

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

February 7, 2007

CBCA 509-RELO

In the Matter of CARLOS J. DELGADO

Carlos J. Delgado, Kansas City, MO, Claimant.

Shirley Lee Autry, Deputy Director, Finance Center, United States Army Corps of Engineers, Millington, TN, appearing for Department of the Army.

HYATT, Board Judge.

The subject claim was for additional per diem expenses incurred with respect to official travel performed by claimant, Carlos J. Delgado, in connection with a recent permanent change of station. On January 18, 2007, the Army Corps of Engineers informed claimant and the Board that, based upon information provided by Mr. Delgado in his submission, it would recalculate his reimbursement to include the additional hours of per diem that he had claimed. Mr. Delgado has informed the Board that the additional per diem approved by the agency has resolved his pending claim.

Accordingly, the claim is dismissed.
