Specialty Qualification:

Education: The following qualifying degrees are acceptable for application into the Medical Service Corps (MSC). Applicants wishing to apply for a MSC commission must have one of the qualifying degrees listed below.

Graduate degrees: Health Administration, Healthcare Administration (or equivalent), Healthcare Management, Health Management and Policy, Health Services Administration (or equivalent), Hospital Administration (or equivalent), Accounting, Business Administration, Business Management, Economics, Finance, Marketing, Statistics, Information Systems Management, or other closely-related equivalent as specified below.

Undergraduate degrees: Health Administration, Healthcare Administration (or equivalent), Healthcare Management, Health Management and Policy, Health Services Administration (or equivalent), Hospital Administration (or equivalent), Accounting, Business Administration, Business Management, Economics, Finance, Marketing, Statistics, Information Systems Management, Biomedical Engineering, Clinical Engineering and Health Management/Health Systems Engineering, Architecture, Operations Research or other closely-related degree as specified below.

Graduate Management Admission Test (GMAT)/Graduate Record Examination (GRE): GMAT/GRE scores from an examination taken within the last five years as of 1 Jan 2013 are required for all applicants. The minimum score for GRE, if exam was taken 1 Aug 2011 or after, is 286; if exam was taken before 1 Aug 2011, is 800 (verbal and quantitative). GMAT minimum score is 400. Historically, GRE and GMAT scores of individuals selected for commissioning have been an average of 1073 (291 new) and 553 respectively. The question of why an individual with a master's degree needs these test scores often arises. The selection board evaluates and compares the quality of the applicants' degree to the respective GRE or GMAT score.

Your complete application package must be submitted NLT 15 Feb 2013 to:
