September 24, 2007

Dear parents and sponsors,

As a part of our Force Protection Safe Schools Initiative at Hainerberg Elementary School, this is to inform you that our regular volunteers, or anyone who volunteers more than one day, will now be required to register as a volunteer with Army Community Services (ACS).

ACS allows volunteers to register online at the <http://www.myarmylifetoo.com> web site. You must register to use the site and, then, you can register as a volunteer for Hainerberg Elementary School.

We are asking that our volunteers become registered by **October 15, 2007**. Currently, there is no job description listed for our school, but you may still register and, then, later select a job description after we are able post one at the site. ACS tells us we should be able to do this shortly.

Becoming a registered volunteer through ACS is a positive step forward for a couple of different reasons. First, you are helping provide a safe environment for our students, and second, by keeping track of your volunteer hours, you receive recognition for the donation of time and talent both for you and for your unit or sponsor's unit.

Thanks in advance for your cooperation in keeping our students safe and for all you do to support the school.

Sincerely,

Barbara Hickman  
Principal
