**Privacy Act Notification:**

Collection of this information is authorized under 5 U.S.C. 301 and 302; 40 U.S.C. 121 (d),k 1315; Delegation of Authority, 33 FR 6044 (January 17, 1968); 42 U.S.C. 216; 44 U.S.C. 3101 and 3102; and 45 CFR Part 3. The primary use of this information is to determine the suitability or eligibility for access to the National Institutes of Health (NIH) facilities. For NIH security purposes, your name will be checked against the National Crime Information Center (NCIC) and other applicable law enforcement databases, prior to the issuance of an affiliate NIH identification and campus access pass. This may result in information being disclosed to Law Enforcement Officials regarding past arrests, outstanding warrants, criminal convictions, or your inclusion on the FBI watch list. As a result of that disclosure, if warranted, possible legal action and/or arrest could occur. Submission of this information is voluntary; however, in order for the NIH Police to determine your suitability to receive a government-issued NIH identification card and campus access pass, you must complete all fields.

**Penalties to Inaccurate or False Statements:**

Title, 18 Section 1001, United States Code (USC) provides that knowingly falsifying or concealing a material fact is a felony punishable by a fine(s) of up to \$10,000, or 5 years imprisonment, or both. Additionally, Federal agencies generally fire, deny grant access, or disqualify individuals who have materially and deliberately falsified these forms, and this fact remains a part of the permanent record for consideration of future placements.

**Authorization:**

Although this process may have been done prior to the date of this application, I authorize any appropriate member of the National Institutes of Health Division of Police to conduct appropriate checks against the National Crime Information (NCIC) and other applicable law enforcement databases to obtain information relating to my past history. I understand that the information released by record custodians, and sources of information is for official use by the NIH only for the purposes of determining my suitability or eligibility for access to NIH facilities, and may be disclosed by the NIH only as authorized by law.
