.

(b) The Legislature shall take all steps necessary to ensure that a complete and accurate computerized database is available for redistricting, and that procedures are in place to provide the public ready access to redistricting data and computer software for drawing maps. Upon the commission's formation and until its dissolution, the Legislature shall coordinate these efforts with the commission.

8253.5. Citizens Redistricting Commission Compensation.

Members of the commission shall be compensated at the rate of three hundred dollars (\$300) for each day the member is engaged in commission business. For each succeeding commission, the rate of compensation shall be adjusted in each year ending in nine by the cumulative change in the California Consumer Price Index, or its successor. The Governor shall also make adequate office space available for the operation of the commission. The Legislature shall make the necessary appropriation in the Budget Act, and the appropriation shall be available during the entire three-year period. The appropriation made shall be equal to the greater of three million dollars (\$3,000,000), or the amount expended pursuant to this subdivision in the immediately preceding redistricting process, as each amount is adjusted by the cumulative change in the California Consumer Price Index, or its successor, since the date of the immediately preceding appropriation made pursuant to this subdivision. The Legislature may make additional appropriations in any year in which it determines that the commission requires additional funding in order to fulfill its duties.

(b) The commission, with fiscal oversight from the Department of Finance or its successor, shall have procurement and contracting authority and may hire staff and consultants, exempt from the civil service requirements of Article VII of the California Constitution, for the purposes of this act, including legal representation.
