### **903<sup>rd</sup> CCBn Supports Saber Guardian 2013 in Romania**

*Story by Rachel Clark, 409<sup>th</sup> Contracting Support Brigade*

Nov. 28, 2012. At the Cincu Training Center outside of Fargaras, Romania, Maj. Andrei Izota, a Romanian logistics staff officer, talks with Maj. Mark Corn, contracting officer, 903rd Contingency Contracting Battalion, and Maj. Octavian Trifas, a Romanian land forces staff logistics officer, about contracting requirements in support of Saber Guardian 13. SG 13 is a battalion level command post exercise whose mission is to enhance NATO interoperability, sustain partner capacity and execute multilateral

peace support operations. The United States and Romania are co-hosting the exercise along with six coalition partner nations. (photo by: Sgt. 1st Class Ontario Flowers, 903rd CCBN)
